## UNIVERSITY

A MEMBER OF THE TEXAS STATE UNIVERSITY SYSTEM

**A Step Toward The Future**  
**1999-2000 General Catalog**

## LAMAR UNIVERSITY

### 1999-2000 Catalog • Volume 45 Number 1

---

Forty-fifth catalog issue with announcements for 1999-2000.

Founded in 1923, and established as a four-year coeducational state-supported college on September 1, 1951.

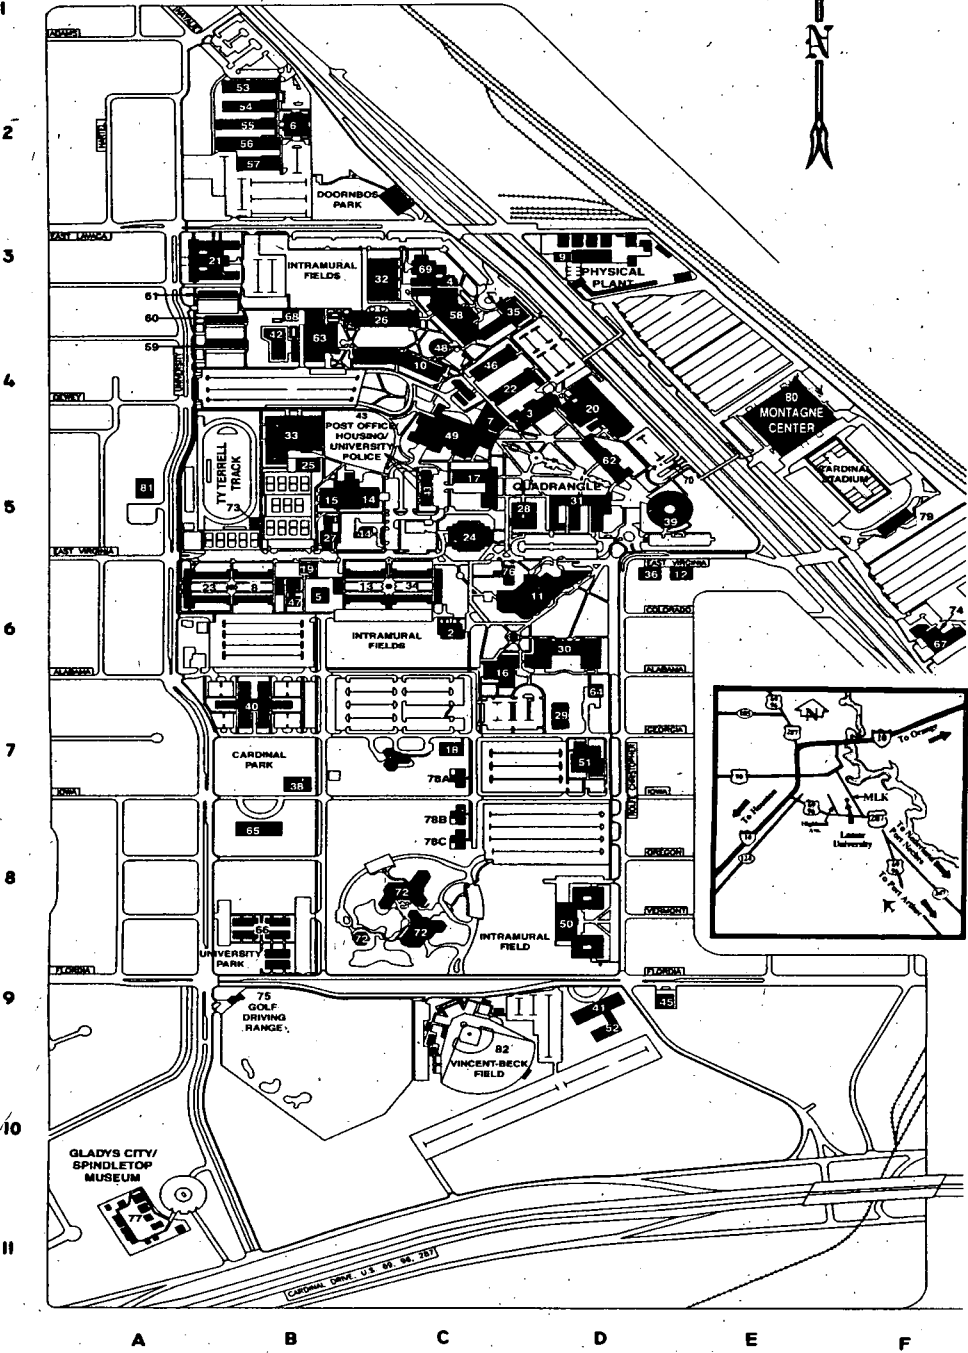

**The provisions of this catalog do not constitute a contract, expressed or implied, between any applicant, student and faculty member in Lamar University. Lamar University reserves the right to withdraw courses at any time, change fees, calendars, curricula, graduation procedures and any other requirement affecting students. Changes become effective when the proper authorities so determine the application to both prospective students and to the students already enrolled.**

Lamar University is an equal opportunity/affirmative action educational institution and employer. Students, faculty and staff members are selected without regard to their race, color, creed, sex, age, handicap or national origin, consistent with the Assurance of Compliance with Title VI of the Civil Rights Act of 1964; Executive Order 11246 as issued and amended; Title IX of the Education Amendments of 1972, as amended; Section 504 of the Rehabilitation Act of 1973. Inquiries concerning application of these regulations may be referred to the Office of the Vice President for Finance and Operations.

Catalog of Lamar University (USPS 074-420).

Third class postage paid at Beaumont, Texas 77710.

*Towering eight floors as the centerpiece of the Lamar University campus, the Mary and John Gray Library has on-line access to more than 1,000,000 volumes and 3,000 periodicals.*

---

## General Information

### Location

The Lamar University campus is located in Beaumont, Texas. With a population of more than 114,000, Beaumont is a diversified city, home not only to the University but also to businesses and industry stemming from a strong petrochemical and agricultural base. World-renowned companies are located in Beaumont to take advantage of the area's resources and its educated work-force.

A host of cultural attractions offer a variety of leisure options from world-class museums and symphony presentations to shopping districts and many spring and fall festivals. A civic center, convention center and coliseum draw professional entertainers and a wide variety of business, social and professional groups to the city. Beaumont is convenient to lake, river and ocean recreation, located only a few miles from the balmy Gulf Coast and little more than an hour from the Big Thicket National Preserve, large lakes and piney woods.

The campus is home to the stately Mary and John Gray Library, the Montagne Center coliseum, the Setzer Student Center, Gladys City Boomtown, several residence halls and state-of-the-art computing and engineering facilities, including a leading-edge interactive video laboratory. Lamar University welcomes visitors. Information regarding tours may be obtained from the Office of Admission Services, P.O. Box 10009, Beaumont, Texas 77710, phone (409) 880-8888.

### History

Lamar University originated on March 8, 1923, when the South Park School District in Beaumont authorized its superintendent to proceed with plans to open "a Junior College of the first class." On September 17, South Park Junior College opened with 125 students and a faculty of 14. Located on the third floor of the South Park High School building, the college shared the library and athletic facilities with the high school. In 1932, separate facilities were provided and the name of the institution was changed to Lamar College, to honor Mirabeau B. Lamar, second president of the Republic of Texas and the "Father of Education" in Texas.

On June 8, 1942, as a result of a public campaign, a new campus was purchased and classes were held for the first time on the present campus in Beaumont. After World War II, the College grew to 1,079, and a bill to make Lamar University a state-supported senior college was introduced in the House of Representatives. The legislature approved the Lamar bill (House Bill-52) on June 4, 1949, creating Lamar State College of Technology effective September 1, 1951. Lamar was the first junior college in Texas to become a four-year state-supported college. Lamar continued to grow, building strong programs in engineering, sciences, business and education.

In 1962, a graduate school was established offering master's degrees in several fields. The Doctorate in Engineering was established in 1971. In the same year, House Bill-590 became law changing the institution's status to the university level of higher education. Lamar State College of Technology, with an enrollment of 10,874, officially became Lamar University on August 23, 1971.

In 1969, an extension center was opened in Orange, and, in 1975, the long-standing private two-year Port Arthur College became Lamar University at Port Arthur. The Lamar University System, of which Beaumont was the primary component, was estab-

lished by the 68th Session of the Texas Legislature with the passage of SB-620, which took effect in August 1983. In 1990, the Texas Higher Education Coordinating Board recommended that all two-year programs at Lamar University be combined into the Lamar University Institute of Technology. The programs in the former College of Technical Arts, Allied Health programs, Office Technology and Restaurant/Institutional Food Management were placed in the new Institute. Lamar University added the Doctorate of Education in Deaf Education in 1993.

Lamar's growth has been steady and progressive, anticipating the evolving needs of its students. To facilitate this growth, the Texas legislature approved House Bill-2313 to merge the Lamar University System with The Texas State University System. Effective September 1, 1995, Lamar University joined sister institutions Angelo State University, Sam Houston State University, Southwest Texas State University and Sul Ross State University as a member of The Texas State University System.

## **Government**

A board of nine regents, appointed by the Governor and approved by the State Senate for terms of six years, governs The Texas State University System. The Board of Regents delegates the direction of university affairs to the presidents, campus administrative officers and faculty.

## **Mission Statement**

Lamar University is a comprehensive senior public university dedicated to providing a learning environment of the highest quality. The University is an educational, scientific, engineering, business and cultural resource center committed to the threefold mission of teaching, research and service. The University is committed to providing students with a liberal education in the context of a global and multicultural environment and seeks partnerships with business, governmental, industrial and other educational organizations to more efficiently accomplish its goals.

## **Instructional Mission**

Lamar University emphasizes quality teaching, student access to faculty and careful student counseling. The University creates a liberating educational experience for each student that expands knowledge, awakens new intellectual interests, examines values, develops talents, provides new skills and prepares each student to assume an effective role as a citizen in a democracy.

The University's mission in graduate education is broad-based at the master's level, and includes doctorates in engineering and deaf education. Other doctoral-level educational opportunities for the region are enhanced through cooperative arrangements between Lamar University and other institutions of higher education. The University's mission in graduate education is characterized by an emphasis on professional fields of study.

With historical commitments to quality educational programs in engineering, business, the arts and sciences, health sciences, education, and the visual and performing arts, the University focuses its unique strengths on significant problems of contemporary interest as evidenced by its recent initiatives in environmental science, engineering, gifted education, and deaf education. Lamar University is strongly committed to the continual enhancement of teaching/learning methodologies and their systematic assessment.

## Research Mission

As a comprehensive, regional university with extensive educational programs, Lamar University's academic efforts are directed to both applied and basic research, scholarship and creative activities. Through its emphasis on the teacher-scholar model, the University encourages faculty members to be active in their respective disciplines, to involve both undergraduate and graduate students in research and creative pursuits, and to support the principle that research is inseparable from teaching.

## Service Mission

The University's educational mission extends to all residents of the Southeast Texas area, and, in special cases, beyond the region. In recognition of that mission, the University provides a diverse outreach program including: credit and noncredit continuing education offerings responsive to the personal, career, and professional development needs of individuals in our region; specialized skills training and human resource development for business and industry on the Gulf Coast; and public service activities that respond to unique regional educational needs and cultural interests.

The University contributes to the cultural life of the region through cultural and artistic presentations and events utilizing the talents of faculty, students and visiting lecturers, artists and performers.

Students, faculty and staff are encouraged to be involved in civic, cultural, service and professional activities. By such volunteer and consultative activities, members of the University demonstrate their citizenship within the larger community.

## The Philosophy of Knowledge Core Curriculum

### Rationale

A program of General Education Requirements for undergraduates is based on the premise that certain common, essential qualities, independent of one's academic discipline, are necessary for intellectual growth and professional advancement. These fundamental, "liberating" qualities, which have guided human progress through history, enable one to communicate effectively, think critically and examine values and principles. They provide a working acquaintance with the scientific method, an appreciation of cultural achievements and an understanding of the relationships among people, their cultures and their natural environment. By providing a stronger historical consciousness, they sharpen a citizen's sense of responsibility to family and society.

A general education provides the base on which a student can build a strong specialization while having the flexibility, which a changing society demands. Specialized skills are needed in a complex environment, but the rapidity of technological change often requires the acquisition of new specialties. A sound general education provides the skills and knowledge which individuals will always need to develop their potential and meet the challenges and opportunities of the future.

### Objectives

The core curriculum includes those basic competencies, which have long been seen by society as the minimal requirement of an educated person. Further by synthesizing the core curriculum into a "Ways of Knowing" or methods of inquiry focus and by emphasizing the application of methods of inquiry in the humanities or the scientific method, this core addresses the goals of coherence and distinctiveness.

The core is designed to further develop in students the abilities to think critically, to communicate effectively and to understand the major social and personal issues of the times. Core courses include emphases on research, writing and speaking. Core courses encourage participation in university and community organizations and activities.

## Components of the Philosophy of Knowledge Core

### I. Philosophy 1370—three semester hours

A freshman-level survey of major knowledge systems, presuppositions and methodologies.

Transfer Students: See Note #3 below.

### II. Methods of Inquiry in the Humanities

**Freshman English Composition—six semester hours.** English 1301 (or English 1360-Honors) and either 1302 or 1374. A passing score on TASP writing test or satisfactory completion of the developmental English course (Developmental Writing 0371) is a prerequisite to admission to English 1301.

**Literature—three semester hours.** Three-hour sophomore-level literature course.

**Communication—three semester hours.** Communication 1315, 1360, 2335, 2373, 3310 or 3340; or an introductory modern language course (including CMDS 2305).

**American History—six semester hours.** Texas law requires six hours in American History. This shall be satisfied by completing two courses from History 1301, 1302, 2373, 2374, 1361, 1362 or 2377. Three semester hours may be satisfied by an advanced standing examination or by History 2301.

**Fine Arts—three semester hours in a visual or performing art.** Art 1301, Dance 1370, Humanities 1315, Music 1306 or Theatre 1310.

### III. Applications of the Scientific Method of Inquiry

**Political Science—six semester hours.** Texas law requires six hours in political science, which includes consideration of the U.S. Constitution and the Texas Constitution. This shall be satisfied by completing Political Science 2301 and 2302. Three semester hours may be satisfied by an advanced standing examination.

**Mathematical Science—six semester hours.** Three semester hours in mathematics at or above the level of college algebra (MATH 1314) and three semester hours in mathematics or in Methods of Quantitative Data Analysis. Approved courses in the latter category are BUAL 3310, MATH 1342, MATH 3370 and PSYC 2471.

**Laboratory Sciences—eight semester hours.** (Biology, chemistry, geology or physics courses which contain a laboratory component.)

**Social Science—three semester hours.** A cross-cultural course from one of the following: Anthropology 2346 or 2351, Economics 1301 (for non-Business majors or minors), Psychology 2301 or Sociology 1301. **Business majors must take both Economics 2301 and 2302 to satisfy degree requirements.**

## Notes:

1. When there are course options, consult the individual department or program to determine if there is a recommended or specified course preference.
2. Carefully observe any prerequisites listed in the Catalog for approved courses.

3. **Transfer Students** from a junior or community college who have completed the Associate Degree and/or are in a 2 + 2 plan may satisfy the Philosophy 1370 (Philosophy of Knowledge) Core requirement by having taken Philosophy 1301 (Introduction to Philosophy) or its equivalent.
4. **Additional Graduation Requirements.** One semester hour of physical activity

## Accreditation

Lamar University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools, 1866 Southern Lane, Decatur, Georgia 30033-4097; telephone number (404) 679-4501, to award degrees at the Associate, Baccalaureate, Master's and Doctoral levels. In addition, Lamar is approved by the Texas Education Agency.

Several departments and programs have been accredited by professional agencies. In the College of Engineering, the programs in Chemical, Civil, Electrical, Industrial and Mechanical Engineering are accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology. The undergraduate and graduate programs of the College of Business are accredited by the American Assembly for Collegiate Schools of Business.

Other accreditations include Nursing by the National League for Nursing Accrediting Commission, the Department of Chemistry by the American Chemical Society; the Department of Geology by the American Institute of Professional Geologists; Department of Music by the National Association of Schools of Music; Dietetics program by the American Dietetic Association; the program in Social Work by the Council on Social Work Education and programs in Speech Pathology by the American Speech-Language-Hearing Association and in Deaf Education by the Council for Education of the Deaf. The University also is a member of a number of academic councils, societies, associations and other such organizations.

## Policy Regarding Review of Institutional Accreditation Documentation

Persons wishing to review documentation regarding the institution's accreditation, approval or licensing may do so by contacting the Office of the Executive Vice President for Academic Affairs, Room 101 in the Plummer Building (409-880-8398).

## Teacher Certification

All teacher education programs of the University are approved by the Texas Education Agency. Students seeking teacher certification should consult the Director of Professional Services, College of Education and Human Development, regarding requirements.

## Organization

Lamar University at Beaumont is organized into six colleges. These Colleges are Arts and Sciences, Business, Education and Human Development, Engineering, Fine Arts and Communication and Graduate Studies.

## Degree Offerings

### **Bachelor of Applied Arts and Sciences**

**Bachelor of Arts** in Chemistry, Criminal Justice, Dance, English, French, History, Mathematics, Political Science, Psychology, Sociology, Spanish, and Theatre

**Bachelor of Business Administration** in Accounting, Economics, Finance, General Business, Management, Marketing, Office Administration, Human Resources Management and Management Information Systems

### **Bachelor of General Studies**

**Bachelor of Fine Arts** in Graphic Design, Studio Art

### **Bachelor of Music**

**Bachelor of Science** in Biology, Chemistry, Communication, Communication Disorders, Computer Science, Criminal Justice, Dance, Earth Science, Economics, Education Interdisciplinary Studies, Energy Resources Management, Environmental Science, Family and Consumer Sciences, Geology, Graphic Design, Health, Kinesiology, Mathematics, Mathematical Science, Medical Technology, Nursing, Physics, Political Science, Psychology, Sociology, Studio Art and Theatre and the following Engineering Fields: Chemical, Civil, Computer Information Sciences, Electrical, Industrial, Mechanical and Industrial Technology

### **Bachelor of Social Work**

**Master of Arts** in English and History

### **Master of Business Administration**

**Master of Education** in Elementary Education, Guidance and Counseling, Administration, Secondary Education, Special Education and Supervision

### **Master of Engineering**

**Master of Engineering Management**

**Master of Engineering Science**

### **Master of Music**

### **Master of Music Education**

**Master of Science** in Applied Criminology, Audiology, Biology, Chemistry, Community Psychology, Computer Science, Deaf Studies/Habilitation, Environmental Engineering, Environmental Studies, Family and Consumer Sciences, Industrial and Organizational Psychology, Kinesiology, Mathematics, Speech-Language Pathology and Theatre

### **Master of Public Administration**

**Doctor of Education** in Deaf Education

### **Doctor of Engineering**

## Entering Dates and Enrollment Opportunities

Courses and schedules have been arranged so students may enter Lamar four times each year. The current University Calendar contains information regarding registration periods and exact entering dates.

## Evening Classes

Classes offered after 5 p.m. are considered Evening Classes, sometimes called Extended Day Classes. Evening classes, with few exceptions, are taught by the regular faculty. Persons employed during the day may attend classes in the evening and study to obtain a degree or to expand their knowledge in a special field of interest as an adult non-degree student. Admissions and Registration Services are available in the Wimberly Student Services Building.

## Mini-Sessions

Demand and resources permitting, Lamar University offers mini-sessions between the end of the fall semester and the beginning of the spring semester (December Mini-Session), and between the end of the spring semester and the beginning of the first summer session (May Mini-Session). Students are limited to one course per mini-session. For additional mini-session policies, students should consult with their academic advisor.

## Distance Learning

Lamar University offers courses using distance delivery methods to help students complete their degree. One method is interactive video, which broadcasts an on-campus class to a distant site through video teleconferencing equipment. Distant students can hear and see, in real time, the instructor and students in the Beaumont campus classroom.

Another method of distance delivery offered by Lamar University is by telecourse—courses broadcast on cable television. Students watch televised lectures; class assignments are handled by mail, e-mail or fax; the instructor is available by telephone, e-mail or individual appointment; and students come to campus for exams. Courses delivered via the World Wide Web are also available. Additional information about distance delivery courses is available through the Division of Continuing Education, (409) 880-8431 or [www.lamar.edu](http://www.lamar.edu).

## Alumni Association

The Lamar University Alumni Association, which includes graduates and ex-students, is active on a year-round basis. The Executive Director of the Association maintains an office in the Alumni House located on Redbird Lane. This office coordinates all events and activities for alumni ranging from fund-raising to social events. Some of these include chapter activities, reunions, homecoming and Distinguished Alumnus Awards. It also administers 30 Presidential Scholarships donated by alumni and friends. These scholarships are awarded to eligible incoming freshmen and are some of the most coveted scholarships offered at Lamar University.

## Bookstore

The Lamar University Bookstore is located in the Setzer Student Center. The lease-operated bookstore features new and used textbooks for the current semester, trade books, course materials, school supplies and officially licensed Lamar University Cardinal merchandise.

The University Bookstore is open Monday-Thursday 7:30 a.m.–5:30 p.m. and Friday 7:30 a.m.–5 p.m. during the Fall and Spring semesters. Summer semester hours are Monday-Thursday 7:45 a.m.–4:30 p.m. and Friday 7:45 a.m.–4 p.m. Extended hours are posted during Rush and buy-back.

## Continuing Education

Continuing Education is a multi-division of programs and services designed to meet the changing needs of Southeast Texas. Within this division are the Center for Adult Studies, Non-Credit Programs, Center for Industrial Fire and Hazardous Materials Training, Spindletop/Gladys City Boomtown Museum, Lamar Language Institute and a variety of other special programs which provide unique educational opportunities.

The Center for Adult Studies coordinates distance learning credit courses and provides point-of-entry advising for all adults who are considering returning to college or beginning college. The Center is also the advising office for the Bachelor of Applied Arts and Sciences degree program. Distance learning classes allow students to earn credits toward degrees using locations and technology that are convenient and accessible. The Center also coordinates travel study programs.

The Non-Credit Programs Division serves as a link between Lamar University and the community to meet educational, cultural and training needs. Non-credit certification programs and courses help students to build professional skills or provide entrance into new career fields. Programs cater to a wide segment of the population ranging from summer youth programs to college experiences for those aged 65 or over. Customized contract training for business and industry, along with seminar and conference organizational services are also provided.

The Center for Industrial Fire and Hazardous Materials Training provides training to business, industry and government personnel. The Lamar University fire-fighters training program is one of four in the nation that has been recognized by the United States Occupational Safety and Health Administration to train personnel in fighting chemical and hydrocarbon fires. The Center hosts industrial fire brigade training, rescue courses, marine fire training, hazardous materials workshops, and an annual school each May.

The Lamar Language Institute offers a comprehensive program to increase English language proficiency for those whose first language is not English. Courses in foreign languages and multi-cultural diversity are also offered.

Other programs administered by the Division of Continuing Education include the Spindletop/Gladys City Boomtown Museum (see page 19); Institute for Young Professionals, a summer program to encourage and motivate high-achieving high school students; and the "I Have A Dream," program which pairs mentors from the community with middle and high school students to encourage them to complete their education and continue to college on scholarships provided by the program.

Continuing Education administrative offices are located in the Montagne Center. To learn more about these programs, call (409) 880-8209.

## **Early Childhood Development Center**

Lamar University's Early Childhood Development Center is located at 950 East Florida. The Center provides high quality extended day-care services and certified kindergarten programs for children between the ages of 18 months and six years.

The Center is staffed with degreed teachers who create a stimulating environment and provide unlimited opportunities for learning. In addition to providing care for young children, the Center, under the administration of the Department of Family and Consumer Sciences, College of Education and Human Development, provides a site for college students to observe and work with children as part of their course work and training.

The Early Childhood Development Center accepts children on a part-time or full-time basis with the fees based on the number of hours children are in attendance.

## Information Systems (Computing Facilities)

The University Information Systems Division is responsible for providing the computing services required by the academic, administrative, and research communities of Lamar University.

The Computer Center, a department of the Information Systems Division, provides for administrative computing with a DEC 7620 computer system. This system is capable of processing 270 million instructions per second (MIPS), has 1.5 billion bytes of working memory and 61 billion bytes of disk storage. The operating system is Open VMS and is capable of handling in excess of 600 simultaneous users. The system supports two 1200 line per minute impact printers, one 600 line per minute impact printer, two laser printers, one reel-to-reel tape unit, and four cartridge tape units.

The Computer Center supports the academic mainframe computer needs with a DEC 2100 Alpha computer running Open VMS and a DEC 2100 Alpha computer running UNIX. Both DEC 2100 Alpha computers are capable of processing 70 million instructions per second (MIPS), have 256 million bytes of working memory, 14 billion bytes of disk storage, and a 4mm cartridge tape unit.

The Computer Center operates a DEC 2100 Alpha computer for the John Gray Library. This computer uses Open VMS as an operating system to run the third party library software package DRA. The library DEC 2100 is capable of processing 100 million instructions per second (MIPS), has 256 million bytes of working memory, and 20 billion bytes of disk storage, and one cartridge tape unit.

General use computer labs for students are located at various strategic locations on the campus. These labs utilize personal computers that can be used as terminals or workstations. The campus computer systems are connected using a fiber optic backbone that allows high speed data transmissions and connection to the Internet.

## Lamar Language Institute

The Lamar Language Institute (LLI) is a non-academic English training program, offering *full-time* study of English as a Second Language during fall, spring and summer sessions. LLI intensive courses provide English training for international, college-bound students as well as non-native speakers of English living and working in the community.

Permanent residents may study *part-time* in our program, which includes intensive work in all language skill areas: writing, grammar, reading, vocabulary, listening comprehension, conversation and pronunciation.

Our *full-time* course provides over 20 hours of ESL instruction per week for 70 class days within the fall and spring semesters. Our summer sessions provide more than 20 hours of ESL instruction per week during 25 class days.

As an integral part of training and study, the LLI and Lamar University offer our students a variety of social activities, both on and off campus. Many of these activities are free of cost and do much to enhance the learning of English while also providing enjoyable opportunities to have meaningful contact and communication with Americans.

Beyond these regular courses, the LLI also provides developmental writing and reading courses for non-native speakers of English who have yet to satisfy TASP requirements. The LLI also offers customized corporate training plans, which include on-site instruction of foreign languages, English as a Second Language and English for Special Purposes. Additional information is available by calling (409) 880-8683, e-mailing [language@hal.lamar.edu](mailto:language@hal.lamar.edu) or writing Lamar Language Institute, P.O. Box 10008, Beaumont, Texas 77710.

## **Library**

The eight-story Mary and John Gray Library building dominates the campus from its central location. The Library occupies seven floors with on-line public access catalog to more than 1,000,000 volumes and 3,000 periodicals. Seating accommodates 1,200 students and faculty.

The first floor service areas include circulation, reference and inter-library loans. The second floor houses reserve reading, current periodicals and government documents. Four floors provide stacks for books and periodicals shelved in Library of Congress classification sequence from class "A" on the third floor through class "Z" on the sixth floor.

The seventh floor houses the library administrative offices, the Media Services Department, microcomputer lab and Special Collections.

The eighth floor offers expansion space for the future, but is presently shared with other University services. This spacious and elegant floor, furnished by community donors, serves as a University Reception Center for meetings and conferences.

Expanding library collections support continuously evolving academic programs. In addition to a strong collection of books and periodicals, the Library provides access to state and federal government documents and participates in the library networks that extend access to information resources. The Library coordinates multimedia programs on campus and has a basic collection of equipment and materials for central distribution.

## **Environmental Library**

Also located on the second floor of the Mary and John Gray Library, is the Gulf Coast Environmental library, the focus of which is the industrial treatment of hazardous waste.

## **Montagne Center**

The 10,000-seat Montagne Center, home of the Lamar University basketball teams, is a multipurpose facility that provides opportunities for educational and extracurricular programs. The center houses the athletic offices, ticket office center staff and continuing education programs.

## **Postal Services**

The University Post Office is United States Postal Service Contract Station and is officially designated as Lamar University Station 77710. Full postal services are offered, including stamp sales for both domestic/international mail, United Parcel Service, mail forwarding, express courier deliveries and bulk mail processing as well as folding, tabbing and inserting services.

Each student may make application for a box at the Post Office by completing necessary forms. There is a charge for each box. Three students are allowed to share the same box. Hours of operation are 8 a.m.-5 p.m. Monday-Friday.

## **Research Office**

The Research Office is administered by the Associate Vice President for Research, who chairs the Research Council. This office promotes and funds internal research; oversees sponsored programs and technology transfer as well as patent, copyright and intellectual property policies; establishes liaison between the university and state and

national funding sources; and assures that proposed projects comply with institutional and governmental regulations. This office also provides assistance to faculty in the development and submission of grant/project proposals by locating funding sources and providing editorial assistance in proposal preparation.

## **Services for Students with Disabilities**

The Office of Services for Students with Disabilities (SFSWD) offers a variety of services designed to assist students with disabilities in becoming fully participating members of the university community. Some of the services provided include academic accommodations, assistive equipment, interpreters, note-takers, physical access and priority registration. Documentation of disability from a professional in the field is required to receive services.

Students with disabilities should notify the coordinator of SFSWD prior to registration in any university program. The coordinator will arrange a meeting with the student to determine an individualized educational plan.

The Office of Services for Students with Disabilities is located in 101A Wimberly Building. Students may write to P.O. Box 10087, Beaumont, Texas 77710, call (409) 880-8026 or fax (409) 880-2225.

## **Spindletop/Gladys City Boomtown Museum**

The Spindletop/Gladys City Boomtown Museum, is located at University and Cardinal Drives (Highway 69). It has artifacts, exhibits and 15 buildings that re-create the early days of the oil industry in Texas, which began on January 10, 1901, when oil was discovered and the Lucas Gusher blew in at Spindletop Hill not far from the present Lamar campus. Gladys City is a re-creation of a boomtown that sprang up at Spindletop after the Lucas discovery.

Gladys City is open from 1 to 5 p.m. Sunday through Friday, and from 9 a.m. to 5 p.m. Saturday (closed Monday). Admission is \$2.50 for adults, \$1.25 for children age 6 to 12 and for senior citizens. Lamar students with current identification cards and children under 6 are admitted free. Private groups may rent the facilities. Telephone (409) 835-0823 or write to P.O. Box 10070, Beaumont, Texas 77710 for further information.

## **Smoking Policy**

Lamar University is a non-smoking facility unless otherwise noted. There shall be posted at the entrance of every building on the university campus a sign stating "This is a nonsmoking facility except in designated areas." Each building coordinator, with the approval of the Vice President for Finance, shall, if an appropriate area exists, designate a smoking area. Smoking is prohibited in all academic classrooms, laboratories, meeting rooms, restrooms, locker rooms, coffee areas, supply storage areas, lobbies, corridors, reception areas, private offices, and university vehicles. The cafeteria, dining halls, or other eating areas are nonsmoking areas, unless they are large enough to provide space for smoking that does not intrude on nonsmokers. This nonsmoking policy applies to university facilities used by off-campus groups as well as university groups.

## University Advancement

The Division for University Advancement encompasses development, publications and institutional marketing. It operates the University News Bureau and University Reception Centers and serves as liaison to the Lamar University Foundation, Inc., and the Lamar University Alumni Association.

Advancement works closely with the President in raising external funds for student scholarships and other advancement programs. The Division coordinates fund-raising by the five academic colleges, the Lamar University Foundation, and other campus constituencies.

## Veterans' Affairs Office

A Veterans' Affairs Office is maintained in the Wimberly Student Services Building to aid veterans in obtaining their educational benefits. It also provides academic assistance and counseling. Veterans are encouraged to complete admissions and testing requirements 90 to 120 days prior to the period for which they wish to enroll. Additional information about veterans' programs may be found in the Fees and Expenses section of this catalog.

## The Writing Center

The Writing Center provides professional assistance to Lamar University students with their writing projects. The center's goal is to help students grow and mature as writers by providing help with difficulties they may have in academic writing. A student may work one-on-one with a writing consultant during individual tutorials. Consultants may be peers, professionals; graduate students, part-time instructors or full-time teachers who meet individually with student-writers for specific help or general instruction. Some writers seek help on their own; others appear at the recommendation of teachers; and in some cases, writers may work in the center as a required part of their coursework.

Writing consultants facilitate the process of writers finding their own answers. Consultants may engage writers in discussions of their topics so writers can develop their own ideas and practice the phrasing and vocabulary of the kinds of discourses they will be writing. Consultants may also offer reader feedback on developing drafts of papers by suggesting writing strategies, by reviewing misunderstood or missing information and by helping students gain perspective on their writing.

Located in Maes 208, The Writing Center features twenty-five personal computers with a variety of software programs, including Microsoft Word, Access, Excel, Powerpoint, Front Page, Publisher and Internet Explorer, as well as e-mail access. Lamar University students can use the computer facilities during normal hours of operation for the center, provided the center is not reserved as a computer classroom. For more information or to make an appointment for a consultation, contact The Writing Center at (409) 880-8571.

## Admissions

Applicants for admission to the University are required to meet the academic requirements outlined in this bulletin or other applicable publications of the University. Both the College of Graduate Studies and the Lamar Institute of Technology publish their own catalogs and require special application forms. The Office of Admission Services, located in the Wimberly Student Services Building, provides complete admissions counseling for entering students. Professionally trained personnel assist prospective students in assembling all admission credentials so transition into a college environment can be made as smooth and problem-free as possible. All initial inquiries to the University should be made to this office by writing P.O. Box 10007, Lamar University Station, Beaumont, Texas 77710 or by calling 409-880-8888.

### Requirements for Students Entering from High Schools

An applicant is required to have graduated from an accredited high school and to have submitted SAT or ACT entrance examination scores. Minimum score requirements are specified in paragraph I.B. below. Applicants who have attended another college or university cannot disregard that enrollment and seek admission only on the basis of their high school records. Equivalency diplomas granted on the basis of GED scores will not fulfill entrance requirements.

The admissions requirements are:

#### I. Unconditional Admission

##### A. Granted to students who meet the following prerequisites:

1. Attainment of a high school diploma from an accredited high school AND
2. Successful completion of 14 high school units in college preparatory courses including:
  - a) 4 units in college preparatory English courses (English I, II, III, and IV or English IV-academic or higher level English courses).
  - b) 3 units of college preparatory mathematics courses (Algebra I, II, Geometry, or higher level mathematics courses).
  - c) 2 units of laboratory science courses (any 2 units from Physical Science, Biology I, II, Chemistry I, II, Physics I, II, or Geology).
  - d) 2-1/2 units of social science courses (U.S. History, 1 unit, and U.S. Government, 1/2 unit, and World History Studies, 1 unit, or World Geography Studies, 1 unit).
  - e) 2-1/2 units of approved college preparatory course electives. 2 units of foreign language are recommended.

##### B. In addition, all applicants must submit SAT or ACT scores. Students must graduate in the top one-half of their high school class OR achieve a minimum composite score on the SAT/ACT as follows:

Rank in High School Class	Minimum Score Required in one of the Following Tests		
	SAT(R)	SAT	ACT
1st Quarter	no minimum score required		
2nd Quarter	no minimum score required		
3rd Quarter	1000	900	21
4th Quarter	1100	1000	24

## II. Individual Approval Admission

- A. Applicants who fail to meet the requirements for Unconditional Admission may be considered on an Individual Approval basis. A limited number of applicants may be admitted under this provision.
- B. Students admitted as "Individual Approvals" are subject to the following provisions:
  - 1. Mandatory advisement
  - 2. Maximum enrollment in 6 credit hours in a summer term and 14 credit hours in a fall or spring term.
  - 3. Successful completion of at least 9 credit hours of collegiate (i.e., non-developmental) courses including ENG 131 or MTH 1334 (or a higher numbered math course) with a GPA of 2.0 or higher within 12 months of their first registration at Lamar University.
- C. Students who do not satisfactorily complete the provisions of Individual Approval admission will be denied readmission to Lamar University for one long semester.

## III. Exceptions

- A. Any applicant over 25 years of age will be granted admission with proof of high school graduation and presentation of SAT or ACT scores.
- B. A non-high school graduate who is at least 18 years of age may apply for admission under Individual Approval provisions. Such applicants must 1) demonstrate the aptitude and seriousness of purpose to successfully pursue a college course of study, and 2) furnish evidence of preparation substantially equivalent to that required of other applicants. Evidence must include a GED, SAT or ACT scores, and transcripts of previous academic work.
- C. Graduates of home schools or non-accredited high schools must submit transcripts of high school work and SAT or ACT scores. Applicants will be reviewed in accordance with transcript course requirements as listed in Admissions Requirement I. A. 2. and must satisfy minimum SAT or ACT minimum score requirements. Applicants who fail to meet the requirements of unconditional admission may be considered on an Individual Approval basis.

## IV. Additional Requirements

In addition to these general admission standards, Lamar University pre-professional and professional programs may require separate, more rigorous standards commensurate with the demands of the various programs.

## Entrance Examination Requirement

Applicants may submit either SAT or ACT scores in fulfillment of the entrance examination requirement. These examinations are required for entrance purposes. Both tests are given several times each year at test centers throughout the United States and in many foreign countries. It is recommended that summer and fall applicants take one of the tests early in the senior year and, if possible, no later than February. Location of test centers, test dates, fees, test application forms, sample question booklets and similar information may be obtained without charge from high school counselors or from the Lamar University Testing Services Office located in room 102 Galloway Business Building. Other SAT inquiries may be directed to the College Entrance Examination Board, Box 1025, Berkeley, California 94702. ACT inquiries should be directed to the American College Testing Program, Box 168, Iowa City, 0828 Iowa 52240.

Achievement tests are not required, but in many cases are recommended. Students whose high school records are outstanding should consider taking achievement tests for advanced placement.

### How to Apply

1. Submit application for admission on the official form, including your Social Security number.
2. Take the Scholastic Aptitude Test (October, November or December dates preferred) or the American College Test (October or December dates preferred) and designate Lamar University to receive score reports.
3. Submit a copy of your current high school transcript to Lamar University.
4. Have final high school transcript sent to the Lamar University Admissions Office immediately after graduation. Final certification of graduation is required.

### When to Apply

It is recommended that new and former students complete an application for admission and submit all required documents by the following dates.

Fall semester	August 1
Spring semester	January 2
Summer I semester	May 25
Summer II semester	July 1

Applications received after these dates will be considered as time allows.

### Acceptance Notices

Acceptance notices normally are issued shortly after the required admission credentials are received. Registration information and general instructions are included. Lamar University has no student quota. All applicants who meet entrance requirements are generally accepted.

### On-Campus Living Requirement for Freshman

The Board of Regents has established a freshman residency policy that states: "All undergraduate, full-time students (those) enrolled in 12 or more semester credit hours with fewer than 24 earned semester credit hours are required to reside in a University-operated residence hall." Exemptions may be granted for those who 1) reside with a parent, guardian, or other adult relative; 2) are 21 years of age by the first class day; 3) enroll only in evening classes; 4) are married or have dependent children; 5) have a medical exemption signed by a doctor; or 6) have earned 24 or more credit hours. Official documentation verifying exemptions to this policy may be required by the University Housing Office. Questions concerning this policy should be directed to the Housing Office at (409) 880-8111.

### Residency Status

A student's state of residency is determined prior to first enrollment in accordance with rules and regulations established by the Texas State Legislature and the Texas Higher Education Coordinating Board. Detailed information on residency is available in the Admissions Office and the Office of Academic Services or by calling (409) 880-8888.

## **New Student Orientation**

New student orientation is held during the summer months and is designed to acquaint the new student with campus facilities and services and to give the individual student an opportunity to confer with University department advisors about an academic program. Registration for the Fall semester may be completed at this time and tuition and fees may be paid. Advance reservations for the Summer orientation sessions are required. Details of the program, including dates, cost and reservation form, are sent to new students with admission acceptance notices.

## **Academic Advising**

Academic advisement is available to all Lamar University students and is mandatory for the following students: 1) freshmen, (30 or fewer earned semester credit hours), 2) new transfer students, 3) TASP-restricted/Individual Approval students, 4) General Studies majors, 5) students on academic probation or returning from academic suspension, and 6) students changing majors. Departments and colleges also may require advisement for their majors. All other students may choose not to receive formal advisement, but will be solely responsible for their scheduling and registration decisions.

College advising centers have been established to assist students in designing a program of study meeting the degree plan requirements of the department and guide the student in the proper sequence of courses. Faculty advisors also are assigned. It is the responsibility of the student to schedule regular appointments with the advisor. Appointments and other advising/counseling services may be facilitated through the college advising centers.

Advising sessions assure that a program of study is pursued in the proper sequence and proper academic progress is maintained by the student. College advising centers maintain degree plans for each academic major.

Students who have not declared a major field of study are advised in the Center for General Studies and Central Advising, Suite 200 Archer Physics Building, phone 880-8907. Such students will be assisted with course selection and the completion of core curriculum requirements. In addition, students will be offered the opportunity to explore various majors and careers through advising, guest speakers, faculty representatives, and related activities.

Students who are TASP-restricted and/or under the provisions of Individual Approval admission—with or without a declared major—are advised in the Office of Developmental Studies, 110 ROTC Building, phone 880-8954.

## **University Advising Centers**

### **Suite 200 Archer Physics Building, Phone: 880-8907**

All Lamar University students are encouraged to receive academic advisement prior to registration. The University provides several academic advising centers to assist students with course selection and registration. The Center for General Studies and Central Advising provides assistance and guidance for students who have not selected a major and who are exploring various major field options. The Center also assists students with course selection and the completion of the core curriculum. Interaction with advisors and activities throughout the semester are designed to help students clarify their academic goals. Advising centers for students interested in business (120 Galloway Business Building, phone 880-8607) and engineering (2608 Cherry Building,

Phone 880-8810) are available also. Students who are TASP restricted and/or subject to provisions of Individual Approval admissions are advised in the Office of Developmental Studies (110 ROTC Building, phone 880-8954).

## Advanced Placement

The two optional testing programs listed below are offered to enable first-time university students to qualify for advanced standing and/or college credit. These tests must be taken before enrollment. Applicants also may qualify for credit through the College Level Examination Program (CLEP).

### 1. Advanced Placement Examinations (Optional)

Applicants who wish to receive credit for college-level work completed in high school may do so by submitting scores from the College Entrance Examination Board's Advanced Placement Examinations. Examinations are given each May by high schools. Arrangements are made through high school counselors. Subject matter areas and the basis for granting credits are listed as follows:

Subject Area	Required Score	Credit Granted
Art	Score of 3 or above	Art 1316, 1311
Biology	Score of 3 or above	Biology 1406-1407
Calculus		
AB Test	Score of 3 or above	Math 1325 or Math 2413
BC Test	Score of 3 or above	Math 2312, 2413 and 2914
Chemistry	Score of 3 or above	Chemistry 1411
Computer Science		
A Test	Score of 4 or 5	Comp. Sci. 1373
AB Test	Score of 4 or 5	Comp. Sci. 1373 and 1374
Economics (Micro)	Score of 3 or above	Economics 2302
Economics (Macro)	Score of 3 or above	Economics 2301
English	Score of 4 or 5	English 1301-1302
	Score of 3	English 1301
Foreign Language	Score of 3	1311 or 1313
	Score of 4	1311 or 1313, 1312 or 1314
	Score of 5	1311 or 1313, 1312 or 1314, 2311
Government/Compar.	Score of 3 or above	3 hours elective (non-advanced)
Government/Pols	Score of 3 or above	Political Sci. 2302
History/American	Score of 3 or above	History 1301-1302*
History/European	Score of 3 or above	History 2321-2322
Music	Score of 3 or above	Music Lit. 1208, 1209
Physics B	Score of 3 or above	Physics 1401-1402
Physics C (Mechanics)	Score of 3 or above	Physics 2425
Physics C (E & M)	Score of 3 or above	Physics 2426

\*State law requires three semester hours of classroom instruction in some phase of American History in addition to credit by examination.

**2. SAT II – Subject Tests**

Students with outstanding high school records or who have participated in accelerated programs are encouraged to take the College Entrance Examination Board's Subject Tests in available academic areas. The results of these tests may allow the student to bypass introductory level courses. Students scoring at or above University standards are awarded credit according to the following chart. SAT II Subject Tests are given on most of the regularly scheduled SAT test dates. Registration bulletins are available from high schools and the Lamar University Career Center.

Subject Matter Area	CEEB Test Required	Credit Granted
English Composition	English	ENGL 1301 if validated by completion of ENGL 1360 with a grade of "C" or better.
Foreign Lang.	Spanish French	0 to 12 semester hours depending on placement and validation.
Chemistry	Chemistry	CHEM 1411 if validated by completion of CHEM 1412 with a grade of "C" or better.
Mathematics	Level I	Up to 12 semester hours depending on placement and validation.
Physics	Physics	Physics 1401 if validated by completion of Physics 1402 or 2426 with a grade of "C" or better.

**3. College Level Examination Program (Optional)**

Credit by examination also is available through the College Level Examination Program (CLEP). Details are in the Academic Regulations section.

**Admission Requirements for College Transfers**

Students who have attended another college or university will be considered for admission to Lamar University under the requirements listed below. Former students of Lamar who attend another university other than during a summer term will also have to meet the following transfer admission requirements:

1. Submit application for admission.
2. Have an official copy of all college and/or university transcripts on file by application deadline.
3. Be eligible to re-enter all colleges and/or universities previously attended.
4. Have a cumulative grade point average of at least 2.0 on a 4.0 scale for all work attempted.
5. Students who transfer less than 18 hours must also submit and meet the entrance credentials and requirements of a first-time-in-college student.
6. Applicants not fully meeting all transfer requirements may be reviewed and considered for admission on an individual basis.

## How to Apply for Admission

The following procedure should be followed in making application for admission. All credentials should be sent to the Office of Admissions, Lamar University, Box 10009, Beaumont, Texas 77710.

1. Submit application for admission on the official form.
2. Submit official transcripts from each college previously attended. This requirement applies regardless of the length of time in attendance and regardless of whether credit was earned or is desired. Students will not be allowed to register until all college transcripts are on file in the Admissions Office.
3. Students transferring fewer than 18 semester credit hours must take the SAT or ACT and/or have a record of these scores sent to the Office of Admissions.

