LAMAR UNIVERSITY, DEPARTMENT OF HISTORY

HISTORY STUDENT OF THE MONTH NOMINATION FORM

Criteria: History major or minor, undergraduate, and at least a 2.8 GPA (C+) overall with a B average or better in all history courses. Past winners are not eligible for nomination. This is not necessarily an award for academic excellence, but for those who demonstrate an above average ability/interest in history through classroom participation, club and department activities, historical research, etc. Each will receive a certificate and one student will be chosen for "Student of the Year" from among all the previous award recipients. The Student of the Year will receive the Dr. Paul E. Isaac History Award, a monetary award prize, along with a glass plaque, at the Phi Alpha Theta banquet.

Both faculty and students can nominate an undergraduate History major or minor. The deadline is the third week of each month (Sept-May) for the nominee to be considered for the next month. This is a rolling program, and unselected nominations from previous months will be kept for the next month's pool.

Please return the completed form to Dr. Yasuko Sato in Archer 200M or to Ms. Patty Renfro, our administrative assistant. For further details, please contact Dr. Sato at ysato@lamar.edu or at 409-880-8523.