## When to Apply

Application should be made a minimum of two or three months in advance of the proposed enrollment date. The application form should be submitted **before** transcripts are sent.

A temporary admission may be granted if the time between the end of a semester elsewhere and the beginning of a subsequent semester at Lamar is too short for the transcript(s) to be received before registration. All credentials must be on file at Lamar within one week after the first class day, or the student will be withdrawn from the University. Students on temporary admission status who are subsequently found to be ineligible for admission will be withdrawn.

Transfer applicants must submit official transcripts from all previously attended institutions. Students who are currently enrolled at another institution must also submit a supplemental transcript upon completion of the semester in progress at the time of their application to Lamar.

## Transfer Credit Evaluation

Credit earned at other accredited institutions will be considered for credit at Lamar University by the following policies:

1. All courses, whether passed, failed or repeated, are used in calculating a transfer grade point average. The transfer grade point average is used solely to determine admission status and is not incorporated into the Lamar University grade point average.

*NOTE: All grades, including transfer work, are used in determining honors graduation status.*

2. "D" grades are transferable but departments may refuse to count them toward a degree.
3. Transfers from a junior college are limited to 66 semester hours or the number of hours required by the University during the freshman and sophomore years in the chronological order in which the student plans to enroll. No junior college credits will be considered for transfer as upper-level (junior-senior) credits.
4. Acceptance to the University does not constitute acceptance to a particular degree program.
5. Transfer students will be informed of the amount of credit that will transfer no later than the end of the first academic term in which they are enrolled.

## Academic Fresh Start

Applicants seeking transfer admission and who have academic credits or grades that were earned ten or more years prior to the semester in which enrollment is sought, may elect to seek entry under the terms of academic fresh start. Under this policy the applicant may petition Lamar University to not consider, in the admission process, course credits or grades earned ten years or prior. Applicants seeking entry under this section will not receive any credit for courses taken ten or more years prior to enrollment. Applicants applying under academic fresh start are subject to all standard admission and testing criteria applicable to persons seeking admission.

## Transfer Dispute Resolution Guidelines

The following guidelines and definitions are established to clarify and enhance paragraph (6) of Chapter 5, Subchapter A, Section 5.4 of the Texas Higher Education Coordinating Board rule pertaining to *Transfer Curricula and Resolution of Transfer Disputes for Lower-Division Courses*.

### Definitions

The definitions listed below were established by the Coordinating Board and will serve as criteria to resolve legal questions as specified in Section 1.23, Subchapter C, Chapter 61 of the Education Code, Section 61-078. The publications *Transfer of Credit Policies and Curricula of the Texas Higher Education Coordinating Board* and *Community College General Academic Course Guide Manual: A Manual of Approved General Academic Transfer Courses for State Appropriations to Texas Public Community Colleges* are the references for this issue: **The following criteria for lower-division and upper-division course credit were adopted by the Task Force to update the Academic Course Guide Manual.**

#### A. Criteria for Lower-Division Course Credit

Lower-Division (Baccalaureate/Associate Degree) Courses

Courses offered in the first two years of college study are those which

- a. Are identified by a majority of public four-year undergraduate institutions in the state as courses intended to comprise the first two years of collegiate study, AND
- b. Stress development of disciplinary knowledge and skill at an introductory level; OR
- c. Include basic principles and verbal, mathematical and scientific concepts associated with an academic discipline.

#### B. Criteria for Upper-Division Course Credit

Upper-Division (Baccalaureate) Courses

Courses offered only in the third or fourth years of a baccalaureate program are those which:

- a. Are identified by a majority of public four-year undergraduate institutions in the state as courses intended to comprise the third and fourth years of post-secondary study, AND
- b. Involve theoretical or analytical specialization beyond the introductory level, OR
- c. Require knowledge and skills provided by previous courses for successful performance by students.

### C. Free Transferability

Lower-division courses included in the *Academic Course Guide Manual* and specified in the definition of "Lower-Division Course Credit" shall be freely transferable to and accepted as comparable degree credit by any Texas public institution of higher education where the equivalent course is available for fulfilling baccalaureate degree requirements. It is understood that each Texas institution of higher education may have limitations that invalidate courses after a specific length of time.

For Texas community colleges, these freely transferable courses are identified in the latest revised edition of Coordinating Board publication *Community College General Academic Course Guide Manual – A Manual of Approved General Academic Transfer Courses for State Appropriations to Texas Public Community Colleges*, (revised 1991). Specifically excluded are courses designated as vocational, ESL/ESOL, technical, developmental or remedial, and courses listed as "basic skills."

For senior four-year institutions, lower-division courses that have the same course content and CIP codes as approved by the Coordinating Board shall bear equivalent credit. Specifically excluded are courses designated as ESL/ESOL, technical and developmental/remedial courses.

Within the spirit of the law it is realized that differences in interpretation of "same course content" may generate disputes.

### D. Disputes

Transfer disputes may arise when a lower-division course is not accepted for credit by a Texas institution of higher education. To qualify as a dispute the course(s) in question must be offered by the institution denying the credit (receiving institution), or in the case of upper-level institutions, must be published as a lower-division course accepted for fulfilling lower-level requirements. For community colleges, the course(s) must be listed in the *Community College General Academic Course Guide Manual*, and be offered at the receiving institution. Additionally, the sending institution must challenge the receiving institution's denial of credit.

## Instructions for Completing the "Transfer Dispute Resolution" Form

- The institution whose credit has been denied (sending institution), or the student working through the sending institution, must initiate the dispute. From the date a student is notified of credit denial (date evaluation is sent by the receiving institution), the law allows a maximum of 45 calendar days for the resolution of the dispute by the sending and receiving institutions.
- In all disputes, Coordinating Board form, CB-TDR, "Transfer Dispute Resolution," must be completed to initiate dispute action. The form will provide notification and documentation of resolution of the dispute or initiate action of the part of the commissioner to resolve the dispute.
- The "Transfer Dispute Resolution" form must be completed and forwarded to the receiving institution within 15 calendar days after the evaluation has been submitted to the student.
- Forms will be available in the chief academic officer's (CAO) or designee's office. The student and the CAO of the sending institution will complete appropriate sections of the form, retain copies of the form and forward it to the CAO of the receiving institution.

- The CAO or designee of the receiving institution will either resolve the dispute and complete the "dispute resolved" section of the "Transfer Dispute Resolution" or not resolve the dispute and complete other sections of the form.

In either case, the receiving institution will forward copies of the form to the student, the sending institution and to the Commissioner of Higher Education.

- Failure by the receiving institution to notify the Commissioner in writing, as specified above, within 5 days after the 45 calendar-day requirement will allow the student or sending institution to send written notification to the commissioner and may result in "automatic" acceptance of the credit by the institution which originally denied the credit.
- When it is required that the Commissioner or his/her designee resolve the dispute, the resolution will be so designated on the form and copies sent to all parties. Both institutions will maintain form files and the Coordinating Board will maintain a file of all resolutions by institutions.

### **"Disputes" vs. "Problems"**

Problems that occur during the transfer process will not always be categorized as disputes, and will not follow dispute procedures and guidelines. Problems are clearly within the jurisdiction of the receiving institution.

Problems may include, but are not limited to, these situations:

- A student may lose credit hours or have to take additional, lower-level credit hours when he or she changes majors.
- Students may not decide which upper-level/senior institution they will attend to complete their degree until after they have completed significant lower-level coursework. Courses taken may not apply or transfer to the institution selected.
- A student may take more than 66 lower-level credit hours.
- A student may have received unsatisfactory grades in lower-level courses.
- The student may take vocational, technical, developmental or remedial courses that are not defined as general academic courses.
- Compliance with external accrediting agencies, newly enacted legislation and changes in Texas Education Agency or Coordinating Board regulations may invalidate courses students have already completed.
- Students may take more credit hours in a course category than will transfer. Examples include activity hours in physical education, choir, band, etc.
- Institutions may not accept work that is considered too old.
- The student may repeat courses to raise grade point averages. Duplicate credit would not be accepted.

### **Former Students**

Former Lamar students who have not been in attendance for one or more regular semesters must file for readmission by submitting the standard application for admission form. Students who left on suspension must receive written clearance from the Dean of that college to be eligible for readmission.

Former students who have attended another college are required to submit a complete record of all work done subsequent to the last date of attendance at Lamar University, and to meet the academic requirements for other transfer students outlined in this bulletin. The regular application for admission must be submitted.

## Summer Transients

Students in attendance at another college during the Spring semester who wish to do summer work only at Lamar University may be admitted as transient students. A student applying for admission under this classification is required to submit only the regular application for admission. Academic transcripts are not required unless specifically requested in individual cases. However, transient students must comply with state TASP requirements and must provide TASP scores, evidence of TASP exemption, or proof of Spring semester registration at another university. Transient students who later apply for regular long-term admission must meet all entrance requirements and supply all necessary admission credentials. International students may not be admitted as transients.

## Educational Records and Student Rights

The following information concerning student records maintained by Lamar University is published in compliance with the Family Education Rights and Privacy Act of 1974 (PL 93-380).

Access to educational records directly related to a student will be granted to him or her unless the type of record is exempt from the provision of the law.

The types, locations and names of custodians of educational records maintained by the University are available from the Dean of Records and Registrar.

Access to records by persons other than the student will be limited to those persons and agencies specified in the statute. Records will be maintained of persons granted such access and the legitimate interest in each case.

The release of information to the public without the consent of the student will be limited to the categories of information which have been designated by the University as directory information and which will be routinely released. The student may request any or all of this information be withheld from the public by making written request to the Records Office. The request must be made by the last official day to register for a given session and applies to that session only. Directory information includes name, current and permanent address, telephone listing, date and place of birth, major and minor, semester hour load, classification, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, with dates, and the last educational agency or institution attended.

A student has the right to challenge records and information directly related to him or her if it is considered to be inaccurate, misleading or otherwise inappropriate. Issues may be resolved either through an informal hearing with the official immediately responsible or by requesting a formal hearing. The procedure to be followed in a formal hearing is available in the Office of Records.

The right of parental access to student records may be established by either of two methods: first, by the student filing a written consent statement and, second, by the parent validating the student's dependency as defined by the Internal Revenue Service.

## International Students

International students are entitled to all student services and programs for which they are eligible according to law and University definition. The University reserves the right to establish policies for selected groups of students if the policies are in the student's and the institution's best interest. Applicants will be carefully screened for academic excellence, English proficiency, adequate health and financial self-sufficiency.

Internationals are encouraged and expected to participate in student activities and organizational programs — so as to experience more fully the culture and lifestyles of Southeast Texas. It is the student's responsibility to integrate himself/herself into the campus environment; however, the University provides an atmosphere conducive to acceptance of internationals and affords them every opportunity to succeed.

Since the presence of international students also entails responsibility for the University in meeting certain distinctive needs, it is imperative that adequate provision be made for doing so. The University recognizes this responsibility by setting entrance and exit standards for its non-native English speakers that take into account the minimum language skills necessary for success in academic work as well as the minimum standards that a diploma from the University represents.

In order for the international students to achieve their educational objectives, certain academic services are essential; the University provides facilities and staff commensurate with those needs.

Moreover, the University recognizes that English language proficiency, and not citizenship or immigration status alone, is a key criterion in determining and meeting the needs of students for whom English is a second language.

## **International Student Admission**

Applicants who attended foreign secondary schools, colleges or universities must furnish certified translations of their academic records. These records must show the ability to do above-average work in an academic program. Freshman admission will be based on the completion of 12 years of schooling, a requirement that the student be 18 years of age and eligible for admission to a recognized university in the student's own country. Marks or grades must be well above average. Advanced standing credit will be granted for post-secondary work completed at a recognized college or university if marks are above average. A complete record of secondary school training and university training must be submitted. Complete and official translations must be furnished along with certified true copies of the original records. Records must show all subjects taken and grades or marks earned in each, both from the school and tests given by the Ministry of Education. The grading system should be clearly shown on each record. **UNCERTIFIED PHOTOGRAPHIC COPIES OR OTHER DUPLICATIONS ARE NOT ACCEPTABLE.** Translations must be certified true and correct. Applicants applying as freshmen (first-year students) should submit acceptable scores on the Scholastic Aptitude Test (SAT). Scores of 500 or above on the Test of English as a Foreign Language (TOEFL) are required. SAT scores may be waived for students who have completed a post-secondary academic degree with above average grades.

All foreign students who have not completed successfully a minimum of three college hours prior to Fall, 1989, must complete the State-mandated Texas Academic Skills Program (TASP) Test. Registration forms for testing are available in the Lamar University Assessment, Advising and Research Center in the Wimberly Building.

International students who plan to transfer to Lamar University from another college or university in the United States must have completed at least two regular semesters with at least 30 semester hours of transferable work. An average of "C" (2.0) on all work attempted is required. English proficiency must be demonstrated by submitting scores of 500 or better on the TOEFL. Applicants may be required to submit recommendations from teachers or foreign student advisors. The usual transfer standards apply except that tests may be required if unconditional eligibility is not established. Students should be aware that certain departments may require higher academic proficiency for admission to their program.

International students must present proof of sufficient financial resources to meet the cost of attending Lamar University. Internationals also must present proof of adequate health insurance. Internationals who plan to drive an automobile in the State of Texas must have liability insurance.

Information on the SAT and TOEFL may be obtained by writing to the College Entrance Examination Board, Box 595, Princeton, New Jersey 08540, U.S.A. Scores must be received directly from the testing service. Photocopies or student copies of test scores will not be accepted.

**Application forms, test scores, financial statement and complete educational records must be on file by the dates indicated: May 15 for Fall Semester; October 1 for Spring Semester; and February 15 for Summer Sessions.**

Special application forms and details on the procedure to follow in making application for admission to Lamar University may be secured by writing to the Office of Admissions.

Applicants accepted by Lamar University are required to attend a special orientation program for internationals new to the Lamar campus. Dates for the program will be indicated upon acceptance and noted on form I-20, "date of arrival." **Failure to attend the program will delay registration for one semester.** The program is designed to facilitate a smooth adjustment to the Lamar campus. Students whose native language is not English will be tested for English language proficiency. On the basis of these test scores, appropriate courses in English will be required.

## Early Admission Programs

Early admission is possible at Lamar University for the academically superior student. Specific early admission programs link the University and high schools to provide college credit opportunities for high school students. These programs offer qualified high school students the opportunity to enroll in college courses during their junior and senior years. Lamar has four methods of early admission:

- Pre-College Enrollment
- On-Site Instruction
- Lamar Early Access Program (LEAP)
- Texas Academy for Leadership in the Humanities.

## Pre-College Honors Enrollment

Pre-College Honors enrollment allows high school students to take university courses while still enrolled in high school. Students may attend on-campus day or evening classes, off-campus classes, interactive video classes and/or telecourses. The credit earned can be applied to degree programs at Lamar or transferred to other colleges and universities. Students may enroll for one or both summer sessions, and may also take courses during the Fall and Spring semesters with approval from the high school. High school students seeking entry through the Pre-College Honors program must have an SAT score of 1070 or higher with minimum math and English scores of 500 or a composite ACT score of 23 with math and English scores no less than 19.

Student seeking early admission must meet the following two criteria:

1. Admission to Lamar University
  - a. Complete an early entry application for admission form
  - b. Secure required counselor or principal signature on application
  - c. Submit copy of high school transcript

- d. Submit SAT, PSAT or ACT scores

**AND**

2. TASP (Texas Academic Skills Program) Compliance

Students must meet one of the following:

- a. Be exempt from TASP, test scores that exempt a student from TASP are  
 SAT Composite Score—1070 (with minimum 500 Verbal and 500 Math)  
 ACT Composite Score—23 (with minimum 19 Verbal and 19 Math)  
 TAAS 1770 Writing, 86 Math, 89 Reading

**OR**

- b. Prior to being enrolled, achieve TASP scores listed below:

<u>Course Number</u>	<u>Course Title</u>	<u>Official TASP Score Required</u>
Communication 1315	Public Speaking I	230 Reading and 220/5 Writing
Economics 2302	Principles of Economics II	230 Reading and 240 Math
English 1301	Composition I	230 Reading and 220/5 Writing
English 1302	Composition II	230 Reading and 220/5 Writing
English 2322	British Literature	230 Reading and 220/5 Writing
English 2326	American Literature	230 Reading and 220/5 Writing
English 2331	World Literature	230 Reading and 220/5 Writing
History 1301	US History I	230 Reading
History 1302	US History II	230 Reading
Math 1314	College Algebra	260 Math
Math 2413	Calculus I	260 Math
Political Science 2301	American Government I	230 Reading

The selection of courses is determined on the basis of the student's high school background, the recommendation of the high school counselor, and assessment of the Lamar University academic advisor. These classes generate college credit. Any use of these credits toward high school graduation is at the discretion of the high school and must be approved by the high school prior to enrollment at Lamar.

## On-Site Instruction

Lamar University offers dual credit courses through Distance Learning. Interactive videoconferencing allows accelerated high school students to earn both high school and college credit while attending daytime classes on their high school campus. Instruction is simultaneously linked with a University faculty member and classroom on the University campus. Based on the high school's need and student interest, Lamar University can also provide a faculty member for on-site instruction. To inquire or make arrangements for either of these instructional methods, please contact the Center for Adult Studies, Division of Continuing Education at (409) 880-8431. Student's entrance requirements are the same as for the Lamar Early Access Program.

## Lamar Early Access Program (LEAP)

The Lamar University Early Access Program is a cooperative venture between Lamar and participating high schools allowing high school juniors and seniors to take university courses taught by their high school teachers in their own schools. The high school teacher must hold a master's degree in the teaching discipline or a master's degree with

18 graduate hours in the teaching discipline. To establish LEAP, the high school principal should contact the Division of Continuing Education. Students applying for LEAP classes must meet the minimum admission requirements specified in criteria 1 and 2 listed under the Pre-College Honors section above.

## **Texas Academic Skills Program (TASP) Test**

The Texas Academic Skills Program (TASP) is required by Texas law to ensure that students enrolled in Texas public colleges possess the academic skills needed to perform effectively in college-level coursework. TASP includes a testing component designed to identify and provide diagnostic information about the reading, mathematics and writing skills of each student.

**All students subject to the TASP requirement must take the State TASP test. This test must be taken and scores received before advising and registration.**

A student is exempt from the TASP test only if he or she has

1. Earned at least three college-level credit hours prior to September 1989.
2. An ACT composite score of 23 or higher with individual math and English scores of no less than 19. Scores can be not more than five years old and must be taken at one sitting.
3. An SAT composite score of 1070 or higher with individual math and English scores of no less than 500 (re-centered scale for tests taken April 1995 and thereafter); or for tests taken prior to April 1995, a combined verbal and math score of 970 with a minimum of 420 on the verbal test and 470 on the mathematics test. Scores can be not more than five years old and must be taken at one sitting.
4. A TAAS (Texas Assessment of Academic Skills) minimum scale score of 1770 on the reading, mathematics and writing tests, or, for tests taken spring 1994 and thereafter, a Texas Learning Index (TLI) of 86 on the mathematics test and 89 on the reading test. Scores can be not more than three years old and students must obtain scores high enough to warrant an exemption on their first attempt of the TAAS, not on repeated attempts.
5. A graduate with a baccalaureate degree from an institution of higher education, an accredited private or independent institution of higher education, or an accredited out-of-state institution of higher education.
6. Students 55 years of age or older.

Otherwise, all full-time and part-time students (including transfers from private or out of state institutions) enrolled in a college-level certificate or degree program must take the TASP test for reading, writing and mathematical skills.

If, after taking the TASP test, skill deficiencies in reading, mathematics or writing are present, the student is required, by state law, to participate in a developmental program in the area of deficiency.

Students who fail to take the TASP test will not be permitted to enroll in any other Texas public higher education institution in any courses other than noncredit or pre-collegiate courses until they have taken the TASP test. Pre-collegiate courses, such as remedial reading, writing and mathematics, are not counted in calculating the credit hours for meeting the testing requirements.

For information on who must take the TASP examination, the best time to take the TASP examination and to obtain a copy of the TASP Registration Bulletin and the official TASP Study Guide, contact the Office of Developmental Studies, 110 ROTC Building.

For further information on TASP requirements and the developmental programs, see pages 56 and 57 of this catalog.

## Financial Aid and Awards

Financial assistance in the form of scholarships, grants, loans and employment is available to a number of qualified students. Information regarding programs, policies, rules, regulations, consumer information and eligibility criteria can be obtained from the Student Financial Aid Office, P.O. Box 10042, Beaumont, Texas 77710 or from the Scholarship Office, P.O. Box 10009, Beaumont, Texas 77710.

### When to Apply

Applications for need-based financial assistance should be completed by April 1 for the following academic year. Notification of awards will be mailed in late spring and early summer. The University will continue to award student aid as long as funds are available. The most desirable types of aid, however, are normally expended early. Therefore, students should make every effort to meet the April 1 deadline.

### How to Apply

#### Scholarships

Students wishing to be considered for scholarships only should request and complete the Lamar University Academic Scholarship Application. Academic transcripts must be submitted with the application. Beginning freshman applicants should arrange to have SAT or ACT test scores on file with the Lamar University Admissions Office. Scholarship funds are limited and recipients normally must have a grade point average in excess of 3.50 to be considered. Students are encouraged to contact their major department in order to secure application information for scholarships, which may be offered directly through the department.

Applications for scholarships should be completed by February 1 for the following year. Completed applications should be forwarded to the Scholarship Office, P.O. Box 10009, Beaumont, Texas 77710 or to Room 203 Wimberly Building.

#### Grants, Loans, College-Work Study

All students applying for need-based aid must complete and file the Lamar University Financial Aid Supplement and the Free Application for Federal Student Aid (FAFSA). The FAFSA is filed with the College Scholarship Service and is used to determine financial need. Because the processing of this form requires between three and four weeks, students planning to meet the April 1 deadline should file by March 1. Students who have attended other post-secondary institutions (including those from Lamar University-Port Arthur and Lamar University-Orange) must submit financial aid transcripts from all previously attended institutions before financial aid can be awarded.

Freshmen may obtain required forms from their high school counselors or directly from the Student Financial Aid Office, P.O. Box 10042, Beaumont, TX 77710. Students currently enrolled at Lamar may obtain forms from the Student Financial Aid Office, Wimberly Student Services Building. Students must reapply each year for consideration for continued assistance.

After the application is complete, the Student Financial Aid Office will consider the student's academic progress as well as documented financial need. The amount and type of assistance will be determined and the applicant will be notified by mail.

## Minimum Qualifications

Scholarship awards to entering freshmen are determined by applicants' high school academic record, scores on the Scholastic Aptitude Test (SAT) or American College Testing Program (ACT), leadership and high school class rank. Scholarship awards for upper-class students are determined by their cumulative grade point average as well as displayed leadership abilities.

Those applying for need-based grants, loans or work-study employment must have their eligibility established by the FAFSA. In order to be eligible for federal educational assistance, the student must:

- a. Be a U.S. citizen or permanent resident of the United States;
- b. Possess a high school diploma or its equivalent;
- c. Be admitted to Lamar University; and
- d. In the case of continuing students, meet reasonable academic progress standards.

**Reasonable Academic Progress**—Students receiving aid for the first time after July 1, 1987 must maintain a 2.00 cumulative Grade Point Average. Students must also complete 80% of the hours they attempt and earn their first degree within 150 earned hours. Students who feel that extenuating circumstances prevented them from achieving the academic progress standard may address a written appeal to the Director of Financial Aid.

## Grants

The Pell Grant is the foundation source for all other need-based aid programs. No other need-based assistance (grants, loans, work-study) can be awarded until the student's eligibility for the Pell Grant is determined. The filing of the FAFSA should cause the Student Aid Report to be sent to the student's address and an electronic record will be sent to the school(s) listed on the FAFSA.

## Scholarships

### Policy Regarding Competitive Scholarships

Competitive scholarships are awarded under the authority of the Lamar University Scholarship Committee, or other University committees specifically authorized by the Lamar University administration to commit scholarship funds. Students applying for academic scholarships administered through the university should complete the Lamar University Scholarship Application. Students seeking scholarships on the basis of specialized skills should contact faculty or staff in the specific area of interest.

### Selection Factors

Scholarships offered through the Lamar University Scholarship Committee are awarded on a competitive basis. The application process is open to all potential and current students. Scholarships may be awarded to graduating high school seniors, transfer students, or currently enrolled Lamar University Students. Factors indicating academic achievement used in determining recipients of competitive scholarships include: 1) class ranking and/or grade point averages; 2) standardized test scores such as SAT, ACT, or GRE; 3) previous high school and/or college academic transcripts; 4) academic awards, honors, or achievements; and 5) academic major. Displayed leadership abilities and participation in extra curricular activities are used as secondary factors.

Competitive scholarships are also awarded on the evidence of specific skills. Specialized skill-based scholarships are competitively awarded to applicants having demonstrated abilities and prior successful participation in such areas as music, writing, art, dance, or athletics. Factors in the awarding of competitive skill-based scholarships include evaluation by faculty and/or staff in each specific area. Evaluations may include but are not limited to video, film, audio-tape, auditions, student submitted works, or personal observations.

McMaster Honors Program scholarships of up to \$10,000 each are available. Students may contact the director of the program (see page 79) for details.

### **Waiver of Non-Resident Fees**

Certain students receiving competitive academic scholarships may be exempt from the payment of nonresident tuition rates. To be eligible for this waiver the scholarship must meet all institutional requirements of competitive awards and comply with all rules governing tuition rates and waivers as established by the State of Texas.

### **Loans**

Lamar University provides both short-term and long-term loans. Short-term loans for 30 to 60 days are designed to cover emergency situations and must be repaid within the semester in which the loan is made. Long-term loans with repayment after graduation may be obtained under such programs as the Stafford Student Loan Program (formerly GSL), the Perkins Loan Program, the Hinson-Hazelwood College Student Loan Act, and Parent Loans for Undergraduate Students (PLUS). Those interested in one of these loan programs should contact the Student Financial Aid Office for information and application forms.

### **Employment**

Employment opportunities under the Federal College Work-Study Program and other employment programs of the University are available to Lamar students as part of the financial assistance program. The University, local businesses and industries provide a number of part-time jobs that enable students to earn part or all of their expenses while attending the University.

### **Valedictorians**

Valedictorians from accredited high schools of Texas are entitled to an exemption from payment of tuition and laboratory fees for the two regular semesters immediately following graduation. Other fees are not exempt. Upon registration, valedictorians should submit the "Highest Ranking Graduate Certificate" to the Student Financial Aid Office so that the appropriate fee adjustment can be made.

### **Students with Physical Handicaps (Vocational Rehabilitation)**

The Texas Rehabilitation Commission offers assistance for tuition and non-refundable fees to students who have certain disabling conditions, provided their vocational objectives have been approved by a TRC counselor. Examples of such conditions are orthopedic deformities, emotional disorders, diabetes, epilepsy, heart conditions, etc. Other services also are available to assist the handicapped student to become employable. Application for such service should be made at the Texas Rehabilitation Commission, Beaumont District Office, 5550 Eastex Freeway, Beaumont, Texas 77701 (409/898-3988).

## Multiple Campus Enrollment

Students enrolling simultaneously at two or more of the Lamar University components must choose to receive their financial aid from only one campus and declare this institution as their degree-granting institution. The appropriate form (Consortium Agreement) is available from the campus granting the financial aid and must be filed each year the student is enrolled on multiple campuses. Students attending other components of Lamar University will be required to submit financial aid transcripts to the institution awarding their financial aid.

## Release of Records

All records (applications and need analysis documents) submitted by a third party become the property of Lamar University and cannot be released to another institution or the student. Prior to processing, items submitted by the student may be returned upon the student's written request. Parental income tax information may be returned upon written request of the parent. A minimum of five days may be required to complete the return of the requested items. Once the application has been processed, all items must be maintained for audit purposes and cannot be released.

## Financial Aid Transcripts

Financial Aid Transcripts are available by contacting the Office of Student Financial Aid, P.O. Box 10042, Lamar University Station, Beaumont Texas, 77710.

## Tuition Rebates for Certain Undergraduates

Certain students entering higher education for the first time in fall 1997 or later may be eligible for a \$1,000 tuition rebate. Specific details of this program are available in the Offices of Academic Services of the Registrar. To be eligible to apply for this rebate, students must meet all of the following conditions:

1. Enroll in higher education for the first time in the fall of 1977 or later.
2. Work toward a first baccalaureate degree.
3. Attempt all courses at a Texas state institution and have been entitled to pay resident tuition rates at all times of enrollment.
4. Attempt no more than three hours in excess of the minimum number of semester credit hours to complete the degree under the Lamar University General Catalog from which they graduated. Hours attempted include transfer credits, course credit earned by examination, courses dropped after the official census date, for-credit developmental courses, optional internship and cooperative education courses, and repeated courses.
5. Apply to the Office of the Registrar during the semester in which the student applies for graduation.

## Refunds

For those students withdrawing from the University and who are receiving or have received financial assistance (grants, loans, scholarships), all or a portion of the refund will be returned to the appropriate financial aid source. Recipients in attendance at Lamar University for the first time and who withdraw prior to the 60% point in the semester will have refunds calculated according to the Pro-Rata Refund Schedule listed below. All other applicable refunds will be calculated according to the Refund Policy as outlined in the Fees and Expenses section of this catalog.

**Pro-Rata Refund Schedule****Fall or Spring Semester**

1. Prior to first class day, 100%
2. During the first week, 90%
3. During the second week, 80%
4. During the third week, 80%
5. During the fourth week, 70%
6. During the fifth week, 60%
7. During the sixth week, 60%
8. During the seventh week, 50%
9. During the eighth week, 40%
10. During the ninth week, 40%
11. After the ninth week, 0%

**Summer Session**

1. Prior to first class day, 100%
2. During the first week, 80%
3. During the second week, 60%
4. During the third week, 40%
5. After the third week, 0%

In allocating the refund to specific programs, Lamar University will practice a "Fixed Priority Allocation." The listing below indicates the priority in which programs will be refunded. The full amount received under each program is returned in priority order until the refund amount is exhausted. The amount returned to a specific program cannot exceed the amount the student received from that program. Refunds due to lenders of Stafford Loans and PLUS will be refunded directly to the lender. The Director of Student Financial Aid may exercise professional judgment in exceptions to the distribution hierarchy policy.

**Refund Priority**

Federal Pell Grant  
Federal SEOG  
Federal Perkins Loan  
Subsidized Federal Stafford Loan  
Unsubsidized Federal Stafford Loan  
Federal PLUS Loan  
SSIG  
Other Federal SFA Programs

Sponsored Students Source  
TPEG  
STS  
SDS  
Departmental Budgeted Funds  
Restricted Scholarship Funds  
Student

**Policy Regarding Referrals of Suspected Fraud or Criminal Misconduct**

In the event that an applicant is suspected of participating in fraud or other criminal misconduct in connection with the application for Title IV, HEA program assistance, the information will be referred to the appropriate university, state, and/or federal authorities. These authorities may include, but are not limited to, the following: University Discipline Officer, University Policy, Beaumont Police and the Office of the Inspector General of the U.S. Department of Education.

## Fees and Expenses

Lamar University reserves the right to change fees in keeping with acts of the Texas Legislature and the University's Board of Regents. By registering for classes at the University, the student agrees to abide by all the policies of the University.

### Payment of Fees

A student is not registered until all fees have been paid in full or the student has paid the equivalent of a down payment on the installment plan (if available). Payment may be made by check, Mastercard/Visa/Discover/AMEX, money order, currency or any kind of financial aid (exemptions, loans, grants and scholarships). Checks and money orders should be made payable to Lamar University and will be accepted subject to final payment. The University will not accept counter checks, postdated checks, credit card checks or altered checks. Excess payments will be refunded either in cash or check at the discretion of the University. Students on a "cash only" basis will be restricted to paying by MasterCard/Visa/Discover/AMEX, money orders, currency or financial aid. Payments can be made:

- (1) All forms of payment at the Cashier's office during working hours.
- (2) Credit card payments can be made by phone by calling 839-2900.
- (3) Payments may be made on the Internet at WWW.LAMAR.EDU.
- (4) Drop box at Plummer 116 for check (with social security number and campus) or credit card (SSN, campus, card number, amount, expiration date, card holder) in a sealed envelope. These payments will be considered part of the next business day's activity if paid after 7:00 a. m. No cash will be accepted.
- (5) Drop box at Setzer Center for check (with social security number and campus) or credit card (SSN, campus, card number, amount, expiration date, card holder) in a sealed envelope. These payments will be considered part of the next business day's activity if paid after 7:00 a. m. No cash will be accepted.
- (6) Drop box at Wimberly 114 for check (with social security number and campus) or credit card (SSN, campus, card number, amount, expiration date, card holder) in a sealed envelope. These payments will be considered part of the next business day's activity if paid after 7:00 a. m. No cash will be accepted.
- (7) Mailed to the Payment Center at P.O. Box 200294, Houston, TX 77216-0294.
- (8) At Lamar University-Port Arthur and Lamar University-Orange, all payments except credit card can be made during regular hours at the cashier offices.

Students who are delinquent on obligations will be prohibited from registering for class until all obligations are paid in full. Also, holds are placed on academic records so that students cannot obtain transcripts until all obligations are paid in full.

Delinquent obligations to the University will be sent to a collection agency (409-838-8111) and reported to credit bureaus. All costs of collections are paid by the student which is generally an additional 33.333% of the student's obligations to the University. Delinquent accounts must be paid at the collection agency. Payment cannot be accepted by Lamar if the account has been forwarded to a collection agency.

### Installment Payment Program

Students may enter into the installment program of the University upon verbal or written request in a Fall or Spring semester. Students who do not pay in full the tuition

and fees will be placed in the installment program if the student has paid at least the amount of the down payment (otherwise classes will be dropped). The installment program generally requires a 50% downpayment with the next 25% due about a month after the semester starts and the final 25% due about two months after the semester starts. A non-refundable service charge of \$20 is assessed for the installment program. A late fee of \$15 will be assessed beginning the first day after an installment due date for each delinquent installment payment. Reductions of fees for students in the installment program from drops or withdrawals are calculated as a percentage of the total fees assessed, not as a percentage of any partial payments.

## Summary of Registration Expenses

Each student must plan a budget carefully. To assist in planning registration expenses, the following estimate is furnished as a guide. (For information on University housing fees, see p. 75 of this catalog.)

### Texas residents enrolled in a 15-hour academic work load\*:

Tuition (in-state) .....	\$930
Student Services Fee .....	138
Setzer Student Center Fee .....	30
Property Deposit .....	10
Student ID .....	5
Computer Use Fee .....	30
Library Use Fee .....	30
Health Center Fee .....	30
Parking Fee (if desired) .....	32
Books (estimated) .....	427
	<u>\$1,662</u>
	+ course fees

### Part-time Student (Six semester hours):

Tuition (in-state) .....	\$372
Student Services Fee .....	90
Setzer Student Center Fee .....	30
Property Deposit .....	10
Student ID .....	5
Computer Use Fee .....	18
Library Use Fee .....	18
Health Center Fee .....	30
Parking Fee (if desired) .....	32
Books (estimated) .....	213
	<u>\$818</u>
	+ course fees

Tuition and fees vary from semester to semester and vary with the semester hours carried so the total may differ from this estimate.

## Summaries of Fees

Following are "Summaries of Fees" in effect at press time which can be used in determining total tuition and fee charges. The total amount of these fees are typical of other state universities in Texas though specific fees will vary from university to university. Note that these do not include course fees and it is assumed the student is enrolled only on the Beaumont campus.

### Lamar University Summer 1999

Parking: Fall-\$12; ID-\$5; Property Deposit is a one-time fee; Other course and materials fees may apply. Note: Fees are subject to change by action of the Board of Regents or the Texas State Legislature.

## Tuition

Tuition has two components to it: the portion set by the State (conventional tuition) and the portion set by the Board of Regents regulated by State statutes (local tuition). By State statute, both of these items must be billed together and called "tuition." The State portion (conventional tuition) is based upon the number of hours for which the student registers and is determined by the student's classification as a Texas resident or a non-Texas resident. The Admissions Office determines legal residence for tuition purposes on the basis of statutes of the State of Texas. State tuition is remitted to the State by the University. The current state tuition rate is \$36 per hour with a minimum \$120 (\$60 for Summer sessions), moving to \$38 per hour in Fall 1999 and increasing by \$2 per hour every Fall thereafter. The local tuition portion is assessed to support University debt service and other University functions that are not supported by state funding. Approximately 70% of this fee is used to finance debt service. Other items supported by this fee include the post office, print shop, supply center, cashiering, and other institutional support functions. The current rate is \$22 per hour, moving to \$24 per hour in Fall 1999 and increasing by \$2 per hour every Fall thereafter. Combined, the current rate is \$58 per hour with a minimum of \$144 (\$82 for Summer sessions), moving to \$62 per hour in Fall 1999 and increasing by \$4 per hour every Fall thereafter.

## Tuition for Undergraduate Students with Excessive Credit Hours

In accordance with Senate Bill 345 (1999), Section 61.0595\* of the Education Code was amended to address tuition for excessive credit hours of undergraduate students. Lamar University will not receive state funding for credit hours earned by a resident undergraduate student beyond the number required by the degree program plus 45 hours. If a resident undergraduate student earns credit hours that exceed by at least 45 hours the number of credit hours required by a degree program, Lamar will not receive state funding for those hours. Lamar will, therefore, charge the student the rate charged non-resident students. (e.g., a degree program requires 120 semester credit hours, but a resident undergraduate student enrolls in 166 credit hours. The student is charged resident rate for 120 plus 45 hours, totaling 165, but the student is charged the non-resident rate for any hours exceeding 165.)

An undergraduate student who is not enrolled in a degree program is considered to be enrolled in a degree program requiring a minimum of 120 semester credit hours. This law does not apply to a student enrolled in: 1) two or more baccalaureate degree programs at the same time, 2) a double major degree program that requires 130 or more semester credits for completion, or 3) a health professional baccalaureate degree program.

The following credits are not counted for purposes of determining whether the student has previously earned the number of semester credit hours specified above: 1) semester credit hours earned by the student before receiving a baccalaureate degree that has been previously awarded to the student, 2) semester credit hours earned by the student by examination or under any other procedure by which credit is earned without registering for a course for which tuition is charged, 3) credit for a remedial education courses, a technical course, a work-force education course funded according to contact hours, or another course that does not count toward a degree program at the institution, or 4) semester credit hours earned by the student at a private institution or an out-of-state institution.

These provisions do not affect any students who initially enrolled as an undergraduate student in any institution of higher education before the fall 1999 semester. For additional information, contact the Office of the Vice President for Finance and Operations.

*\* In accordance with Senate Bill 345 (1999), Section 61.0595 of the Education Code was amended to address tuition for excessive credit hours of undergraduate students. Lamar University will not receive state funding for credit hours earned by a resident undergraduate student who, before the semester or other academic session begins, has previously attempted a number of semester credit hours for courses taken at any institution of higher education while classified as a resident student for tuition purposes that exceeds by at least 45 hours the number of semester credit hours required for completion of the degree program in which the student is enrolled.*

## Student Service Fee

The student service fee supports student activities such as athletics, recreational sports, the University Press and other student services. The current rate is \$15 per hour with a maximum of \$138.

## Setzer Student Center Fee

This fee supports the Setzer Student Center and its programs. The current rate is \$30 per long semester and \$15 per summer session.

## Course Fees

Various courses have additional fees associated with them. Students should always check with the departments offering the class to see if additional fees will be assessed. The following is a summary of some fees associated with some classes.

PEGA 1275, 2272, 2271.....	\$20.00

## PUB. SERV/CONT. ED.

Off-campus course.....	\$30.00
------------------------	---------

## Computer Use Fee

This fee primarily supports both the administrative mainframe computer and the academic mainframe computer. The current rate is \$3 per hour with a maximum of \$30.

## Health Center Fee

The Health Center Fee supports the student Health Center and is \$30 per long semester and \$15 per summer session.

## Library Use Fee

This fee is used to support the library. As every course (including field center courses) is given the mandate to use the library, all students are charged this fee. The current rate is \$3 per hour with a maximum of \$30.

## Late Registration Fee

A charge of \$10 is made for late registration or for paying after the start of the semester (not including the second or third payments under the installment plan).

## Reinstatement Fee

A student seeking reinstatement to the university after withdrawing from the university without paying the full amount of tuition and fees due, or after having been denied credit for work done for failure to pay an installment payment or late payment fee, shall pay a \$50.00 reinstatement fee in addition to past due installment payments and late payment fees.

## Parking Fee

Charges for parking on campus are made at registration. Automobile registration fees are as follows: Fall semester, \$32; Spring semester, \$22; Summer, \$12. Only one registration is required during an academic year, and a student's parking fee is honored until the end of Summer Session II.

## Property Deposit

Each student will be required to pay a one-time \$10 property deposit. Any unused portion of the \$10 will be refunded upon written request to the Cashiers' Office after the student graduates or withdraws from the University. If a student attends the university for more than four years, this fee will be charged again.

## Health and Accident Insurance

Health and accident insurance coverage is available for purchase at registration for students carrying nine or more semester hours. This or similar insurance is required of all international students. Additional information may be obtained from the Student Affairs Office.

## Special Fees

Fees will be set by the University for courses in which special plans and/or field trips must be prepared and specialists secured as instructors. Students who feel they may be exempt from some fees should contact the Student Aid Office. For example:

### **Exemption 1: Scholarships to High School Honor Graduates**

The highest ranking student in the graduating class of a fully accredited Texas high school will be entitled to a tuition and laboratory fee waiver valued at approximately \$200. Details may be obtained from the Student Aid Office.

### **Exemption 2: Veterans (Hazelwood)**

Persons who were citizens of Texas at the time of entry into the Armed Forces and who are no longer eligible for federal educational benefits, are exempt from tuition, laboratory fees, Setzer Student Center fees, general use fee and computer use fee. This applies to those who served in World War I, World War II, the Korean Conflict, the Vietnam War or Desert Storm and were honorably discharged. This exemption also applies to those veterans who entered service after Jan. 1, 1977, and did not contribute under the VEAP program. To obtain this exemption, necessary papers must be presented prior to registration and approval obtained from the Office of Veterans' Affairs. The above exemption also extends to wives, children and dependents of members of the Armed Forces who were killed in action or died while in the service in World War II, the Korean Conflict or Vietnam War.

Students who have been out of the service more than 10 years need to provide a copy of their separation papers (DD214). Students separated for a period of less than ten years must also provide a letter from the Veterans Administration stating that the student has no remaining eligibility.

Students who expect to attend under some veterans' benefit plan should contact the Office of Veterans' Affairs 60 to 90 days prior to registration. The Office of Veterans' Affairs advises veterans on program and training opportunities, academic assistance and counseling. Veterans interested in information in these areas should visit this office in the Wimberly Student Services Building.

## Policy on Waiving Fees

### Off-Campus Classes

Students taking field center classes will not be required to pay Setzer Center fees. All other fees are required by either Board of Regents or State statute and cannot be waived. Field center courses have an additional \$20 fee to compensate for the additional expenses of these classes (rent of facilities, transportation of personnel and materials, additional record keeping, etc.).

### Multi-Campus Students

Students taking classes on more than one Lamar campus (Lamar-Beaumont, Lamar-Orange, Lamar-Port Arthur, Lamar-Institute of Technology) may be entitled to a reduction of fees. The basis for the reduction would be so as not to exceed fee maximums for specific fees. The Cashiers' Office should be contacted for information regarding multi-campus adjustments or to ensure an adjustment is made.

## Refund of Tuition and/or Fees

Students requesting a refund of tuition and/or fees resulting from dropped courses or from withdrawing from the University should direct questions to the Cashiers' Office. Refunds are calculated as a percentage of total fees assessed, not as a percentage of partial payments on installments. Refunds for dropped classes are generally processed at the end of the second week past the 12th semester day of regular semesters and after the 4th semester day during summer sessions. Refunds for withdrawals are generally processed at the end of the second week following the 12th semester day for regular semesters and two weeks after the 6th semester day for summer sessions.

## Dropped Courses

In order to receive a 100% reduction of tuition and fees for dropped courses, a student must drop according to the schedule below, and remain enrolled in some hours with the University. Questions should be directed to the Cashier's Office.

### Fall or Spring Semester

1. Through the twelfth semester day, 100 percent.
2. After the twelfth semester day, no refund.

### Summer Session

1. Through the fourth semester day, 100 percent.
2. After the fourth semester day, no refund.

## Withdrawal from the University

Tuition and fees may be reduced when a student withdraws. Depending on the amount of reduction and what the student has paid, the student may receive a refund or may still owe money to the University. Any student who officially withdraws from the University will receive a reduction on tuition and fees according to the following schedule for tuition, Setzer Center fee, student service fee, course fees, library fee, computer use fee and private lesson fees according to the following schedule.

**Fall or Spring Semester**

1. Prior to the first semester day, 100 percent.
2. During the first through fifth semester days, 80 percent.
3. During the sixth through tenth semester days, 70 percent.
4. During the eleventh through fifteenth semester days, 50 percent.
5. During the sixteenth through twentieth semester days, 25 percent.
6. After the twentieth semester day, none.

**Summer Session**

1. Prior to the first semester day, 100 percent.
2. During the first, second or third semester day, 80 percent.
3. During the fourth, fifth or sixth semester day, 50 percent.
4. Seventh semester day and after, none.

The \$10 Property Deposit is refundable upon written request by the student to the Cashiers' Office.

Withdrawing from the University does not relieve the student of any financial obligations under the Installment Payment Program or for any student loans as these are the student's legal financial commitments.

No reduction on student services fee or library fee is made unless the I.D. card is returned. No reduction on parking fee is made unless the permit is returned. Refund on property deposit is given only after written request to the Cashier's Office. Photo I.D. Services will replace the ID card when the student returns to the University and is paid in full for the semester. Questions should be directed to the Cashier's Office.

**Insufficient Funds Checks**

Checks written to the University and returned unpaid for any reason will result in a \$25 charge plus applicable fees for a delinquent account (e. g. \$10 late registration fee, \$15 late installment payment fee, etc.). Students with a returned check will be on "cash only" status for the duration of their enrollment at Lamar, subject to appeal. Students on a "cash only" basis are prohibited from paying with a personal check (all other payment methods are acceptable).

**Matriculation Fee**

A matriculation fee of \$15 will be incurred by students who withdraw prior to the first day of class. This \$15 fee will be deducted from refunds.

**Miscellaneous Fees**

Transcript Fee .....	\$5.00
Advanced Standing Examination (per course) .....	25.00
Photo Identification .....	5.00
Lost Photo I.D. ....	5.00
Parking Tickets .....	10-70

Other departments have programs or services available to students. Questions regarding these services or programs should be directed to the corresponding departments.

## **Fine and Breakage Loss**

Library fines, charges for breakage or loss of equipment or other charges must be paid before a transcript of credit or a permit to re-enter the University will be issued. The University reserves the right to make a special assessment against any student guilty of inexcusable breakage, loss of instructional equipment or other University property.

## **Determining Residence Status**

Texas law specifies that if there is any question as to the student's right to classification as a resident of Texas, it is the student's responsibility to (1) have his or her classification officially determined and (2) to register under the proper classification. Students are classified as resident, nonresident, or foreign for tuition purposes according to state statutes (Title 3, Texas Education Code) and Texas Higher Education Coordinating Board rules and regulations interpreting these statutes. These statutes, rules and regulations are available from the Office of Admissions Services in the Wimberly Student Services Building. Questions should be directed to that office.

# Academic Policies and Procedures

## Course Numbering

Lamar University converted to the Texas Common Course Number (TCCN) prefixes and numbers beginning with the fall semester of 1998. A crosswalk from previous numbers to the TCCN number is Appendix A. The TCCN is primarily for freshman and sophomore courses; however, the prefix has been continued through all levels.

Each course has an alphanumeric code (e.g., ENGL 1301). The alpha portion is an abbreviation of the subject area, while the numeric portion provides specific information about the course. The first digit of the numeric portion indicates the level of the course (1=freshman level, 2=sophomore level, 3=junior level, 4=senior level, and 5 and 6=graduate level). The second digit indicates the number of semester credit hours earned by satisfactorily completing the course. The third digit is a sequencing number, or if it is a 7, the third digit indicates the course is not in the TCCN. The fourth digit is sequencing number.

In this bulletin, three digits separated by colons such as (3:3:1) will follow each course title. This code provides the following information: the first number is the semester hours of credit for the course; the second number is the class hours of lecture, recitation or seminar meetings per week; and, the third number is the required laboratory hours per week. The letter "A" indicates that the hours are "Arranged," usually with the instructor of the course.

## New Courses

In order to meet changing educational requirements, the University reserves the right to add any needed courses at any time without regard to the listing of such courses in the catalog. These courses will appear in the next catalog. The right to change numbers in order to indicate changes in semester hours also is reserved for the reasons above.

## Semester Hour

The unit of measure for credit purposes is the semester hour. One hour of recitation (or equivalent in laboratory work) each week usually is equal to one semester credit hour. For each classroom hour, two hours of study are expected. Two or more hours of laboratory work are counted as the equivalent of one lecture hour. For laboratory work, which requires reports to be written outside of class, two clock hours are usually counted as one semester credit hour. Twelve semester hours is the minimum full-time load (nine for graduate students) in Fall and Spring semesters, four semester hours in each Summer term.

## Maximum Course Loads

The normal course load in a regular semester is 15-18 semester hours; for a six-week summer term, 6-8 semester hours. Overloads must be approved by the student's academic dean. No student will be allowed to enroll for more than 21 semester hours in a regular term or nine semester hours in a summer term.

## Registration for Classes

Students will be permitted to attend class only when the instructor has received evidence of proper registration. Registration dates and deadlines are listed in the official University calendar. Students may add courses, make section changes or drop courses only within the period specified in the calendar. The Records Office prepares a schedule of classes well in advance of a given semester.

## Minimum Class Enrollment

The University reserves the right not to offer any course listed in this catalog if fewer than 10 students register for the course.

## Course Auditing by Senior Citizens

Senior citizens, 65 years of age or older, may audit courses without the payment of fees on a space-available basis. For further information, call 880-8437.

## Class Attendance

Regular class attendance is important to the attainment of the educational objectives of the University. Especially in lower division courses and in large classes at any level, the instructor should keep attendance records and should formulate an attendance policy consistent with departmental policies, but suited to the needs of the particular course. The instructor's policy is to be explained in detail to the class at the beginning of the semester.

## Policy on Student Absences on Religious Holy Days

In accordance with the Texas Education Code 51.911, a student who is absent from classes in observance of a religious holy day will be permitted to take an examination or complete an assignment provided the student notifies his/her instructor within 15 days of the beginning of the semester. "Religious holy day" means a holy day observed by a religion whose places of worship are exempt from property taxation under Section 11.20, Tax Code.

Notifications of planned absences must be in writing and must be delivered by the student either: (a) personally to the instructor of each class, with receipt of the notification acknowledged and dated by the instructor, or (b) by certified mail, return receipt requested, addressed to the instructor of each class. Upon review of the request, instructors will sign and date the receipt of the notice, retaining a copy and returning one copy to the student.

Instructors may refer any questions regarding the qualification of the absence to the Vice President for Student Affairs. Students may be required to present to the Vice President for Student Affairs a written statement documenting that such absence qualifies under the terms of a religious holy day.

## Postponed Final Examinations

Arrangements for taking postponed final examinations are made with the instructor concerned and must be approved by the instructor's department chair.

## Course Repetition

A course may be repeated for additional credit only as specified by the official course description in this General Catalog. With department chair's approval, a student may repeat a course that is not ordinarily repeatable for additional credit only when a grade of "C" or below has been earned. When these conditions are met, the official grade is the last one made, but the original grade remains on the student's record as a course taken and is included in the student's cumulative grade point average calculation.

## English Requirement

A full-time student (one taking 12 or more semester hours) must register for freshman English Composition until credit for six semester hours has been earned. This policy does not apply during summer terms. A student's use of English is subject to review before graduation. If found unsatisfactory, additional course work may be prescribed.

## Developmental Studies

To assist students in meeting the requirements of the Texas Academic Skills Program, Lamar University offers courses and laboratory programs at the developmental or pre-collegiate level. Students who fail one or more portions of the TASP examination must be enrolled in at least one developmental program—either a 0371 course or the 0071 laboratory program. For detailed information about courses, laboratories, and policies, contact the Director of Developmental Education (409-880-8954).

## Pre-Collegiate Courses

To serve students whose performances on the TASP examination or the Pre-TASP examination indicate significant under-preparation, pre-collegiate courses are offered in each of the three TASP areas. The following pre-collegiate courses are offered:

### **DRDG 0371 - Developmental Reading**

Development of basic reading skills as required by the Texas Academic Skills Program (TASP). The course is required for all students who have not passed the state mandated TASP test and must be repeated until the reading portion of the TASP test is passed. Course does not satisfy the general degree requirements for any major.

*Prerequisite: None*

### **DMTH 0371 - Algebra I and Geometry**

Development of basic algebraic skills as required by the Texas Academic Skills Program (TASP). The course is a prerequisite for DMTH 1302 and required for all students who have not passed the mathematics portion of the state's mandated TASP test. This course does not satisfy the general degree requirement for mathematics.

*Prerequisite: DMTH 0071 or equivalent*

### **DMTH 0372 - Algebra II**

Development of intermediate algebra skills as required by the Texas Academic Skills Program (TASP). The course is a prerequisite for MATH 134 or MATH 1334. This course does not satisfy the general degree requirements for mathematics.

*Prerequisite: DMTH 0371*

### **DWRT 0371 - Developmental Writing**

Development of basic composition and writing skills as required by the Texas Academic Skills Program (TASP). The course is a prerequisite to English 131 for all students who have not passed the state-mandated TASP writing test; students who do not pass the state test must engage in some type of mandatory remediation until the test is passed. This course neither satisfies general degree requirements for freshman English nor counts toward graduation hours.

## Laboratories

To serve students whose performances on the TASP examination indicate minor degrees of under-preparation, developmental laboratory programs are offered in each of the three TASP areas. The Developmental Math Lab also accommodates the student who is severely under-prepared. These laboratories are noncredit programs that prepare students for the TASP examination. Students enter these programs upon approval of the Director of Developmental Education or the Director of Freshman English. The following laboratories are offered:

### **DRDG 0071 – Developmental Reading Lab Program**

This program develops and maintains reading skills as required by the Texas Academic Skills Program (TASP).  
*Prerequisite: DRDG 0371 or a score of 210-230 on the reading portion of the TASP test or PTT.*

### **DMTH 0071 – Developmental Math Lab Program**

This program develops and maintains mathematical skills as required by the Texas Academic Skills Program (TASP). It also serves as a prerequisite to DMTH 0371.

### **DWRT 0071 – Developmental Writing Lab Program**

This program develops and maintains writing skills required by the Texas Academic Skills Program (TASP).  
*Prerequisite: DWRT 0371.*

Class attendance and active participation in developmental programs are extremely important. State law dictates that a person not attending and participating in class activities is not in compliance with the law. Students not in compliance are subject to administrative withdrawal from the University.

## Physical Activity Course Registration Requirement

All full-time students (those taking 12 or more semester hours) must register for one semester hour of physical activity except as follows:

1. Those who are unable to participate in a regular activity course or a modified program of activity because of physical handicaps (must have written exemption from the university physician).
2. Students who are 25 or more years of age may be exempted from this requirement at their option.
3. Persons who have completed basic training as a part of their military service may be exempt from the required physical education courses at their option.

Students exempted from the physical education requirement must submit elective hours approved by their major department in lieu of the requirement.

## Engineering Cooperative Programs

A cooperative program is offered to a limited number of qualified students. Students alternate terms between work and study. To remain in the program, students must maintain satisfactory grade point average and perform in a manner satisfactory to both their employer and Lamar University. Further information may be obtained from the Director of Engineering Cooperative Education, Box 10057.

## Changing Schedules

All section changes, including adds and drops for Engineering majors, General Studies majors and students who have not passed all parts of the TASP examination, must be approved by the student's Academic Advisor. All such changes are initiated by the completion of the proper form available in the department office. All TASP

restricted and Individual Approval students must receive approval from the Office of Developmental Studies to add or drop a course. Usually, a course may not be added after the first two days of the semester.

## **Dropping Courses**

After consultation with their advisor and/or department chair, students may drop a course and receive a grade of "Q" during the first six weeks (two weeks in the summer session) of the semester. For drops after this penalty-free period, grades are recorded as "Q" or "F" indicating the student was passing or failing at the time of the drop. A grade of "Q" may not be assigned unless an official drop has been processed through the Records Office or telephone Voice Response Registration System. A student may not drop a course within 15 class days of the beginning of final examinations or five class days before the end of the summer term. Students should check the published schedule for specific dates. A written petition to the Dean of the College in which the course is offered is required of students wishing to drop a course after the official drop date.

## **Instructor Initiated Drop**

When unexcused absences seriously interfere with a student's performance, the instructor may recommend to the department chair that the student be dropped from the course. If this action is taken after the first six weeks of the semester, a grade of "F" may be recorded for the course. The student's major department will be notified that the student was dropped for excessive unexcused absences. Students remain responsible for initiating drop procedures if they find that they cannot attend classes.

## **Reinstatement to Class**

A student dropped from a course may be reinstated upon written approval by his/her major department chair, instructor and the instructor's department chair. A petition for reinstatement form must be completed and approved to be reinstated in a course.

## **Withdrawals**

Students wishing to withdraw during a regular semester or summer term should fill out a Withdrawal Petition available in the Records Office. Students must clear all financial obligations, and return all uniforms, books, laboratory equipment and other materials to the point of original issue. If, however, the student is unable at the time of withdrawal to clear financial obligations to the University and files with the Records Office an affidavit of inability to pay, the student will be permitted to withdraw with the acknowledgment that transcripts will be withheld and re-entry to Lamar University as a student will not be permitted until all financial obligations are cleared. Copies of the withdrawal form signed by the student and by the department chair and must be presented to the Records Office by the student. The student will receive a receipt. The Finance Office, on application before the end of the regular semester or summer session, will return such fees as are returnable according to the schedule shown under the "Fees" section of this catalog. If a withdrawal is made before the end of the sixth week second week of a summer term) or if the student is passing at the time of withdrawal after the sixth week, a grade of "W" is issued for each course affected. A grade of "F" may be issued for all courses not being passed at the time of withdrawal after the penalty-free period.

A student may not withdraw within 15 class days of the beginning of final examinations during a regular semester or five class days before the end of a summer term. A student who leaves without withdrawing officially will receive a grade of "F" in all courses and forfeit all returnable fees. Students should check the published schedule for specific dates. Students wishing to withdraw after the official withdrawal date may review the issue with their Dean.

## **Enforced Withdrawal Due to Illness**

The director of the Health Center and the Vice President of Student Affairs, on the advice of competent medical personnel, may require withdrawal or deny admission of a student for health reasons (mental or physical).

## **Change of Major**

Students wishing to change majors must have the approval of the chair of the department of their former major and approval of the chair of the new department. These approvals must be in writing on the form entitled "Change of Major," and the completed form must be filed with the Records Office, Wimberly 101.

## **Change of Address or Name**

Students are responsible for all communications addressed to them at the address on file in the Office of Records. Any student who moves during a semester must immediately register his or her change of address in the Office of Records. Change of address forms are available in the Office of Records.

Change of name due to marriage or correction of name because of spelling errors may be made by completing a name change card at the Records Office. All name changes must be accompanied by a copy of the legal document making the name change official. This document will be kept on file in the student's confidential folder. Students are advised that former names will be carried on all official transcripts.

## **Interchange and Recognition of Credits**

Credit earned at Lamar State College-Port Arthur, Lamar State College-Orange and the Lamar Institute of Technology may be applied to degree programs of the University when such credit is appropriate to established programs. Separate grade point averages and transcripts are maintained by each campus. For transfer credit evaluation, an official transcript from each institution must be received by Lamar University Admissions Office.

## **Simultaneous Enrollment**

Students who desire to enroll simultaneously on more than one campus or in more than one institution must have the prior written approval of their Lamar University academic advisor and department chair for all classes to be taken. Such approval can be granted only if all Lamar University academic policies are adhered to by the course work taken as a whole. For example, academic load restrictions due to probation would apply to the total course hours taken at all institutions or campuses. The written approval is to be retained in the student's permanent file.

## Transfer Credit for Correspondence Courses

Lamar does not offer courses by correspondence. However, a maximum of 18 semester hours of correspondence work from an accredited institution may be applied toward a bachelor's degree. No correspondence course may be carried while a student is in residence without the permission of the student's department chair. A permit signed by the department chair must be filed in the Records Office before registration for the course.

A student may not: (1) register for, carry or complete a correspondence course during the last semester or summer session before graduation, nor (2) receive credit for any junior or senior course taken by correspondence, except in the following circumstances: (a) a course required for graduation that is not offered by Lamar; (b) the student has a schedule conflict between required courses or (c) a nonresident senior who is within six hours of graduation and who has filed a statement of intent to complete work by correspondence. This statement of intent must be approved by the department chair and filed in the Records Office no later than the last date to apply for graduation. Seniors must file correspondence transcripts at least 14 days before graduation. Credit by correspondence for a course failed in residence will not be accepted toward graduation.

## Credit by Examination

Lamar University awards undergraduate credit on the basis of nationally recognized examinations and local advanced standing examinations administered by academic departments. These programs are described below. Advanced placement testing programs are discussed in the Admissions section of this catalog.

Except for satisfying the course work in residence and the state-mandated American History and American Government requirements, credit earned by examination is equivalent to credit earned by taking the course and may be used to satisfy bachelor's and associate's degree requirements as defined in this catalog under "Degree Requirements."

## Advanced Standing Examinations

Advanced standing examinations are intended only for those students who have had the equivalent, in formal or informal training, of the work being presented in the course in question. Credit may be granted to those who pass departmental advanced standing examinations with a grade of "B" or better. Normally, departmental examinations will be given only if CLEP subject examinations are not available.

To secure permission for such examinations, a student must obtain the written permission of the dean of the college and the department chair responsible for the course. A fee must be paid to the Cashier's Office. Forms are available in the office of the department chair. Advanced standing examinations will not be approved for skill courses. A student having received a grade (passing or failing) in a course may not take an advanced standing examination in that course.

## College Level Examination Program (CLEP)

Lamar University awards credit on the basis of most of the Subject Examinations of the College Level Examination Program (CLEP). A complete list is available from the Testing Center. No credit will be awarded for the General Examinations. The essay section of the College Composition Examination is required, but need not be taken in order to qualify for credit on most of the other subject examinations.

The amount of credit awarded to a student who attended college before taking the examination will depend upon which college courses the student had completed before taking the examination. Credit will not be awarded if the student had received prior credit for the same course or its equivalent. Grades will not be assigned and hours will not be used in the computation of grade point averages.

## Academic Progress

### Classification of Students

Students are classified as freshmen, sophomores, juniors, seniors, post-baccalaureate and graduate students. For the purpose of determining eligibility to hold certain offices and for other reasons, officially enrolled students are classified as follows:

**Freshman:** all entrance requirements have been met, but fewer than 30 semester hours have been earned;

**Sophomore:** has earned a minimum of 30 semester hours with 60 grade points;

**Junior:** has earned a minimum of 60 semester hours with 120 grade points;

**Senior:** has earned a minimum of 90 semester hours with 180 grade points; and,

**Post baccalaureate:** holds a bachelor's degree, but is not pursuing a degree program, or has not been admitted to a graduate program. Courses taken as a post-baccalaureate may not apply to a graduate degree.

**Graduate:** has been formally accepted by a graduate program and is pursuing a graduate degree (see graduate studies catalog).

A full-time student is an undergraduate student taking 12 or more semester hours in the fall or spring (six or more in a summer term) semester. A full-time graduate student is one who takes nine or more semester hours in the fall or spring semester (three or more in a summer term). Some sources of student financing reduce payments to students dropping below full-time status.

### Grading System

<b>A</b>	-	<b>Excellent</b>	<b>W</b>	-	<b>Withdrawn from University</b>
<b>B</b>	-	<b>Good</b>	<b>Q</b>	-	<b>Course was dropped</b>
<b>C</b>	-	<b>Satisfactory</b>	<b>S</b>	-	<b>Credit</b>
<b>D</b>	-	<b>Passing</b>	<b>U</b>	-	<b>Unsatisfactory, no credit</b>
<b>F</b>	-	<b>Failure</b>	<b>NG</b>	-	<b>No grade</b>
<b>I</b>	-	<b>Incomplete</b>			

The grade of "W" or "Q" is given if the withdrawal or drop is made before the penalty date (see Dropping Courses), or if the student is passing at the time of withdrawal or drop. The grade of "I" may be given when any requirement of the course, including the final examination, is not completed. Arrangements to complete deficiencies in a course should be made with the instructor. Incomplete work must be finished during the next long semester, or the Records Office will change the "I" grade to the grade of "F". The course must then be repeated if credit is desired. An "I" grade will automatically become an "F" if the student reregisters for the course before removing the deficiencies and receiving a grade change. The instructor may record the grade of "F" for a student who is absent from the final examinations and is not passing the course.

Semester grades are filed with the Records Office. Except in very unusual situations, no grade may be corrected or changed without the written authorization of the instructor who assigned the grade. The grade change form requires the reason for the change and must be approved and signed by the instructor and department chair. All changes involving "Q" and "W" also require the approval and signature of the dean. If the requested change is for a grade assigned more than one year before the request, the dean also must approve and sign the form. If the requested change is for a grade assigned more than three years before the request, the Associate vice President for Academic Affairs also must approve and sign the form. After a degree has been conferred, no transcribed grade may be changed without the approval of the Executive Vice President for Academic Affairs. Since faculty are required to retain academic records for only three years, students should make every effort to submit grade change requests as soon as possible.

A student desiring to register for a course to receive a "NG" (signifying "No Grade") must have the written approval from the major department chair, instructor, and instructor's department chair as well as Records Office verification. Student semester hours attempted will be reduced by the appropriate number of hours.

Students are responsible for completing and filing the appropriate petition form with the Records Office. The deadline each semester for filing the petition for "No Grade" with the Records Office is the same as the deadline for dropping or withdrawing from a course without penalty. See the Schedule of Classes Bulletin for specific dates. This deadline does not apply for thesis, dissertation or other courses specifically approved in advance for using "NG" to indicate that continued academic progress is being made by the student.

## Grade Point Average Computation

The grade point average is a measure of the student's overall academic performance and is used in the determination of academic standing, rank in class, eligibility for graduation, etc. Grade point averages are computed separately for technical and academic programs, except for honors and certain special degree requirements.

To compute grade point averages, grade points are assigned to letter grades as follows: to the grade "A," 4 points; to "B," 3 points; to "C," 2 points; to "D," 1 point, and to "F," "I," "S," "U," "NG," "Q," "W," 0 points. The number of grade points earned in a course is obtained by multiplying the number of semester credit hours by the number of points assigned to the grade made in the course.

The grade point average is calculated by dividing the total number of grade points earned by the total number of semester hours attempted in courses for which the grades "A," "B," "C," "D," and "F" are assigned. Thus, for grades, "I," "S," "U," "NG," "W," and "Q," neither semester hours nor grade points are used in the computation of the grade point average. Hours attempted include all work taken whether passed, failed or repeated. Courses in which a grade of "S" or "U" is assigned are used in calculating a student's semester hour load and to determine full-time/part-time status, but are not included in the grade point average.

This method of calculating grade point averages will apply to all students in baccalaureate programs of study effective July 5, 1978. The University's former repeat policy will not apply to students in four-year programs after this date; thus, the grade of a course repeated after July 5, 1978, may not be substituted for a prior grade.

Grade point averages for students in certificate, diploma and associate degree programs are calculated in the manner prescribed for baccalaureate programs, with one exception. A student in one of these programs who passes a course at the same institution where the student previously received a failing grade "F" or "U," will have only

the passing grade and its associated grade points applied toward any certificate, diploma or associate degree. After the course is repeated, the student must file a request for a grade point adjustment with the Records Office. Any adjustment to a grade point average made during the time a student was enrolled in an applicable course of study is disregarded once the student enters a four-year program.

## **Academic Records and Transcripts**

Academic records are in the permanent custody of the Records Office. Transcripts of academic records may be secured by an individual student personally, or will be released on the student's written authorization. College transcripts on file from other colleges will not be duplicated by Lamar University's Records Office. Separate grade point averages and transcripts are maintained for Lamar University Institute of Technology work.

Students who owe debts to the University or who have not met entrance requirements may have their official transcripts withheld until the debt is paid or credentials are furnished.

Chapter 675, Acts of the 61st Legislature, 1969 Regular Session, provides that "no person may buy, sell, create, duplicate, alter, give or obtain a diploma, certificate, academic record, certificate of enrollment or other instrument which purports to signify merit, or achievement conferred by an institution of education in this state with the intent to use fraudulently such document or to allow the fraudulent use of such document."

"A person who violates this Act or who aids another in violating this Act is guilty of a misdemeanor and upon conviction, is punishable by a fine of not more than \$1,000 and/or confinement in the county jail for a period not to exceed one year."

## **Final Grade Report**

Reports on grades are mailed at the end of each regular semester or summer term. These reports include the semester grades and the grade point average for the semester, and for all work attempted at the University. Students should report any errors or discrepancies to the Records Office.

## **Deans' List and President's List**

At the end of each semester, each college dean prepares a list of all full-time (those who complete 12 or more semester hours) freshman and sophomore students who have earned for that semester a grade point average of 3.40 or above and junior and senior students who have earned for that semester a grade point average of 3.60 or above. This list is the Deans' List and is announced by the academic dean of each college.

Full-time (12 or more completed credit hours) undergraduates who earn a 4.0 grade point average for a long semester will be included in the President's List. Any student with an "I" grade is ineligible for Deans' List or President's List consideration until the "I" is officially changed.

## **Scholastic Probation and Suspension**

Lamar University students are expected to maintain a 2.0 ("C") or better cumulative grade point average. Students with a cumulative grade point average of less than a 2.0 will be placed on probation or suspension in accordance with the following rules.

Freshmen (30 or fewer semester credit hours) with a cumulative grade point average of 1.15 to 1.99 will be placed on academic probation. Those with a cumulative grade point average of less than 1.15 may be suspended from the University.

Sophomores (31-60 semester credit hours) with a cumulative grade point average of 1.58 to 1.99 will be placed on academic probation. Those with a cumulative grade point average of less than 1.58 may be suspended from the University.

Juniors (61-90 semester credit hours) with a cumulative grade point average of 1.72 to 1.99 will be placed on academic probation. Those with a cumulative grade point average of less than 1.72 may be suspended from the University.

Seniors (91 or more semester credit hours) with a cumulative grade point average of 1.79 to 1.99 may be suspended from the University.

Academic suspension designates the loss of "good academic standing" and the disruption of "satisfactory progress" toward degree completion. Suspended students will be notified, in writing, of their suspension by their academic dean. Students will not be suspended after their first long semester at Lamar University, nor will students be suspended if the suspension results from an "I" being treated as an "F" in the calculation of the cumulative grade point average.

After serving a first-time suspension of one long semester, students may be permitted to re-enroll on probation and continue as long as satisfactory progress (semester grade point average of 2.0 or better) is made. If satisfactory progress is not made, a second suspension of two long semesters will result. Students who fail to maintain satisfactory progress following a second suspension will be expelled from the University. All students seeking to return to Lamar University following a suspension must maintain written permission for re-enrollment from the dean of their college.

Suspended students—except those expelled from the University—may attend the summer session on probation. At the end of the summer session, students who were suspended will be reinstated and may register for the fall semester if their cumulative grade point average improves to a satisfactory level during the summer.

A college, with the approval of the Executive Vice President for Academic Affairs, may prescribe academic requirements for its majors in addition to the basic University grade point average standard. Students suspended under this provision may register in another college at Lamar University provided they meet the prescribed standards and are accepted through the normal change of major procedure. Students may not register for 300 or 400-level courses offered by the suspending college unless such courses are required by their new curriculum.

## Academic Appeals Procedures

After an enrollment lapse of four or more years from Lamar University and after completing successfully (2.20 grade-point average or higher) 24 or more hours of work at Lamar University, a student may petition to disregard a maximum of two entire semesters/terms of course work taken previously at Lamar University. The petition shall be filed with the department chair and follow regular channels to the Associate Vice President for Academic Affairs for a final decision. Endorsements and/or recommendations shall be required at each level. When approved by the Associate Vice President for Academic Affairs, disregarded work shall not count in determining the student's grade point average for academic progress or for graduation; however, the work shall remain on the transcript with an appropriate notation and shall be used in determining academic honors. Receiving institutions or agencies may use their own policies to compute a grade point average. Once a degree has been conferred, a student may not use the Academic Appeals procedure for any courses used to award the degree or calculate the cumulative grade point average.

## Degree Requirements

### General Education Requirements – Bachelor Degrees

1. Satisfy all admission conditions.
2. Complete the **Philosophy of Knowledge Core** (see page 14 of this catalog).
3. Meet the following minimum requirements:
  - A. A grade point average of at least 2.0 on all courses in the major field and on all courses attempted (some departments may require a higher grade point average).
  - B. Successfully complete a minimum of 120 semester hours which does not include the required one semester hour of physical education. In addition, the following requirements must be met:
    - 1) 30 semester hours in residence at Lamar University with at least 24 semester hours earned after attaining senior classification, except for special degree programs in biology and medical technology;
    - 2) 30 semester hours at the junior and senior level (upper division), of which 18 hours must be completed at Lamar University;
    - 3) 24 semester hours in a major field with at least 12 in upper division courses;
    - 4) No more than 18 semester hours of correspondence work and no more than 30 semester hours of correspondence, extension work and/or credit by examination combined may be applied to the bachelor's degree.
4. Complete successfully one semester of physical activity.
5. Complete the program of study for the major listed in the bulletin.
6. Make application for the bachelor's degree and pay all the designated fees.
7. Attend the official graduation exercise or properly notify the Record's Office.

### Second Bachelor Degree

A second bachelor's degree may be granted upon the completion of all requirements for the degree. A minimum of 30 additional hours beyond those required for the first degree, as specified by the department granting the second bachelor's degree, must be completed at Lamar University. A second bachelor's degree is not eligible for honors.

### Multiple Majors within a Single Baccalaureate Degree

Lamar University students may earn two or more majors within a single baccalaureate degree program provided they satisfy all academic requirements for each major. Academic requirements for second majors shall be determined by the department responsible for the second major. Approval of the multi-major degree plan must be obtained, in writing, from the department chair of the second major before the student applies for graduation. Third and subsequent majors shall follow the same procedures. Non-disciplinary majors such as Applied Arts and Sciences and General Studies shall not be allowed in multi-major degree programs. Once a baccalaureate degree is conferred, additional majors may not be added to the degree. In situations where majors cross degree lines, the baccalaureate degree of the primary major shall be the degree awarded.

**Bachelor of Arts Degree**

1. Satisfy all admission requirements.
2. Meet the University's general education requirements for a bachelor's degree;
3. Complete the course numbered 2312 in a foreign language or with approval of the major department, CMDS 4305, Sign Language III;
4. Complete six semester hours of literature;
5. Complete a minor of 18 semester hours, six of which must be in advanced courses; and,
6. Meet the specific requirements of the selected program of study as listed in the department concerned.

**Bachelor of Applied Arts and Sciences Degree****Bachelor of Business Administration Degree****Bachelor of Fine Arts Degree****Bachelor of General Studies Degree****Bachelor of Music Degree****Bachelor of Science Degree****Bachelor of Social Work Degree**

1. Satisfy all admission requirements.
2. Meet the University's general education requirements for degree.
3. Meet the specific requirements of the selected program of study as listed in the department or program concerned.

**Special Degree Programs**

**Biology.** A student may receive the degree of Bachelor of Science, biology major, after completion of one year in an approved college of dentistry or medicine.

The following minimums are required:

1. Satisfy all admission requirements.
2. Complete 106 semester hours of the basic requirements for the Bachelor of Science degree; this includes all the required minimums except the total of 140 semester hours;
3. Complete the biology core;
4. Furnish proof of at least 30 semester hours in an approved domestic college of dentistry or medicine;
5. Formally apply for the degree before graduation deadline.

**Associate of Applied Science Degree—Nursing**

1. Satisfy all admission and pre-admission course requirements;
2. Complete the approved degree plan and file with the Records Office;
3. Earn a grade of "C" or better in English composition, nursing and science courses;
4. Earn an overall grade point average of 2.0 or higher in all course work;
5. Complete at least 24 semester hours of major work at Lamar University with at least 12 hours at the 200-level;
6. No more than 15 semester hours of correspondence and/or extension credit may be applied toward the degree; and,
7. Make final application and pay all fees by the deadline date as stated in the current Catalog.

## Graduation

### Application for Graduation

The graduation process consists of the following steps, which must be completed, before graduation, by the student:

1. Requests the sponsoring department to send an approved degree plan to the Records Office by the due date listed in the current catalog,
2. Proof of eligibility for admission must be in the student's file,
3. Submits all transcripts of college coursework from non-Lamar University, Beaumont institutions to the Records Office,
4. Achieves a grade point average of 2.0 on a 4.0 scale on all Lamar University, Beaumont work taken and on all college coursework in the student's major; a course is counted each time taken, whether failed or passed;
5. Completes application for graduation in the Records Office and pays necessary fees for cap, gown and diploma by the deadline listed in the current catalog; and,
6. Clears all financial and property matters by the deadline.

The student is responsible, with the concurrence of the major department, for securing official advisement about study plans for the last two semesters, for making application to graduate and for checking compliance with all degree requirements.

### Graduation Under a Particular Catalog

A student normally is entitled to graduate under the degree provisions of the catalog in effect at the time of the student's first completed semester of enrollment with these exceptions:

- a. A catalog more than seven years old shall not be used.
- b. The program of the student who interrupts enrollment (for reasons other than involuntary military service) for one calendar year or more shall be governed by the catalog in effect at the time of the student's re-entrance to the University. The student who interrupts enrollment for involuntary military service must re-enroll within one year from the date of separation from military service in order for this provision to apply. For these purposes, enrollment shall be defined as registration for and successful completion of at least one course during an academic term. A student forced to withdraw for adequate cause before completion of a course may petition for a waiver of this provision at the time of withdrawal.

The program of the student who first declares a major or who changes major from one department to another within the University shall be governed by the departmental degree requirements in effect at the time the change of major becomes effective. General degree requirements (core curriculum) shall be those in effect at the time of the student's first completed semester of enrollment, provided neither condition "a" nor "b" prevails.

Any student transferring from a community college to Lamar University can qualify to graduate under the general degree requirements of the catalog in effect when the student entered the community college. However, students who interrupt their studies for one calendar year or more at the other institution or before transferring to Lamar

University are subject to the general degree requirements of the catalog in effect when they return to that institution or enroll at Lamar University.

At the discretion of the appropriate academic dean, students can be required to comply with all changes in the curriculum made subsequent to the year in which they were initially enrolled. Deletions and additions of courses will be of approximately equal credit so no student will have an overall appreciable increase of total credits required for graduation.

Students with credits earned from Lamar University prior to Fall 1999, may elect to complete either the core curriculum (and other graduation) requirements in effect at the time of the student's first completed semester/session at Lamar or the core curriculum requirements in effect with the Fall 1999 semester. The appropriate department chair and dean must approve exceptions to this policy.

Students who transfer to Lamar University from another Texas public institution of higher education shall be governed by the provisions of Texas Senate Bill 148 (75th Legislature). Lamar will accept, *en bloc*, an approved core curriculum successfully completed at another Texas public institution of higher education in lieu of Lamar's core curriculum. Any student who transfers to Lamar University before completing the core curriculum of another Texas public institution of higher education shall receive academic credit at Lamar for each of the courses that the student has successfully completed in the core curriculum of the other institution; however, the student shall be required to complete Lamar's core curriculum. Students transferring to Lamar from institutions of higher education outside of Texas or from private institutions within Texas shall be subject to the requirements of Lamar's core curriculum.

## **Graduation Honors**

To be designated as an honor graduate, a member of the graduating class must: (1) have completed at least 60 semester hours at Lamar University in Beaumont for a four-year degree or 30 semester hours for a two-year degree, and (2) have a grade point average of at least 3.50 for all undergraduate course work (and all graduate course work applied to a baccalaureate degree) attempted at Lamar University in Beaumont. If conditions (1) and (2) are satisfied, all undergraduate transfer credit and grade points are added to all Lamar University-Beaumont credits and grades, and if the combined grade point average is 3.50 or above, the student is awarded honors. A combined grade point average of 3.50 to 3.64 qualifies for 'cum laude' (honors), 3.65 to 3.79 for 'magna cum laude' (high honors), and 3.80 to 4.00 for 'summa cum laude' (highest honors). Grades made the semester of graduation are included in the calculation of grade point averages for honors. Honor graduates will be recognized during graduation ceremonies.

## Student Affairs

The Division of Student Affairs provides services and programs to enhance the education opportunities of students and enrich student life on campus.

The Division includes the Setzer Student Center, University Police and Parking Services, Student Health Center, University Housing, University Dining Services, Student Publications, Career Services, Recreational Sports and the Student Government Association. The vice president for student affairs, the assistant vice president for student affairs and the director of student life are located in the Office of Student Affairs, 115 Wimberly.

Student Affairs provides primary leadership in the formulation and administration of policies and procedures related to student life and to the rights and responsibilities that accompany student citizenship in the University community. The Student Conduct Code as well as other important information pertaining to student life is included in the *Student Handbook*. Significant sections in the handbook and other university publications clearly describe Lamar University's policies regarding such subjects as absence, AIDS, anti-discrimination, drugs, privacy, residency, hazing, sexual harassment, student's right to know and campus security. It is the student's responsibility to be knowledgeable of established University policies and procedures that are contained in the *Student Handbook* and to comply with them. Copies of the *Student Handbook* are available upon request in the Setzer Student Center and the Office of Student Affairs.

## Career Center

A full range of testing services is provided in 102 Galloway Business Building for aptitude, achievement, and career interests. Professional staff assist students with all facets of career preparation, beginning with university entrance and special placement exams, major course of study selection, career choice and planning, part-time employment, resume preparation, interviewing preparation, goal planning and full-time employment after graduation. Students have access to on-line Internet job search and computerized guidance assessment programs.

LamarWork\$, the student employment services office located in the Career Center, assists students in locating part-time jobs, internship opportunities and on-campus work/study and student assistant jobs. Job search skill development is available, (409) 880-1853. All services are free to the student.

The center has a full-time career counselor on staff to provide personalized assistance. In order to best serve as many students as possible, problems of a long-term, therapeutic nature cannot be addressed; however, initial consultation is available and, when feasible, referral to campus and community resources.

The Center coordinates testing required by the University; provides individual interest, aptitude and personality assessment; and, as a National Test Center, administers the following:

- SAT (Scholastic Aptitude Test) for undergraduate admissions. The SAT II Subject Area Tests are also given for students who wish to receive college credit (See Subject Area Tests).
- ACT (American College Testing Program) may be used instead of the SAT for undergraduate admissions.
- TASP (Texas Academic Skills Program) is required of all students before completion of 9 semester hours (unless exempted)

- CLEP (College Level Examination Program) may be used to get credit by examination. See detailed description of CLEP elsewhere in this catalog.
- GRE (Graduate Record Exam required for admission to many graduate schools.)
- GMAT (Graduate Management Admission Test) is required for admission to graduate Colleges of Business.
- LSAT (Law School Admission Test)
- MCAT (Medical College Admission Test)
- MAT (Miller Analogies Test) required for admission to some graduate programs.

Information and registration forms are available in 102 Galloway Building, (409) 880-8444.

The Career Center provides seven core services:

- 1) Career assessment, testing, exploration and decision-making. This is appropriate for all students, and is particularly important for the person who is trying to make a decision on a major.
- 2) Training—seminars on topics of resume writing, interviewing and the job search are taught many times each semester. Internet possibilities and videotapes are also used in training.
- 3) Part-time job placement, summer jobs and internships.
- 4) Full-time job placement and on-campus recruiting, plus a resume referral system are available to graduating students and alumni.
- 5) The teacher career fair is held in April each year and provides students the opportunity to interview with as many as sixty school district recruiters.
- 6) The Career Fair for all majors is held annually and affords students the opportunity to explore careers and to meet with future employers.
- 7) The Career library has information about employers and has resources about career planning on video and in print and computer formats.

## **Dining Services**

The Department of Food Services at Lamar University strives to provide students with the best possible dining experience. Mirabeau's serves food and drink during regular operating hours on the first floor of the Setzer Student Center. Also located in the SSC is the Cardinal Nest, a food court that serves a variety of foods and also offers a Pizza Hut Express and Taco Bell Express. The Main Dining Hall is located on Redbird Lane. Additional information regarding these services is available from the Housing Office, (409) 880-8925.

## **Health Center**

The University maintains a Health Center that offers outpatient services for students of Lamar University, Beaumont. The student Health Center offers medical services, use of the pharmacy, short-term psychological counseling, and health education to students presenting a current validated ID during regular hours when the University is in session. In addition, gynecological services are provided by a woman's health practitioner.

A physician is available during regular hours to treat students for minor acute illnesses or injuries that do not require constant supervision. No appointment is needed and students are charged only for medications and supplies, not for the doctor's visit. More extensive laboratory tests and x-rays are available if requested by the Health Center Director or physician. Should the need arise, expenses incurred for ambulance service or off-campus medical services become the responsibility of the student. When the University is not in session, health care becomes the individual student's responsibility.

## Health Insurance

All registered students taking six or more credit hours (three hours during the summer sessions) at Lamar University are eligible to participate in a health and accident insurance plan. Eligible students who do enroll in the plan may also insure their dependents. Coverage may be purchased on a yearly or semesterly basis. Additional information is available in the *Student Handbook*.

## Housing

The housing and residence life program at Lamar University is designed to supplement the academic program by providing opportunities for academic and social development for students. The staff are committed to supporting the academic mission of Lamar University by giving the student several opportunities to become involved in the university community; to interact with people from different backgrounds; and to enhance academic, social and leadership skills. Residence Assistants (RAs) and Hall Directors serve as role models and advisors to residents in their respective buildings.

To apply for a room, contact the housing office and request a housing/food service contract. Room assignments will be made immediately after receipt of the contract, and confirmation will be mailed to the student. The university reserves the right to assign specific residence halls and rooms. More detailed information regarding contract fees, submission procedures and room assignments is available in the *Student Handbook* or by calling the housing office, (409) 880-8111.

## Lamar University Residency Policy

All undergraduate, full-time students (those enrolled in 12 or more semester credit hours) with fewer than 24 earned semester credit hours are required to reside in a University-operated residence hall.

Exemptions to the University Residency Policy may be granted for the following reasons:

1. Student will reside with a parent, guardian or other adult relative.
2. Student is 21 years of age by the first class day.
3. Student will be enrolled only in evening classes.
4. Student is married or has dependent children.
5. Student has a medical exemption signed by his/her doctor.

Students wishing to be released from the University Residency Policy must fill out an "Off Campus Residency Request Form" with the Department of Housing. Official documentation verifying exemptions may be required by the Housing Office. Failure to comply with the stipulations outlined in this policy will result in disciplinary action.

Questions regarding the University Residency Policy may be directed to the Lamar University Housing Office, (409) 880-8111.

## **Room Assignments**

The Department of Housing staff make every effort to match residents with compatible roommates. Make sure that you fill out the personal information section in the Residence Hall/Food Service Contract accurately so that the Hall Directors can take into consideration this information when matching roommates.

Hall Directors will make every effort to accommodate specific roommate requests; however, the Department of Housing reserves the right to make room changes at any time. Please see the Residence Hall/Food Service Contract Booklet for more details concerning room assignments and/or room changes.

Residents who turn in their signed Residence Hall/Food Service Contract form and their deposit before August 1 will have their room assignment mailed to their permanent address. Residents will also receive the name and phone number of their roommate. Any student who sends his or her contract in after August 1 will receive their room assignment when he or she arrives at check-in.

## **Housing Fees**

The Residence hall contract is for a full academic year (August through May). Specific room rates are listed in the contract booklet. Room and board fees are charged to the student's account each semester and may be paid either as a lump sum (all at once) or in installments. The installment schedule is listed in the contract booklet.

Students who fail to pay their room and board fees will be subject to both disciplinary action under the Student Code of Conduct and collection agency procedures. Additionally, if a student has not paid at least 50 percent of their total semester charges by a certain date, the student will be dropped from his or her classes.

For additional information and application forms, write University Housing Office, Lamar University Station, P.O. Box 10041, Beaumont, Texas 77710.

## **Parking**

All faculty, staff and students are required to purchase a current parking permit and display it if they park a vehicle on campus. A copy of the parking and traffic regulations is issued at the time of permit purchase. Strict observance of traffic and parking regulations is necessary for the safe, orderly flow of vehicles in the campus area. Parking and traffic regulations are in effect 24 hours a day.

## **Setzer Student Center and Student Activities**

The Setzer Student Center (SSC), named for Dr. Richard W. Setzer, university president from 1967 to 1969, is the center of campus activities at Lamar University. The Director of the Setzer Student Center, along with the assistant directors for programs and student organizations, administers activity programs.

SSC facilities and services include the ballroom, games area, television room, reading room, lounges, meeting rooms, automatic teller and an information center. Mirabeau's Pub and the Cardinal Nest, short-order snack bars, serve food and drinks. The Lamar University Bookstore is housed in the SSC as well as the offices of Lamar Alive!, the Student Government Association, Student Organizations, Student Publications and the professional staff members who serve as advisors to these organizations and to many others.

## Honor Societies and Recognition Programs

Alpha Lambda Delta and Phi Eta Sigma are national freshman honor societies that encourage and recognize outstanding scholastic achievement. Blue Key National Honor Fraternity selects members on the basis of outstanding scholarship, leadership and service. Several other honor organizations specific to area of study are active on campus. The Bess Gentry and C. Robert Kemble Awards recognize the outstanding senior woman and man, respectively, each year. The C.W. Bingman Award recognizes a graduating senior for outstanding achievement and service to Lamar. The Ida Caldwell McFaddin Award recognizes outstanding campus citizenship, and the Otho Plummer Award is given to the highest-ranking man and woman each commencement. The *Student Handbook* offers additional details.

## Student Organizations

More than 130 student organizations are currently active at Lamar and offer student membership opportunities in one or more of the following groups: professional, religious, academic class, mutual interest, honor, sorority, fraternity, spirit and sports or activity groups. Participation in well-developed, organized activities enhances the educational experience. Students are strongly encouraged to affiliate with the organization(s) of their choice and participate in the programs.

The Inter-fraternity Council, (409) 880-8740 is the advisory and governing organization of Lamar University fraternity members, and the Lamar Panhellenic Association, (409) 880-8441, promotes inter-sorority cooperation.

## Lamar Alive!

Setzer Student Center Council (Lamar Alive!) is the student organization responsible for providing the campus with a variety of programs and extracurricular activities that enhance the social, educational and cultural experiences of students. Lamar Alive! consists of three student directors who book concerts, performing arts, special events, current file screenings, forum and travel. Dedicated volunteers plan events for the entire student body, from Fall-Fest, Homecoming, Mardi Gras celebrations to Cardinal Daze, lectures and comedy acts, (409) 880-8722. Membership is open to all students who meet the University's extracurricular activity policy standards as outlined in the *Student Handbook*.

## Student Government Association

The Student Government Association provides the official voice through which student opinion may be expressed at students participate in the overall policy and decision-making processes of the university community. All regularly enrolled Lamar University students are represented by the Student Government Association, which affords each student an opportunity to promote, support and participate in a well-rounded student life program.

The president, vice president and college and at-large senators are elected each spring, and class senators are elected each fall by the student body. Student opinions may be expressed at the weekly open meetings of the Senate, or ideas, suggestions and/or concerns may be submitted through SGA suggestion boxes at various campus locations. The judicial branch of SGA consists of the Supreme Court and Student Traffic Court.

The Student Government Association office is located in Room 212 of the Setzer Student Center, (409) 880-8891.

### **Residence Hall Association**

The Residence Hall Association (RHA) is the umbrella organization for individual residence hall councils and provides a voice for campus residents. Every Lamar student who lives on campus is a member of the Residence Hall Association by virtue of his or her residence. The RHA operates from a committee structure, examples of which are the dining advisory, entertainment and housing advisory committees. Every resident student is represented by RHA and is encouraged to participate in its programs and activities, (409) 880-7927.

### **Student Publications**

University Student Publications include the University Press, the campus student newspaper published twice each week during the long semesters, and Pulse, a literary magazine of student writing. The University Press, with offices in 200 Setzer Student Center, serves as a training opportunity for students interested in journalism. Pulse offices are located in 03 Maes Building.

### **Student Life**

#### **Athletics**

Lamar University competes at the NCAA Division 1 level and is currently a member of the Southland Conference. Lamar offers 14 sports, seven each for men and women. The seven women's sports are volleyball, cross country, basketball, indoor and outdoor track, tennis and golf. Men's sports are cross country, basketball, indoor and outdoor track, baseball, tennis and golf. Lamar students with valid IDs are admitted free to all university athletic events.

#### **Campus Ministries**

Several campus ministries provide fellowship, worship and recreational activities for Lamar students and have established student centers adjacent to campus. They include the Baptist Student Union, Church of Christ Bible Chair, Church of Jesus Christ of Latter-Day Saints, Episcopal Center, Catholic Student Center and Wesley Foundation (United Methodist). Some ministries sponsor retreats, special programs and community services.

#### **Cultural Arts**

The visual and performing arts thrive on the Lamar University campus. The Dishman Art Gallery provides one of the finest collegiate exhibition spaces in the state of Texas with two galleries, a preparation area and lecture hall with video and projection facilities. The Dishman presents local, regional and national touring exhibitions. A variety of public programs, including openings, artist lectures and panel discussions are scheduled throughout the year. Gallery hours are 8 a.m.-5 p.m. Monday through Friday. Admission is free.

Lamar Theatre performs five productions each year, including comedy, drama and musicals as well as children's theatre and student-directed "brown bag" productions. Lamar's recently renovated 500-seat proscenium theatre and flexible-seating "black box" studio theatre host productions.

The Symphonic and Concert Bands, Lamar Symphony Orchestra, jazz bands, Brass Quintet, Wind Ensemble and other groups represent Lamar at numerous state and national music educator conventions; moreover, these groups may be heard on a regular basis on and off campus throughout the year. Students, faculty and guest performers entertain not only the Lamar community but also music lovers in Southeast Texas during the Lamarissimo! Concert Series with five concerts held annually in the historic Julie Rogers Theatre in Beaumont. Basketball fans enjoy the Cardinal Pep Band, which performs at all home games.

The Lamar Dance Company presents several concerts each year and joins the musical ensemble for various presentations.

### **Eligibility for Extracurricular Activities**

An extracurricular activity is understood to be any activity representing the student body, any student organization, any department or division organization or any general activity representing the University. The Student Handbook describes eligibility requirements.

### **Recreational Sports**

All currently enrolled students, faculty and staff with a valid Lamar ID card have access to the recreational facilities and may participate in the wide variety of activities that are offered, divided primarily into five areas: intramural sports, sports clubs, fitness and wellness, aquatics and informal recreation. The Recreational Sports Office is responsible for organizing the activities.

Intramural sports offer opportunities to participate in supervised individual, dual, and/or team competitive sports within the university community. Organizations may place teams in the all-Sports Division, which consists of competition in 25 different sports or choose the Independent Division, in which specialization in one or more sports may be chosen. The stated purpose of the Intramural Program is to promote human understanding, fair play and behavioral control through the interrelationships occurring in athletic competition.

Sport clubs are student organizations of individuals who have interests in a specific activity such as soccer, volleyball, racquetball, sailing, SCUBA or martial arts and seek competition with other universities. The Health and Fitness Center is a 6,000-square-foot, state-of-the-art fitness facility with a full line of pin-select Badge Magnum circuit machines, treadmills, stair-climbers, rowers and free weights. Certified fitness trainers are available to consult, instruct and evaluate individual fitness programs. Also included is the rec aerobic program, including aqua and step aerobics.

The Recreation Program offers the use of the University's facilities for free-time recreation. Published schedules and reservations allow the student, faculty or staff member to exercise and enjoy competition with friends at a leisurely pace. Sports equipment is available to be checked out for overnight and weekend excursions or club activities. Facilities include McDonald Gymnasium, racquetball complex, tennis complex, Ty Terrell Track, indoor and outdoor swimming pools, playfields, YMBL Pavilion and the golf practice range.

Further information on the Recreational Sports Program may be obtained from the Recreational Sports Office, Room 106 of McDonald Gym, (409) 880-2306.

## **Conduct and Discipline**

### **Student Code of Conduct**

A student is subject to disciplinary action for unacceptable behavior, as detailed in the *Student Handbook*. The chief student affairs officer may classify behavior as unacceptable and may refer the case to the proper judicial body for investigation and decision. The student has the privilege of appealing the decision to the Vice President for Student Affairs.

### **Debts**

The University is not responsible for debts contracted by individual students or student organizations and will not act as a collection agency for organizations, firms or individuals to whom students may owe bills.

Students and student organizations are expected to honor contractual obligations promptly, but in case of flagrant disregard of such obligations, the chief student affairs officer or his designated representative will take appropriate action.

Failure to pay all University fees by the specified date will result in suspension through the 12th week in the long semester and the fourth week of each summer term. After the 12th week in the long semester and the fourth week of each summer term failure to pay all fees by the specified date will result in suspension at the end of the current semester and may include: a) denial of readmission, b) withholding of grades and transcripts, c) withholding of degree.

### **Hazing**

Hazing is prohibited in state educational institutions by the Texas Education Code. Students of Lamar University are forbidden to engage in, encourage, aid or assist any person(s) participating in what is commonly known and recognized as hazing. Any student who does so will be subject to University disciplinary action and might also expect to be dealt with by civil authority. Refer to the *Student Handbook* for more specific definitions and information relative to the legal implications of hazing.

### **Falsification of Records**

A student who provides false information or makes false statements to any University official or office or on an official form submitted to the University is subject to immediate dismissal.

### **Summons**

An official summons takes precedence over other University activities of the student and should be answered promptly on the day and hour designated. Failure to heed an official summons may subject the student to serious disciplinary action.

*Refreshing sounds of cascading water serenade students as they study beneath shady oaks in the Quadrangle, the center of campus.*

***Students in arts and sciences build on the fundamentals with the benefit of state-of-the-art instrumentation and well-qualified faculty to advance their level of study.***

---

## College of Arts and Sciences

**Departments:** Biology, Chemistry and Physics, English and Foreign Languages, Geology, History, Nursing, Psychology, Political Science, and Sociology, Social Work and Criminal Justice.

Miriam J. Shillingsburg, Dean

100 Ward Health Sciences Building  
Phone 880-8508

### Organization and Function

The College of Arts and Sciences provides most of the academic components fundamental to a traditional liberal arts college and contains humanities, social sciences, and the natural sciences. The outstanding programs in the humanities include English, history, philosophy and foreign languages with graduate degrees in both English and history. The College's excellent programs in the social sciences include anthropology, political science, sociology, psychology, social work and criminal justice with graduate programs in applied criminology, political science and psychology. The highly regarded natural science program includes nursing plus the traditional sciences of biology, chemistry, geology, and physics with graduate programs in biology, chemistry and nursing.

The College also houses many successful programs which cross several disciplines. Environmental science is one example in addition to the many pre-professional programs. Pre-professional programs prepare students for a professional school to launch careers in fields such as law, medicine, dentistry, pharmacy, physical therapy, occupational therapy, optometry and veterinary medicine. The College has two interdisciplinary degrees designed for adult learners.

Research is a fundamental component of the mission of the College of Arts and Sciences. Faculty members in the College are actively engaged in research related to their respective disciplines. In addition, the College maintains several centers or laboratories that are devoted almost exclusively to research activities. These include the Space Exploration Center, the Center for Public Policy Studies, the Environmental Sciences Laboratory, the Center for Justice Research and Education and the Center for Philosophical Studies.

### The Liberal Arts and Sciences

Like other areas of study, the disciplines represented by the Arts and Sciences prepare a student for advanced study and research, for a career in business, industry, government service or teaching or for study in a professional field. In addition, however, the very nature of the Arts and Sciences disciplines not only trains the mind and sharpens the intellect but also provides an experience designed to encourage life-long learning. It is a "liberating" experience which enables one to acquire the skills and knowledge to think critically, examine values and principles, broaden perspectives and to understand the individual and the relationships among the individual, our natural environment and our society. Thus, specialization in one or more of the Arts and Sciences disciplines provides the opportunity for this experience and the prelude to a career.

## Degrees Offered

### Associate of Science – Nursing

### Bachelor of Applied Arts and Sciences

#### Bachelor of Arts with majors in the following fields:

Chemistry	Political Science
Criminal Justice	Psychology
English	Sociology
French	Spanish
History	

### Bachelor of General Studies

#### Bachelor of Science with majors in the following fields:

Biology	Medical Technology
Chemistry	Nursing
Criminal Justice	Physics
Earth Science	Political Science
Psychology	Environmental Science
Sociology	
Geology	

### Bachelor of Social Work

Graduate programs are offered in biology, chemistry, English, history, psychology, public administration and applied criminology. Nursing offers a co-operative master's degree with UTMB. The Department of Geology and the Sociology Program offer graduate courses in support of other advanced degree programs. Further information may be obtained from the Graduate Catalog or by contacting the appropriate academic department.

## Minimum Standards for Undergraduate Majors in the College of Arts and Sciences

A student enrolled as a major in the College of Arts and Sciences must fulfill all University degree requirements, including those for general education, as well as the particular requirements set forth by the department for an area of specialization. In addition, majors in the College must:

1. Complete the Freshman English composition requirement with no less than a grade of "C".
2. Complete all department courses required in their major with at least a grade of "C".

Students are expected to make acceptable progress toward their degree objectives and are expected to work closely and carefully with their academic advisor.

Students majoring in one of the programs in the College of Arts and Sciences who accumulate a grade point deficiency of 25 or more grade points by the beginning of a Fall or Spring semester may be suspended for that semester. Students returning from an academic suspension must reduce their grade point deficiency every semester of enrollment until the deficiency is eliminated. Failure to reduce the deficiency in any one

semester may result in a second suspension of two long semesters. A third suspension may result in exclusion as a major in the College of Arts and Sciences.

Students suspended from Fall and/or Spring semesters may attend a Summer session. If the grade point deficiency is less than 25 at the close of the Summer session, the student may enroll for the following Fall semester but may be charged with a suspension.

Upon recommendation of the Department Chair and approval of the Dean of the College, exceptions to the above policy will be considered for:

1. A student who compiles exactly a 2.0 GPA after returning from a suspension.
2. A student in good standing (2.0 or greater GPA) who accumulates a grade point deficiency of 25 or more grade points in one semester.
3. A student in college for the first time at the end of the first semester of attendance.

## University Honors Program

**Director:** Donna Birdwell-Sykes

**Phone** 880-8551

The Honors Program at Lamar University is designed for motivated, superior academic students of all majors. To be eligible for the program, an entering freshman must possess a score of 1100 on the SAT and make application to the Director. College students in the program, or those seeking admission, must maintain a 3.1 grade point average.

Besides the prestige of having been selected for an enhanced academic program, other benefits of participation are small classes, interdisciplinary courses, outstanding faculty, enriched curriculum for satisfaction of core requirements and the esprit de corps generated by the interaction of superior students and Honors faculty. Direction for the program comes from the University Honors Council which consists of faculty and administrators from all Colleges of the University.

Special recognition is given to Honors Program Graduates at the Commencement ceremony, including the wearing of an Honors medallion. To achieve Honors Program Graduate status, a student must complete at least twenty-four hours of Honors classes with a minimum 3.1 grade point average and a minimum of six hours of Honors classes at the junior-senior level (three hours of which will be a thesis on a topic approved by the Honors Council). Alternately, a non-thesis route to the Honors Program Graduate designation requires 27 hours of Honors classes, with a minimum of nine hours at the junior-senior level.

## Honors Core Curriculum Courses

All Honors core curriculum courses are especially designed for the Honors Program and meet university core curriculum requirements. See appropriate departmental listings for descriptions not included.

<b>CHEM 1460 Honors General Chemistry</b>	<b>4:3:3</b>
Satisfies 4 hours of 8-hour Core Curriculum laboratory science requirement.	
<i>Prerequisite: see departmental listing.</i>	
<b>COMM 1360 Honors Public Speaking</b>	<b>3:3:0</b>
Satisfies speech requirement in Core Curriculum.	
<b>COSC 3360 Honors Computer Law &amp; Ethics</b>	<b>3:3:0</b>
Provides sufficient skills in statistical analysis to handle some elementary applications in social science research and to deal with concerns raised by computers in modern society, such as ethics, privacy, computer crime.	
<i>Satisfies 3-hour Core Curriculum requirement in mathematical science/methods of qualitative data analysis.</i>	
<i>May not be substituted for mathematic science (algebra or above).</i>	

<b>ECON</b>	<b>3360 Honors Seminar in Global Economics</b>	<b>3:3:0</b>
	Investigates and describes the interdependence of world economies. Subjects include supply and demand, international trade and finance, comparative economic systems, growth and third world nations, national economic coalitions, and current economic issues.	
<b>ENGL</b>	<b>1360 Honors Composition &amp; Rhetoric</b>	<b>3:3:0</b>
	Extensive writing introduction to literary genre. Offered fall semester only. Grants three semester hours credit to student who completes the course with a grade of C or better. Student must complete advanced writing course to satisfy the six-hour core curriculum composition requirement. For specific writing courses, contact the Director of the Honors Program.	
	<i>Prerequisite: see departmental listing.</i>	
<b>ENGL</b>	<b>2360 Honors Sophomore Literature</b>	<b>3:3:0</b>
	Satisfies 3-hour Core Curriculum literature (ENGL 2331 or 2322 only) or foreign language requirement.	
<b>HIST</b>	<b>1361 Honors American History: History of the United States, 1763 to 1877.</b>	<b>3:3:0</b>
	Satisfies 3-hour Core Curriculum history requirement.	
<b>HIST</b>	<b>1362 Honors American History: History of the United States, 1877 to the present</b>	<b>3:3:0</b>
	Satisfies 3-hour Core Curriculum history requirement.	
<b>HIST</b>	<b>2660 Honors The American Experience</b>	<b>6:5:0</b>
	Interdisciplinary survey of American civilization, with emphasis on American history and literature.	
	<i>Meets five times per week; upon completion of the course, student receives six semester hours credit, but satisfies the nine-hour core curriculum requirement of American History (HIST 1301 and 1302) and sophomore literature (ENGL 2326). To fulfill degree plan requirements, students must substitute three semester hours of approved electives. For additional information, contact the Director of the Honors Program.</i>	
<b>HUMA</b>	<b>1360 Honors Society and the Arts</b>	<b>3:3:0</b>
	Interdisciplinary focus on the interrelationship of the fine arts (art, music, drama), with particular emphasis on the fine arts as expressions of culture.	
	<i>Satisfies 3-hour Core Curriculum fine arts requirement.</i>	
<b>MATH</b>	<b>1460 Honors Calculus and Analytic Geometry</b>	<b>4:4:0</b>
	Satisfies Core Curriculum mathematical science (algebra or above only) requirement.	
	<i>Prerequisite: see departmental listing.</i>	
<b>PHIL</b>	<b>1360 Honors Philosophy of Knowledge</b>	<b>3:3:0</b>
	Satisfies Core Curriculum philosophy of knowledge requirement.	
<b>SOCI</b>	<b>3360 Honors Human Nature and the Human Condition</b>	<b>3:3:0</b>
	A multi-disciplinary investigation of the issue of human nature from the viewpoints of anthropology, psychology and sociology. Examines modern culture and society with special attention to problems having worldwide impact: poverty, over-population, environmental degradation, refugees and drugs.	

## Senior Honors Courses (HNRS)

<b>HNRS</b>	<b>4360 Honors Environment &amp; Ecology</b>	<b>3:3:0</b>
	A multi-disciplinary survey of the many dimensions of protecting our natural resources and quality of life. Topics include ecological systems, threats and damage to the environment and alternatives, national and international regulatory agencies and standards and activities of private environmental groups.	
<b>HNRS</b>	<b>4361 Honors Thesis</b>	<b>3:3:0</b>
	Three guided hours research, writing and defense of selected topic in major discipline(s) of study; topic to be selected and submitted for Honors Council approval during junior year.	

## Bachelor of Science – Environmental Science

**Program Director:** Richard C. Harrel

**205-10H Biology, 880-8255**

Environmental Science is an interdisciplinary program concerned with protecting, monitoring and improving the environment. The degree program combines study in biology, chemistry, geology, engineering and political science in preparing the student for a career with regulatory agencies, industry or consulting firms. This degree program combines fundamental training in the basic sciences with broad training across several of the traditional disciplines to prepare students for employment or graduate study. An internship is required to integrate academic preparation with actual work experience.

The degree of Bachelor of Science in Environmental Science will be awarded upon completion of the following requirements:

- A. General Requirements:  
See core curriculum, p. 15.
- B. Biology:  
BIOL 1406, 1407, 2420, 4406, 4430, 4460
- C. Chemistry:  
CHEM 1411, 1412, 2401, 3411, 4481
- D. Science and Mathematics:  
PHYS 1401, 1402  
COSC 1371  
PSYC 2471  
MATH 2376  
GEOL 1403, 3390 or 4361, 4370  
CVEN 3310  
6-9 hrs. approved electives
- E. POLS 4390 or BULW 3330
- F. Participate in internship BIOL 4300-02

\*Must be approved by Program Director

## Bachelor of Applied Arts and Sciences

**Academic Director:** Boyd Lanier

**106 Montagne Center, Phone 880-8534**

The Bachelor of Applied Arts and Sciences degree exists to facilitate the completion of a college degree by those individuals already possessing training in a vocational field. Students wishing to improve their vocational and professional competency or to meet educational requirements of the contemporary workplace will find this program useful.

The Bachelor of Applied Arts and Sciences will be granted upon the completion of the General Degree Requirements of the University, including up to 24 hours of experiential credit granted, upon petition by the student and approval by the program director, for learning outside the traditional college setting. Taken together with prior acceptable college work, these hours are added to additional work prescribed to satisfy all the University and the College requirements for graduation. Course selection is subject to the approval of the program director. Because experiential credit is usually very specific and vocationally oriented, it will often constitute the major field of a Bachelor of Applied Arts and Sciences program. Since this is completed early in a student's career, the Bachelor of Applied Arts and Sciences is considered an "inverted degree," completing a student's curriculum with courses ordinarily elected at the start of college study. Thirty hours of course work must have been completed at Lamar University with 24 having been earned after attaining Senior status.

## Bachelor of General Studies

**Academic Director:** Madelyn D. Hunt

**200 Archer Building, Phone 880-8907**

The Bachelor of General Studies degree is designed for those students who have already established careers and who wish to earn credit toward a degree while learning for the pleasure of learning.

The Bachelor of General Studies will be granted upon the completion of the General Degree requirements of the University. Course selection is subject to the approval of the program director, normally with a minimum of thirty upper division hours and at least nine hours in each of three disciplines. More advanced hours are encouraged. Normally at least nine hours of these upper-level courses will be 4000 level.

## University Advising Centers

### Center for General Studies and Central Advising

**Academic Director:** Madelyn D. Hunt

**200 Archer Building, Phone 880-8907**

The University provides a central advising center to assist students with enrollment and course selection as well as to provide counseling on academic progress and academic options. The Center for General Studies and Central Advising provides this assistance to students who are unsure about the proper academic discipline to choose. Students without a major are restricted to 1000- and 2000-level courses; they may take no engineering courses but are free to enroll in other lower-level electives while taking general education subjects. Normally, a student should choose a major by the third semester of enrollment. Students without a major must abide by the College's probation and suspension policies.

Consult the specific discipline sections of this catalog to identify advisors and advising centers for specific programs. Any student may contact the Center for General Studies and Central Advising for directions to the appropriate advisor or advising center.

## Pre-Professional Programs

The College of Arts and Sciences offers pre-professional programs for students planning careers in law or in one of the primary health care delivery areas — dentistry, medicine, optometry, pharmacy, physical or occupational therapy, physician's assistant, podiatry and veterinary medicine. Other programs associated with the health-related professions (i.e., the allied health sciences) are administered through the Lamar Institute of Technology.

### Pre-Law

**Advisors:** Terri B. Davis  
Boyd L. Lanier

**83 Maes Building, Phone 880-8533**  
**106 Montagne Building, Phone 880-8534**

For admission to law school a student needs a baccalaureate degree, a high grade point average, and a good score on the Law School Aptitude Test (LSAT). According to the Association of American Law Schools, skills appropriate to the legal profession which can be acquired in undergraduate education are these: comprehension and expression in words, critical understanding of human institutions and values with which the law deals, and creative power of thinking. Therefore, a broad education obtainable in a liberal arts program is excellent preparation for admission to law schools.

The pre-law programs are administered by pre-law advisors within the student's major department. Pre-law students should work closely with the appropriate advisor in planning an undergraduate curriculum and in eventually making application to law schools. One aspect of the application process is the Law School Aptitude Test (LSAT) which law schools require to be taken prior to consideration for admission.

### Pre-Clinical Programs in Physical Therapy, Occupational Therapy and Physician's Assistant

**Advisor:** Michael E. Warren

**101 Hayes Building, Phone 880-8262**

The pre-clinical programs in physical therapy, occupational therapy and physician's assistant are administered by the Department of Biology. The specific programs of study are listed in that department. Further information may be obtained by contacting the advisor.

### Pre-Dental, Pre-Medical, Pre-Optometry, Pre-Pharmacy, and Pre-Veterinary Medicine Programs

**Advisor:** Hugh Akers

**217 Chemistry Building, Phone 880-8267**

The Pre-Professional Advisory Committee for the Health Professions was created as a service to all students preparing for and seeking admission to professional schools of dentistry, medicine, optometry, podiatry, pharmacy and veterinary medicine. The services provided include basic advising and counseling in pre-professional matters, academic advising, information on professional school application procedures and providing composite evaluative information on the student to professional schools. It is extremely important that preprofessional students work closely with the program advisor from the time they initiate their studies at the University.

Admission to health professional schools is highly competitive and, in general, the most competitive applicants will have credentials which significantly exceed the stated minimum admissions requirements. For example, while many dental and medical schools may have stated requirements of only two to three years of college preparation, greater than 90 percent of the students actually accepted will have had four years of college. Thus, since "pre-programs" do not lead to a degree, such students should pursue a degree-granting program. The student is then not only a more competitive professional school applicant but has also prepared for an alternate career should admission to a professional school not be possible. Any degree granting program at the University may be chosen; however, programs within the sciences are generally the most appropriate as their required curricula contain many of the courses also required for professional school admission. In addition, careful use of elective hours in the curricula will allow for the selection of other appropriate pre-professional courses.

Students considering courses at junior colleges should contact the professional school(s) they plan to attend because many professional schools are reluctant to accept transfer hours from junior colleges.

Standardized examinations are required as a part of the admissions process to professional schools (dentistry—DAT; medicine and podiatry—MCAT; optometry—OAT; veterinary medicine—MCAT or GRE; pharmacy—PCAT). Students should consult with the preprofessional advisor concerning preparation for a particular examination and the appropriate time at which the examination should be taken.

## Pre-Medical and Pre-Dental

### Suggested Program of Study

First Year	Second Year
Engl Comp .....6	BIOL .....8*
BIOL 1406, 1407 General .....8	CHEM 3411, 3412 Organic .....8
CHEM 1411, 1412 General .....8	PHYS 1401, 1402 General .....8
MATH 2413 or 2376 Calculus I .....3-4	HIST 1301, 1302 American .....6
PEGA .....2	Degree requirements .....3
Degree requirements .....6	
33	34

\*Advanced Biology, suggested courses: BIOL 2420, 2476, 3440, 3470, and/or 4410.

### Third and Fourth Years

Pre-Medical students should take the appropriate courses to satisfy the requirements for a bachelor's degree in a field of their choice. They should begin application procedures at the end of the third year (See the advisor).

The Dental School at the University of Texas Health Science Center at Houston requires CHEM 4411. CHEM 4411/4412 are both highly recommended by all other medical/dental colleges. Pre-dental students should begin the application procedure at the end of the second year.

## Pre-Optometry

### Suggested Program of Study

#### First Year

Engl Comp .....	6
BIOL 1406, 1407 .....	8
CHEM 1411, 1412 .....	8
MATH 2312 Precalculus I .....	3
MATH 2376 or 2413 .....	3-4
PEGA .....	4

32-33

#### Second Year

BIOL 2420 Microbiology .....	4
BIOL 3440 Adv. Physiol .....	4
CHEM 3411, 3412 Organic .....	8
PHYS 1401, 1402 General .....	8
Engl Lit .....	6

30

#### Third and Fourth Years

CHEM 4411 Biochem .....	4
PSYC 2301 Introduction .....	3
PSYC 2471 Statistics .....	4
BIOL 2428 (or 2401+2402) anatomy .....	4-8
remaining courses required for any BS degree	

## Pre-Veterinary Medicine

### Recommended Program of Study

#### First Year

Engl Comp .....	6
BIOL 1406, 1407 General .....	8
CHEM 1411, 1412 General .....	8
MATH 2376 or 2413 or 1342 .....	3-4
PEGA .....	4
Degree requirements .....	3-6

32-36

#### Second Year

CHEM 4411 Biochemistry .....	8
POLS 2301, 2302 .....	6
ENGL 3310, Tech. Report Writing .....	3
COMM 1315 Public Speaking .....	3
Degree requirements	

## Pre-Pharmacy

Professional training in pharmacy is offered at four institutions in Texas: Texas Southern University, University of Houston, University of Texas and Texas Tech University. The following courses will meet the requirements of the four schools. It is suggested that the pre-pharmacy students consult with the pre-pharmacy advisors and contact the individual pharmacy schools to which they plan to apply.

### Recommended Program of Study

#### First Year

BIOL 1406, 1407 .....	8
CHEM 1411, 1412 .....	8
Engl Comp .....	6
MATH 2376 (or 2413), 1342 .....	6-7
PEGA .....	4

POLS 2301, 2302 .....	6
Degree requirements .....	

\*Replace with BIOL 2428 for Texas Southern.

#Replace with 6 hours from ARTS 1303, 1304, HIST 2321, 2322 for the University of Houston.

**Professional Programs**

The Department of Sociology, Social Work, and Criminal Justice offers approved programs to prepare the student for public service in the areas of criminal justice and social work. The student may earn a Bachelor of Science in Criminal Justice or a Bachelor of Social Work degree.

The Department of Nursing offers the Associate of Science and Bachelor of Science in Nursing to prepare professional nurse practitioners. Each recipient of the degree is eligible to make application to write the state licensing examination given by the State Board of Nurse Examiners to become a registered nurse (RN).

**Teacher Certification**

The Arts and Sciences departments offer approved programs which enable students to secure the bachelors degree in one of the Arts and Sciences and at the same time certify for a provisional secondary certificate with teaching field in that Arts and Sciences discipline.

Students wishing to certify for a provisional certificate with social studies as a teaching field (secondary, option IV) should consult the Chair, Department of Political Science.

Students wishing to certify for a provisional certificate with Psychology as a teaching field (secondary, option II) should consult the Chair, Department of Psychology.

**Career Counseling – Liberal Arts**

The Departments of English and Foreign Languages, Political Science and Sociology, Social Work and Criminal Justice each have two or more faculty members who specialize in career counseling. One counselor specializes in counseling students who will attend professional graduate schools. Other counselors specialize in counseling for careers in business, industry and social services.

The Career Counselors have developed lists of career support courses, based on current information about the job market. They can suggest patterns of courses, both electives and minors, that are likely to provide advantages for the Liberal Arts graduate in various types of career pursuits. Numerous materials are available to help students prepare themselves for choosing possible career goals and for entering the job market.

**Cooperative Education Program**

A cooperative (Co-op) Education Program in which the student spends alternate terms at work and at study is offered to qualified students in the Department of Chemistry and Physics. This program is coordinated by the Director of Cooperative Education, and students may contact that office or the individual departments for further information.

## Department of Biology

**Department Chair:** Michael E. Warren

**101 Hayes Building, Phone 880-8262**

**Professors:** Haiduk, Harrel, Hunt, Warren

**Associate Professors:** Runnels

**Assistant Professors:** Brunell, Christensen, Hicks, Nicoletto

A student majoring in one of the three baccalaureate programs offered by the Department of Biology (Biology, Medical Technology, and Environmental Science) quickly understands that the biological sciences have foundations in the supporting sciences of chemistry, physics and mathematics.

The Biology program is committed to the laboratory approach to science. Students completing the Biology core will have been exposed to all major areas of Biology and are allowed the freedom to concentrate on an area of special interest within the major. Sufficient hours of free electives allow a Biology major to obtain secondary teaching certification simultaneously. Faculty offices are located in the Hayes Biology Building and in the Science Auditorium. The Dujay Sanctuary in the Big Thicket and the Marine Station at Pleasure Island near Port Arthur provide opportunity for field-based study.

Areas of faculty expertise and research interests include Behavior, General Physiology, Developmental Biology, Ecology, Limnology, Cytogenetics, Microbiology, Oceanography, Parasitology, Entomology and Epidemiology as well as Invertebrate, Fish, Reptile and Mammal Biology.

### Bachelor of Science – Biology Major

As the study of life, Biology requires a thorough understanding of the underlying chemical and physical principles governing all life processes. Lamar students attracted to this field are well equipped to enter the professions of medicine, dentistry or one of the other career paths listed below in this section. Students are equally prepared for environmentally related careers in various governmental agencies or private companies. A career file is maintained in Room 101 of the Hayes Biology Building to acquaint students with far-ranging career possibilities. Students interested in further education leading to an advanced degree in Biology are also well prepared. Those interested in teaching should consult the related section below.

The degree of Bachelor of Science in Biology will be awarded upon the completion of the following requirements:

- A. General Requirements:  
See Core Curriculum.
- B. Major:  
Core courses, see list below - 28 semester hours  
Biology electives - 12 semester hours  
BIOL 4160, 4170 Literature - two semester hours
- C. Supporting Sciences:  
General Chemistry - eight semester hours  
Organic Chemistry - eight semester hours  
General Physics - eight semester hours  
Biochemistry or Cell Physiology - three or four semester hours  
Statistics - four semester hours  
Computer Science, COSC 1371.
- D. Electives:  
Sufficient electives to complete a total of 128 semester hours.

## Suggested Program of Study

### First Year

Engl Comp .....	6
BIOL 1406, 1407 General .....	8
CHEM 1411, 1412 General .....	8
MATH 2312 Precalculus .....	3

American History .....	6
Fine Arts .....	3
	<hr/> 32

*\*\*The following courses must be included in the Biology Core: BIOL 2420, Microbiology; BIOL 3460, Invertebrate Zoology; BIOL 3450, Botany; BIOL 2428 or 4440, Comparative Anatomy or Vertebrate Natural History; BIOL 3470, Genetics.*

## Pre-Professional Programs

For details concerning pre-medicine, pre-dental and other pre-professional programs leading to professions in medicine, consult pg. 83 of this bulletin.

### Teacher Certification – Biology

A student wishing to certify to teach at the secondary level in Texas public schools must obtain a degree in a major other than Education. Certification to teach Biology can be obtained along with a BS in Biology. Consult with the Biology Department chair for specific information. A list of Biology courses for certification is printed in the Department of Professional Pedagogy section in the College of Education and Human Development portion of this bulletin.

## Bachelor of Science – Medical Technology

**Major Advisor:** M.D. Hunt

**205-12 Hayes Building, Phone 880-8254**

The medical technologist performs the laboratory tests required by physicians in order to properly diagnose and treat patients. Most technologists find employment in hospitals, clinics or blood banks. Medical product manufacturers and medical technical sales account for an increasing percent of career opportunities for medical technologists.

- A. General Requirements:  
See Core Curriculum.
- B. Multidisciplinary Major:  
Biology: 1406, 1407 General, 2420 Microbiology, 2476 Medical Microbiology, 3440 Advanced Physiology, 4410 Parasitology, 4405 Immunology  
Chemistry: 1411, 1412 General, 3411, 3412 Organic, 4411 Biochem or BIOL 4401 Cell Physiology  
Physics: 1401, 1412 General
- C. One year internship. (See Fourth Year Clinical Training.)

### Fourth Year Clinical Training

All the above requirements for the degree must be met before a student may be admitted to clinical training, which is 12 consecutive months at a hospital laboratory accredited for teaching by the Committee on Allied Health Education and Accreditation of the American Medical Association (AMA). A list of clinical affiliate hospital schools is provided below. After satisfactorily completing this training, the student is awarded the degree of Bachelor of Science Medical Technology.

No Lamar financial aid is available during the clinical year since the student pays no tuition.

## Directors of Medical Technology Programs

\*Denotes Formal Affiliation

### Methodist Hospital\*

6565 Fannin-Mail Station 205

## Pre-Physical Therapy†

Major Advisor: M.E. Warren

101 Hayes Building, Phone 880-8262

Physical therapists aid in testing and evaluation of patients, then lead the patient through activities to restore health to various impaired bodily functions of the nervous, muscular, bone and joint systems, restore the range of muscle strength, endurance and improve joint motion. Physical therapists are employed by hospitals, physicians and clinics, or may be self-employed.

*\*Electives should be chosen from Sociology, Psychology, Advanced Biology, Economics, etc.*

Texas physical therapy schools are six-year master's degree programs. The student should formulate a contingency plan to obtain a bachelor's degree at Lamar while completing the pre-clinical courses listed above. Periodic contact with the advisor is strongly urged. Because of the highly competitive nature of the program, acceptance is not guaranteed.

Physical therapy schools in Texas:

University of Texas: Galveston, Dallas, San Antonio, El Paso.

Texas Woman's University: Denton, Dallas and Houston.

Baylor: U.S. Army San Antonio.

Southwest Texas State University: San Marcos.

Texas Tech. University: Lubbock.

Hardin-Simmons University: Abilene.

**Pre-Occupational Therapy†**

Major Advisor: M.E. Warren

101 Hayes Building, Phone 880-8262

Occupational therapists aid patients who are physically injured through accident, illness or through psychological disability. The aim of the therapy is to rehabilitate the patient through application of splints, prostheses or directed occupational pursuits to maximize and extend the patient's fine motor abilities. Occupational therapists are employed by hospitals, schools and retirement homes.

## Biology Courses (BIOL)

<b>4101 Supplemental Laboratory</b>	<b>1:1:0</b>
This course allows a transfer student to make up one laboratory deficiency at the introductory level. Departmental approval is required to enroll.	
<b>1470 Introductory Biology</b>	<b>4:3:2</b>
A human-centered, non-chemically based course for non-science majors, includes function and problems of the human circulation, respiration, digestion, reproductive, and sensory systems.	
<b>1471 Introductory Biology</b>	<b>4:3:2</b>
A companion course to Biology 1470, which is not prerequisite. Includes human heredity and a consideration of the diversity and impact of the plant kingdom on human life and history as food and medicine as well as their aesthetic value.	
<b>1406 General Biology</b>	<b>4:3:2</b>
A survey of organisms, molecules, cells, tissues, photosynthesis, and genetics.	
<b>1407 General Biology</b>	<b>4:3:2</b>
Vertebrate structure and function, development, reproduction, and ecology. Prerequisite: BIOL 1406.	
<b>2401 Human Anatomy and Physiology</b>	<b>4:3:2</b>
Structure and function of cells, tissues, and muscle, skeletal and nervous systems. Prerequisite: Passing scores on all sections of TASP test or be TASP exempt. May not be used as a Biology major course.	
<b>2402 Human Anatomy and Physiology</b>	<b>4:3:2</b>
Structure and function of the circulatory, digestive, excretory and reproductive systems. Prerequisite: BIOL 2401. May not be used as a Biology major course.	
<b>2428 Comparative Anatomy of the Vertebrates</b>	<b>4:3:3</b>
Comparative anatomy presented from systemic viewpoint. (Offered Fall semester) Prerequisite: BIOL 1406, 1407.	
<b>2420 Microbiology</b>	<b>4:3:2</b>
Micro-organisms with emphasis on those of medical significance and problems of personal and community health. Prerequisite: Credit for BIOL 1406, 1407 or BIOL 2401, 2402.	

- 2476 Medical Microbiology** 4:2:6  
The pathogenesis, epidemiology, prevention and therapy of major infectious diseases. Laboratory includes diagnostic procedures used in identification.  
*Prerequisite: BIOL 2420*
- 3420 Embryology** 4:3:3  
Comparative study of meiosis, fertilization, cleavage and early embryology as it relates to human development of vertebrates. (Offered Spring semester)  
*Prerequisite: BIOL 1406, 1407.*
- 3440 Advanced Physiology** 4:3:3  
General physiology; muscle-nerve relations; digestive, circulatory, respiratory, excretory, nervous and endocrine systems.  
*Prerequisite: BIOL 1406, 1407 and CHEM 1411, 1412. (Recommended: CHEM 3411, 3412.)*
- 3450 General Botany** 4:3:3  
Introduction to plant structure and function with emphasis on the seed plants.  
*Prerequisite: BIOL 1406, 1407.*
- 3460 Invertebrate Zoology** 4:3:3  
Classification, natural history, phylogenetic relationships and economic importance of the invertebrate phyla. (Offered Fall semester)  
*Prerequisite: BIOL 1406, 1407.*
- 3470 Genetics** 4:3:3  
General principles of heredity, including human inheritance.  
*Prerequisite: BIOL 1406, 1407. (Statistics recommended)*
- 4101, 4401 Special Topics in Biology** 1-4:A:0  
Physiological, anatomical, taxonomic and ecological biology. Laboratory and/or library work and conferences with a faculty member. May be repeated for credit when the area of study differs.
- 4160 Classical Biological Literature** 1:1:0  
A survey of major written works in biology.  
*Prerequisite: Senior standing in biology.*
- 4170 Current Biological Literature** 1:1:0  
A survey of modern biological works published in recent journals.  
*Prerequisite: Senior standing in biology.*
- 4300 Undergraduate Problems** 3:0:6  
Individual investigation of a research problem in biology. Formal report to be approved by faculty members.  
*Prerequisite: Prior approval of faculty member, upperclass standing in biology.*
- 4305 Systematic and Evolutionary Biology** 3:3:0  
A survey of evolutionary mechanisms from molecular to population levels. Consideration of speciation, adaptation and historical geology.
- 4405 Immunology** 4:3:3  
Organs, tissues, cells, and molecules of the immune response and their interactions.  
*Prerequisite: BIOL 2420*
- 4406 Epidemiology** 4:3:3  
A study of the distribution and determinants of diseases and injuries in human populations. Laboratory utilizes a case history approach.  
*Prerequisite: Microbiology; statistics recommended.*
- 4410 Parasitology** 4:3:3  
A study of the morphology, life history and host-parasite relationships of parasites of man and other animals. (Offered Fall semester)  
*Prerequisite: BIOL 1406, 1407.*
- 4430 Limnology** 4:3:3  
Fauna, flora, ecology and productivity of fresh water. (Offered spring semester)  
*Prerequisite: BIOL 1406, 1407.*
- 4440 Vertebrate Natural History** 4:3:3  
Collection, identification and natural history of area fish, amphibians, reptiles, birds and mammals. (Offered Spring semester)  
*Prerequisite: BIOL 1406, 1407.*
- 4450 Marine Biology** 4:3:3  
Habitats and community relationships of marine plants and animals. (Offered Spring semester)  
*Prerequisite: BIOL 1406, 1407.*
- 4460 Ecology** 4:3:3  
Quantitative approach to both field and experimental studies. Interrelationships of organisms and their environment. (Offered Fall semester)  
*Prerequisite: BIOL 1406, 1407.*

## Department of Chemistry and Physics

**Department Chair:** Richard S. Lumpkin      **217 Chemistry Building, Phone 880-8267**

**Professors:** Akers, Cocke, Hansen, Melvin, Ortego, Pizzo, Whittle

**Associate Professors:** Dorris, Lumpkin, Shukla

**Assistant Professors:** Allin, Fearnley, Irwin

**Laboratory Technical Coordinator:** Williams

**Laboratory Manager:** Bradberry

Chemistry is a fundamental science and is required in all science and engineering degree programs. The Department offers programs leading to B.S. and B.A. degrees in Chemistry and the B.S. degree in Physics. In addition, the department offers preprofessional programs to prepare students for entrance into various professional programs such as medicine, dentistry, veterinary medicine, and pharmacy. The Chemistry and Physics Department has active research programs in several areas including environmental chemistry, surface chemistry, computational chemistry, materials science, polymer chemistry, fungal fatty acid compositions, transition metal coordination chemistry, molecular spectroscopy, organic reaction mechanism and nuclear physics. Undergraduate students are strongly encouraged to take advantage of the opportunity to participate in one or more of these programs. The Department has been approved by the Committee on Professional Training of the American Chemical Society to award ACS approved degrees.

### Pre-Professional Programs

For details concerning pre-medicine, pre-dental and other pre-professional programs leading to professions in medicine, consult pg. xxxxx of this bulletin.

### Teacher Certification

Students wishing to teach chemistry, physics or integrated chemistry and physics in Texas public schools should consult with the department chair for detailed information.

### Bachelor of Science – Chemistry Major\*

The degree of Bachelor of Science in Chemistry will be awarded upon completion of the following requirements.

- A. General Requirements:  
See core curriculum.
- B. Science and Mathematics:  
BIOL 1406, 1407 or GEOL 1403, 1404  
PHYS 2425, 2426, 3350  
MATH 2413, 2414, 2415
- C. Chemistry:  
CHEM 1411, 1412 General  
CHEM 3331, 4341 Inorganic  
CHEM 3411, 3412 Organic  
CHEM 4411 Biochemistry  
CHEM 2401, 4461 Analytical/Instrumental  
CHEM 4311, 4312, 4131, 4132 Physical  
CHEM 4111 Chemical Literature  
CHEM 4121 Senior Seminar
- D. Electives:  
Nine semester hours Advanced Chemistry electives.

\*American Chemical Society approved degree plan. A grade of "C" or better is required in core chemistry courses (CHEM 1411, 1412, 2401, 3331, 3411, 3412, 4311, 4312, 4341)

 CHEM 4411, 4412 Biochemistry  
 CHEM 4311, 4312, 4131, 4132 Physical  
 CHEM 4111 Chemical Literature  
 CHEM 4121 Seminar

D. Electives:

4 semester hours of biology electives selected from BIOL 2476, 3440, 3470, 4405 and 6-8 hours of advanced chemistry/biology electives selected from CHEM 4351, 4371, 4471 and/or BIOL 3420, 3470, 4405.

## Suggested Program of Study

### (Bachelor of Science – Biochemistry Option)\*

#### Fall Semester

##### First Year

CHEM 1411 General .....	4
BIOL 1406 General .....	4
MATH 2413 Calc, An Geo I <sup>o</sup> .....	4
ENGL 1301 Composition .....	3
	<hr/> 15

#### Fall Semester

##### Second Year

CHEM 2401 Quantitative .....	4
CHEM 3411 Organic .....	4
PHYS 1401 General .....	4
MATH 2415 Calc, An Geo III <sup>o</sup> .....	4
	<hr/> 16

#### Fall Semester

##### Third Year

CHEM 4311 Physical <sup>o</sup> .....	3
CHEM 4131 Physical Lab .....	1
PHYS 3350 Modern <sup>†</sup> .....	3
Biol elective ** .....	4
Engl Lit .....	3
PEGA/MULB/DANC .....	1
	<hr/> 15

#### Fall Semester

##### Fourth Year

CHEM 4111 Chemical Lit .....	1
CHEM 4341 Inorganic .....	3
CHEM 4411 Biochem I .....	4
Chem/Biol electives <sup>^</sup> .....	3
POLS 2301 Intro Am Gov I .....	3
Communication <sup>#</sup> .....	3
	<hr/> 17

#### Spring Semester

##### First year

CHEM 1412 General .....	4
BIOL 1407 General .....	4
MATH 2414 Calc, An Geo II <sup>o</sup> .....	4
Engl Comp .....	3
PHIL 1370 .....	3
	<hr/> 18

#### Spring Semester

##### Second Year

CHEM 3331 Inorganic .....	3
CHEM 3412 Organic .....	4
PHYS 1402 General .....	4
BIOL 2420 Microbiology .....	4
HIST 1301 American .....	3
	<hr/> 18

#### Spring Semester

##### Third Year

CHEM 4312 Physical <sup>†</sup> .....	3
CHEM 4132 Physical Lab .....	1
Engl Lit or Tech Wrt .....	3
HIST 1302 American .....	3
Soc Sci # .....	3
Fine Arts # .....	3
	<hr/> 16

#### Spring Semester

##### Fourth Year

CHEM 4121 Senior Seminar .....	1
CHEM 4461 Instrumental .....	4
CHEM 4412 Biochem II .....	4
Chem/Biol electives <sup>^</sup> .....	3-4
POLS 2302 Intro Am Gov II .....	3
	<hr/> 15-16

Minimum 129 semester hours + PEGA/MULB/DANC.

\*ACS approved degree plan; requirements for ACS approval may be changed by ACS. A grade of "C" or better is required in core chemistry courses (CHEM 1411, 1412, 2401, 3331, 3411, 3412, 4311, 4312, 4341).

\*\*Selected from BIOL 2476, 3440, 3470, 4405.

# Courses must satisfy Philosophy of Knowledge core (p. 15).

<sup>^</sup> To be selected from CHEM 4351, 4371, BIOL 3420, 3470, 4405.

<sup>†</sup> Physics courses MUST be completed prior to enrolling in CHEM 4312.

<sup>o</sup> Math courses MUST be completed prior to enrolling in CHEM 4311.

## Bachelor of Arts – Chemistry Major

The degree of Bachelor of Arts in Chemistry will be awarded after the completion of the following requirements.

- A. General Requirements:  
See core curriculum, p. 15, and general B.A. requirements, p. 65.
- B. Science and Mathematics:  
BIOL 1406, 1407 or GEOL 1403, 1404  
PHYS 1401, 1402
- C. Chemistry  
CHEM 1411, 1412 General  
CHEM 2401 Analytical  
CHEM 3331 Inorganic  
CHEM 3411, 3412 Organic  
CHEM 4311, 4312, 4131, 4132 Physical  
CHEM 4111 Chemical Literature  
CHEM 4121 Senior Seminar
- D. Electives and Minor  
14 semester hours of electives. Complete degree must include a minor of at least 18 semester hours of which 6 semester hours must be in advanced courses.

Minimum 121 semester hours + PEGA/MULB/DANC.

\*Courses must satisfy Philosophy of Knowledge core (p. 15).

† Physics courses MUST be completed prior to enrolling in CHEM 4312.

‡ Math courses MUST be completed prior to enrolling in CHEM 4311.

## Bachelor of Science in Biology

## Bachelor of Science in Chemistry

The degrees of Bachelor of Science in Biology and Bachelor of Science in Chemistry will be awarded upon completion of the following requirements. Both degrees must be awarded simultaneously.

A. General Requirements:

See core curriculum, p. 15.

B. Science and Mathematics

MATH 2376, 2377.

PHYS 1401, 1402, 3450

C. Biology:

BIOL 1406, 1407, 2428, 2420, 3450, 3460, 3470, 4160, 4170

Four additional semester hours of advanced biology.

D. Chemistry:

CHEM 1411, 1412, 2401, 3331, 3412, 4311, 4312, 4121, 4131, 4132, 4411

Eight additional semester hours of advanced chemistry.

E. Elective:

15 semester hours general electives

If appropriate additional chemistry courses are completed within or in addition to the 23 hours of electives, the degree will be ACS approved. Consult department chair for details.

Minimum 145 semester hours + PEGA/MULB/DANC.

A grade of "C" or better is required in core chemistry courses (CHEM 1411, 1412, 2401, 3331, 3411, 3412, 4311, 4312, 4360)

\*Courses must satisfy Philosophy of Knowledge core (p. 15).

\*\* Physics courses MUST be completed prior to enrolling in CHEM 4312.

# Math courses MUST be completed prior to enrolling in CHEM 4311.

## Physics

Physics is concerned with the basic principles of the universe and is the foundation upon which the other physical sciences—astronomy, chemistry and geology—are based. At the most fundamental level, the study of physics is subdivided into several basic areas of interest, including: mechanics, thermodynamics, electricity, magnetism, optics, quantum effects, elementary particles and relativity.

The study of physics offers a great variety of opportunities. A good foundation in physics can prepare a student for specialization in some area of research, or it can provide an excellent background for entering such varied fields as engineering, computer science, mathematics, communications, meteorology, oceanography, law, medicine and teaching.

The emphasis of the Lamar University-Beaumont physics program is on quality instruction at the undergraduate level. Undergraduate students are strongly encouraged to participate in research activities directed by faculty members.

The program of study in physics is one of the most flexible in the University. It offers many options and electives that make it possible to get a good foundation in physics as well as the necessary background to go into many other fields. Two undergraduate degrees are offered: the Bachelor of Science (B.S.) and the Bachelor of Arts (B.A.).

### Bachelor of Science – Physics Major

This degree plan places a strong emphasis on physics and mathematics. It can be tailored to meet the needs of students preparing for graduate school or employment in a variety of fields. Many students with B.S. degrees in physics from Lamar University have been highly successful graduate students in physics at some of the best universities in the U.S. Others have succeeded as engineers, mathematicians, physicians, medical researchers, lawyers, teachers, etc. Faculty advisors help plan programs to satisfy the needs of individual students.

The degree of Bachelor of Science in Physics will be awarded upon completion of the following requirements:

A. General Requirements:

See core curriculum, General Education Requirements – Bachelor Degrees, and the Minimum Standards for Undergraduate Majors in the College of Arts and Sciences.

B. Science and Mathematics:

CHEM 1411, 1412

MATH 2413, 2414, 2415

Differential Equations (MATH 3401)

C. Physics Core:

(Most students will take PHYS 1370, Mathematical Methods in Physics, as a preparation for PHYS 2425 and 2426)

PHYS 2425, 2426 Introductory General Physics

PHYS 3430 Analytical Mechanics

PHYS 3450 or 3350 Waves and Modern Physics

PHYS 3380 Electricity and Magnetism

PHYS 4320 Quantum Mechanics

D. Electives:

Additional physics electives to attain at least 32 semester hours of physics

Additional general electives to attain a total of 120 semester hours (not including required two semesters of PEGA and HLTH 1370).

## Physics as a Second Major

Physics may be selected as a second major for students wishing to broaden their education. The most popular options are to combine Physics with Engineering or Chemistry. Combinations are also available with Computer Science and Mathematics. A student may choose one degree with a double major or two separate degrees. While a second degree usually requires an additional semester of course work, the double major can be accomplished very efficiently. A Physics advisor can give you specific details on your choice of the field combinations.

## Minor in Physics

A student minoring in physics must complete 20 semester hours of physics, including general physics, modern physics and six additional semester hours of physics at the junior-senior level.

## Chemistry Courses (CHEM)

1375	<b>Chemical Principles</b>	3:3:0
	An introduction to the fundamentals of chemical structure, reactions, periodicity and the mathematical manipulations used in chemistry. May not be substituted for required chemistry courses in any degree program.	
	NOTE: It is strongly recommended that students enrolling have mathematics competency at or above the level of MATH 1314	
1406	<b>Chemistry for Allied Health Science</b>	4:3:2
	Survey of elementary inorganic/organic chemistry and gas laws for allied health science majors.	
	Prerequisite: High school chemistry or CHEM 1375 with grade of "C" or better required; two years of high school algebra and SAT math score of 400 or MATH 1314 recommended.	
1408	<b>Biochemistry for Allied Health Science</b>	4:3:2
	Elementary survey of structure, function and metabolic processes of molecules in organisms. Designed for students majoring in health sciences.	
	Prerequisite: CHEM 1406	

- 1411 General Chemistry** 4:3:3  
Mathematics-based review of chemical laws and theory for science, engineering and preprofessional majors.  
*Prerequisite:* High school chemistry or CHEM 1375 with grade of "C" or better; and MATH 1314, or two years of high school algebra and SAT math scores of 500 or better.
- 1412 General Chemistry** 4:3:3  
A continuation of CHEM 1411. Properties of the elements. Elementary qualitative analysis and theories of solutions and equilibrium.  
*Prerequisite:* CHEM 1411.
- 1460 Honors General Chemistry** 4:3:3  
Subject matter similar to CHEM 1412. Oral presentations and/or research projects are required. Classroom discussions emphasized.  
*Prerequisite:* Membership in Honors Program and permission of department chair.
- 2401 Quantitative Analysis** 4:3:5  
Theory and practice of analytical chemistry utilizing gravimetric and titrimetric techniques.  
*Prerequisite:* CHEM 1412 with a grade of "C" or better.
- 3331 Inorganic** 3:3:0  
Generalization involving atomic and nuclear theory; properties of the elements with emphasis on periodicity; non-aqueous solvents, acids, bases, oxidation-reduction, etc.  
*Prerequisite:* CHEM 1412 with grade of "C" or better.
- 3411 Organic** 4:3:4  
Current theories and chemical principles as they relate to the field of structure and reaction of the various types of organic compounds.  
*Prerequisite:* CHEM 1412.
- 3412 Organic** 4:3:4  
A continuation of CHEM 3411.  
*Prerequisite:* CHEM 3411.
- 4111 Chemical Literature** 1:1:0  
Lecture and assigned reading in the chemical literature. Chemical literature search on an advanced level.  
*Prerequisite:* 20 semester hours of chemistry.
- 4121 Senior Seminar** 1:1:0  
Reports and assigned reading.  
*Prerequisite:* Senior standing in chemistry.
- 4131 Physical Laboratory** 1:0:4  
Laboratory applications of modern theory in physical chemistry.  
*Prerequisite:* CHEM 2401, 4311 or parallel.
- 4132 Physical Laboratory** 1:0:4  
Continuation of CHEM 4131.  
*Prerequisite:* CHEM 4131, 4312 or parallel.
- 4351 Organic Polymers** 3:3:0  
Chemistry of industrial polymerization of compounds, petro-chemistry or organic monomer preparation and chemical characteristics of organic polymers. Industrial field trip(s).  
*Prerequisite:* CHEM 3412, 4311 or 4411 or parallel.
- 4311 Physical** 3:3:0  
Modern chemical theory as applied to gases, liquids, solids and solutions.  
*Prerequisite:* CHEM 1412, PHYS 1402 or 2426, MATH 2415 or 2377 or parallel.
- 4312 Physical** 3:3:0  
A continuation of CHEM 4311.  
*Prerequisite:* Chem 4311 or equivalent.
- 4341 Inorganic** 3:3:0  
The quantized atom, valency and the chemical bond, and coordination chemistry with applications to biological systems.  
*Prerequisite:* CHEM 4311.
- 4360 Honors Environment & Ecology** 3:3:0  
A multi-disciplinary survey of the many dimensions of protecting our natural resources and quality of life. Topics include ecological systems, threats and damage to the environment and alternatives, national and international regulatory agencies and standards, and activities of private environmental groups.  
*Prerequisite:* Membership in Honors Program and permission of department chair.

- 4411 Biochemistry I** 4:3:4  
Structures chemistry and functions of biological compounds. A survey of the detailed structures, chemistry and functions of the various classes of biologically important compounds.  
*Prerequisite:* CHEM 3412.
- 4412 Biochemistry II** 4:3:4  
A detailed survey of metabolic pathways and processes.  
*Prerequisite:* CHEM 4411.
- 4461 Instrumental Chemical Analysis** 4:3:4  
Instrumental techniques of chemistry. Theory and practice in optical, electrometric and chromatographic methods.  
*Prerequisite:* CHEM 2401, 3412, 4311.
- 4481 Environmental Analysis** 4:3:4  
The causes of environmental pollution, how environmental samples are collected and analyzed, and current governmental regulations concerning pollutants.
- 4271, 4371, 4471 Introduction to Research** 2-4:A:0  
Problems are on the undergraduate level and emphasizes research techniques. With approval of the department head, these courses may be repeated for credit.  
*Prerequisite:* Minimum of eight semester hours of chemistry above the freshman level and permission of instructor.
- 4101, 4301, 4401 Special Topics in Chemistry** 1-4:A:0  
Topics in under-graduate analytical, inorganic, organic and physical chemistry or biochemistry. Library and/or laboratory work and conferences with a staff member. With permission of the department head, student may repeat the course for credit when the area of study is different.  
*Prerequisite:* Approval of instructor and department chair.

## Physics Courses (PHYS)

- 1370 Mathematical Methods in Physics** 3:3:0  
Mathematics applied to physics problems, graphical analysis, vector operations, fields and potentials.  
*Prerequisite:* Registration in or credit for MATH 2413.
- 1311 Descriptive Astronomy** 3:3:0  
A survey of facts and an introduction to important astronomical theories. The solar system, stars, nebulae and star systems.
- 1401 General Physics, Mechanics and Heat** 4:3:2  
Designed for majors in the physical or natural sciences. Emphasis is placed upon understanding and application of basic physical laws.  
*Prerequisite:* MATH 1316 or high school trigonometry.
- 1402 General Physics, Sound, Light, Electricity and Magnetism** 4:3:2  
A continuation of PHYS 1401.  
*Prerequisite:* PHYS 1401.
- 1405 Conceptual Physics** 4:3:2  
Designed for non-science/non-engineering majors. The basic interactions in nature, how things move and why, are studied.
- 1407 Conceptual Physics** 4:3:2  
Designed for non-science/non-engineering majors. Topics covered are heat, vibrations and waves, sound, light. PHYS 1405 is NOT a pre-requisite for PHYS 1407.
- 2170 Supplemental Laboratory** 1:0:3  
Designed to allow a transfer student to make up one laboratory deficiency at the introductory level.  
*Departmental approval is required to enroll.*
- 2425 Calculus Based Physics I** 4:3:3  
Mechanics, vibrations, heat.  
*Prerequisite:* Registration in or credit for MATH 2414 and permission of department chair.

- 2426 Calculus Based Physics II** 4:3:3  
Electricity, magnetism, sound waves, optics.  
*Prerequisite: PHYS 2425 and registration or credit for MATH 2414.*
- 3310 Physics Experiments** 3:1:6  
Selected experiments in mechanics, electromagnetics, waves and nuclear physics which reach beyond the scope of introductory laboratories.  
*Prerequisite: 8 hours of introductory physics including a laboratory component.*
- 3350 Waves and Modern Physics** 3:3:0  
Conservation laws; special relativity; quantum effects; atomic structure; X-rays, nuclear and solid state physics.  
*Prerequisite: PHYS 2426 or 1401, 1402 and MATH 2415.*
- 3380 Electricity and Magnetism** 3:3:0  
Electrostatic fields; potential; capacitance; dielectrics; electromagnetic waves. Maxwell's equations; conduction in gases; thermoelectricity.  
*Prerequisite: PHYS 2426 or 1401, 1402 and credit for or registration in Differential Equations.*
- 3390 Statistical Physics** 3:3:0  
Temperature and thermometry; internal energy, entropy and thermodynamic potentials; introduction to the kinetic theory of gases and the Maxwell-Boltzmann, Bose-Einstein and Fermi-Dirac statistics.  
*Prerequisite: PHYS 3430, Differential Equations and credit or registration in Modern Physics.*
- 3430 Analytical Mechanics** 4:3:3  
Use of vector notation in formulating and applying Newton's laws and the principles of momentum and energy. Dynamics of particles and rigid bodies emphasized. Statics treated briefly.  
*Prerequisite: Phys 247 or 141-142 and credit for, or registration in, differential equations.*
- 3450 Waves and Modern Physics** 4:3:3  
Conservation laws; special relativity; quantum effects; atomic structure; X-rays, nuclear and solid state physics.  
*Prerequisite: PHYS 2426 or 1401, 1402 and MATH 2415.*
- 3460 Electrical Measurements** 4:2:4  
Theoretical and practical definitions of electrical units; data handling and analysis; precision DC measurement of resistance, potential difference and current; galvanometer characteristics; AC bridge measurement of self and mutual inductance, capacitance and frequency; magnetic measurements.  
*Prerequisite: PHYS 2426 or 1401, 1402 and MATH 2415.*
- 4101, 4201, 4301 Special Topics in Physics** 1-3:A:0  
Topics in undergraduate mechanics, electromagnetism, energy conversion or particle physics. Library work and conferences with a staff member. Student may repeat the course for credit when the area of study is different.
- 4210 Research I** 2:0:6  
Introduction to Physics Research. Starting a research investigation defining a problem, conducting literature search, assembling resources and initiating a project.  
*Prerequisite: Modern Physics and (3430 or 3380).*
- 4220 Research II** 2:0:6  
Introduction to Physics Research. Completing a project started in PHYS 4210. Completing the project and writing a report in publication form.  
*Prerequisite: PHYS 4210.*
- 4320 Introductory Quantum Mechanics** 3:3:0  
Basic concepts of quantum mechanics. Schrodinger's equation; wave functions.  
*Prerequisite: PHYS 3430, Modern Physics and Differential equations.*
- 4480 Optics** 4:3:3  
Physical and Quantum Optics. Propagation of light; interference; diffraction; optics of solids; thermal radiation and light quanta; optical spectra; lasers.  
*Prerequisite: Modern Physics and Differential Equations.*

## Department of English and Foreign Languages

<b>Department Chair:</b> Sallye J. Sheppard	<b>4 Maes Building, Phone 880-8558</b>
<b>Director of Freshman English:</b> Joseph Nordgren	<b>3 Maes Building, Phone 880-8555</b>
<b>Director of English as a Second Language:</b> Jesse Doiron	<b>38 Maes Building, Phone 880-8564</b>
<b>Coordinator of International Studies:</b> Kenneth Rivers	<b>25 Maes Building, Phone 880-8595</b>
<b>Professors Emeriti:</b> Barnes, Olson	
<b>Professors:</b> Daigrepont, Gwynn, Priest, Sheppard, Strickland*	
<b>Associate Professors:</b> Bridges-Esser, Dodson, Loges, Nordgren, Rivers, Sanderson, Saur, Stewart, Yearwood	
<b>Assistant Professors:</b> Griffith, Hawkins, Zani	
<b>Instructors:</b> Castillon, Doiron, Keating, Needham	
<b>Lecturers:</b> Carey, C. Guidici, G. Guidici, Haidusek, Jenks, Matthis, Self, Smith, Staub, Turk, Urban	
*retired, part-time	

The Department of English and Foreign Languages emphasizes excellent teaching in a variety of languages and literatures. The Bachelor of Arts and Master of Arts degrees are available in English. Scholarly interests of members of the department include old and middle English, the Renaissance, Shakespeare, eighteenth century studies, English and American romanticism, the Victorian age, contemporary English and American literature, African American literature, and West Indian literature. In addition to the study of English and American literature through courses organized by genre, period, and individual author, the student may explore the history and structure of language and the crafts of both creative and technical writing. The Bachelor of Arts degree is available in both French and Spanish, enabling the student to acquire competence in conversation and composition in these languages as well as familiarity with their literature and culture. The department also offers courses in German, a minor in philosophy, and an ESL Endorsement program.

Majors frequently certify for secondary public school teaching in conjunction with earning the Bachelor of Arts degree in English, French or Spanish. However many others pursue the degree as part of their liberal arts educational goals and go on to careers in business or government service or to graduate study or law school. A degree in a foreign language is especially valuable for those anticipating foreign service employment in the public or private sector. The English writing concentration as well as foreign languages and philosophy can combine with other majors to improve marketability.

### Bachelor of Arts – English

The degree of Bachelor of Arts in English combines general requirements, including the Core Curriculum, with its emphasis on ways of knowing, and the more specialized study within the major:

#### A. General Requirements:

Core Curriculum, 48 hours\*

**\*Note:** English majors must take COMM 1315, 1360, 2373, or 3310

Academic Foundations Requirements, 19 hours, including:

Foreign Language (6 hrs beginning & 6 hrs intermediate)\*

\* **Note:** All foreign language hours **must be the same language**; foreign language hours **may not be** used to satisfy core curriculum COMM/Foreign Language option)

HIST 2321 and 2322

ENGL 4110

- B. **Major:** 36 hours beyond the 9-hour core curriculum requirement in English composition and literature, including:

Three additional hours selected from English 2322, 2326, 2331, 2371, or 2376 English 3326 (should be taken in conjunction with beginning of advanced course work)

English 4300 or 4312

Advanced American Literature prior to 1865, three hours

Advanced American Literature after 1865, three hours

Advanced British Literature prior to 1800, three hours

Advanced British Literature after 1800, three hours

Advanced World Literature prior to 1300, three semester hours

Advanced World Literature after 1300, three semester hours

Advanced Multicultural Literature, three hours

Advanced Literature Elective, three hours\*

Approved Advanced Departmental Elective, three hours\*\*

\*Students may take a genre course such as The Short Story or The Drama to satisfy this elective but not to satisfy other advanced literature course requirements.

\*\*Requires written approval of Department Faculty Advisor or Department Chair.

- C. **Minor:** An approved minor of 18 semester hours, including at least six semester hours of advanced courses. Marketable minors in areas such as business or computer science are encouraged.

- D. **Elective Courses**, 15 hours\*\*

\*\*Nine- to twelve-hours of elective courses may be used to secure a Writing Emphasis Certificate in accordance with the policies outlined below.

## Writing Emphasis Programs

Students from any academic discipline who wish to better prepare for employment in business, the professions, or government service may be interested in pursuing one of three Writing Emphasis Program options:

**\*Technical Writing Emphasis.** This program emphasizes mastery of written communication skills, particularly those required in the authoring and editing of reports, proposals, manuals, news releases, and other documents; and provides hands-on experience in producing such documents on microcomputers. Course work in this technical writing program should complement virtually any major. Students completing a nine- to twelve-hour sequence from ENGL 2370 Introduction to Professional Communication, ENGL 3310 Technical Report Writing, ENGL 4355 Editing Technical Communications, ENGL 4360

Documentation Design, and ENGL 4365 Internship, will earn a Technical Writing Emphasis Certificate.

**\*Creative Writing Emphasis:** Students interested in the craft of creative writing may pursue their interest by completing a nine- to twelve-hour sequence from the following courses: ENGL 3350 Creative Writing: Poetry; ENGL 3350 Creative Writing: Fiction; ENGL 4345 Writing Seminar: Poetry; ENGL 4345 Writing Seminar: Fiction. Students completing this sequence will earn a Creative Writing Emphasis Certificate.

**\*General Writing Emphasis:** Students wishing to master a variety of writing types may pursue their interest by completing any nine- to twelve-hour combination of courses from ENGL 2370, 3310, 3326, 3350, 4326, 4345, 4355, and/or 4365. Students completing this option will earn a General Writing Emphasis Certificate.

**\*Students qualifying for this certificate should notify the Department of English and Foreign Languages in writing at the beginning of their graduation semester.**

The Department of English and Foreign Languages is a member of the Associated Writing Programs and is registered in the AWP Official Guide.

## Teacher Certification – English

Students wishing to certify for a provisional certificate-secondary with English as the primary teaching field should major in the Department of English and Foreign Languages and receive a Bachelor of Arts degree in English with certification. Requirements for the English degree with certification are as follows: **Option I** (one teaching field)—36 hours of English courses (in addition to the nine hours in the core) and 12 hours in a supporting field; **Option II** (two teaching fields)—36 hours of English (in addition to the nine hours in the core) and 24 hours in a second teaching field.

Those receiving the Bachelor of Arts in English with certification complete the same core curriculum and academic foundations requirements outlined for the Bachelor of Arts in English and similar “major” studies, **with the following five required courses:**

- ENGL 3321 Issues in Language and Literature
- ENGL 4300 History of the Language (**may not use** ENGL 4312)
- ENGL 4310 The Teaching of Writing and Research Techniques
- ENGL 4326 Studies in Rhetoric (**may not use** ENGL 3326)
- Advanced World Literature, three hours only

In addition, these students must complete twenty-one hours in professional pedagogy, including student teaching, must comply with all current departmental/university ExCET preparation/remediation policies, and must pass appropriate ExCET Examinations.

**Note:** For requirements for elementary teacher certification with English specialization, consult the College of Education and Human Development.

## ESL Endorsement Program:

Prospective teachers of English as a Second Language (ESL) may satisfy the course work requirement for ESL endorsement in the state of Texas by completing 12 hours of prescribed courses: ENGL 4320, 4321, 4322 and 4323 (or ENGL 4312 when taught as Linguistics). See the list of English courses for titles and descriptions.

## Bachelor of Arts – French

The degree of Bachelor of Arts in French combines general requirements, including the Core Curriculum with its emphasis on ways of knowing, and the more specialized study within the major:

- A. Core curriculum Requirements, 48 hours\*
  - \***Note:** French majors **must** take COMM 1315, 1360, 2373, or 3310
- B. Academic Foundation Requirements, 9 hours:
  - Three additional hours from ENGL 2322, 2326, 2331, 2371, or 2376
  - COSC 1371 or equivalent
  - HIST 4310 or HIST 4324
- C. Major, 33 hours:
  - FREN 1311 and 1312 Beginning French I and II
  - FREN 2311 and 2312: Intermediate French I and II
  - FREN 3300: French Conversation
  - FREN 3370: Advanced Grammar and Composition
  - FREN 3380: French Phonetics
  - Twelve hours Advanced French
- D. Minor: 18 hours, including at least six hours of advanced courses.
- E. Electives: 18 hours

## Teacher Certification - French

Students wishing to certify for a provisional certificate-secondary with French as the primary teaching field should major in the Department of English and Foreign Languages and receive a Bachelor of Arts degree in French.

Those receiving the Bachelor of Arts in French with a provisional certificate-secondary take the same core curriculum and departmental foundations outlined in Bachelor of Arts-French and similar "major" studies, **with the following required courses:**

FREN 3390: French Culture and Civilization

FREN 4330: Special Topics: Issues in French Language and Literature

Advanced French: nine hours only

In addition, these students must complete 21 hours in professional pedagogy, including student teaching, must comply with all current departmental/university ExCET preparation/remediation policies, and must pass appropriate ExCET Examinations.

For requirements for elementary teacher certification with French specialization, consult the College of Education and Human Development.

## Developmental Writing (DWRT)

### 0371 Developmental Writing

The development of basic composition skills as required by the Texas Academic Skills Program (TASP). The course is a prerequisite to ENGL 1301 for all students who have not passed the state-mandated TASP writing test; students who do not pass the state test must engage in some type of mandatory remediation until the test is passed. This course neither satisfies general degree requirements for freshman English nor counts toward graduation honors.

## English Courses (ENGL)

- 1301 Composition I** 3:3:0  
Basic forms of expository writing. Frequent themes. Collateral reading in articles and essays of a factual and informative type. This course is prerequisite to ENGL 1302 and 1374.
- 1302 Composition II** 3:3:0  
Forms of expository and analytical writing. Topics for composition suggested from wide reading in at least two of the three genres: prose fiction, poetry, and drama. Research paper required.  
*Prerequisite: ENGL 1301.*
- 1374 Composition** 3:3:0  
Forms of expository and analytical writing. Topics for composition suggested from a wide survey of various communications media: films, tapes, radio, television, periodicals, books, etc. Requires attendance at specific instructor-specified events in addition to class attendance. Research paper required.  
*Prerequisite: ENGL 1301.*  
(NOTE: ENGL 1301 and one other course from ENGL 1302 or 1374 will satisfy the general degree requirement in composition. A student may receive credit for only one such course in a semester.)
- 1360 Honors Composition and Rhetoric** 3:3:0  
An accelerated program for those exceptionally well prepared at time of enrollment. Extensive writing; introduction to literary genres. Research paper required.  
*Prerequisite: Admission to ENGL 1360 is earned in one of three ways: a score of 3 on the AP test, a score of 670 or better on the SAT verbal test, or a combined score of 1170 or better on the SAT verbal and the English Achievement tests. See the department chair for further information.*  
ENGL 1360 is offered in fall semesters only. Upon completion of the course with a grade of C or better, the student receives 3 semester hours credit and must complete an advanced writing course to satisfy the six-hour core curriculum composition requirement. For specific writing courses, contact the Director of the Honors Program.  
(NOTE: Satisfactory completion of six hours of freshman composition is prerequisite to sophomore literature courses. Completion of freshman and sophomore English requirements is a prerequisite to all courses beyond those levels.)
- 2310 Asian Literature** 3:3:0  
Six-to-ten major works of Asian literature, including writers from China, Japan, and Vietnam.  
*Prerequisite: ENGL 1301 and either ENGL 1302 or 1374; or ENGL 1360 and advanced writing course.*
- 2322 British Literature** 3:3:0  
Six-to-ten major works of British literature, including writers from most of the important periods.  
*Prerequisite: ENGL 1301 and either ENGL 1302 or 1374; or ENGL 1360 and advanced writing course.*

2326	<b>American Literature</b>	3:3:0
	Six-to-ten major works of American literature, including both the 19th and 20th centuries. <i>Prerequisite: ENGL 1301 and either ENGL 1302 or 1374; or ENGL 1360 and advanced writing course.</i>	
2331	<b>World Literature</b>	3:3:0
	Six-to-ten major monuments of world literature, from classical antiquity to the present century. <i>Prerequisite: ENGL 1301 and either ENGL 1302 or 1374; or ENGL 1360 and advanced writing course.</i>	
2360	<b>Honors Sophomore Literature</b>	3:3:0
	Major works of British and World Literature from classical antiquity to the present century, designed especially for honors students. <i>Prerequisite: ENGL 1360 and advanced writing course.</i>	
2370	<b>Introduction to Professional Communication</b>	3:3:0
	Forms of informative and persuasive communication (including letters, memos, brief reports, presentations, and interviews) commonly employed in the professional world. (CC'No. 2311) <i>Prerequisite: ENGL 1301 and either ENGL 1302 or 1374; or ENGL 1360.</i>	
2371	<b>Masterworks of Asian Literature</b>	3:3:0
	Six-to-ten major works of Asian literature, including writers from China, Japan and Vietnam. <i>Prerequisite: ENGL 1301 and either ENGL 1302 or 1374; or ENGL 1360 and advanced writing course.</i>	
2376	<b>African-American Literature</b>	3:3:0
	Significant contributions to American literature from Colonial times to the present. <i>Prerequisite: ENGL 1301 and either ENGL 1302 or 1374; or ENGL 1360 and advanced writing course.</i>	
3310	<b>Technical Report Writing</b>	3:3:0
	Supervised preparation of technical and scientific reports according to standard usage recommended by professional scientific and engineering societies.	
3316	<b>Poetic Analysis</b>	3:3:0
	Forms and techniques and the critical evaluation of poetry.	
3320	<b>Children's and Adolescent Literature</b>	3:3:0
	Literature about or for children and adolescents and the special features and concerns of the genre. May be taken for credit more than once if the topic varies.	
3321	<b>Issues in Language and Literature</b>	3:3:0
	An overview of the discipline of English treating both theoretical and practical questions related to grammar, composition, and literature. Students are encouraged to begin advanced-level work before enrolling in this course.	
3322	<b>The American Literary Renaissance: 1820-1860</b>	3:3:0
	Major authors of the period from Poe to Melville.	
3324	<b>The Development of American Realism: 1860 to 1900</b>	3:3:0
	Major authors of the period from Whitman to Norris.	
3326	<b>Writing the Critical Paper</b>	3:3:0
	A writing-intensive course focusing on the rationale and techniques for writing critical papers in the field of language and literature. English majors and minors are encouraged to take this course at the beginning of their upper-division studies.	
3340	<b>Mythology</b>	3:3:0
	Mythologies of the ancient Greeks, Romans, and Norse peoples and other cultures.	
3350	<b>Creative Writing</b>	3:3:0
	A workshop approach to the writing of poetry, fiction and drama. May be taken for credit more than once when the genre focus varies.	
3360	<b>The Short Story</b>	3:3:0
	The technique of the short story; its historical development; study and analysis of great short stories.	
3370	<b>The Drama</b>	3:3:0
	The historical development of the drama from Aeschylus to the present. Intensive study of selected plays.	
3380	<b>Studies in the British Novel</b>	3:3:0
	The tradition of the British novel, eighteenth century to the present.	
3390	<b>American Novel</b>	3:3:0
	History, growth and technique of the American novel.	
4110	<b>Senior Seminar</b>	1:1:0
	A capstone course for seniors, surveying the discipline and profession and relevant areas of language and literature.	
4300	<b>History of the English Language</b>	3:3:0
	Theory and nature of language. Studies in the growth of English and American forms.	

- 4310 The Teaching of Writing and Research Techniques (Pending course approval)** 3:3:0  
An introduction to major theories of composition, to research in the teaching of composition and to pedagogical techniques for teaching writing.
- 4311 Studies in Victorian Literature** 3:3:0  
Poetry and prose of the Victorian period. May be taken for credit more than once if the topic varies.
- 4312 Studies in Language and Linguistics** 3:3:0  
Special problems in linguistics, such as the history of American English, regional dialects, new grammars. May be taken for credit more than once if the topic varies.
- 4314 Studies in Women's Literature** 3:3:0  
Poetry, prose, and/or drama by women from classical times to the present. May be taken for credit more than once if the topic varies.
- 4317 Modern Drama** 3:3:0  
Dramatic trends and representative plays from Ibsen to the present.
- 4318 Modern Poetry** 3:3:0  
Poetic developments in England and America with emphasis on representative poets from Hardy to the present.
- 4319 Modern Fiction** 3:3:0  
Prose fiction representative of modern ideas and trends, with emphasis on English and Continental authors.
- 4320 The Teaching of English as a Second Language** 3:3:0  
Techniques for teaching basic English skills and literature to non-native speakers. Socio-cultural aspects of second language learning.
- 4321 Cross-Cultural Communication** 3:3:0  
A study of cross-cultural communication with a focus on non-verbal and cultural differences that may influence communication in a second language.
- 4322 Psycholinguistics** 3:3:0  
Current research and theory of first and second language acquisition and development as a base for teaching English to non-native speakers.
- 4323 Introduction to Linguistics** 3:3:0  
Background in the nature of language and linguistic changes as a basis for describing and comparing language systems: focuses on a description of the phonological, morphological and syntactic features of English in contrast to features of other languages.  
*(Note: Doctoral students in Speech and Hearing may enroll in ENGL 5320, 5321, 5322 and 5323 for doctoral credit as ENGL 6320, 6321, 6322 and 6323, provided they complete additional requirements appropriate to the doctoral level of study.)*
- 4324 Studies in 16th Century Literature** 3:3:0  
Poetry, prose and drama of the age. May be taken for credit more than once if the topic varies.
- 4326 Studies in Rhetoric** 3:3:0  
Advanced study of the relationship between form and content in various aims/modes of media and discourse, and extensive practice in diverse forms of written expression. (Pending course approval.)
- 4328 Early American Literature** 3:3:0  
Significant writers from the beginning of Colonial America to 1828.
- 4329 Modern American Literature** 3:3:0  
Major American writers of the 20th century.
- 4333 Studies in a Particular Author** 3:3:0  
Major writer such as Chaucer, Milton, Hawthorne, Faulkner. May be taken for credit more than once when the topic varies.
- 4334 Critical Studies in Literature** 3:3:0  
A particular genre or theme in comparative literature or criticism. May be taken more than once for credit when the topic varies.
- 4336 Directed Studies** 3:3:0  
Study in American literature in an area of mutual interest. May be taken for credit more than once if topic varies.  
*Prerequisite: Junior standing.*
- 4340 Shakespeare** 3:3:0  
Selected major plays. May be taken for credit more than once if the topic varies.
- 4345 Writing Seminar**  
Intensive study in writing, focusing on specific topics, with either a technical or creative emphasis. May be taken more than once for credit if the topic varies.  
*Prerequisite: ENGL 3350 or permission of the instructor (for any creative writing seminar).*

- 4350 Survey of 17th Century Literature** 3:3:0  
Poetry, prose and drama of the period 1600-1660. May be taken for credit more than once if the topic varies.
- 4355 Editing Technical Communications** 3:3:0  
Editing technical communications for clarity, conciseness, and form. Emphasis on affective communications within and between organizations and organizational levels including reports, proposals, manuals, memoranda, and news releases.  
*Prerequisite: Either ENGL 2301, 3310, 4326, or 4345 (when technically oriented) or permission of the instructor.*
- 4360 Documentation Design** 3:3:0  
A technical writing course that focuses on preparing, writing and documenting instructional information.
- 4365 Internship** 3:3:0  
Opportunity to work in "real world" work setting in activities related to professional communication and technical writing.  
*Prerequisites: At least two courses from ENGL 2301, 3310, 4355.*
- 4380 Studies in 18th Century Literature** 3:3:0  
Poetry, prose and drama of the period 1660-1800. May be taken for credit more than once if the topic varies.
- 4390 Studies in Romantic Literature** 3:3:0  
Poetry, prose and drama of the Romantic period. May be taken for credit more than once if the topic varies.

## Philosophy Courses (PHIL)

The overall aim of philosophy is the pursuit of truth. The methods of philosophy are conceptual analysis and sound reasoning. The objective of philosophy courses is to stimulate and train students to think critically, so that they will enthusiastically engage in the pursuit of truth.

- 1370 Philosophy of Knowledge** 3:3:0  
A survey of major knowledge systems with an emphasis on the scientific and humanistic methods of inquiry.
- 1360 Honors Philosophy of Knowledge** 3:3:0  
Satisfies core curriculum philosophy of knowledge requirement.
- 2303 Logic** 3:3:0  
Nature and methods of correct reasoning; deductive and inductive proof; logical fallacies.
- 2306 Ethics** 3:3:0  
A historical examination of theories and principles of social and personal conduct ranging from Plato and Aristotle to Mill and Nietzsche. Applications to current issues.
- 3360 Philosophy of Religion** 3:3:0  
Analyzes basic assumptions and practices of the Western religious tradition, including religious experience, mythographies, the problem of evil, proofs for the existence of God, mysticism. May comparatively survey other great religious traditions, including Buddhism, Islam, and Hinduism.
- 4320 Philosophy of Science** 3:3:0  
A survey and analysis of scientific developments influenced by philosophy; scientific methodologies investigated.
- 4330 Philosophy of Art** 3:3:0  
Deals with the issue of creativity in the arts and sciences. Survey of major aesthetic theories. Students pursue and present individual projects.

## French Courses (FREN)

- 1311 Beginning French I** 3:3:0  
Language course for beginners. Includes grammar, pronunciation, conversation, reading, dictation and written exercises, and language lab practice. (CC No. 2311)
- 1312 Beginning French II** 3:3:0  
Continuation of material in FREN 1311. (CC No. 2312)  
*Prerequisite: FREN 1311 or equivalent determined by examination.*
- 2311 Intermediate French** 3:3:0  
Review of grammar, reading, composition, conversation, including language lab practice.  
*Prerequisite: FREN 1312 or equivalent.*
- 2312 Intermediate French** 3:3:0  
*Prerequisite: FREN 2311 or equivalent.*

- 3300 French Conversation** 3:3:0  
Improvement in oral fluency through discussion of texts and oral reports. Required of all majors. (This course may not be substituted for FREN 2312 to meet the language requirement for the Bachelor of Arts degree.) May be repeated for credit with approval of department.  
*Prerequisite: FREN 2311 or equivalent.*
- 3350 French Literature Survey I** 3:3:0  
An overview of French literature, authors and literary movements from the Middle Ages through the 18th century. May be repeated for credit when the texts vary.  
*Prerequisite: FREN 2312 or equivalent.*
- 3360 French Literature Survey II** 3:3:0  
An overview of French literature, authors, and literary movements since 1800. May be repeated for credit when the texts vary.  
*Prerequisite: FREN 2312 or equivalent.*
- 3370 Advanced Grammar and Composition** 3:3:0  
French grammar, with extensive written composition. Secondary stress on pronunciation. May be repeated for credit with approval of the department chair.  
*Prerequisite: FREN 2312 or equivalent.*
- 3380 French Phonetics** 3:3:0  
The French sound system. Laboratory exercises to improve pronunciation. May be repeated for credit with approval of the department chair.  
*Prerequisite: FREN 2312 or equivalent.*
- 3390 French Culture and Civilization** 3:3:0  
French civilization with readings and discussion of topics such as French history, politics, education, art, fashion, cuisine, technology, work and leisure.  
*Prerequisite: FREN 2312 or equivalent.*
- 4310 French Theater** 3:3:0  
Selected French plays, usually to include tragedy, comedy and drama of various eras, but may also concentrate on a single playwright, period or special topic. May be repeated for credit when the topic varies.  
*Prerequisite: FREN 2312 or equivalent.*
- 4330 Special Topics** 3:3:0  
Study in a specific topic in French language and/or literature. May be taken more than once for credit when topic varies.
- 4390 French Novel** 3:3:0  
Major French novels, usually to cover writers and works from various eras, but may also concentrate on a single novelist, period or special topic. May be repeated for credit when the topic varies.  
*Prerequisite: FREN 2312 or equivalent.*

## German Courses (GERM)

- 1311 Beginning German I** 3:3:0  
Pronunciation, conversation, reading, dictation, grammar. Use of tapes.
- 1312 Beginning German II** 3:3:0  
Continuation of material in GERM 1311.  
*Prerequisite: GERM 1311 or equivalent determined by examination.*
- 2311 Intermediate German** 3:3:0  
Review of grammar, reading, composition and conversation. Use of tapes.  
*Prerequisite: GERM 1312 or equivalent.*
- 2312 Intermediate German** 3:3:0  
Continuation of material in GERM 2311.  
*Prerequisite: GERM 2311 or equivalent.*

## Spanish Courses (SPAN)

- 1313 Beginning Spanish I** 3:3:0  
Pronunciation, conversation, reading, dictation, grammar, including language lab practice. (CC No. 2311)
- 1314 Beginning Spanish II** 3:3:0  
Continuation of material in SPAN 1313. (CC No. 2312)  
*Prerequisite: SPAN 1313 or equivalent determined by examination.*

<b>2311 Intermediate Spanish</b>	<b>3:3:0</b>
Review of grammar, reading, composition, conversation. Language lab practice. <i>Prerequisite: SPAN 1313 or equivalent.</i>	
<b>2312 Intermediate Spanish</b>	<b>3:3:0</b>
<i>Prerequisite: SPAN 2311 or equivalent.</i>	
<b>3300 Spanish Conversation</b>	<b>3:3:0</b>
Required of all majors. <i>Prerequisite: SPAN 2311 or equivalent.</i> (NOTE: This course may not be substituted for SPAN 2312 to meet the language requirements for the Bachelor of Arts degree.)	
<b>3310 Culture and Civilization of Spain</b>	<b>3:3:0</b>
Geography, history, government, art, economic resources and psychology of Spain. Lectures, readings, oral and written reports. <i>Prerequisite: SPAN 2312 or equivalent.</i>	
<b>3320 Culture and Civilization of Spanish America</b>	<b>3:3:0</b>
The geography, history, government, art, economic resources and psychology of the Spanish-speaking countries of Latin America. Lectures, readings, oral and written reports. <i>Prerequisite: SPAN 2312 or equivalent.</i>	
<b>3330 Survey of Spanish-American Literature I</b>	<b>3:3:0</b>
Hispanic America's outstanding writers and their works up to the modernista movement. Lectures, readings, oral and written reports. <i>Prerequisite: SPAN 2312 or equivalent.</i>	
<b>3340 Survey of Spanish-American Literature II</b>	<b>3:3:0</b>
Hispanic America's outstanding writers and their works from the modernista movement to the present. Lectures, readings, oral and written reports. <i>Prerequisite: SPAN 2312 or equivalent.</i>	
<b>3350 Advanced Grammar and Composition</b>	<b>3:3:0</b>
Vocabulary building, intensive review of grammar as needed for sentence structure. The development of the paragraph in written composition. Frequent written reports. <i>Prerequisite: SPAN 2312 or equivalent.</i>	
<b>3380 Survey of Spanish Peninsular Literature I</b>	<b>3:3:0</b>
Spain's outstanding writers and their works up to the generation of 98. Lectures, readings, oral and written reports. <i>Prerequisite: SPAN 2312 or equivalent.</i>	
<b>3390 Survey of Spanish Peninsular Literature II</b>	<b>3:3:0</b>
Spain's outstanding writers and their works from the generation of 98 up to the present. Lectures, readings, oral and written reports. <i>Prerequisite: SPAN 2312 or equivalent.</i>	
<b>4320 The Spanish Novel</b>	<b>3:3:0</b>
Selected major writers and works from Spain. Lectures, readings, oral and written reports. May be taken for credit more than once if topic varies.	
<b>4330 Special Topics</b>	<b>3:3:0</b>
Study in specified topic in Spanish language and/or literature. May be taken more than once for credit when topic varies.	
<b>4360 Spanish American Novel</b>	<b>3:3:0</b>
Major writers and works from Hispanic America. Lectures, readings, oral and written reports. May be taken for credit more than once if topic varies. <i>Prerequisite: SPAN 2312 or equivalent.</i>	
<b>4380 Studies in Spanish and Spanish American Literature</b>	<b>3:3:0</b>
Studies in an area of mutual interest to students and instructor. May be taken for credit more than once if topic varies.	

## Global Studies

Several international initiatives are associated with the Department of English and Foreign Languages. As Global Studies Director, Dr. Kenneth Rivers works with a Global Studies Task Force to promote existing and to develop new initiatives. Lamar University recognizes the importance of internationalized education in enlarging the student's perspective, contributing to the character of the institution, and enhancing career possibilities. Throughout the university many activities occur in addition to

those identified below. The Office of Global Studies is an information source for such activities.

A language study abroad program enables students to take courses at foreign universities. Language and civilization classes are held every summer at institutions such as the University of Paris-Sorbonne in France, the University of Madrid in Spain, the University of Heidelberg in Germany, the SFSU center in Tokyo, Japan, and other locations as well. Extensive cultural excursions to museums, cathedrals and historical sites are included in all programs. Courses may be taken for enrichment or for Lamar credit. Courses may not be substituted for other courses specifically required for the major. Contact Dr. Rivers (409-880-8595) or the department office (409-880-8558) for information. Lamar offers other foreign travel programs, and those interested are urged to contact the Office of Public Services and Continuing Education (880-2294).

## Organizations

Organizations such as Circulo Hispano (Spanish Circle) and Le Cercle Français (French Circle) promote interest in other cultures and languages. Both students and community members are involved. Lamar students and faculty hold a Worldfest each spring to publicize the various international groups and activities on the campus. A chapter of Phi Beta Delta Honor Society for international scholars was established at Lamar in 1992.

## Lamar Language Institute

**Director:** Jesse Doiron

**106 Montagne Center, Phone 880-8586**

The Lamar Language Institute provides intensive English language training for college-bound foreign students, non-native University students who need part-time developmental study, and non-native English users in the community. The LLI also facilitates cultural adaptation and provides testing and advising services for these students. Jesse Doiron, Director of Lamar Language Institute, coordinates activities. Ms. Sandy Drane, Director of International Student Services, is responsible for admission of all undergraduate and graduate students at the university, and LLI activities are coordinated through that office. See section on "International Student Admission" in this catalog.

## English Courses for Non-Native Students (ESL)

Students for whom English is a second language are required to demonstrate English proficiency by scoring an average of 80 on the objective portions and a minimum of 3.0 on the writing section of the English proficiency/placement test required of entering students as part of the orientation. Those students whose scores fall below the minimum scores required are referred to the Lamar Language Institute for placement in appropriate developmental courses. Registration and fees for these courses are separate from those for degree credit-bearing courses taken in the University. A student placed in developmental courses may not drop the courses.

After the satisfactory level of proficiency is attained, students who must satisfy degree requirements in English may do so by completing the following courses:

### Freshman Composition:

ENGL 1378 and ENGL 1379 are parallel in content to the freshman composition courses taken by native speakers of English. These courses differ only in teaching methods that speak to distinctive needs of a non-native user of English.

ENGL 1378 is prerequisite to ENGL 1379, and the courses may not be taken concurrently. These six hours must be taken the first two long semesters in which the student is enrolled.

- 1378 Composition for Non-Native Speakers I** 3:3:0  
Intensive grammar review followed by study and practice in basic forms of expository writing needed for writing essay examinations, themes and term papers.
- 1379 Composition for Non-Native Speakers II** 3:3:0  
Basic forms of expository writing. The primary aim of the course is to assist the student to prepare for writing required research papers. Practice in library research.  
*Prerequisite: ENGL 1378.*

## Literature:

ENGL 2374, 2375 or 2377 are courses that satisfy degree requirements in literature for the student for whom English is not a native language. ENGL 1378 or 1379 are prerequisite to all the literature courses. The literature courses may not be taken concurrently with developmental English courses or with ENGL 1378 and 1379.

- 2374 British Literature: Non Native** 3:3:0  
Six to ten major works in British literature, including representative works from most of the major periods. Applies toward the sophomore literature requirement for students for whom English is a second language.  
*Prerequisite: ENGL 1378 and 1379.*
- 2375 World Literature: Non Native**  
Six to ten major works of world literature in various genres, from classical antiquity to the present century. Applies toward the sophomore literature requirement for students for whom English is a second language.  
*Prerequisite: ENGL 1378 and 1379.*
- 2377 American Literature: Non Native** 3:3:0  
Six to ten major works in American literature, including representative works from most of the major periods. Applies toward the sophomore literature requirements for students for whom English is a second language.  
*Prerequisite: ENGL 1378 and 1379.*

## Department of Geology

**Department Chair:** Roger W. Cooper

**103 Geology Building, Phone 880-8236**

**Professors:** Cooper, Jordan, Owen, Stevens

**Associate Professor:** Westgate

**Earth Science Coordinator:** Westgate

The Department of Geology specializes in undergraduate instruction and offers bachelor's degrees in Geology and Earth Science. Graduates may be employed in industry (petroleum, mining, engineering, hydrogeology and environmental geology), by government agencies or may elect to pursue graduate training at another institution. Certification in Earth Science teaching is offered in conjunction with the College of Education and Human Development.

Geology faculty have a broad range of research and scholarly interests. These include stratigraphy, sedimentology, paleontology, petroleum geology, petrology, economic mineral deposits, environmental geology, and geochemistry as well as geology of the Gulf Coast, lunar geology, geology of the Big Bend region, computer applications to geology and Earth Science education.

A background in high school chemistry and physics, foreign language, two units of algebra and a unit of trigonometry are recommended for prospective majors. Students with inadequate chemistry background must take CHEM 1375 to make up the deficiency. MATH 1314 may also be required of students with inadequate high school mathematics.

## Bachelor of Science – Geology

**Advisors:** Jordan, Owen, Stevens

The Bachelor of Science in Geology will be awarded upon completion of the following requirements:

- A. General Requirements – minimum of 64 semester hours  
See core curriculum, p. 15, plus calculus (six to eight semester hours), chemistry (eight semester hours), physics (eight semester hours), and physical education (one semester hour). Note that the department expects GEOL 1403, 1404 to be used to fulfill the core curriculum requirement for eight semester hours of laboratory science.
- B. Geology Requirements – 49 semester hours. NOTE: A grade of “C” or better is necessary in a required geology course.  
Physical and Optical Mineralogy – four semester hours  
Physical Geography and Geomorphology with laboratory – four semester hours  
Statistics and Data Processing – four semester hours  
Structural Geology – four semester hours  
Petrology – four semester hours  
Sedimentology – four semester hours  
Stratigraphy and Tectonics – four semester hours  
Summer Field Course – six semester hours  
Seminar in Applied Geoscience – four semester hours  
Geochemistry or Geophysics – three semester hours  
Economic Resources with laboratory – four semester hours  
Paleontology – seven semester hours
- C. Electives – seven semester hours
- D. Minimum Total: 120 semester hours

### Suggested Program of Study

#### First Year

GEOL 1403, 1404 Phys:Hist .....	8
CHEM 1411, 1412 General .....	8
MATH 2312 Pre-Calculus .....	3
MATH 2413 or 2376 Calculus I* .....	3-4
Eng Comp .....	6
PHIL 1370 .....	3
PEGA .....	1

32-33

#### Third Year

GEOL 3410 Stat-Data Proc. ....	4
GEOL 3420 Structural Geo. ....	4
GEOL 3450 Petrology .....	4
GEOL 3460 Sedimentology .....	4
GEOL 4410 Stratigraphy/ Tectonics .....	4
PHYS 1401, 1402 General* .....	8
ANTH 2346 .....	3

31

#### Second Year

GEOL 2471 Mineralogy .....	4
GEOL 2377 Phys Geog & Geom .....	3
GEOL 4101 Geomorphology Lab .....	1
MATH 2414 or 2377 Calculus II* .....	3-4
Eng Lit .....	6
COMM 1315 .....	3
POLS 2301, 2302 .....	6
HIST 1301, 1302 .....	6

29-30

#### Fourth Year

GEOL 4450 Seminar-Geoscience .....	4
GEOL 4330 or GEOL 4361 .....	3
GEOL 4371 Economic Resources .....	3
GEOL 4101 Econ Resources Lab .....	1
GEOL 4420 Paleontology .....	4
Fine Arts .....	3
Electives .....	4

22

**Third or Fourth Summer**

GEOL 3600 Field Camp.....6  
 Minimum Total; 120 semester hours

*\*Those planning on graduate study in geology should take MATH 2413, 2414.*

**Bachelor of Science – Earth Science**

**Advisors:** Westgate, Stevens

The Bachelor of Science in Earth Science will be awarded upon completion of the following requirements:

- A. General Requirements – 55 semester hours  
 See core curriculum, p. 15, plus chemistry (three semester hours), general biology (eight semester hours), and conceptual physics (four semester hours); note that math requirement must be satisfied with college algebra and statistics (six semester hours)
- B. Geology Requirements – minimum of 46 semester hours:  
 NOTE: A grade of “C” or better is necessary in a required geology course.  
 Physical and Historical Geology – eight semester hours  
 Physical and Optical Mineralogy – four semester hours  
 Physical Geography and Geomorphology with laboratory – four semester hours  
 Statistics and Data Processing – four semester hours  
 Physical and Historical Lab Instruction – two semester hours  
 Environmental Geography and Geology – three semester hours  
 Special Topics (Advanced Physical Geology) – four semester hours  
 Meteorology – three semester hours  
 Oceanography – three semester hours  
 Paleontology – four semester hours  
 Seminar in Applied Geoscience – four semester hours  
 Field Geology in Texas – three semester hours
- C. Electives – twenty (20) semester hours
- D. Minimum Total: 121 semester hours

**Teacher Certification**

Students desiring certification to teach secondary school in Texas should complete: PEDG 3310, 3320, 3326, 3380, 4380, and 4620. Students are advised to consult with the Director of Certification in the College of Education and Human Development regarding current requirements for teaching certification.

**Suggested Program of Study**

First Year

GEOL 4360 Field Geo of Texas .....	3
------------------------------------	---

Minimum Total: 121 semester hours

**Geology Courses (GEOL)**

<b>1403 Physical Geology</b>	<b>4:3:2</b>
Earth materials, structures, tectonics, land forms, mineral resources and processes that formed them.	
<b>1404 Historical Geology</b>	<b>4:3:2</b>
History of the development of our planet and its inhabitants.	
<i>Prerequisite: GEOL 1403</i>	
<b>2376 Regional and Economic Geography</b>	<b>3:3:0</b>
Regional, national, and continental units considered from the viewpoint of economic resources, resource development, organization, politics, economy, and physical landscape.	
<b>2377 Physical Geography and Geomorphology</b>	<b>3:3:0</b>
Fundamental concepts of local, regional, and global physical geography and geomorphology, including landform features and soils. Geology and Earth Science majors are required to take an additional laboratory component (GEOL 4101 - Geomorphology Lab) to meet degree requirements. (CC No. 1301)	
<i>Prerequisite: GEOL 1403 and Sophomore standing</i>	
<b>2471 Physical and Optical Mineralogy</b>	<b>4:3:3</b>
Classification, properties, occurrence, identification, and optical properties of minerals. Use of polarizing microscope in identification of minerals.	
<i>Prerequisite: GEOL 1403 and CHEM 1411 or 1405.</i>	
<b>3101 Physical Geology Lab Instruction</b>	<b>1:0:3</b>
Advanced laboratory techniques in physical geology. May be repeated for credit.	
<i>Prerequisite: GEOL 1403 and consent of instructor.</i>	
<b>3102 Historical Geology Lab Instruction</b>	<b>1:0:3</b>
Advanced laboratory techniques in historical geology. May be repeated for credit.	
<i>Prerequisite: GEOL 1404 and consent of instructor.</i>	
<b>3390 Environmental Geography and Geology</b>	<b>3:3:0</b>
The relationship between human activities, geologic resources and processes, and environmental quality. Topics include the consumption of geologic resources and its impact on the environment. The relationship between human populations and geologic hazards. Field trip and special fee required.	
<i>Prerequisite: GEOL 1403 or 2377</i>	
<b>3410 Statistics and Data Processing</b>	<b>4:3:3</b>
Application of digital computer and statistical techniques to the analysis of earth science data.	
<i>Prerequisite: COSC 1371.</i>	
<b>3420 Structural Geology</b>	<b>4:3:3</b>
Rock deformation and geologic structures. Field trip and special fee required.	
<i>Prerequisite: GEOL 2471.</i>	
<b>3450 Petrology</b>	<b>4:3:3</b>
Classification, properties, occurrence and origin of rocks. Macro and micro techniques for the identification of rocks. Field trip and special fee required.	
<i>Prerequisite: GEOL 2471.</i>	
<b>3460 Sedimentology</b>	<b>4:3:3</b>
Derivation and deposition of sediments. Environmental interpretation of sedimentary strata. Field trip and special fee required.	
<i>Prerequisite: GEOL 3450.</i>	

- 3600 Summer Field Course** 6:5:40  
Description of stratigraphic sections, preparation of geologic maps and field reports. Conducted off-campus at various field locations. Special field trip fees required.  
*Prerequisite:* GEOL 3420, 3450, 3460, 4420.
- 4101, 4201, 4301, 4401 Special Topics in Earth Science** 1-4:A:0  
Topics in earth sciences. May be repeated for credit when area of study is different.  
*Prerequisite:* GEOL 1403, 1404 and consent of instructor.
- 4270, 4280 Special Project** 4:A:0  
An individual library, laboratory, or field project. To receive credit, an acceptable report is required. May be repeated for credit.  
*Prerequisite:* GEOL 1403, 1404, and 2471 plus Consent of instructor.
- 4330 Geophysics** 3:3:0  
Application of the principles of physics to geologic problems. Use of geophysical techniques in petroleum exploration.  
*Prerequisite:* GEOL 3420, PHYS 1402 or 2426, MATH 2414.
- 4360 Field Geology of Texas** 3:2:20  
Geologic history, topography, physiography, structure and mineral deposits of Texas observed on location at classic geologic exposures across Texas and adjacent states. Camping on and hiking across geologic outcrops will be an integral part of this field experience. Field trip and special fee required. May be repeated for credit as field trip locations change.  
*Prerequisite:* GEOL 2471 or permission of instructor.
- 4361 Geochemistry** 3:3:0  
Application of chemistry to the solution of geological problems.  
*Prerequisite:* CHEM 1412, GEOL 2471.
- 4370 Meteorology** 3:3:0  
Composition and processes of the atmosphere. Weather and climate and their effect on human activities. Air pollution and other human induced changes to the atmosphere.  
*Prerequisite:* Eight hours of science.
- 4371 Economic Resources** 3:3:0  
A survey of soil, water, energy, metal, and nonmetal resources of the Earth including their distribution and uses. Geology and Earth Science majors are required to take an additional concurrent laboratory component (GEOL 4101- Economic Resources Lab) to meet degree requirements. Field trip and special fee required.  
*Prerequisite:* GEOL 1404 and permission of instructor.
- 4380 Oceanography** 3:3:0  
Structure, properties and processes of the hydrosphere emphasizing geologic aspects. Role of the seas and oceans in the total environment.  
*Prerequisite:* Eight hours of science.
- 4390 Rocks & Stars** 3:3:0  
A conceptual introduction to space science with emphasis on planetary exploration. Visual programs and guest speakers from NASA and other space research facilities are included. For both non-science and science majors.  
*Prerequisite:* Eight hours of science.
- 4410 Stratigraphy and Tectonics** 4:3:3  
Fundamental principles: nomenclature; correlation; facies; unconformities; sequence and subsurface stratigraphy. Field trip and special fee required.  
*Prerequisite:* GEOL 1404 and permission of instructor.
- 4420 Paleontology** 4:3:3  
Principles of paleontologic interpretation including classification, morphologic analysis and identification of invertebrate and vertebrate fossils. Application of paleontology to stratigraphic correlation. Field trip and special fee required.  
*Prerequisite:* GEOL 1404 and permission of instructor.
- 4450 Applied Geoscience Seminar** 4:3:3  
Practical and applied computer-based projects and oral presentations on various geological topics.  
*prerequisite:* 20-semester hours of Geology is recommended.

## Department of History

**Department Chair:** John W. Storey

**57 Maes Building, Phone 880-8511**

**Professors:** Anderson, Carroll, Fritze, Gwin, Storey, Sutton, Wooster

**Associate Professors:** Stiles

**Assistant Professors:** Thompson

It is the purpose of the Department of History to impart a knowledge and understanding of the past to the students enrolled in the University. This objective is based upon the belief that such knowledge and understanding improves the quality of life of individuals and contributes to the welfare of our society. The department seeks to accomplish this objective through a program of continued study and research by its members and its students. Research interests of the department focus on both American and European history.

### Bachelor of Arts – History Major

The degree of Bachelor of Arts in History will be awarded upon the completion of the following requirements:

**A. General Requirements:**

See core curriculum, p. 15. In addition, students must complete a French, Spanish or German foreign language 2312 course, 6 semester hours of mathematics, and 6 semester hours of literature. The math courses must be selected from an approved list and must be at or above the level of MATH 1314. Three hours of methods of quantitative data analysis may be substituted for one course in mathematics with the approval of the department.

**B. Major:**

HIST 2321, 2322 - World History — six semester hours.

American History Surveys — six semester hours.

HIST 3390 - Historical Research — three semester hours.

Advanced United States History — six semester hours.

Advanced World (Non-United States) History — six semester hours.

**C. Minor:**

An approved minor of eighteen semester hours, including at least six advanced semester hours.

**D. Electives:**

Sufficient approved electives to complete a total of 121 semester hours. Within the 121-semester-hour program there must be a minimum of at least 120 semester hours of courses that may not include physical activity courses, health and wellness courses, and intern program courses.

### Teacher Certification – History

Students wishing to secure the Bachelor of Arts degree in history may at the same time complete the curriculum requirements for a provisional certificate—secondary, with a teaching field in history. For information concerning such a program, the student should consult advisors in the Department of History.

## History Courses (HIST)

<b>1301 American History: History of the United States, 1763 to 1877</b>	<b>3:3:0</b>
United States history from the revolutionary period through reconstruction.	
<b>1302 American History: History of the United States, 1877 to the Present</b>	<b>3:3:0</b>
United States history from the post-reconstruction period to the present.	
<b>1361 Honors American History: History of the United States, 1763 to 1877</b>	<b>3:3:0</b>
United States from the revolutionary period through reconstruction, designed especially for honors students.	
<i>Prerequisite: Departmental approval.</i>	
<b>1362 Honors American History: History of the United States, 1877 to the Present</b>	<b>3:3:0</b>
United States history from the post-reconstruction period to the present, designed especially for honors students.	
<i>Prerequisite: Departmental approval.</i>	
<b>2301 History of Texas</b>	<b>3:3:0</b>
Texas history from the beginning to the present time.	
<b>2321 History of World Civilization</b>	<b>3:3:0</b>
World history to 1660.	
<b>2322 History of World Civilization</b>	<b>3:3:0</b>
World history from 1660 to 1965.	
<b>2373 American History: The Development of Society in America</b>	<b>3:3:0</b>
Social change in the United States.	
<b>2374 American History: The Arts in America</b>	<b>3:3:0</b>
Cultural life in the United States.	
<b>2377 Military History of the United States</b>	<b>3:3:0</b>
History of American warfare and the development of American military institutions and practices.	
<i>NOTE: Various college and departments may counsel their majors into certain of the American history courses listed above; otherwise the student may satisfy the American history requirement by taking any two courses selected from HIST 1301, 1302, 2373, 2374 or 2377.</i>	
<b>2660 Honors: The American Experience</b>	<b>3:3:0</b>
Interdisciplinary survey of American civilization, with emphasis on American history and literature.	
<i>Meets five times per week; upon completion of the course, student receives six semester hours credit, but satisfies the nine-hour core curriculum requirement of American History (HIST 1301 and 1302) and sophomore literature (ENGL 2326). To fulfill degree plan requirements, students must substitute three semester hours of approved electives. For additional information, contact the Director of the Honors Program.</i>	
<b>3390 Historical Research</b>	<b>3:3:0</b>
Principles and methods of historical research.	

<b>4300</b>	<b>Era of the Renaissance and Reformation</b>	<b>3:3:0</b>
	Western Europe from 1453 to 1610.	
<b>4309</b>	<b>The Age of Columbus</b>	<b>3:3:0</b>
	Examines forces and developments leading to world exploration.	
<b>4310</b>	<b>The Old Regime</b>	<b>3:3:0</b>
	Western Europe from 1610 to 1783.	
<b>4311</b>	<b>Colonial America</b>	<b>3:3:0</b>
<b>4314</b>	<b>The American Civil War</b>	<b>3:3:0</b>
<b>4315</b>	<b>Reconstruction and Industrialization: The United States from 1865 to 1898</b>	<b>3:3:0</b>
<b>4316</b>	<b>World Power and Reform: The United States from 1898 to 1920</b>	<b>3:3:0</b>
<b>4318</b>	<b>Classical Civilization</b>	<b>3:3:0</b>
	Greece and Rome from earliest times to the fall of the Roman Empire in the West.	
<b>4319</b>	<b>Medieval Civilization</b>	<b>3:3:0</b>
	Western Europe and the Mediterranean area from the late Roman period to 1453.	
<b>4320</b>	<b>Religion in the American South</b>	<b>3:3:0</b>
	An overview of the growth and development of religion in the South.	
<b>4322</b>	<b>American Thought Since Darwin</b>	<b>3:3:0</b>
	A survey of American thought since 1859, with emphasis upon the impact of Darwinism.	
<b>4323</b>	<b>The Vietnam War</b>	<b>3:3:0</b>
	Covers America's involvement in southeast Asia since World War II.	
<b>4324</b>	<b>The French Revolution and Napoleon</b>	<b>3:3:0</b>
	Western Europe from 1783 to 1815.	
<b>4325</b>	<b>Tudor and Stuart England</b>	<b>3:3:0</b>
	England from 1485 to 1688.	
<b>4327</b>	<b>Victorian England</b>	<b>3:3:0</b>
	Great Britain from 1815 to 1914.	
<b>4328</b>	<b>Contemporary America: The United States Since 1940</b>	<b>3:3:0</b>
<b>4335</b>	<b>Topics in History</b>	<b>3:3:0</b>
	Selected special topics in major areas of history: Course may be repeated for a maximum of six semester hours credit when the topic varies.	
<b>4341</b>	<b>World War II</b>	<b>3:3:0</b>

## Department of Nursing

**Department Chair:** Alexia Green

**233B Ward Health Sciences Building**

**Coordinator of Undergraduate Programs:** Iva Hall

**Telephone: 880-8868**

**Graduate Program Director:** Christina Esperat

**Fax: 880-1865**

**Associate Professor:** Green, Esperat

**Assistant Professors:** Boyd, Bumpus, Carroll, Giordano, Godkin, Hall, Mason, P. Moss, H. Moss, Rabalais, Roberts, Skeels, J. Smith, Wallace, Wilsker

**Instructors:** Brannan, Creed, Long, McSwain, Olliff, Rivers, Robinson, Rhodes, S. Smith, Stinson, Walker

**Clinical Instructors:** Hunter, Pinchinat, Sexton

**Adjunct Instructor:** Chalambaga

The mission of the Lamar University Department of Nursing is to educate qualified, competent nurses who are value-oriented and prepared for reality-based practice. Through community linkages and the varied practice of our faculty and graduates, the Department promotes excellence in health care delivery to diverse racial, cultural, and ethnic populations.

Lamar University Nursing Programs, associate and baccalaureate degrees, are fully accredited by the Board of Nurse Examiners for the State of Texas and the National League for Nursing Accrediting Commission (NLNAC, 350 Hudson St., New York, NY 10014, (212) 989-9393). The Department of Nursing is represented by a local chapter (Kappa Kappa) in Sigma Theta Tau International Honor Society of Nursing. Students and graduates who meet the criteria may be offered the opportunity to become members of this prestigious honor society.

**Associate Degree (AD) graduates** are prepared as beginning practitioners to provide direct nursing care and coordinate care for defined numbers of clients with varying health care needs in structured settings. The level of responsibility of the AD graduate is for a specified work period (e.g., shift) and is consistent with the identified goals of care and established nursing standards, protocols, and pathways. The focus of care of the AD graduate is the individual and family as clients. AD graduates are also prepared to utilize technology and pursue life-long learning.

**Baccalaureate Degree (BS) graduates** are prepared to think logically by synthesizing information from various disciplines and analyzing problems critically, commensurate with the level of education. The BS graduate functions with a longitudinal focus across time from preadmission to discharge. The BS graduate is prepared to practice in structured, unstructured, and evolving health care settings. The focus of care is broad. The BS graduate is prepared to deliver health care to individuals and families as clients, as well as aggregates, communities and societies within the context of their environment. BS graduates are also prepared to incorporate research findings, utilize technology, pursue graduate education and life-long learning.

Students of nursing meet course requirements through didactic courses, laboratory assignments, and clinical experience in health care facilities under supervision of University faculty. Students are expected to adhere to rules and regulations of Lamar University and the various agencies to which they are assigned. Specific policies may be obtained from the Coordinator of Undergraduate Programs.

Graduates must pass the National Council Licensure Examination for Registered Nurses (NCLEX-RN) in order to receive licensure to practice professional nursing. Graduates will be required to meet criteria established by the Board of Nurse Examiners for the State of Texas in order to take the NCLEX-RN examination.

## Admission and Progression in Department of Nursing Programs

Students enrolled at Lamar University must submit an application for Admission to Nursing programs. Students wishing to change their major to nursing must have a minimum cumulative GPA of 2.0, have met the TASP requirement, and be in good standing in the University.

Students not enrolled at Lamar must submit two separate applications: one for admission to Lamar (obtained from the Office of Admissions), and one for admission to the specific nursing program (obtained from the Advising Center, Room 257, Ward Health Sciences Building).

Applications for admission to the Nursing Programs must be received by **March 1** prior to the fall semester admission is sought. Applications to the LVN-Mobility Program must be received by October 1 prior to the spring semester for which admission is sought. In addition, the following items must accompany the application:

- Application fee
- Official transcript
- Official transcript evaluation by Lamar University
- Written documentation of passing all components of TASP.

Applicants are urged to follow application instructions carefully to ensure processing by the admission committee. Students are responsible for assuring that their applications are complete, including transcript evaluation. Incomplete applications will not be considered. Students applying to both programs must submit separate applications and required fees. Students seeking readmission are also required to submit an application fee. A late fee will be charged for all applications submitted after the application deadline. Late applications will be considered based upon space availability.

Applications for Admission are evaluated on the following basis:

1. Admission to the University (Admissions section of this bulletin.)
2. Transcript evaluation of previous college work. Specified test scores may be required.
3. Evidence of physical and emotional capability of completing the program of instruction and clinical practice. Health examinations are required. Forms are available with application forms.
4. Admission may be limited by available space.
5. Priority for admission to the respective nursing programs will be given to students who have met the admission criteria and standards at the end of the Spring semester preceding Fall admission. If space is available after the initial qualifying date, additional consideration will be given to students at the end of Summer I and Summer II respectively.
6. Preference is given to students who have completed preadmission courses at Lamar University in Beaumont, Texas.
7. See program of choice for additional requirements.

Additional costs above tuition and fees are involved in nursing programs. Uniforms, equipment, instruments, liability insurance, health examinations, special testing fees, course packet fees, additional laboratory fees and transportation to clinical facilities are the student's responsibility. Financial aid is available for eligible students (see Financial Aid and Awards section of this bulletin).

Liability insurance and health examinations must be renewed each year of Nursing programs. Students may be assigned to clinical experiences during day, evening, night or weekend hours. Clinical agencies may require additional health examinations, dress codes or conformity with other policies. Students will be informed in advance of such requirements.

Official transcript evaluation by Lamar University is required for all transfer credits. Transfer credits which are not equivalent to Lamar credits must be evaluated on an individual basis by the appropriate department chair.

For progression in the Program, a minimum grade of "C" must be maintained in English composition, nursing and science courses, and an overall GPA of 2.0 must be maintained in all course work. A student who fails to perform satisfactorily in clinical practice will receive a failing grade in the nursing course regardless of the theory grade.

Under no circumstances may a nursing course be repeated more than once. The student may repeat no more than two different nursing courses. A third failure will constitute program failure.

Due to the required sequencing of the Nursing program courses, students who fail a nursing course will not be allowed to progress to the next semester courses. In addition, they will not be able to re-enter the program until the following year when the appropriate course sequence is offered. Re-admission to the program is not guaranteed and is based upon space availability and assessment of previous grades.

Students requesting readmission or transfer must submit an application for readmission to the Admissions Committee by **October 1** for Spring admission and **March 1** for Summer and Fall admission.

## Eligibility for Graduation

In addition to the University graduation requirements and compliance with the written degree plan, students must pass a nationally standardized examination in order to graduate from the respective program. Further explanation is provided in the *Student Information Guide*.

## Bachelor of Science – Nursing

**Coordinator of Undergraduate Programs:** Iva Hall      **226 Health Sciences Building**

Completion of the program leads to a Bachelor of Science in Nursing degree. Recipients of the degree are eligible to make application to take the NCLEX-RN exam to become a Registered Nurse (RN).

The baccalaureate program also provides an opportunity for Registered Nurses who wish to pursue a Bachelor of Science Degree in Nursing. This special tract is called the RN-BSN Articulation Curriculum. Please refer to separate admission requirements.

To be considered for admission the student must:

1. Have completed all prerequisite courses with a minimum grade of "C"
2. Have an overall grade point average (GPA) of 2.00
3. Have a minimum grade of "C" with an overall grade point average (GPA) of 2.00 in the sciences (Biology and Chemistry courses)
4. Also see Admission to Department of Nursing criteria.

\* Preadmission courses must be taken prior to admission to the nursing program.

\*\* Restricted to designated social science courses.

# Meets HLTH 1370 requirement for students completing the Nursing Major requirements.

^ Courses as specified in Core Curriculum

+ Students are encouraged to take this course sooner, if possible. Nursing electives are offered during varying semesters.

@ See Chemistry prerequisites-

\*May be taken during 2nd year, Spring semester or 3rd year fall.

## Bachelor's Degree Nursing Courses (NURS)

- 1174 Professional Practice I**  
Introduction to assuming responsibility and accountability for the quality of nursing care delivered to clients in preparation for becoming an integrated member of the profession of nursing. Discussions of legal, ethical and research issues affecting the health care system.  
*Prerequisites:* Preadmission courses, admission to BSN program or departmental consent.  
*Corequisites:* NURS 1671, 1272, 1373.
- 1272 Tech/Psychomotor Skills I**  
Introduction to nursing skills and procedures which provide therapeutic interventions necessary to support the nursing process in the clinical setting. Focuses on development of basic primary care skills necessary for the provider of care role in non-acute settings across the lifespan.  
*Prerequisites:* Preadmission courses, admission to BSN program or departmental consent.  
*Corequisites:* NURS 1671, 1373, 1174
- 1276 Tech/Psychomotor Skills II**  
Continues development of skills presented in Technical/Psychomotor Skills I with skill progression necessary to support the nursing process in acute and non-acute care settings. Focuses on development of more complex technical/psychomotor skills needed to carry out the provider of care role with clients across the lifespan in various stages of health.  
*Prerequisites:* NURS 1272, 1373, 1174, 1671 or departmental consent.  
*Corequisites:* NURS 1675, 1378, 2177.
- 1373 Basic Pathophysiology**  
Study of basic pathophysiology with emphasis on mechanisms of disease processes. Focus is on basic understanding of alterations in health related to selected disease processes across the lifespan.  
*Prerequisites:* Preadmission courses, admission to BSN program or departmental consent.  
*Corequisites:* NURS 1671, 1272, 1174.
- 1378 Pharmacology**  
Introduction to pharmacology, principles of therapeutics, and clinical applications with clients across the life span.  
*Prerequisites:* NURS 1671, 1272, 1373, 1174 or departmental consent.  
*Corequisites:* NURS 1675, 1276, 2177.
- 1671 Provider of Care I**  
Focuses on health promotion and disease prevention in individuals and families across the life span. Concepts introduced include critical thinking, nursing process, adaptation, caring, relationship skills, scientific problem solving skills, basic primary care skills, cultural diversity, and teaching-learning techniques.  
*Prerequisites:* Preadmission courses, admission to BSN program or departmental consent.  
*Corequisites:* NURS 1272, 1373, 1174.
- 1675 Provider of Care II**  
Continues to build on and integrate the concepts introduced in Provider of Care I. Major Emphasis is given to application of the systematic use of scientific problem solving skills, evaluation of health care outcomes, and development of relationship skills in caring for clients across the life span with acute and chronic illness.  
*Prerequisites:* NURS 1671, 1272, 1373, 1174 or departmental consent.  
*Corequisites:* NURS 1276, 2177, 1378.
- 2172 Tech/Psychomotor Skills III**  
Analysis of informatics as it relates to the three major roles of the nurse: provider of care, coordinator of care, and member of the profession. Provides the nurse with technological/psychomotor skills necessary to access and utilize informatics to support clinical and consumer decision making, including research oriented literature searches.  
*Prerequisites:* NURS 1671, 1272, 1276, 1373, 1174 or departmental consent.
- 2177 Professional Practice II**  
Builds upon Professional Practice I in assuming responsibility and accountability as a member of the profession for the quality of client care provided to individuals, families, aggregates, and society. Introduces the role of the nurse in being accountable and responsive to regulatory agencies in shaping the delivery of healthcare. Continues development of the research process. Provides a beginning foundation for future participation and leadership in professional associations and activities.  
*Prerequisites:* NURS 1671, 1272, 1373, 1174 or departmental consent.  
*Corequisites:* NURS 1675, 1276, 1378.

**2571 Community Focus I**

Emphasizes nursing care of individuals and families utilizing health promotion and disease prevention theory. Focuses on developing the ability to determine health status and health needs. Clinical opportunities will include care for childbearing families and newborn infants, in structured, acute care, and community settings.

*Prerequisites:* NURS 1675, 1276, 2177, 1378 or departmental consent.

*Corequisites:* NURS 2172, 3273, 3374.

**2579 Provider of Care III**

Continues to build on and integrate the concepts from Provider of Care I and Provider of Care II. Emphasis is given to continued application of the systematic use of scientific problem skills, evaluation of health care outcomes, and development of relationship skills in caring for clients across the life span with acute and chronic illness, including mental illness.

*Prerequisites:* NURS 1675, 1276, 2177, 1378 or departmental consent.

*Corequisites:* None

**3273 Professional Practice III**

Builds on the framework of Professional Practice I and II, seeks to integrate concepts and skills necessary to promote accountability for quality nursing practice. Facilitates transition into the professional role through experiences focusing on the determinants and operators of the health care system. Examines issues from broad political, ethical, economic, social, and legal perspectives, including ethics related to clinical research.

*Prerequisites:* NURS 1675, 1276, 2177, 1378 or departmental consent.

*Corequisites:* NURS 2571, 2172, 3374.

**3374 Advanced Pathophysiology**

Study of advanced pathophysiology with emphasis on mechanisms of disease processes. Builds upon the life science courses, basic pathophysiology, clinical experiences, and basic understanding of pharmacology as related to alterations in health of selected disease processes.

*Prerequisites:* NURS 1373, 1675, 1276, 2177, 1378 or departmental consent.

*Corequisites:* NURS 2575, 2172, 3273.

**3377 Special Topics in Nursing**

Elective introducing topics related to health care. Designed to expand the student's professional role in various health care settings and areas of specialization. Course may be repeated when topic varies.

**3475 Coordinator of Care I**

Introduction to care management skills for groups of clients and their families throughout the life span in a variety of structured health care delivery systems. Emphasis is placed upon quality outcomes, cost effectiveness, and integrated health care. In addition, experiences include the development, utilization, and management of interdisciplinary teaching, practice, and research. Opportunities are provided to function as entry-level managers.

*Prerequisites:* NURS 2571, 2172, 3273, 3374 or departmental consent.

*Corequisites:* NURS 3576.

**3478 Coordinator of Care II**

Builds upon care management skills obtained in Coordinator of Care I. Expands upon management principles and theories, including complex adaptive systems influencing clients, families, communities, and peers. Utilizes research to analyze health care outcomes in structured and unstructured settings.

*Prerequisites:* NURS 3475, 3576 or departmental consent.

*Corequisites:* None

**3576 Community Focus II**

Focuses on the delivery of nursing care to aggregates, communities, and society (IFACS) in structured settings. Provides broad understanding of the determinants of health such as the environment, socioeconomic conditions, behavior, and genetics. Includes the ability to work with others in the community to promote, protect, and improve health. Clinical experiences allow opportunities to provide culturally competent nursing care.

*Prerequisites:* NURS 2571, 2172, 3273, 3374 or departmental consent.

*Corequisites:* NURS 3475.

**4273 Professional Practice IV**

Continues to build on and integrate the concepts introduced in Professional Practice I, II, and III. Facilitates transition into the professional role by development of professional practice skills to anticipate changes in the health care system. Provides preparation for professional licensure. Prepares graduates capable of responding to changes in health care by redefining and maintaining professional competency.

*Prerequisites:* NURS 3475, 3576, 3377, Psy 241 or departmental consent.

*Corequisites:* NURS 4371, 4472, 7274.

**4274 Tech/Psychomotor Skills IV**

Continuation of Technical/Psychomotor Skills I, II, and III. Introduction to advanced technical/psychomotor skills required to provide therapeutic interventions in acute care settings. Facilitates transition into the professional role by providing final opportunities to practice technical/psychomotor skills for clients across the lifespan who have multi-system dysfunction.

*Prerequisites:* NURS 2172, 3475, 3576, 3478 or departmental consent.

*Corequisites:* NURS 4371, 4472, 4273.

**4371 Coordinator of Care III**

Applies the concepts and practices learned in all pre-requisite courses. Utilizes scientific problem solving and research with application in acute care or community settings to assist in the transition from student to practitioner while caring for clients collaboratively with a clinical mentor.

*Prerequisites:* NURS 3475, 3576, 3377, 3478 or departmental consent.

*Corequisites:* NURS 4472, 4273, 4274.

**4375 Directed Study in Nursing**

Provides an opportunity for individualized study of selected concepts and/or issues related to professional nursing. The course may be repeated as the content varies.

**4472 Provider of Care-IV**

Applies the concepts and practices learned in the three pre-requisite Provider of Care courses. Emphasis is given to application of the systemic use of scientific problem solving, evaluation of health care outcomes, and development of relationship skills in caring for critically ill clients across the life span.

*Prerequisites:* NURS 3475, 3576, 3478 or departmental consent.

*Corequisites:* NURS 4371, 4273, 4274.

## RN-BSN Articulation Curriculum

**Coordinator:** Sandra Brannan      **232 Ward Health Sciences Bldg., Phone 880-8822**

This flexible program is designed for the career-oriented nurse seeking a Baccalaureate Degree in Nursing. The nurse must be registered in the State of Texas. Progression through the program is dependent upon the nurse's initial nursing preparation. Admission to Lamar University is required as well as admission to the RN-BSN Articulation Program. Transcripts are evaluated by Lamar University and the RN-BSN program coordinator. Attendance may be full or part-time.

There is no testing of prior nursing knowledge. Certain courses are held in an escrow account until the student has validated prior knowledge. Upon completion of NURS 1671, 2172, 3374, 3475, and 3576, the student will apply for "Application For Credit by Validation" to receive credit for these courses. A fee is required for each course. Credit by validation may not exceed 32 hours. The nurse will complete only the courses required to receive a baccalaureate degree. It is imperative to work closely with the coordinator of the program. Applications for the program are accepted throughout the year.

## Associate of Science – Nursing

**Coordinator of Undergraduate Programs:** Iva Hall

Completion of the program leads to an Associate of Science in Nursing degree. Recipients of the degree are eligible to make application to take the NCLEX-RN exam to become a Registered Nurse (RN).

The Associate Degree Program also provides an opportunity for Licensed Vocational Nurses who wish to pursue an Associate of Science in Nursing. This special tract is called the LVN-ADN Mobility Curriculum. Please refer to separate admission requirements.

To be considered for admission, the student must:

1. Have completed all preadmission courses with a minimum grade of "C"
2. Have an overall grade point average (GPA) of 2.00
3. Have a minimum grade of "C" with an overall grade point average (GPA) of 2.00 in the sciences (Biology courses)
4. See also Admission to Department of Nursing Program criteria.

## Associate of Science in Nursing

### Suggested Program of Study

*Note: This curriculum plan is in effect for all students entering the program, fall, 2000, pending approval by the Texas Higher Education Coordinating Board and the Board of Nurse Examiners for the State of Texas.*

\* Preadmission courses must be taken prior to admission to Fall semester of first year. Applications must be submitted by **March 1**, preceding the August that admission to desired first year of nursing.

\*\*Must be successfully completed to progress to NURS 2474 and NURS 2275.

## Associate of Science in Nursing Courses (NURS)

### 1174 Professional Practice I

Introduction to assuming responsibilities and accountability for the quality of nursing care delivered to clients in preparation for becoming an integrated member of the profession of nursing. Discussions of legal and ethical issues affecting health care system.

*Prerequisite:* Preadmission courses, admission to ADN program or departmental consent.

*Corequisite:* NURS 1373, 1671, 1272, MATH 1314 or 1337.

**1272 Tech/Psychomotor Skills I**

Introduction to nursing skills and procedures which provide therapeutic interventions necessary to support the nursing process in the clinical setting. Focuses on development of basic primary care skills necessary for the provider of care role in non-acute settings across the life span.

*Prerequisite:* Preadmission courses, admission to the ADN program or departmental consent.

*Corequisite:* NURS 1671, 1373, 1174, MATH 1314 or 1337.

**1276 Tech/Psychomotor Skills II**

Continues development of skills presented in Technical/Psychomotor Skills I with skill progression necessary to support the nursing process in acute and non-acute care settings. Focuses on development of more complex technical/psychomotor skills needed to carry out the provider of care role with clients across the life span in various stages of health.

*Prerequisite:* NURS 1272, 1373, 1174, 1671 or departmental consent.

*Corequisite:* NURS 1675, 1378, PSYC 2360.

**1373 Basic Pathophysiology**

Study of basic pathophysiology with emphasis on mechanisms of disease processes. Focuses on basic understanding of alterations in health related to selected disease processes across the life span.

*Prerequisite:* Preadmission courses, admission to ADN program or departmental consent.

*Corequisite:* NURS 1671, 1272, 1174, MATH 1314 1337.

**1378 Pharmacology**

Introduction to pharmacology, principles of therapeutics, and clinical applications with clients across the life span.

*Prerequisite:* NURS 1671, 1272, 1373, 1174, MATH 1314 or 1337, or departmental consent.

*Corequisite:* NURS 1675, 1276, PSYC 2360.

**1671 Provider of Care I**

Focuses on holistic health promotion and disease prevention in individuals and families across the life span. Concepts introduced include critical thinking, nursing process adaptation, caring relationship skills, specific problem solving skills, cultural diversity, and teaching-learning techniques.

*Prerequisite:* Preadmission courses, admission to AND program or departmental consent.

*Corequisite:* NURS 1272, 1373, 1174, MATH 1314 or 1337.

**1675 Provider of Care II**

Continues to build on and integrate the concepts introduced in Provider of Care I. Major emphasis is given to application of the systematic use of scientific problem solving skills, evaluation of health care outcomes, and development of relationship skills in caring for clients across the life span with acute and chronic illness.

*Prerequisite:* NURS 1671, 1272, 1373, 1174, MATH 1314 or 1337, or departmental consent.

*Corequisite:* NURS 1276, 1378, PSYC 2360.

**2172 Tech/Psychomotor Skills III**

Analysis of informatics as it relates to the three major roles of the nurse: provider of care, coordinator of care, and member of the profession. Provides the nurse with technological/psychomotor skills necessary to access and utilize informatics to support clinical and consumer decision making, including research oriented literature searches.

*Prerequisite:* NURS 1272, 1671, 1373, 1174, MATH 1314 or 1337, or departmental consent.

**2176 Tech/Psychomotor Skills IV**

Continuation of Technical/Psychomotor Skills I, II, and III. Facilitates transition into the professional role by providing final opportunities to practice technical psychomotor skills in structured settings.

*Prerequisite:* NURS 2571, 2172, BIOL 2420, or departmental consent.

*Corequisite:* NURS 2275, 2374, 2273.

**2273 Professional Practice II**

Builds upon skills obtained in Professional Practice I and facilitates transition into the professional role by introducing the role of the nurse in being accountable and responsive to regulatory agencies in shaping the delivery of health care. Provides preparation for national licensure.

*Prerequisite:* NURS 2571, 2172, BIOL 2420, or departmental consent.

*Corequisite:* NURS 2374, 2275, 2176, ENGL 1302.

**2579 Provider of Care III**

Continues to build on and integrate the concepts from Provider of Care I and Provider of Care II. Major emphasis is given to continued application of the systematic use of scientific problem solving skills, evaluation of health care outcomes, and development of relationship skills in caring for clients across the life span with acute chronic illness, including mental illness.

*Prerequisite:* NURS 1675, 1276, 1378 or departmental consent.

**2275 Provider of Care IV**

Applies the concepts and practices learned in the three pre-requisite Provider of Care Courses. Utilizes critical thinking and scientific problem solving techniques in acute care or community settings to assist in the transition from student to practitioner while caring for clients under a selected clinical preceptor.

*Prerequisite:* Nurs 2571, 2172, BIOL 2420 or departmental consent.

*Corequisite:* Nurs 2273, 2374, 2176, ENGL 1302

**2474 Coordinator of Care I**

Introduction to care management skills for groups of clients and their families throughout the life span in a variety of structured health care delivery systems. Emphasis is on quality outcomes, cost effectiveness, and integrated health care. In addition, experiences will include the development, utilization, and management of interdisciplinary teaching and practice. Opportunities are provided to function as entry-level managers.

*Prerequisite:* Nurs 2579, 2571, 2172, BIOL 2420 or departmental consent.

*Corequisite:* Nurs 2273, 2275, ENGL 1302.

**2571 Community Focus I**

Emphasizes nursing care of individuals and families utilizing health promotion and disease prevention theory. Focuses on developing the ability to determine health status and health needs. Clinical opportunities will include care for childbearing families and newborn infants in structured, acute care, and community settings.

*Prerequisite:* Nurs 1675, 1276, 1378, 2579 or departmental consent.

*Corequisite:* Nurs 2172, BIOL 2420.

## LVN/ADN Mobility Curriculum

**Coordinator:** Ruth Mason

**219 Ward Health Sciences Bldg., Phone 880-8829**

The LVN/ADN Mobility Curriculum is an alternate track leading to an Associate of Science degree in Nursing. This track facilitates upward educational mobility for the experienced licensed vocational nurse (LVN). Students enrolling in this special track are required to be currently licensed in Texas as an LVN and have had recent employment in nursing. All preadmission courses must be completed with a grade of C or better. The student must be accepted as a student by the university and the Associate Degree Nursing Program. Applications to the nursing program are due **October 1** each year. Early academic advisement by the coordinator of the program is required.

## Department of Political Science

**Department Chair:** Glenn H. Utter

**56 Maes Building, Phone 880-8526**

**Professors:** Castle, Drury, Utter, Vanderleeuw

**Fax 880-8710**

**Associate Professors:** Dubose, Lanier

**Assistant Professors:** Davis, True

The Political Science curriculum provides all university students with knowledge and appreciation of national and state political processes and equips majors with a broad understanding of the various areas of the discipline to prepare them for graduate school and careers in law, government service, teaching, journalism, and business.

To accomplish these objectives, the Department offers courses of study which introduce students to the discipline and methods of Political Science and its subfields: American government and politics, political philosophy, international relations, comparative politics, and public administration and policy.

The Political Science faculty members have earned doctorates in a wide range of specializations within the broad areas of the discipline. The faculty's expertise is complemented by active involvement in scholarly research.

The Department of Political Science offers the following undergraduate degrees: Bachelor of Arts in Political Science, Bachelor of Science in Political Science, Bachelor of Arts in Political Science with Teacher Certification, and Bachelor of Science in Political Science with Teacher Certification. Additionally, the Department offers a Pre-Law Program leading to Bachelor of Arts or Science degrees with intern credit.

## **Minimum Academic Standards for Political Science Majors**

The following minimum academic standards apply to students enrolled as a major in the Department of Political Science:

1. A grade of C or better in English composition courses is required.
2. A grade of C or better in all Political Science courses is required.
3. A 2.0 grade point average in the major is required for graduation.
4. An overall grade point average of 2.0 is required for graduation.
5. A student with a grade point deficiency of 10 or more will not be allowed to register as a Political Science major or transfer into Political Science programs.

## **Political Science – Pre-Law**

One of the traditional routes to law school is a four-year undergraduate degree in Political Science. Students may pursue either the Bachelor of Arts degree in Political Science or Bachelor of Science degree in Political Science as candidates for admission to a school of law. Both degrees retain the values of a liberal education (such as instruction in history, English, and foreign language) and the enhancement of technical skills (including computer science, accounting, and mathematics). With a large number of free electives and an 18-hour minor, the Bachelor of Arts or Science in Political Science affords considerable flexibility in meeting each student's unique educational and career needs.

Pre-Law Counselors in the Political Science Department specialize in advice to Pre-Law students, maximizing the chance for success on the Law School Admission Test and assisting in the process of application to law school.

Juniors and seniors may also take part in the State Attorney General's Internship Program and various legislative and local government internships.

## **Legal Internships – Pre-Law**

Exceptional students may qualify for a cooperative education program available in the legal profession. They earn up to six semester hours of elective internship credit in their junior and senior years while working half-days in local law firms. Law office experience is combined with academic assignments to develop skills useful to the potential lawyer. Admission to the program is by permission of the chair of the Department of Political Science.

**Bachelor of Arts – Political Science Major**

The Bachelor of Arts degree in Political Science emphasizes a traditional liberal arts or humanities curriculum and includes the following requirements:

- A. General Requirements:  
See core curriculum. Students must have COMM 1315, and must take three additional hours of Math from MATH 2312, 1336, 1316, 1324, 1325, 2305 or higher, and three additional hours of sophomore literature.
- B. Major (27 semester hours, 6 in the University core)  
Political Science 2304  
Political Science 2301-2302 (see University core)  
Political Science 3319–Statistics for Social Scientists  
Three semester hours from each of the following fields:
  - American politics (POLS 3340, 3350, 3390, 3301, 3313, 4370)
  - Political philosophy (POLS 4320, 4330)
  - International relations (POLS 3320, 3370, 4350)
  - Comparative politics (POLS 3310, 3317, 4381, 4383)
  - Public administration and policy (POLS 3316, 4300, 4340)
- C. Minor (18 semester hours)  
An approved minor of 18 semester hours, including at least six advanced hours.
- D. Additional requirements (13 semester hours)  
Completion of 2312 in a foreign language (normally 12 semester hours)  
One semester of physical activity
- E. Electives  
A number sufficient to total 121 semester hours (with at least 120 exclusive of physical activity), including 30 advanced, 24 at Lamar University.

## Bachelor of Science – Political Science Major

The Bachelor of Science degree in Political Science emphasizes quantitative skills in the applied social sciences and includes the following requirements:

**A. General Requirements:**

See core curriculum. Students must have COMM 1315, and must take three additional hours of Math from MATH 2312, 1336, 1316, 1324, 1325 or 2305 or higher, and three additional hours of sophomore literature.

**B. Major (30 semester hours, 6 in the University core)**

Political Science 2304

Political Science 2301-2302 (see University core)

Political Science 3319 - Statistics for Social Scientists

Political Science 4319 - Advanced Research Methods

Three semester hours from each of the following fields:

American politics (POLS 3340, 3350, 3390, 3301, 3313, 4370)

Political philosophy (POLS 4320, 4330)

International relations (POLS 3320, 3370, 4350)

Comparative politics (POLS 3310, 3317, 4381, 4383)

Public administration and policy (POLS 3316, 4300, 4340)

**C. Minor (18 semester hours)**

An approved minor of 18 semester hours, including at least six advanced hours.

**D. Additional requirements (13 semester hours)**

Computer Science 1371

Nine semester hours selected from two of the following areas:

Accounting 2301-2302

Economics 2302, 2301, 1301, or advanced

Mathematics - advanced

Psychology - advanced

Computer Science - advanced

One semester of physical activity

**E. Electives**

A number sufficient to total 121 semester hours (with at least 120 exclusive of physical activity), including 30 advanced, 24 at Lamar University.

## Bachelor of Arts – Political Science Major with Teacher Certification

Students wishing to secure the Bachelor of Arts in Political Science and at the same time certify for a provisional certificate with Political Science as a teaching field must meet the following requirements:

### A. General Requirements:

See core curriculum, p. 15. Students must take three additional hours of Math from MATH 2312, 1336, 1316, 1324, 1325, 2305 or higher, and three additional hours of sophomore literature. Lab Science must include eight hours in the same science; Communication must be 1315 or 3310.

### B. Major (24 semester hours, 6 in the University core)

Political Science 2304

Political Science 2301-2302 (see University core)

Three semester hours from each of the following fields

American politics (POLS 3340, 3350, 3390, 3301, 3313, 4370)

Political philosophy (POLS 4320, 4330)

International relations (POLS 3320, 3370, 4350)

Comparative politics (POLS 3310, 3317, 4381, 4383)

Public administration and policy (POLS 3316, 4300, 4340)

### C. Teaching Field II (24 semester hours)

An approved second teaching field of 24 semester hours.

### D. Pedagogy (21 semester hours)

PEDG 3326, 3310, 3320, 3380, 4380 and 4620

### E. Foundation requirements (18 semester hours)

Completion of 2312 in a foreign language (normally 12 semester hours)

Computer Science 1371

Political Science 3319 - Statistics for Social Scientists

### F. Additional requirements (1 semester hour)

One semester of physical activity

### G. The minimum number of semester hours required for the Bachelor of Arts in Political Science with teacher certification is 132 (with at least 131 exclusive of physical activity), including 30 advanced, 24 at Lamar University.

### Political Science Courses (POLS)

<b>2301</b>	<b>Introduction to American Government I</b>	<b>3:3:0</b>
	The national and Texas constitutions; federalism; political socialization and participation; public opinion and interest groups; parties, voting and elections. <i>Prerequisite: Sophomore standing.</i>	
<b>2302</b>	<b>Introduction to American Government II</b>	<b>3:3:0</b>
	The legislative, executive and judicial branches and the bureaucracy; policy formulation and implementation including civil rights and civil liberties, domestic and foreign policies. <i>Prerequisite: POLS 2301.</i>	
<b>2304</b>	<b>Introduction to Political Science</b>	<b>3:3:0</b>
	An introductory survey of the concepts, techniques, and methods for analyzing the political behavior of individuals, groups, and nations.	
<b>3210</b>	<b>Legal Internship I</b>	<b>2:2:0</b>
	Practical experience in law office procedure and operation with career related assignments and projects under the guidance of a faculty member. <i>Prerequisite: Approval of department chair.</i>	

- 3220 Legal Internship II** 2:2:0  
Practical experience in law office procedure and operation with career related assignments and projects under the guidance of a faculty member.  
*Prerequisite: Approval of department chair, POLS 3210.*
- 3230 Legal Internship III** 2:2:0  
Practical experience in law office procedures and operation with career related assignments and projects under the guidance of a faculty member.  
*Prerequisite: Approval of department chair, POLS 3220.*
- 3301 Legislative Process** 3:3:0  
The structure, functioning and political control of legislative bodies.
- 3310 Government and Politics of Europe** 3:3:0  
Political institutions, processes and public policies of the European countries, including Russia and other former Communist states.
- 3313 Judicial Process** 3:3:0  
The theory and structure of the American court system; its personnel and decision-making processes; the judicial process in the setting of the American criminal justice system.
- 3316 Introduction to Public Administration** 3:3:0  
American public administration, with emphasis upon modern problems and trends.
- 3317 Politics of Developing Nations** 3:3:0  
Political systems of Latin America, Africa, the Middle East and Asia, focusing on ideologies, interest groups, political parties, elites and problems in political development.
- 3319 Statistics for Social Scientists**  
Basic concepts and techniques of statistics employed in social science research including descriptive statistics; measures of central tendency and dispersion; correlation and regression analysis; inductive statistics; fundamentals of probability and tests of significance.
- 3320 International Politics** 3:3:0  
The concepts underlying the Western State system; nationalism and imperialism; the techniques and instruments of power politics and the foreign policies of selected states.
- 3340 American Political Parties and Interest Groups** 3:3:0  
Political parties in terms of their theory, their history and their place in contemporary American politics; analysis of the role of economic and other groups in American politics; group organization and techniques of political influence.
- 3350 American Presidency** 3:3:0  
The operation of the office in foreign and domestic decision-making, including political, social and economic policy areas.
- 3370 Politics of American Foreign Policy** 3:3:0  
United States foreign policy; its domestic sources; the instruments of American diplomacy; United States involvement in world politics and the limitations and potentials of American foreign policy.
- 3390 Urban Politics** 3:3:0  
Organization and development of urban governments in the United States. Interrelationships among urban problems, political behavior and policy will be examined.
- 4300 Organization Theory and Behavior** 3:3:0  
Structural and management aspects of public administration, theory and practice; policy formation processes and techniques.
- 4310 Directed Study**  
Students may study individually with an instructor in an area of mutual interest to the student and the instructor.  
*Prerequisite: Approval of chair of Department of Political Science.*
- 4319 Advanced Research Methods**  
Special problems, topics, cases, models and theories in political science research.
- 4320 Political Thought I** 3:3:0  
Western political thought from the Greeks to the 17th Century.
- 4330 Political Thought II** 3:3:0  
Political philosophy from the 18th Century to the present with emphasis on contemporary theorists.
- 4340 Formulation of Public Policy** 3:3:0  
The demands for public action on policy issues; organization and nature of political support; processes and problems of decision making in the formulation of public policy in the United States. The issues studied will vary.

- 4350 International Law and Institutions** 3:3:0  
Political, legal and institutional foundations of the modern international system, including the United Nations. Emphases include peaceful settlement of international disputes and the developing global system.
- 4370 American Constitutional Law and Development** 3:3:0  
Development of the American Constitution through judicial interpretations. Particular emphasis on cases dealing with federalism, commerce, the three branches of government, due process, civil rights, and civil liberties.
- 4381 Government and Politics of Asia**  
Political institutions, processes and public policies of the Asian countries, with special emphasis on China, India and Japan.
- 4383 Government and Politics of Latin America**  
Political systems of Latin America with special emphasis on political culture, constitutional development, authoritative decision-making agencies, interest identification, leadership selection, political socialization and conflict resolution.
- 4390 Special Topics in Political Science** 3:3:0  
Selected special topics from the subfields of political science. Course may be repeated for credit when the topic varies.

## Department of Psychology

**Department Chair:** Richard G. Marriott

**103 Psychology Building, Phone 880-8285**

**Emeritus Professors:** Bell, Walker

**Professors:** Esser, Marriott

**Associate Professors:** Fitzpatrick, Lindoerfer

**Assistant Professors:** Clark, Mann, Rinker

### Admission to Department of Psychology Programs

Students wishing to major in psychology must present SAT/ACT scores of 900/19. Students changing their major to psychology must have SAT/ACT scores and be in good standing in the University.

### Bachelor of Arts – Psychology Major

The degree of Bachelor of Arts in Psychology will be awarded upon completion of the following:

**A. General Requirements**

See core curriculum, p. 15 and degree requirements, p. 64-65. Plus eight semester hours of Biology (1406-1407, 1470-1471 or 2401-2402), 12 semester hours and completion of 2312 course in foreign language or 9 hours of sign language and completion of CMDS 4305, an additional 3 hours of math, and an additional 3 hours of fine arts.

**B. Major**

Psychology 2301 General Psychology

Psychology 2471 Introduction to Statistical Methods

Psychology 3420 Methods in Psychology

Psychology: an additional 18 semester hours, a minimum of 12 semester hours must be on the advanced level

**C. Minor (18 semester hours)**

An approved minor of 18 semester hours, a minimum of 6 semester hours must be on the advanced level

**D. Electives**

A sufficient number of approved electives to complete a total of 128 semester hours

**E. Completion of Major Field Achievement Test**

**F. Meet all remaining general education degree requirements of the University and College as described under the Academic Policies and Procedures section of this catalog which are not listed above.**

# Advanced Psychology elective: Group I (choose any three): PSYC 3310, 3320, 3330, 3340, 4320; Group II (choose any three): PSYC 3360, 4310, 4360, 4380.

## Psychology Courses (PSYC)

- 2301 General Psychology** 3:3:0  
An introductory survey of the major areas of psychology such as learning, personality, social, testing, developmental and physiological. Emphasis is on psychology as the scientific study of behavior and includes both human and animal behavior.
- 2308 Child Psychology** 3:3:0  
A study of the growth and development of behavior patterns in children.
- 2376 Adult Development and Aging** 3:3:0  
A survey of major issues in adult development and aging including biological, cognitive, personality, social and disease factors.  
*Prerequisite: PSYC 2301 or 2308.*
- 2471 Introduction to Statistical Methods** 4:3:2  
Statistical concepts and techniques used in behavioral science research. Topics include graphs, measures of position, central tendency and dispersion, correlation and regression, probability, tests of significance and introduction to non-parametric techniques.  
*Prerequisite: MATH 1314 or higher.*
- 3310 Systems and History of Psychology** 3:3:0  
Historical development of psychology. Emphasis on the evolution of major systems of psychology.  
*Prerequisite: PSYC 2301.*
- 3320 Psychology of Personality** 3:3:0  
A study of several of the major theories of personality organization and adjustment processes.  
*Prerequisite: PSYC 2301.*
- 3330 Psychology of Social Interaction** 3:3:0  
Investigation of psychological basis of interpersonal behavior. Emphasis is on the study of individual experience and behavior in relation to the social environment, and how individual behavior both affects and is affected by social interaction.  
*Prerequisite: PSYC 2301.*
- 3340 Industrial Psychology** 3:3:0  
Introduction to psychological processes and techniques as they apply in industrial settings. Emphasis on selecting, training and evaluating workers. Emphasis also on organizational influences on behavior.  
*Prerequisite: PSYC 2301.*
- 3360 Psychological Tests and Measurements** 3:3:0  
Theory and use of instruments for measurements of intelligence, interests, aptitude and attitudes.  
*Prerequisite: PSYC 2301, 2471 or equivalent or permission of instructor.*
- 3420 Methods in Psychology** 4:3:2  
An introduction to the methods of research employed in the scientific study of behavior. Topics include nature and philosophy of science, experimental design, data analysis and report writing. Several experiments are designed, conducted and reported by students.  
*Prerequisite: PSYC 2301 and 2471.*
- 4100, 4300 Undergraduate Research** 1-3:A:0  
Designed to provide an opportunity for advanced psychology students to pursue an individual research project under the direction and supervision of a faculty member. May be repeated for credit.  
*Prerequisite: 9 hours of psychology and permission of instructor.*
- 4301 Special Topics** 2-3:A:0  
Includes library and/or laboratory work and conferences with a faculty member. A description of the particular area of study will be indicated. A student may repeat the course for credit when the area of study varies.  
*Prerequisite: Permission of instructor.*
- 4310 Sensation and Perception** 3:3:0  
A review of research and theory regarding the structure and function of the basic sensory processes and sensory perception.  
*Prerequisite: PSYC 2301 and 2471.*
- 4320 Abnormal Psychology** 3:3:0  
A study of abnormal behavior. Special emphasis on the symptomatology, etiology and therapeutic approaches.  
*Prerequisite: PSYC 2301.*
- 4360 Learning and Cognition** 3:3:0  
Theories and research concerning learning and cognitive processes, with a consideration of practical implications.  
*Prerequisite: PSYC 2301.*
- 4380 Behavioral Neuroscience** 3:3:0  
Survey of the biological bases of behavior with emphasis on the mechanisms in the central nervous system.  
*Prerequisite: PSYC 2301.*
- 4430 Experimental Psychology** 4:3:2  
Techniques to demonstrate and investigate concepts in psychology. Includes planning and executing an original research project.  
*Prerequisite: PSYC 3420.*

## **Department of Sociology, Social Work and Criminal Justice**

**Department Chair:** Lorene H. Stone

**55 Maes Building, Phone 880-8538**

**Professors:** Altemose, Birdwell-Sykes, Frazier, Ma, Smith, Stone, Wright

**Associate Professors:** Monroe

**Assistant Professors:** Daskalos, Frisbee, Gonzales, Love, Saur

Sociology, social work, and criminal justice share some common knowledge bases and are similar in many of their approaches to human behavior. The department strongly emphasizes personal academic counseling for all of its majors and encourages career-oriented education. In addition, the department offers courses in anthropology.

The degrees offered by the department are: the Bachelor of Science in Sociology, the Bachelor of Arts in Sociology, the Bachelor of Social Work, the Bachelor of Science in Criminal Justice and the Bachelor of Arts in Criminal Justice. Each bachelor's degree requires at least 121 semester hours. Students exempted from the physical activity requirement must submit elective hours approved by the major department in lieu of this requirement. The Social Work Program is fully accredited by the Council on Social Work Education. A major in social work will entitle the graduate to apply for Texas Certification as a social worker.

### **Departmental Academic Policies**

1. A grade of "C" or higher for each course in the major field (including transfer courses) is required for graduation.
2. Each student's use of English is subject to review up to and including the semester in which he or she is scheduled to graduate. Any faculty member who identifies a departmental major having poor English skills will notify the student and the department chair in writing. The department chair will then review writing samples and consult with the Director of Freshman English. Based on the recommendations of the Director of Freshman English and the department chair, additional diagnostic procedures and course work may be required before the student is recommended for graduation.
3. Students who wish to transfer into the department as sociology, criminal justice, or social work majors must have a minimum 2.00 grade point average. All department majors must maintain a 2.00 or better G. P. A. to remain in their respective programs.
4. The departmental academic probation and suspension policy is identical to that of the College of Arts and Sciences and is available from the office of the dean or department chair.
5. Students who are majoring in this department and who are on academic probation or returning from academic suspension may not enroll in more than 12 semester hours (13-15 hours if a laboratory course and P.E. are taken) in any semester.
6. All departmental majors (full-time and part-time) must have satisfied both the University's and the College of Arts and Sciences' requirements for English composition and mathematics before registering for 300- and 400-level courses offered by the department.

## Pre-Law

As prospective candidates for admission to a school of law, students may pursue one of the bachelor's degrees offered by the department. The degree plan should include the following courses as electives or a minor:

- Criminal Justice 1306 — Courts and Criminal Procedures
- Criminal Justice 3300 — Criminal Law
- Criminal Justice 3310 — Criminal Procedure and Evidence
- Criminal Justice 3380 — Correctional Law
- Criminal Justice 4300 — Legal Research, Brief Writing and Oral Advocacy
- Political Science 4370 — American Constitutional Law and Development
- Business Law 3310 — Business Law
- Business Law 4340 — Advanced Legal Principles

## Sociology

**Program Director:** Lorene H. Stone

**55 Maes Building, Phone 880-8542**

Sociology is the study of social life and the social causes and consequences of human behavior. Sociology's subject matter ranges from the intimate family to the hostile mob, from crime to religion, from the division of race and social class to the shared beliefs of a common culture, from the sociology of sport to the sociology of work. Sociology is a popular major for students planning futures in such professions as law, business, education, politics, public administration, and even medicine. The research interests of Lamar's sociology faculty include social stratification, criminology, alienation, gender roles, sociology of sport, sociology of religion, and family structure and functioning. The Bachelor of Science degree is designed for students whose interests are more quantitative, while the Bachelor of Arts offers a traditional liberal arts education.

### Teacher Certification — Sociology

Students wishing to secure the Bachelor of Arts or Bachelor of Science degree in sociology and at the same time certify for a secondary teaching certificate with a teaching field in sociology should consult with the department chair.

For details concerning requirements for teacher certification and information on professional education courses, consult the College of Education and Human Development section in this bulletin.

## Bachelor of Science — Sociology Major

The degree of Bachelor of Science in Sociology will be awarded upon completion of the following requirements:

### A. General Requirements:

See core curriculum, p. 15. Math requirement: MATH 1324, 1314, or 1336 plus a statistics course.

### B. Major - 31 semester hours to include:

- Sociology 1301 - Introduction to Sociology
- Sociology 4380 - Research Methods
- Sociology 4390 - Social Theory
- Sociology 4110 - Proseminar

- C. Departmental Requirements - 12 semester hours to include:  
 Social Work - Three hours  
 Criminal Justice - Three hours  
 Anthropology - Three hours  
 Computer Science - Three hours
- D. Minor - an approved minor of 18 semester hours, six of which must be advanced.
- E. Electives - Sufficient approved electives to satisfy University minimum hour requirements for graduation.

## Bachelor of Arts – Sociology Major

The degree of Bachelor of Arts in Sociology will be awarded upon completion of the following requirements:

### A. General Requirements:

Meet the University's core curriculum requirements for a bachelor's degree which are described earlier in this bulletin and satisfy all departmental requirements.

Completion of the 2312 course in a foreign language.

Literature - Six semester hours

### B. Departmental requirements:

The requirements concerning major, departmental requirements, minor, and electives are the same as for the Bachelor of Science degree listed above.

## Social Work

**Program Director:** Vernice M. Monroe

**53 Maes Building, Phone 880-8552**

Social Work, an action-oriented profession, helps people improve their social functioning. Problems of personal and social adjustment are brought to the social worker whose work is devoted to helping individuals, families, groups, organizations and communities face difficulties and find solutions to problems. Social work practice is an art and a science. It is the creative blending of the cognitive, affective, and behavioral abilities of the worker. Lamar University's Social Work Program prepares graduates for generalist social work practice. The program is accredited by the Council on Social Work Education which entitles the BSW graduate to apply for licensure in Texas as a Licensed Social Worker (LSW). The research/training interests of Lamar's social work faculty are in the areas of family violence, multicultural practice, developmental disabilities, social work education, and social policy.

## Bachelor of Social Work

The Bachelor of Social Work (BSW), which prepares students for entry-level professional social work practice, will be awarded upon completion of the following requirements:

**A. General Requirements:**

See core curriculum, p. 15. The lab science courses must be biology. Math requirement: Math 1324, 1314, or 1336 plus a statistics course.

**B. Major - 42 semester hours to include:**

Social Work 2361, 2371, 3300, 3310, 3320, 3330, 3340, 3350, 3360, 4380, 4321, 4324, plus six hours of electives in SOWK 4320.

**C. Departmental Requirements - 21 semester hours**

Sociology 1301, 1306

Psychology 2301, and 2308 or 2376

Criminal Justice 1306

Anthropology - three hours

Computer Science 1371

**D. Approved Electives: 12 semester hours**

Students, with faculty advisor approval, must select any four courses from the following list:

Anthropology 2351, 2372, 3310, 4340

Criminal Justice 3320, 3350, 3380

Economics 2302

Family and Consumer Sciences 1377, 3300, 3390, 4310, 4327

Psychology 3320, 4320

Sociology 3310, 3320, 3380, 3390

## Criminal Justice

Program Director: James J. Love

58 Maes Building, Phone 880-8546

Criminal Justice studies include a broad range of courses and concentrations studying crime; the Criminal Justice System and societal responses to the phenomenon of criminal behavior. Emphasis is placed on preparing the graduate for immediate entry and placement in professional-level employment. The Bachelor of Arts is also available and is recommended for students seeking employment in federal law enforcement.

## Bachelor of Science – Criminal Justice Major

The Bachelor of Science in Criminal Justice will be awarded upon completion of the following requirements:

**A. General Requirements:**

See core curriculum, p. 15. Math requirement: Math 1324, 1314, or 1336 plus a statistics course.

**B. Criminal Justice Core - 33 semester hours including:**

1. 12 semester hours required: CRIJ 1301, CRIJ 1306, CRIJ 3309, and CRIJ 4311.
2. Criminal Justice Electives (9 semester hours — any level)
3. Advanced Criminal Justice Electives (12 semester hours)

**C. Social/Behavioral Science Cognate Courses — 3 semester hours**

selected from ECON 1301, PSYC 4320, ANTH 2351, SOCI 3390 or SOWK 2371.

**D. Research and Analysis Courses — 9 semester hours.**

1. Research Methods: PSYC 3420, SOCI 4380 or SOWK 4380
2. Criminology Elective: SOCI 3380 or CRIJ 3311
3. Computer Science: COSC 1371

**E. Criminal Justice Field Experience (3 semester hours): CRIJ 4340.** If student has prior criminal justice field experience, the faculty advisor may substitute an additional CRIJ approved elective.

**F. Minor or Approved Electives - 18 semester hours, six of which must be advanced.**

**G. Electives - Sufficient electives to complete the 121 hour degree requirement.**

## Anthropology

**Faculty Advisor:** Donna Birdwell-Sykes

**54 Maes Building, Phone 880-8551**

Anthropology is the study of mankind at its most inclusive. The human experience in all parts of the world and throughout the millennia of human existence serves as the subject matter of anthropology. The discipline maintains an appreciation of humans as biological creatures as well as social beings and bearers of culture. Course offerings encourage a fuller appreciation of human diversity while allowing students to compare our way of life with lifeways in other times and places.

Anthropology 2346 or 2351 satisfies the social science requirement of the University Core Curriculum. A minor in anthropology is a useful complement to majors in sociology, social work, criminal justice, history, psychology, and other fields. Interested students are invited to consult with the faculty advisor in anthropology.

## Sociology Courses (SOCI)

<b>1301 Introduction to Sociology</b>	<b>3:3:0</b>
Sociology as a field of knowledge. Basic terms, concepts, theories of sociology applied to an explanation of human behavior, personality, groups and society.	
<b>1306 Social Problems</b>	<b>3:3:0</b>
Attributes of society and of persons which are subjects to disapproval; the causes, extent and consequences of problems; programs and prospects for their resolution.	
<b>2301 Marriage and the Family</b>	<b>3:3:0</b>
Characteristics of and problems within courtship, marriage and family in American society.	
<b>2375 Class, Status, and Power</b>	<b>3:3:0</b>
Examination of social inequality and differentiation with emphasis on social classes, status groups, and social mobility.	
<b>3306 Race and Ethnic Relations</b>	<b>3:3:0</b>
Racial and ethnic minority groups within the society; causes, distinctions and changes in the relationship between minority and dominant groups.	
<b>3310 Sociology of Gender</b>	<b>3:3:0</b>
Analysis of the origin and social development of gender roles. Examination of changing roles for males and females and their impact on interpersonal relationships and societal institutions.	
<b>3311 Medical Sociology</b>	<b>3:3:0</b>
A study of medicine as a social institution with emphasis on social organization and interaction patterns.	
<b>3320 Social Psychology</b>	<b>3:3:0</b>
Social and cultural influences upon individual behavior and personality; interpersonal and intergroup relations and collective behavior.	
<b>3330 Urban Sociology</b>	<b>3:3:0</b>
Social and ecological processes in the urbanization movement; characteristics of urban society and culture.	
<b>3350 The Family</b>	<b>3:3:0</b>
Structural and functional characteristics of the family as a basic institution.	

- 3360 Honors Human Nature and the Human Condition** 3:3:0  
Attributes of society and of persons which are subject to disapproval; the causes, extent and consequences of problems; programs and prospects for their resolution. Designed especially for honors students.  
*Prerequisite: Departmental approval.*
- 3370 Sociology of Sport** 3:3:0  
Examination of the social aspects of sport and how sport is a microcosm of American society. Major issues to be studied include racial and sexual discrimination, violence, and sport as big business.
- 3380 Criminology** 3:3:0  
Extent of and explanation for crime in American society; agencies dealing with crime and criminals; programs for control and prevention of crime and delinquency.
- 3390 Juvenile Delinquency** 3:3:0  
The nature, incidence and explanations for juvenile delinquency in American society; agencies and programs for prevention and control of juvenile delinquency.
- 4110 Proseminar in Sociology**  
Detailed examination of the profession of sociology. Topics include career opportunities, application of theories and research, program assessment, and professional ethics.  
*Prerequisite: Senior standing in sociology*
- 4300 Seminar in Sociology** 3:3:0  
Basic concepts and general principles of sociology as applied to the study of selected topics. The course may be repeated for credit when the designated topics are varied.
- 4301 Directed Studies in Sociology** 3:A:0  
Individual study with an instructor in an area of mutual interest. May be repeated for credit when topic varies.
- 4310 Population Problems** 3:3:0  
The growth and composition of population with emphasis on social, economic and political problems.
- 4320 Sociology of Education** 3:3:0  
Multicultural influences on the school system and the democratic society. Included will be an analysis of educational problems in the multicultural society of Texas.
- 4340 Social Change and Movements** 3:3:0  
Nature, sources, and effects of contemporary social changes with emphasis on social movements as causes and consequences of change.
- 4350 Sociology of Religion** 3:3:0  
Religion as a social institution in contemporary America; development of religious systems; cultural, social and individual functions of religion.
- 4380 Research Methods** 3:3:0  
The logic, design, techniques and problems involved in social scientific research.
- 4390 Social Theory** 3:3:0  
Major sociological theorists and theories.

## Social Work Courses (SOWK)

- 2361 Introduction to Social Work** 3:3:0  
An overview of the knowledge, values, skills, and fields of practice for generalist social work practice. A field experience (volunteer component) is required.
- 2371 Survey of the Social Welfare Institution** 3:3:0  
Growth and development of the social welfare institution. Emphasis on the impact of selected pieces of social welfare legislation on society.
- 3300 Human Behavior in the Social Environment I**  
First of two courses presenting theories and research on human behavior in the social environment from an ecological systems perspective. The reciprocal relationship and impact of the family, community, and society on human behavior and development throughout the life cycle will be explored. Focus: birth through adolescence.  
*Corequisite: SOWK 3310 for majors.*
- 3310 Social Work Practice I** 3:3:0  
First in a three course practice sequence. Theories, concepts, values, principles, approaches, and skills generic to generalist social work practice.  
*Prerequisite: SOWK 2361, 2371.*  
*Corequisite: SOWK 3300*
- 3320 Human Behavior in the Social Environment II** 3:3:0  
Continuation of SOWK 3300. Focus: Young adulthood through later adulthood.  
*Prerequisite: SOWK 3300.*  
*Corequisite: SOWK 3330*
- 3330 Social Work Practice II** 3:3:0  
Second practice course focusing on assessment and intervention with individuals, families, and groups using a problem solving process.  
*Prerequisite: SOWK 3310.*  
*Corequisite: SOWK 3320.*
- 3340 Social Welfare Policy and Administration** 3:3:0  
Relationship between social policy, social welfare and the American society. Emphasis on the analysis of the impact of social welfare policy on society and vulnerable populations.
- 3350 Social Work Practice III**  
Generalist perspective for social work practice with focus on (macro) indirect practice: working with organizations and communities. Emphasis on assessment and intervention using an ecogram and on prevention and service delivery.  
*Prerequisite: SOWK 3330.*

- 3360 Promotion of Social and Economic Justice**  
Knowledge and understanding of how prejudice and discrimination contribute to social oppression and social injustice. The status of minority groups in the U.S. from a socio-historical perspective will be presented. Strategies to combat social inequality will be examined from a micro-macro focus.  
*Corequisite: SOWK 3320, 3330, 4380.*
- 4300 Special Topics in Social Work** 1-3:A:0  
Topics in various areas in social work and social service. May be repeated for credit.  
*Prerequisite: Consent of instructor.*
- 4320 Seminar** 3:3:0  
Current topics in social work practice. May be repeated for credit when topics vary.
- 4321 Field Practicum I**  
Integration of theory and practice through placement in community social service agencies. Course includes a weekly four hour seminar.  
*Prerequisite: Consent of field placement coordinator and completion of SOWK 2361, 2371, 3300, 3310, 3320, 3330, 3340, 3360, 4380.*
- 4324 Field Practicum II**  
Continuation of SOWK 4321.  
*Prerequisite: SOWK 4321 and consent of field placement coordinator.*
- 4380 Social Work Research Methods**  
Introduction to social work research methods; emphasis on utilizing research to evaluate social work practice. Majors only. Non-majors by consent of instructor.  
*Corequisite: SOWK 3330 for majors.*

## Criminal Justice Courses (CRIJ)

- 1301 Introduction to Criminal Justice** 3:3:0  
History and philosophy of criminal justice and ethical considerations; crime defined; its nature and impact; overview of criminal justice system; law enforcement; court system; prosecution and defense; trial process; corrections.
- 1306 Courts and Criminal Procedures** 3:3:0  
The judiciary in the criminal justice system; structure of the American court system; prosecution, right to counsel; pre-trial release; grand juries; adjudication process; types and rules of evidence; sentencing.
- 2301 Community Resources in Corrections** 3:3:0  
An introductory study of the role of the community in corrections; community programs for adults and juveniles; administration of community programs; legal issues; future trends in community treatment.
- 2313 Correctional Systems and Practices** 3:3:0  
Corrections in the criminal justice system; organization of correctional systems; correctional role; institutional operations; alternatives to institutionalization; treatment and rehabilitation; current and future issues.
- 2314 Criminal Investigation** 3:3:0  
Investigative theory; collection and preservation of evidence; sources of information; interview and interrogation; uses of forensic sciences; case and trial preparation.
- 2328 Police Systems and Practices** 3:3:0  
The police profession; organization of law enforcement systems; the police role; police discretion; ethics; police-community interaction; current and future issues.
- 3300 Criminal Law** 3:3:0  
In-depth examination of principles of substantive criminal law with emphasis on Texas penal statutes and case law.
- 3304 Interpersonal Effectiveness** 3:3:0  
Skills and attitudes needed by the criminal justice professional to successfully interact with clients and colleagues. Personal planning; time management; communication skills; win-win problem solving techniques.
- 3309 Class, Race and Gender** 3:3:0  
Role of social class, race and gender in the etiology and control of crime. Injustices within the criminal justice system and broader society. Cultural sensitivity.
- 3310 Criminal Procedure and Evidence** 3:3:0  
In-depth examination of laws of criminal procedure with emphasis upon Texas procedural laws; rules of evidence; recent state and federal case law in fields of criminal procedure and evidence.
- 3311 Crime in America** 3:3:0  
American crime problems in historical perspective; social and public policy factors affecting crime, impact and crime trends; liberal and conservative views of the crime problem and policy implications; crime prevention.
- 3320 Counseling** 3:3:0  
Basic counseling techniques for dealing with troubled individuals. Communication skills; crisis intervention.
- 3330 Counseling Practicum** 3:3:0  
Supervised counseling practice in a criminal justice setting.  
*Pre or co-requisite: CRIJ 3320.*
- 3350 Juvenile Justice System** 3:3:0  
A study of the juvenile justice process to include specialized juvenile law, role of the juvenile courts, role of police agencies, role of correctional agencies, and theories concerning delinquency.

- 3380 Correctional Law** 3:3:0  
Legal aspects of correction; rights of the convicted. Laws governing correctional officers and facilities. Legal liabilities in correctional activities.
- 4101, 4201, 4301 Directed Studies in Criminal Justice** 13:A:0  
Individual study with an instructor in an area of mutual interest. May be repeated for credit when the designated topics are varied.  
*Prerequisite: Consent of instructor.*
- 4300 Legal Research, Brief Writing and Oral Advocacy** 3:3:0  
Preparation of appellate brief on assigned point of law; presentation of appellate oral argument.
- 4310 Social Justice** 3:3:0  
Theories of justice; relationship of justice to freedom and democracy; injustices in social class, gender, and race relationships.
- 4311 Ethical Issues in Criminal Justice** 3:3:0  
An examination of selected ethical issues and problems confronting criminal justice professionals.
- 4313 Contemporary Issues in Criminal Justice** 3:3:0  
Current topics in criminal justice. May be repeated for credit when the topic is varied.
- 4320 Seminar in Correctional Programs** 3:3:0  
Overview of programs in institutional and noninstitutional agencies; examination of such programs based upon various correctional theories.
- 4321 Responses to Crime** 3:3:0  
A study of contemporary thought on crime, criminals, and the criminal justice system using critical analysis of recently written materials as a source for research, discussion, and student seminar.  
*Prerequisite: Junior standing.*
- 4323 Federal Corrections** 3:3:0  
A study of the history, development, and current status of corrections in the federal sector.
- 4330 Police Problems** 3:3:0  
Advanced analysis of major contemporary police problems from various perspectives. Examination of current issues in policing.
- 4340 Field Experience** 3:A:0  
Integration of theory into practice through placement in community criminal justice service agencies. Course includes periodic seminar meetings as determined by Internship Director.  
*Prerequisite: Approval of Internship Director.*
- 4350 Criminal Justice Administration** 3:3:0  
Problems and issues in the administration of criminal justice organizations.
- 4370 Conflict Resolution** 3:3:0  
Elements of conflict, from interpersonal to international. Concepts and skills needed to intervene in conflict situations; mediation techniques. Emphasis on situations confronting criminal justice officials.

## Anthropology Courses (ANTH)

- 2302 Archaeology** 3:3:0  
An overview of the science of the human past, introducing the basic methods and theories utilized by modern archaeologists in their reconstruction of human prehistory.
- 2346 Introduction to Anthropology** 3:3:0  
A general survey of the three main fields of anthropology — physical anthropology, cultural anthropology, and archaeology. Emphasis is on the holistic approach of anthropology to the study of mankind in all times and places.
- 2351 The Nature of Culture** 3:3:0  
An exploration of that uniquely human adaptation known as "culture." Subject matter will include evidence for cultural behavior in nonhuman primates, as well as language and communication, mythology and narrative, arts and music, play and humor in human societies around the world.
- 2372 Ethnic Heritage** 3:3:0  
An examination of the cultural heritage of the major ethnic groups of contemporary American society—Afro-American, Hispanic-American, or Euro-American. (Only one group will be covered each time the course is taught; contact department for current offering.)
- 3310 Family and Society** 3:3:0  
Examines the organization and function of the family in societies around the world. This class takes a life-course perspective on the family, exploring the individual experience of family life from conception through death.
- 3340 Political Anthropology** 3:3:0  
Examines the evolution of political systems and political relations in human societies, drawing upon the knowledge that anthropologists have accumulated through studies of nonhuman primate societies, prehistoric civilizations, and tribal societies of contemporary and recent times.
- 4340 Topics in Anthropology** 3:3:0  
Selected special topics in the major research fields of contemporary anthropology. The course will focus on current literature and will involve the student in a research project. This course may be repeated for credit when the topic varies.

***Business graduates gain the expertise to assume professional and managerial roles in the public and private sector.***

---

## College of Business

**Departments:** Accounting and Business Law, Economics and Finance, Information Systems and Analysis, Management and Marketing

**Gary A. Moore, Dean**

**232 Galloway Business Bldg.  
Phone 880-8603**

**Robert A. Swerdlow, Associate Dean**

**232 Galloway Business Bldg.  
Phone 880-8604**

**Joel L. Allen, Director of J.D. Landes Center  
for Economic Education**

**204 Galloway Business Bldg.  
Phone 880-8657**

**Sarah F. Hawes, Coordinator of Advising Center**

**120 Galloway Business Bldg.  
Phone 880-8607**

The University established the College of Business in 1972. Prior to this time, degrees in business and economics were granted by the Division of Business, which was established in 1951, and the School of Business, established in 1954. All undergraduate and graduate degree programs of the College of Business are accredited by AACSB—the International Association for Management Education.

Four departments—Accounting and Business Law; Economics and Finance; Information Systems and Analysis; and Management and Marketing—make up the College of Business. The Bachelor of Business Administration degree is granted in all areas. A Bachelor of Science degree is granted in Economics.

The Master of Business Administration degree program also is offered. Details may be found in the Graduate Bulletin.

## Mission

The mission of the College of Business at Lamar University is to provide quality undergraduate and graduate business education to a diverse student population, primarily based in Southeast Texas, and to meet the needs of employers operating in a global environment. Quality education is accomplished through effective teaching, which is our highest priority, supported by intellectual contributions and community service.

**Effective teaching** is the cornerstone of a quality education. Effective teaching in the College of Business is provided within a mentoring environment in which there is close interaction between students and faculty. Effective teaching in the College collectively encompasses the following attributes: critical thinking, ethical sensitivity, effective communication, environmental awareness, leadership skills, proficiency in field of study, teamwork, and technological competency.

**Intellectual contributions** complement effective teaching by providing opportunities for our faculty to make pedagogy more effective and to remain current in their subject areas. All types of research activities are encouraged and recognized, especially those of particular significance to our mission: instructional development and applied scholarship.

**Community service** contributes to effective teaching by providing faculty and students opportunities and experiences that are integrated into the classroom. Service to the department, college, and university through active participation in committees and student organizations impacts organizational structures and behaviors. Service to the Southeast Texas region, nation, and world through active participation in experiential learning, professional involvement, and civic/cultural activities impacts economic development and societal values.

## Degrees Offered

The **Bachelor of Business Administration** curriculum consists of three distinct phases: business core, major specialization, and electives.

The business core requirements are patterned to develop an understanding of the social, legal, political, economic and global frameworks within which business organizations exist and operate. A common body of fundamental business and economic theory and principles is also represented in the business core. These theories and principles are developed along with certain basic quantitative tools of analysis and communication skills as preparation for the specialized major courses. Understanding of the interaction of all areas and functions of business operations is the objective of the core courses required of all business graduates.

The major specialization provides opportunities for study in a particular field of interest. This specialized study should enable a graduate to assume a position of responsibility in business, public service or education.

Finally, the student may choose electives that complement and supplement the specialization area.

The **Bachelor of Business Administration** degree will be awarded upon completion of the University core curriculum (p. 15) plus

I. Business core courses (54 semester hours)\*:

ECON 2301, 2302 Principles of Economics

MATH 1325 Elements of Analysis for Business Applications

BULW 1370 Business Environment and Public Policy

MISY 1373 Intro Software Tool Kit

ACCT 2301, 2302 Principles of Accounting

BUAL 3310, 3320 Business Analysis I & II

MISY 4360 Management Information Systems

BULW 3310 Business Law

ECON 3340 Macro Economics **or**

ECON 3390 Economics of the Firm

FINC 3310 Principles of Finance

MGMT 3310 Principles of Organizational Behavior & Mgmt

MKTG 3310 Principles of Marketing

OFAD 3350 Business Communications

MGMT 3320 Production Management

MGMT 4370 Administrative Policy

II. Major Specialization (18-28 semester hours)

III. Approved electives to complete a minimum of 123 semester hours

IV. A minimum grade point average of 2.00 in all College of Business coursework

V. A minimum cumulative grade point average of 2.00

VI. Application for the degree must be made through the Office of the Chair of the department of the student's major.

*\*Slightly different business core requirements exist for Office Administration-Plan II and Economics majors. See Department of Information Systems and Analysis and Department of Economics and Finance in this catalog.*

**Accounting Major (28 semester hours)**

ACCT 3470 Sys & Prac Appl

 ACCT Elective

**Economics Major (24 semester hours)**

ECON 3330 Inter Theory  
 ECON 3320 Money & Banking  
 ECON 3340 Macro  
 ECON 3390 Economics of the Firm  
 ECON 4315 Gov & Business  
 ECON electives 9 sem. hours

**Finance Major (21 semester hours)**

FINC 3320 Financial Analysis  
 FINC 4310 Investments  
 FINC 4320 Financial Markets  
 FINC 4330 Commercial Markets  
 Professional Track Elective  
 Professional Track Elective  
 Professional Track Elective

**General Business Major (18-24 semester hours)****Business Concentration**

ACCT 3340 Cost Accounting or  
 ACCT 3380 Taxation Accounting  
 FINC 3330 Insurance or  
 FINC 3320 Financial Analysis  
 MGMT 3330 Personnel Management  
 MKTG 4310 Marketing Management  
 MKTG 4380 Small Business Enterprise  
 OFAD 4310 Office Management

**Advertising Communication Concentration**

ARTS 2331 Visual Design I or  
 ARTS 3333 Visual Design II

ARTS 3351 Desktop Design  
 ARTS 4343 Computers in Art I  
 ARTS 4353 Computers in Art II  
 MKTG 3330 Marketing Promotion  
 Communications Course

**Industrial Engineering Concentration**

INEN 3301 Survey of Industrial Engineering  
 INEN 3330 Engineering Economy  
 INEN 3390 Materials Science and Manufacturing Processes  
 INEN 4301 Quality Control Applications  
 INEN 4380 Methods Engineering  
 INEN 4316 Industrial and Product Safety

**Retail Merchandising Concentration**

FCSC 1320 Textiles  
 FCSC 3306 Product Merchandising  
 FCSC 4320 Fashion History  
 FCSC 4340 Fashion Production and Distribution  
 FCSC 4337 Fashion Buying and Merchandising Techniques  
 MKTG 3320 Principles of Retailing

**Management Information Systems Major (24 semester hours)**

MISY 2320 Fundamentals of IS  
 MISY 3340 Network/Telecomm  
 MISY 3320 IS Hardware/Software  
 MISY 3310 IS Theory & Practice  
 MISY 3350 Programming and File Structure  
 MISY 3370 IS Analysis & Design  
 MISY 4380 IS Development  
 MISY 4350 Project Management

**Management Major (21 semester hours)**

ACCT 3340 Cost Accounting  
 MKTG 4310 Marketing Management  
 MGMT 3330 Personnel Management  
 MGMT 4310 Budgetary Control  
 MGMT 4320 Organizational Behav  
 MGMT 4340 Productivity Management  
 MKTG 4380 Small Business Enterprise

**Marketing Major (21 semester hours)**

MKTG 3320 Principles of Retailing  
 MKTG 3330 Mkt Promotion  
 MKTG 4320 Buyer Behavior  
 MKTG 4310 Marketing Management  
 MKTG 4330 International Mkt  
 MKTG 4360 Marketing Research  
 MKTG 4370 Adv Marketing Problems

**Office Administration Major – Plan I (21 semester hours)**

OFAD 1302 Intermediate Shorthand  
 OFAD 2301 Advanced Typewriting  
 OFAD 3310 Records Management  
 OFAD 3360 Office Information Systems  
 OFAD 3370 Electronic Word Processing Systems  
 OFAD 3380 Secretarial Office Procedures  
 OFAD 4310 Office Management

**Office Administration Major – Plan II (18 semester hours)**

MISY 3340 Microcomputer Software Applications–Business  
 OFAD 1302 Intermediate Shorthand  
 OFAD 2301 Advanced Typewriting  
 OFAD 3360 Office Information Systems  
 OFAD 3380 Secretarial Office Procedures  
 OFAD 4310 Office Management

**Human Resources Management (Accreditation) (21 semester hours)**

MGMT 3330 Human Resource Management  
 MGMT 4320 Organization Behavior  
 MGMT 4340 Productivity  
 PSYC 3360 Psy Tests and Measurements  
 BULW 3320 Employment Law or  
 ECON 3360 Survey of Labor Economics  
 MGMT 4330 Contemporary Issues in Personnel  
 OFAD 4310 Office Administration

The **Bachelor of Science** degree in economics will be awarded upon completion of the following requirements:

- I. The specific course requirements as set forth in the Department of Economics for the degree (see Department of Economics in this bulletin)
- II. A minimum grade point average of 2.00 in all College of Business courses
- III. A minimum cumulative grade point average of 2.00
- IV. A minimum of 123 semester hours
- V. A minimum of 30 semester hours in the field of economics
- VI. A minor of 18 semester hours, six of which must be 3000 or 4000 level courses

Requirements for the **Master of Business Administration** degree are given in detail in the Graduate Bulletin.

## **Admission to the College of Business**

All newly entering Freshmen who meet the University's general entrance requirements will be admitted to the College of Business.

## **Minor Program in Business**

Non-business students may minor in business but without any specialized field of study. Such students should complete MISY 1373, ECON 2301, 2302, ACCT 2301, 2302, MGMT 3310, MKTG 3310, and FINC 3310. In keeping with the spirit of a Minor, the students must have less than 25 percent of their total curriculum in Business subjects. This 25 percent restriction also applies to all students who are not registered for a major in the College of Business, but who wish to have any kind of a business emphasis or concentration.

## **Prerequisite Policy – College of Business**

Students registering for business courses must meet all course prerequisites, including the implicit prerequisite indicated by the course level. The chair of the department offering the course must approve any exceptions.

2000 level courses – Student must have 30 hours\*

3000 level courses – Student must have 60 hours\*

4000 level courses – Student must have 90 hours\*

---

\* These hours include the hours in which a student is currently enrolled.

## Department of Accounting and Business Law

**Department Chair:** R. W. Jones

**235 Galloway Business Bldg., Phone 880-8610**

**Professors:** Cavaliere, Jones, M. Swerdlow, Veuleman

**Barlow Professor:** Lewis

**Associate Professor:** Lynch, Mulvaney

**Assistant Professor:** Varick

**Adjunct Instructor:** G. Moss

### Objectives

The principal objective of the accounting department is to develop in the student the knowledge, intellectual abilities, values, attitudes, skills and leadership qualities needed:

1. to perform effectively in an entry-level position on an accounting track in business, government, education, or other fields and to advance to levels of increasing responsibility.
2. to grow and to develop as an individual both professionally and personally.
3. to become a contributing member of society.

The attainment of this objective requires successful teaching, research and service from the accounting faculty.

### Requirements for Becoming an Accounting Major

1. Present an SAT Score.
2. Completion of ACCT 2301 (minimum grade of "B") and Acct 3470 [minimum grade of "C"]. Transfer students must meet the equivalent of the above requirements.

### Requirements for Graduation

In addition to the College of Business degree requirements, the accounting major must earn a minimum grade of "C" in each accounting course attempted. Students pursuing this degree program must take all professional courses at Lamar University.

### 150-Hour Program

Beginning with the May 1998 CPA Exam, a candidate in Texas is required to have completed 150 semester hours of coursework. The BBA degree in this catalog will not meet this requirement. Students wishing to sit for the CPA Exam should plan to take additional hours to satisfy this exam requirement. One way to satisfy the requirement and receive a graduate degree is to complete the MBA degree with Accounting Emphasis (refer to the Graduate Catalog for additional information).

## Accounting Courses (ACCT)

<b>2301</b>	<b>Intro to Financial Acct</b>	<b>3:3:0</b>
	Concepts of financial accounting. Emphasis is on the conceptual framework of accounting and the preparation and uses of financial statements.	
<b>2302</b>	<b>Intro to Managerial Acct</b>	<b>3:3:0</b>
	This course is designed for non-accounting majors. Uses of accounting information in managerial planning, decision making, and control. Includes study of cost behavior, cost-volume-profit analyses, and budgeting.	
	<i>Prerequisite: ACCT 2301 with a minimum grade of "C".</i>	
<b>3310</b>	<b>Intermediate Accounting I</b>	<b>3:3:0</b>
	Analysis of theory and its applications in the areas of cash, temporary investments, receivables, inventories, plant and intangible assets, long-term investments, and present value concepts.	
	<i>Prerequisite: ACCT 2301 with a minimum grade of "B" and ACCT 4370 with a minimum grade of "C".</i>	

- 3320 Intermediate Accounting II** 3:3:0  
Continuation of ACCT 3310 with emphasis on long-term debt, short-term liabilities, leases, pensions, owner's equity, revenue recognition, income tax accounting, and earnings per share.  
*Prerequisite: ACCT 3310 with a minimum grade of "C".*
- 3330 Specialized Accounting Topics** 3:3:0  
Primary emphasis on governmental accounting and accounting for non-profit organizations. Also includes financial accounting topics – Statement of Cash Flows, foreign currency transactions, and introduction to SEC practices.  
*Prerequisite: ACCT 3310 with minimum grade of "C".*
- 3340 Cost Accounting** 3:3:0  
Cost accounting with a managerial emphasis: Job order and process cost; standard cost and variance analysis; budgetary control; relevant costing for decision making; capital budgeting.  
*Prerequisite: ACCT 2302 or ACCT 3470 with minimum grade of "C".*
- 3380 Taxation Accounting I** 3:3:0  
Provisions of the income tax code as applied to individuals: taxable income; gains and losses; capital gains; dividends; expenses; itemized deductions; depreciation; losses; zero bracket amounts; and credits.  
*Prerequisite: ACCT 2302 or ACCT 3470 with minimum grade of "C".*
- 3390 Taxation Accounting II** 3:3:0  
Provisions of the income tax code as applied to proprietorships, partnerships, estates, trusts and corporations; reorganizations; filing returns; refunds; social security taxes; estate taxes; gift taxes.  
*Prerequisite: ACCT 2302 or ACCT 3470 with minimum grade of "C"; strongly recommended that ACCT 3380 be completed.*
- 3470 Systems & Practice Applications** 4:3:2  
An intensive examination of manual and computer accounting systems. Students will use extensive manual and computer practice sets.  
*Prerequisite: ACCT 2301 with minimum grade of "B".*
- 4170 Planning for Retirement** 1:1:0  
This course is intended for persons who plan to retire within the next five years and for those who are planning later retirement who wish to maximize benefits and flexibility.
- 4171 Special Problems**  
This course is intended for the examination of new or special accounting problems under direction of a faculty member. A participant may repeat the course when the topic differs significantly from previous enrollment.  
*Prerequisite: Senior standing and approval of the department chair.*
- 4300 Introduction to Auditing** 3:3:0  
Introduction to the theory of auditing, with emphasis on generally accepted auditing standards (GAAS) and the profession's Statements on Auditing Standards. Understanding of the types of reports issued by auditors and the circumstances which would occasion the issuance of each. Also, discussion of the role of internal auditors and operational and compliance audits.  
*Prerequisites: ACCT 3320 and ACCT 3470 with minimum grade of "C" in each course.*
- 4310 Advanced Accounting** 3:3:0  
Analysis of special problems and theories relative to corporate mergers and acquisitions; consolidated financial statements; and partnerships. A major team research project and oral presentation is required.  
*Prerequisite: ACCT 3320 with minimum grade of "C".*
- 4370 Special Problems** 3:3:0  
This course is intended for the examination of new or special accounting problems under direction of a faculty member. A participant may repeat the course when the topic differs significantly from previous enrollment.  
*Prerequisites: Senior standing and approval of the department chair.*

## Business Law Courses (BULW)

- 1370 Business Environment and Public Policy** 3:3:0  
Survey course emphasizing interaction of business with its external and internal environments. Introduction to public policy process and issues with focus on ethical and moral considerations. Recommended for freshmen, especially business majors.
- 3310 Business Law** 3:3:0  
A survey of the legal environment and its impact upon business. Nature and sources of law, administrative and enforcement agencies, and governmental regulations. Students become aware of the legal framework of common business transactions.

- 3320 Employment Law** 3:3:0  
Historical interpretations and present provisions of regulations governing labor. Common law; state and federal statutes; Fair Labor Standards Act; Worker's Compensation; Social Security; liability; United States Department of Labor; social legislation; fair employment practices.
- 3330 Environmental Law** 3:3:0  
A survey of the environmental, health and safety laws and their impact on business. Social policy and legal framework, administrative and enforcement agencies, judicial interpretation. Students become aware of the positive aspects of "green" business and business' social responsibility toward the environment, in addition to the potential civil and criminal liability for noncompliance with the law.
- 3340 Business Ethics** 3:3:0  
An introduction to ethical decision-making in business. An examination of individual, organizational, and macro-level issues in business ethics. Both descriptive and normative models of unethical and ethical decision making in business are analyzed to assist the student as a potential business person to make more informed ethical decisions.
- 4340 Advanced Legal Principles** 3:3:0  
Detailed study of applicable statutes and other laws governing sales, real property, bankruptcy, forms of business enterprise (corporations and partnerships), insurance and documents of title.
- 4350 Estate Planning Fundamentals** 3:3:0  
A survey of the federal and state laws dealing with the estates of individuals, including living trusts, estate tax-saving trust, charitable trusts, spendthrift trusts, providing for children, avoiding probate, minimizing estate taxes, second marriages, protecting businesses at death, gifts, wills, and living wills.
- 4370 Administrative Internship** 3:3:0  
Experiential learning in a business or professional setting with career-related assignments and projects under the guidance of a faculty member. (Because of a limited number of placement opportunities, applicants are not guaranteed an assignment; thus, assignments are competitive.)  
*Prerequisites: 2.5 minimum grade point average and pre-registration consent of instructor*
- 4380 Real Estate Law** 3:3:0  
Survey of real property law, including types of ownership interests, methods of acquiring title (deeds, probate, gift), usage of these records, leases, mortgage instruments, and regulation of land use.  
*Prerequisite: BULW 3310*
- 4390 Special Topics in Business Law** 3:0:0  
Intensive investigation of topics in business law. Library and/or laboratory research and conferences with supervising faculty member. May be repeated when area of study differs.  
*Prerequisite: approval of instructor and department chair*

## Department of Economics and Finance

**Department Chair:** C. F. Hawkins      **240 Galloway Business Bldg., Phone 880-8647**

**Professors:** C. Allen, Brust, Choi, Hawkins, Montano, Moss, Price

**Assistant Professor:** J. Allen

**Adjunct Instructor:** Aubey

### Economics

Two degrees are offered in Economics:

**Bachelor of Business Administration:** Recommended to the student who desires a thorough grounding in business courses to augment the Economics knowledge which is necessary for understanding the complexities of modern business, government and nonprofit organizations.

**Bachelor of Science:** Recommended to the student particularly interested in working abroad, seeking the Doctor of Philosophy degree or desiring a supportive minor in another interest area such as mathematics, sociology, government, education, or computer science.

Representative employment opportunities for both degrees are found in banking, government, industrial relations, management, research and forecasting, communications, international trade and sales.

## Finance

The Finance program provides the student with a broad education in financial markets and institutions, in investments, and in the financial management of organizations. Electives can be selected to provide an emphasis in insurance, in real estate, in financial planning, or in financial management. Finance graduates are qualified for careers in banking or other financial institutions, stock brokerage firms, in the growing financial services industry, and in the financial division of major organizations.

## Teacher Certification – Economics

For details concerning requirements for teacher certification and information on professional courses, consult the College of Education and Human Development section in this catalog.

## J.D. Landes Center for Economic Education

**Director:** Joel L. Allen

The Center for Economic Education, established in January 1976, offers programs in economic education for elementary, secondary and college teachers, and business, professional and civic groups. The purpose of the Center is to institute, develop and promote programs that will increase economic understanding in cooperation with teacher education, other university or community programs.

Center services include: community and consultant services for workshops, institutes, conferences; materials and teaching aids development, curriculum design and integration; economics courses for prospective and in-service teachers, university students and other interested adults, area business, professional and civic groups.

The Lamar University Center for Economic Education is affiliated with the National Council and the Texas Council on Economic Education.

**Economics Courses (ECON)**

<b>1301 Principles and Policies</b>	<b>3:3:0</b>
Comprehensive introduction to economic principles and problems for non-business students. Resource utilization; price determination; distribution of income; fiscal and monetary problems; economic growth.	
<b>2301 Principles (Macro)</b>	<b>3:3:0</b>
Emphasizes monetary theory; national income analysis; fluctuation and growth; public finance; international trade; and current economic problems.	
<b>2302 Principles (Micro)</b>	<b>3:3:0</b>
Introduction to economic principles; allocation of resources; determination of output and prices; distribution; and managerial economics.	
<b>3306 Survey of Labor Economics</b>	<b>3:3:0</b>
Past development and present organizational structure of the labor movement in America and its impact on the industrial society. Labor markets; collective bargaining; wages; economic insecurity; labor legislation; governmental policies.	
<i>Prerequisite: Three hours of Economics or approval of the instructor.</i>	
<b>3310 Economics of Entrepreneurship</b>	<b>3:3:0</b>
Comprehensive analysis and practice exercises in entrepreneurship. Studies include demand analysis; pragmatic economic feasibility studies; identification and use of resources; function and use of profits.	
<i>Prerequisite: Six hours of Economics.</i>	

- 3320 Money and Banking** 3:3:0  
Functions and policies of the American monetary and banking system. Commercial banking; Federal Reserve System; monetary theories and policies; economic stabilization and growth.  
*Prerequisite: Six hours of Economics.*
- 3330 Intermediate Theory** 3:3:0  
Economic analysis and methodology. Distribution theory; price theory; pure and imperfect competition.  
*Prerequisite: ECON 2302.*
- 3340 Macro Economics** 3:3:0  
A descriptive-analytical approach to the dynamic forces that influence the aggregate level of economic activity. Income and employment determinants; levels of income and employment, stabilization theory; investment and income relationship; monetary and fiscal policies.  
*Prerequisite: ECON 2301.*
- 3350 International Trade** 3:3:0  
Theories, practices and problems involved in international commerce between nations. Bases of trade; tariffs; exchange controls; international monetary policies; current problems.  
*Prerequisite: Six hours of Economics.*
- 3370 Public Finance** 3:3:0  
Study of the constitutional, administrative and economic aspects of governmental fiscal activities; government debt; intergovernmental fiscal relations; federal, state and local taxes.  
*Prerequisite: Six hours of Economics.*
- 3390 Economics of the Firm** 3:3:0  
The application of the techniques of economic analysis to managerial problems of business enterprises utilizing a problem solving or case study approach. Goals of the firm; business forecasting; demand analyses; cost analysis; game theory; pricing policies; governmental relations.  
*Prerequisite: ECON 2302.*
- 4311 Problems in Economics** 3-6:0:0  
Investigation into special areas in economics under the direction of a faculty member. This course may be repeated for credit when topics of investigation differ. Not intended for students with grade point deficiencies.
- 4315 Government and Business** 3:3:0  
Promotion, regulation and restriction of business enterprises by government. Regulatory agencies; antitrust laws; consumerism; transportation; industrial organization and concentration and the eco-legal environment.
- 4330 History of Economic Thought** 3:3:0  
Historical development of economic thought from primitive periods to the present. Classical; historical; socialist; neoclassical; institutional thought.
- 4340 Economic Development** 3:3:0  
Introduction to the theories and history of economic growth and development applicable to advanced and emerging economies; analysis of processes of growth including cultural, technological and economic factors; identification of problem areas with policy implications.  
*Prerequisite: Three hours of Economics.*
- 4350 Comparative Economic Systems** 3:3:0  
A critical analysis of the basic theories and institutions of economic systems including a comparison of the American system with other existing systems. Capitalism; socialism; communism.  
*Prerequisite: Three hours of Economics.*
- 4380 Economics of World Resources** 3:3:0  
The world's physical and economic resources and their relationship to man's well being. Interrelationships between resources and industries, commerce and investments at the national and international level. Implications of government regulations on resource use and economic development.

## Finance Courses (FINC)

- 3310 Principles of Finance** 3:3:0  
An introductory survey of the principal issues, decision areas, and analytical procedures relevant to the financial management of private business firms including capital budgeting, cost of capital, short and long-term financing, dividend policy and valuation.  
*Prerequisite: ECON 1301 or ECON 2302 and 2301, ACCT 2302 and Junior standing.*
- 3320 Financial Analysis** 3:3:0  
Analytical techniques used in financial decision making, including ratio analysis, funds analysis, capital structure, dividend policy, financial forecasting, and valuation models.  
*Prerequisite: FINC 3310.*

- 3306 Personal Finance** 3:3:0  
Introduction to financial problems of the consumer. Emphasis is placed on problems concerning financial planning, investments in real estate, personal property, insurance, and securities.  
*Prerequisite: Non-finance majors only.*
- 4310 Investments** 3:3:0  
An appraisal of investment alternatives in financial markets. Markets, securities, methods of analysis, investment programming.  
*Prerequisite: FINC 3310.*
- 4320 Financial Markets and Institutions** 3:3:0  
A study of the supply and demand for funds in financial markets; analysis of sectoral supply and demand in various sub-markets; the role of financial intermediaries; interest rate forecasting.  
*Prerequisite: FINC 3310.*
- 4330 Commercial Banking** 3:3:0  
An overview of the regulation, operation, and management of the commercial bank; asset and liability management policy; loan policy, investment policy, capital adequacy, liquidity management.  
*Prerequisite: FINC 3310.*
- 4306 Security Analysis and Portfolio Management** 3:3:0  
Analysis of investment alternatives in a portfolio context, recent theoretical developments in portfolio management, construction of portfolios to achieve specific investment objectives, investment portfolio monitoring and performance evaluation.  
*Prerequisite: FINC 4310.*
- 4390 Mortgage Lending** 3:3:0  
Methods of real estate financing, sources of funds from financial institutions and governmental agencies. Financial instruments available to the investor, mortgage, risk analysis, and loan principles.  
*Prerequisite: FINC 4340.*

## Department of Information Systems and Analysis

**Department Chair:** Don Jordan      237 Galloway Business Bldg., Phone 880-8635

**Professors:** Barnes, Drapeau, Jordan, Spradley

**Associate Professors:** Pearson

**Assistant Professors:** K. Bandyopadhyay, Chen, Flosi

The Department of Information Systems and Analysis offers degrees in General Business, Management Information Systems, and Office Administration. All students receiving degrees must meet the general education degree requirements of the University described under the Academic Policies and Procedures section of this catalog. In addition students must meet the requirements for the Bachelor of Business Administration degree outlined by the College of Business.

### General Business

The academic major in General Business provides students an opportunity to study the fundamentals of a business enterprise. The program allows students to take courses in General Business only or to concentrate their coursework in one of the following areas: Advertising Communication, Industrial Engineering and Retail Merchandising.

## Management Information Systems

Information Systems, as an academic field, encompasses two broad areas: (1) acquisition, deployment, and management of information technology resources and services (the information systems function) and (2) development and evolution of infrastructure and systems for use in organization processes (system development).

The information systems function has a broad responsibility to develop, implement, and manage an infrastructure of information technology (computers and communications), data (both internal and external), and organization-wide systems. Information technology is pervasive in all organization functions. Accounting, finance, marketing and production, among other areas, use it. This pervasive use increases the need for information systems professionals with systems management and system development expertise.

The program prepares students to communicate effectively both orally and in writing. It requires students to develop interpersonal skills and to apply both quantitative and qualitative techniques to solve business problems in group and team settings. It prepares individuals for positions such as: information systems (IS) manager, telecommunications manager, network administrator, LAN client/server developer, systems analyst, database analyst or administrator, software project manager, and technical support manager.

The following requirements are effective for all students entering or transferring into the MIS program: A minimum GPA of 2.5 is required to enter and remain in this program. Students who drop below 2.5 GPA will be placed on probation and will not be allowed to enroll in MISY 3370, MISY 4350, or MISY 4380. Additionally, MIS majors who make a grade of "D" or "F" in any MIS course must repeat the course, earning a grade of "C" or higher.

## Office Administration

The academic major in Office Administration provides students an opportunity to take courses in general business. The program exposes students to the tools and technology used in the professional secretarial field. An introduction to records management, word processing and office information systems is covered.

This major may be combined with courses in education. Graduates who choose this option and successfully complete their work will be qualified for a teacher's certificate.

## Business Analysis Courses (BUAL)

<b>3310 Business Analysis I</b>	<b>3:3:0</b>
Introduction to the quantitative methods of analysis as applied to business problems. Topics of study include collection of data, statistical description, probability theory, probability distribution, sampling theory, estimation, and introduction to test of hypothesis.	
<i>Prerequisite: MATH 1314 or higher.</i>	
<b>3320 Business Analysis II</b>	<b>3:3:0</b>
Emphasis on use of statistics in business decision-making. Topics of study include hypothesis testing, inferences between two populations, analysis of variance, chi-squared and other non-parametric tests, simple-multiple linear regression/correlation analysis, classical time series analysis, and index numbers.	
<i>Prerequisite: BUAL 3310.</i>	
<b>4390 Special Topics in Business Analysis</b>	<b>3:0:0</b>
Intensive investigation of topics in business analysis. Library and/or laboratory research and conferences with supervising faculty member. May be repeated when area of study differs.	
<i>Prerequisite: Approval of instructor and department chair.</i>	

## Management Information Systems Courses (MISY)

<b>1373 Introductory Software Tool Kit</b>	<b>3:3:0</b>
History of computing; components of a personal computer; word processing, spreadsheets, databases, presentation graphics, e-mail and Internet tools.	

- 2320 Fundamentals of Information Systems** 3:3:0  
Systems concepts; system components and relationships; cost/value and quality of information; competitive advantage and information; specification, design and re-engineering of information systems; application versus system software; package software solutions; procedural versus non-procedural languages; object-oriented design; database features; functions and architecture; networks telecommunication systems and application; characteristics of IS professionals and career paths; knowledge work productivity concepts; software functionality to support personal and group productivity; organization and management of software and data; accessing organization data, accessing external data; selecting a computer solution; developing a macro program by doing; designing and implementing a user interface; developing a solution using database software; refining and extending individual and group information management activities.  
*Prerequisite: MISY 1373*
- 3310 IS Theory and Practice** 3:3:0  
Systems theory and concepts; information systems and organizational systems; decision theory and how it is implemented by IT; quality, TQM and re-engineering; level of systems; strategic, tactical and operational; system components and relationships; information system strategies; roles of information and information technology; roles of people using, developing and managing systems; IS planning; human-computer interface; network and telecommunications systems management; electronic commerce; implementation and evaluation of system performance; societal and ethical issues related to information systems design and use.  
*Prerequisite: MISY 1373.*
- 3320 IS Hardware/Software** 3:3:0  
Hardware: CPU architecture, memory, registers, addressing modes, busses, instruction sets, multiprocessors versus single processors; peripheral devices: hard disks, CD's, video display monitors, device controllers, input/output; operating systems functions and types; operating system modules: processes, process management, memory and file system management; examples of hardware architectures; examples of operating systems; basic network components, switches, multiplexers and media; installation and configuration of multi-user operating systems.  
*Prerequisite: MISY 1373*
- 3330 COBOL Development** 3:3:0  
An introduction to COBOL programming in a business environment. Introduction to and use of program development, top-down structured programming, and program correctness concepts. Coverage will include language syntax, data and file structures and sequential file processing. Development of COBOL programs that run in an Internet environment will be covered.  
*Prerequisite: MISY 1373*
- 3340 Networks and Telecommunication** 3:3:0  
Telecommunications devices, media, systems; network hardware and software; network configuration; network applications; coding of data; cost/benefit analysis; distributed versus centralized systems; architectures, topologies, protocols; installation and operation of bridges, routers and gateways; network performance analysis, privacy, security, reliability; installation and configuration of LAN and WAN networks; management of telecommunications, and communications standards. Intranet and Internet.  
*Prerequisite: MISY 1373.*
- 3350 Programming and File Structures** 3:3:0  
Data structures and representation: characters, records, files, multimedia; precision of data; information representation, organization and storage; algorithm development; object representation compared to conventional data flow notation; programming control structures; program correctness, verification, and validation; file structures and representation, program development in at least one high-level language.  
*Prerequisite: MISY 1373*
- 3360 Visual BASIC Development** 3:3:0  
Introduction to programming using Visual BASIC language. A software engineering approach to developing programs and business systems is stressed and object-oriented concepts are introduced. Coverage includes language syntax and file or database processing; development of graphical user interfaces; development of Visual BASIC programs that run in the Internet environment.  
*Prerequisite: MISY 1373*
- 3370 IS Analysis and Design** 3:3:0  
Life-cycle phases: requirements determination, logical design, physical design, test planning, implementation planning, and performance evaluation; communication, interpersonal skills, interviewing, presentation skills; group dynamics; risk and feasibility analysis; group-based approaches; project management, joint application development (JAD), structured walkthroughs; object oriented design; software production and reviews; prototyping; database design; software quality metrics; application categories; software package evaluation and acquisition; professional code of ethics.  
*Prerequisite: MISY 3310*

- 4340 Multimedia Applications** 3:3:0  
Use of personal computers to develop multimedia applications; use of various hardware and software components in the production of multimedia systems; working in a workgroup using a Local Area Network with shared resources; the most current hardware and software tools for processing text, graphics, sound, video and animation. Class projects require hands-on use of authoring and applications packages. Students develop and present an interactive multimedia system project.  
*Prerequisite: MISY 1373*
- 4350 Project Management and Practice** 3:3:0  
Managing the system life cycle; requirements determination, logical design, physical design, testing, implementation; system and database integration issues; network and client-server management; metrics for project management and system performance evaluation; managing expectations: superiors, users, team members and others related to the project; determining skill requirements and staffing the project; cost-effectiveness analysis; reporting and presentation techniques; effective management of both behavioral and technical aspects of the project; change management.  
*Prerequisite: MISY 3370*
- 4360 Management Information Systems** 3:3:0  
Analysis of the role of information systems in business organizations. Fundamental concepts of systems; information-flows; nature of information support systems; computer applications in decision systems; applications of decision support and expert systems.  
*Prerequisite: MISY 1373*
- 4370 Database Applications** 3:3:0  
This course emphasizes the design of information systems using database software and query languages. The development of Graphical User Interface software systems is stressed. Data warehouse concepts are introduced. Students are required to design, develop and implement database server applications. Legacy systems. LAN and distributed systems are used to give the student hands-on experience in database development.  
*Prerequisite: MISY 1373*
- 4380 IS Development** 3:3:0  
This is a capstone course in which the student is required to complete a project that demonstrates command of a significant body of Information Systems knowledge. The course requires application of concepts, techniques, and tools used in analysis, design and implementation of computer-based information systems in an applied or real-world setting. Students are required to present their project to the instructor and other students in the class. This course is required of all senior Information System majors.  
*Prerequisites: MISY 3350 & MISY 3370*
- 4390 Special Topics in Management Information Systems** 3:0:0  
Intensive investigation of topics in management information systems. Library and/or laboratory research and conferences with supervising faculty member. May be repeated when area of study differs.  
*Prerequisite: Approval of instructor and department chair.*

## Office Administration Courses (OFAD)

- 1301 Beginning Shorthand/Notehand** 3:2:2  
Introduction of symbolic or alphabetic writing system. Reading; writing; theory principles; vocabulary and spelling review.
- 1302 Transcription** 3:2:2  
Emphasis on skills needed for transcription of dictated material. Advanced transcription techniques.  
*Prerequisite: OFAD 1301 or dictation speed of 80 wpm.*
- 1311 Keyboarding (Beginning Typewriting)** 3:2:2  
Introduction to touch system of keyboarding. Development of keyboarding techniques as a foundation for skill development and transfer to electronic keyboarding equipment, computer terminals, text editing equipment, etc. Simple letter forms and manuscripts for students' personal use.
- 1312 Intermediate Typewriting** 3:2:2  
Emphasis on speed and accuracy development and the transfer of typewriting skills to office production problems. Includes business letter styles, manuscript formats, and tabulation applications.  
*Prerequisite: Beginning typewriting or equivalent.*
- 2301 Advanced Typewriting** 3:2:2  
Application of acquired typewriting skills and knowledge to planning, organizing, and typewriting a variety of production problems with professional speed and efficiency. Includes business forms, statistical tables, financial statements, legal documents, reports, and correspondence. (CC No. 2302)  
*Prerequisite: OFAD 1302*

- 3310 Records Management** 3:3:0  
The systematic approach to the management of business records for executive problem-solving and decision-making activities. Record cycle from creation to disposition; forms management; correspondence and reports control; auditing record programs; automated systems.
- 3350 Business Communications** 3:3:0  
Theories, practices and problems involved in communications in business and industry with emphasis on use of practical psychology, good judgment. Letters; reports; memoranda.  
*Prerequisite: Practical knowledge of touch typewriting helpful.*
- 3360 Office Information Systems** 3:3:0  
An examination of office information and decision support systems. Information processing systems; analysis and management of support activities; electronic storage systems; reprographics; communications distribution; person/machine interfaces; appraisal of current and future technological trends.
- 3370 Word Processing Software Applications** 3:3:0  
An advanced word processing course using state-of-the-art microcomputer software, formatting, editing, revising, merging, desk-top publishing, file/hard disk management, graphics.
- 3380 Secretarial Office Procedures** 3:3:0  
Capstone office administration course. Analysis of responsibilities and duties of the administrative secretary. Procedures; work simplification; supervision; office etiquette and ethics; sources of information.
- 4310 Office Management** 3:3:0  
Administrative management of business offices; social, legal, and ethical consideration in office management; employee recruitment, training, supervision, and motivation; information systems; office location and layout; selection of equipment and supplies; office cost control.
- 4340 Women in Business** 3:3:0  
A reading-discussion course concerned with the issues the businesswoman of today encounters. Students survey the literature and discuss available opportunities for women as well as existing problems of the woman in business.
- 4390 Special Topics in Office Administration** 3:0:0  
Intensive investigation of topics in office administration. Library and/or laboratory research and conferences with supervising faculty member. May be repeated when area of study differs.  
*Prerequisite: Approval of instructor and department chair.*

## Department of Management and Marketing

**Department Chair:** Lynn Godkin      **236 Galloway Business Bldg., Phone 880-8622**

**Professors:** Godkin, R. Swerdlow

**Associate Professors:** S. Bandyopadhyay, Lee, Sen

**Assistant Professor:** Mayer, Valentine

**Adjunct Instructor:** Fraccastoro

## Degree Programs

### Management

Management involves the coordination of resources – both human resources (people) and non-human resources (machine, materials, etc.) – to achieve organizational objectives efficiently. The curriculum in Management, therefore, provides the student with an understanding of the specialized functional areas and with a broad, integrated view of the firm as a whole. Men and women with university degrees in Management are equipped to advance more rapidly into positions of increasing responsibility in private business firms, in not-for-profit organizations, and in government.

## Human Resources Management

Human Resources Management involves the recruitment, selection, maintenance, and development of human resources by organizations. It includes such diverse functional areas as interviewing, training, compensation and benefits, health and safety, and labor relations. University graduates in Human Resources Management are found in all types of business firms, larger service organizations, and governmental agencies.

## Marketing

Marketing, as a professional field, is concerned with the whole range of activities that facilitate the movement of goods and services from the producer to the ultimate consumer. The Marketing curriculum provides the student with a fundamental understanding of each of the specialties involved in the process as well as with the management of the marketing function generally. Typical kinds of careers open to Marketing graduates include advertising, market research, sales and sales management, purchasing, services marketing, business to business marketing, brand management, consumer behavior, and retail management.

## Academic Counseling

Management, Marketing and Human Resources Management majors are assigned an academic advisor, who is a full-time faculty member, when they first enter the program. Students who are seniors are advised by the Department Chair.

## Suggested Programs of Study – All Majors

### First Year

## Management Courses (MGMT)

- 3310 Principles of Organizational Behavior & Management** 3:3:0  
Includes the study of organization behavior concepts such as leadership, motivation, individual behavior, group behavior and communication. Their use in U.S. and multinational organizations in management practice is examined in the context of today's legal, social and ethical environment.  
*Prerequisite:* Junior standing.
- 3320 Production Management** 3:3:0  
A survey of the production function and the analytical tools used to solve problems associated with the development and operation of a production system. Analytical tools include: linear programming, critical path scheduling, waiting line, statistical quality control and forecasting.  
*Prerequisite:* Junior Standing. BUAL 3310 is highly recommended.
- 3330 Human Resource Management** 3:3:0  
A behavioral approach to the management of the human resource in business enterprise. The fundamentals of human relations and organizational behavior will be used to structure an understanding of the managerial problems of recruitment, selection, training, promotion and termination of personnel. Supervision of the work force will be considered as an examination of theories of motivation, communication and leadership.  
*Prerequisites:* Junior Standing and MGMT 3310.
- 4310 Budgetary Control** 3:3:0  
Theories, problems and techniques of internal financial and budgetary controls. Financial planning, budgetary construction, evaluation, performance rating, re-planning.  
*Prerequisites:* Senior Standing, ACCT 2301, and FINC 3310.
- 4320 Advanced Organizational Behavior** 3:3:0  
A survey of organization theory with emphasis on behavioral issues in both the private and public sectors.  
*Prerequisites:* Senior Standing and MGMT 3310.
- 4330 Issues in Human Resources** 3:3:0  
An analysis of current issues in the field of personnel and industrial relations, including fair employment and compensation practices, human utilization and motivation, individual rights, collective bargaining, and personnel related laws, decisions, guidelines and executive orders.  
*Prerequisites:* Senior Standing and MGMT 3330.
- 4340 Quality and Productivity Management** 3:3:0  
A survey course emphasizing the need for improved productivity in profit and non-profit organizations. The course will focus on the historical and current aspects of productivity as well as problems and methods of measuring, planning, and implementing productivity programs.  
*Prerequisites:* Senior Standing, MGMT 3320, and BUAL 3310.

- 4370 Administrative Policy** 3:3:0  
 Fundamental considerations and procedures followed in business policy formulation and administration. Managerial structure; company objectives; coordination of departmental policies; organization of personnel; reappraisals.  
*Prerequisites: Student must be a senior who has taken all of the business core except MGMT 4370 or be a graduating senior who has taken FINC 3310, MGMT 3310, MKTG 3310, and MGMT 3320.*
- 4390 Special Problems in Business** 3:0:0  
 Investigation into special areas in business under the direction of a faculty member.  
*Prerequisite: Permission of supervising faculty member and chair of the department.*

## Marketing Courses (MKTG)

- 3310 Principles of Marketing** 3:3:0  
 A description and analysis of business activities designed to plan, price, promote and distribute products and services to customers. Topics studied include the marketing environment, consumer buying habits and motives, types of middlemen, marketing institutions and channels, governmental regulations, advertising and current marketing practices.  
*Prerequisite: Junior Standing.*
- 3320 Principles of Retailing** 3:3:0  
 A comprehensive introduction to large scale retailing with emphasis on layout, merchandise management.  
*Prerequisites: Junior Standing, ECON 1301 or ECON 2301 and ECON 2302, ACCT 2301 and MKTG 3310.*
- 3330 Marketing Promotion** 3:3:0  
 An overview of the broad field of advertising. Creation of primary and selective demand, promotional program selection, media selection and determination of advertising effectiveness and coordination of the promotional mix.  
*Prerequisites: Junior Standing, ECON 1301 or ECON 2301 and ECON 2302, ACCT 2301 and MKTG 3310.*
- 3340 Marketing Channels and Logistics** 3:3:0  
 Discusses the economic and behavioral dimensions of the management of relationships among manufacturers, wholesalers, and retailers. Also covers the physical distribution process of transportation, storage, and order processing, and related strategies.  
*Prerequisites: Junior Standing, ECON 1301 or ECON 2301 and ECON 2302, ACCT 2301 and MKTG 3310.*
- 4310 Marketing Management** 3:3:0  
 The planning and execution of various marketing activities from the managerial viewpoint are presented, viz: determining the basic product or service market analysis, price policies, product promotion, management of the sales force and sales analysis and physical distribution with the logistics system concept.  
*Prerequisites: Senior Standing, ECON 1301 or ECON 2301 and ECON 2302, ACCT 2301, MKTG 3310 and MGMT 3310.*
- 4320 Buyer Behavior** 3:3:0  
 Acquaints the student with consumer behavior models and behavior research techniques.  
*Prerequisites: Senior Standing, ECON 1301 or ECON 2301 and ECON 2302, ACCT 2301, and MKTG 3310.*
- 4330 International Marketing** 3:3:0  
 A survey of international marketing, world markets, political restraints in trade and international marketing principles.  
*Prerequisites: Senior Standing, ECON 1301 or ECON 2301 and ECON 2302, ACCT 2301, MKTG 3310 and MGMT 3310.*
- 4360 Marketing Research** 3:3:0  
 The importance and use of marketing research in business is stressed. A detailed analysis is made of each marketing research step from the formulation of the problem to the preparation of the research report and follow-up. The basic research methods (survey, observational and experimental) are presented.  
*Prerequisites: Senior Standing, ECON 1301 or ECON 2301 and ECON 2302, ACCT 2301, MKTG 3310, and BUAL 3320.*
- 4370 Advanced Marketing Problems** 3:3:0  
 Oral and written cases in the area of marketing management and marketing strategy are utilized (organization, product lines, pricing, channels of distribution, selling, etc). Emphasis is placed on simulated problem solving and decision making in the marketing environment.  
*Prerequisites: Senior Standing and MKTG 4310.*
- 4380 Advanced Entrepreneurship** 3:3:0  
 Designed to give the student actual experience in the management of a small business. The student is assigned to a local business as a "student-consultant." The student is required to submit a report outlining the problems of the business and recommended solutions.  
*Prerequisites: Senior Standing, BUAL 3310 and MKTG 4310.*

***Students in the College of Education and Human Development are professionally and technically well-prepared to accept positions in the human service and education fields.***

---

# The College of Education and Human Development

**Departments:** Professional Pedagogy, Family and Consumer Sciences, Health and Kinesiology, and Educational Leadership

**R. Carl Westerfield, Dean**

**203 Education Building, Phone 880-8661**

**Charles M. Burke, Director of Professional Services and Admissions**

**206 Education Building, Phone 880-8902**

Preparing prospective teachers is a tradition of the University. Non-teaching specialties in food service management, interior design, fashion merchandising, home economics, health and physical education are more recent offerings representing diversification and growth of the College of Education and Human Development since its establishment in 1959.

Graduate programs in the College are described in the Graduate Studies Catalog of the University.

Degree and certification programs are described in separate departmental sections of this bulletin.

***Lamar University reserves the right to modify degree requirements and teaching certificate requirements in keeping with legislative acts and rules established by the Texas Higher Education Coordinating Board and the State Board for Educator Certification.***

## Mission and Objectives

The College of Education and Human Development is dedicated to promoting the achievement of the University's mission. Toward that goal and in the belief that educational problems are best through partnerships with elementary and secondary education, higher education, state-level education agencies and other appropriate groups, the College is committed to a collaborative approach in addressing educational issues. Emphasis is placed on the preparation of personnel for educational and human service careers through professional programs, which are current and relevant in theory and practice. Collaborative participation by the faculty in state, regional and national professional organizations, public schools and human service agency activities is practiced and encouraged.

The College of Education and Human Development has as its major function the professional preparation of elementary and secondary school personnel and preparation of personnel for specific human services positions and professional careers. The College has an oversight role for the development of academic competencies of the prospective teacher pursuing a major within the many departments of Lamar University.

The College is composed of four departments: Professional Pedagogy, Educational Leadership, Family and Consumer Sciences, and Health and Kinesiology. The Division of Professional Services includes early field experiences, student teaching and certification. The Early Childhood Development Center is located adjacent to the University campus and provides a site for University students to observe and work with children as part of the professional preparation of teachers and other school personnel.

## Degrees Offered

**Bachelor of Science Degree** with majors in the following fields:

Interdisciplinary Studies

Family and Consumer Sciences

Kinesiology

Health

## Teacher Education – A Shared Responsibility

The preparation of teachers is a responsibility shared by virtually all of the colleges of the University. Policies concerning teacher education programs are coordinated by the Teacher Education Council. This Council is composed of faculty members from the various colleges of the University offering teacher education programs. Within the framework of the policies established, the College of Education and Human Development provides oversight for all teacher education programs throughout the University.

## Teacher Education Programs

Lamar University provides undergraduate teacher education programs that fulfill the curriculum requirements for the following Provisional Certificates in the State of Texas: elementary education, secondary education, generic special education, vocational home economics, education of the deaf, driver education, all-levels music, all-levels art, all-levels physical education, early childhood education, and English as a second language.

Information concerning graduate teacher education programs and professional certification may be found in the Graduate Studies Bulletin.

## Early Childhood Development Center

The Lamar University Early Childhood Development Center is an educationally oriented model program for children between the ages of 18 months and five years. The Center, under the direction of The College of Education and Human Development, is an integral part of professional development for undergraduate and graduate students on the Lamar University campus.

The center is used extensively by the Department of Family and Consumer Sciences, the Department of Pedagogy, the Department of Health and Kinesiology, and the Department of Educational Leadership. The Center provides opportunities for University students to direct learning of young children who exhibit both typical and atypical development as well as investigate effective teaching strategies for promoting optimal development among young children. Students have the opportunity to observe and interact with children, which enhances the understanding of child growth and development. In addition the students are able to relate understanding about the family, nutrition, prenatal care and community interaction to child behavior.

The Center provides interdisciplinary research opportunities for faculty and graduate students. The center is also used for strengthening leadership skills in the field of child development through seminars, workshops and other educational events. The Center is accredited by the National Academy of Early Childhood Programs.

## Alternative Certification Program

The College of Education and Human Development offers an Alternative Teacher Certification Program in Special Education (K-12, Composite Science (6-12), and Elementary Bilingual. Applicants for this program must have earned a Bachelor's degree and possess an overall minimum grade point average of 2.5 on a four-point scale. Other criteria also apply. Alternative Certification is an intense, quality, field-based program, and interns learn through course work and by participating in a full-time employment situation. For further information, contact the Dean of Education and Human Development.

## Admission to Teacher Education

Application for admission to the teacher education program is made upon, or prior to, enrollment in PEDG 3310 or 3320. Applications are available in 106 Education.

***Lamar University reserves the right to modify degree requirements and teaching certificate requirements in keeping with legislative acts and rules established by the Texas Higher Education Coordinating Board and the State Board for Educator Certification.***

## Admission Requirements for Teacher Education

1. Completion of 60 semester hours including:
  - a. Successful completion of the required 1000-level courses in English
  - b. Successful completion of the required mathematics courses listed in Academic Foundation
2. An over-all grade point average of 2.5 or higher on a 4.0 scale.
3. Successful completion of the state-mandated basic skills test (TASP).

## Admission to Student Teaching and the Professional Semester

Student teaching shall be scheduled for the final Spring or Fall semester prior to graduation from Lamar University together with two other PEDG courses. This 12-semester-hour blocking of courses, (six hours for student teaching and two, three-semester-hour PEDG courses) constitutes a "professional semester."

For elementary certification programs, these courses are PEDG 4340 and 3340. For all-levels certification programs, these courses are PED 4340 and 3380. For secondary certification programs, these courses are PED 4380 and 3380.

Students who are eligible and who desire to enroll in the "professional semester" must apply to the Director of Professional Services by December 1, prior to the Fall semester in which student teaching is planned, and May 1, prior to the Spring semester for which student teaching is planned.

In order to qualify for the professional semester, students must meet the following standards:

1. Be admitted to Teacher Education.
2. Be of senior standing.

3. Possess a grade point average of 2.5 in:
  - a. All work taken
  - b. All teaching fields (areas of specialization for elementary).
  - c. All professional education courses completed.
4. Completed all courses in professional education except:
  - a. For elementary PEDG 3340, 4340 and 4630 or 4650.
  - b. For secondary students, except Home Economics majors, all professional education courses except PEDG 3380, 4380 and 4620.
  - c. For Family and Consumer Sciences majors, FCSC 3380 and 4380, 4620.
  - d. For all-levels students (Art, Hearing Impaired, Music and Physical Education)
  - e. All-professional education courses except PEDG 3380, 4340 and 4630.
5. Completed prerequisites in academic content area as follows:
  - a. For elementary, all courses in academic area of specialization.
  - b. For the kindergarten and ESL endorsements, nine or twelve hours of required courses.
  - c. For the driver education endorsement, all seven hours.
  - d. For secondary Option I, all-levels Hearing Impaired, and all-levels Art and Music students, 42 hours in the composite teaching field.
6. Written approval of the Director of Professional Services.

## **Certification Policies**

***Lamar University reserves the right to modify degree requirements and teaching certificate requirements in keeping with legislative acts and rules established by the Texas Higher Education Coordinating Board and the State Board for Educator Certification.***

To be recommended for a teaching certificate, the applicant must present

1. A minimum grade point average of 2.5 in all work undertaken at Lamar, a minimum 2.5 in elementary school specialization or in each teaching field and a minimum 2.5 in the professional education courses relevant to the certificate.
2. A minimum of 12 hours in residence at Lamar University in professional education courses.
3. A minimum of six hours in residence at Lamar University.
  - a. In each teaching field for secondary certification.
  - b. In the area of specialization for elementary certification.
4. Evidence of successfully completing student teaching requirements in the area of certification sought.
5. Successful completion of all sections of the Texas Academic Skills Program (TASP) test and successful completion of the appropriate ExCET examinations.
6. Department Chairs determine eligibility of students to take ExCET exams according to established guidelines by the State Board for Educator Certification.

## Provisional Certificate and Degree Requirements

Provisional Certificate programs are offered in elementary, secondary, special education-generic, vocational home economics, all-levels art, all-levels music, all-levels physical education and all-levels hearing impaired. Provisional Certificate endorsements are available in driver education and English as a second language. Information concerning these programs may be found in the following paragraphs or in departmental sections of this bulletin.

Provisional Certificate requirements are composed of four parts: (1) academic foundations, (2) academic specialization, (3) professional development and (4) designated free electives. Programs require the completion of 126 to 139 semester hours.

Current academic foundation requirements for certificate programs are described below. Students wishing to secure the Bachelor of Arts or Bachelor of Science degree and, at the same time, to certify for provisional certificate will be required to meet teacher education standards. It will be necessary to consult with your department head or the College of Education and Human Development Advising Center concerning the specifics of these requirements. Other requirements are outlined under the departmental sections of this catalog.

## Philosophy of Knowledge Core Curriculum

The core curriculum, found on page 14, is required of all students working toward Provisional Certificates at this University. Within the general framework shown, some course selections may be governed by the type of certification or degree obtained. Where appropriate, a maximum of six semester hours (eight in science), taken in academic foundations may be included in any one teaching field.

Additional electives and degree requirements .....9

(Must include 3 hrs Fine Arts and 3 hrs Social Science)

Nine hours to be selected from approved courses in the following groups with courses included from a minimum of two groups:

- Group I: Anthropology, Psychology, Sociology,  
Child & Family Development, Health
- Group II: Economics
- Group III: Foreign Language, Manual Communication
- Group IV: Art, Drama, Music, Dance
- Group V: Philosophy, Humanities

## Special Certificates and Endorsements

**All-levels Art degree and certificate.** Described in the Art section of this catalog.

**Driver education endorsement.** Described in the Department of Health and Kinesiology section of this catalog.

**Early Childhood Certification.** Described in the Interdisciplinary Studies section of this catalog.

**All-levels Music degree and certificate.** Described in the Music section of this catalog.

**Education of the hearing impaired.** Described in the Communication section of this catalog.

**Vocational Home Economics degree and certificate.** Described in the Family and Consumer Sciences section of this catalog.

**English as a second language endorsement.** Described in the English as a Second Language section of this catalog. This endorsement may be added to any provisional teaching certificate.

### **Certification for Persons with Bachelor's Degree (or higher) Who Are Not Certified To Teach in Texas**

1. Information concerning these certification plans is available in the College of Education and Human Development Professional Services Office.
2. Persons with degrees from Texas colleges and persons with degrees from out-of-state colleges apply in the College of Education and Human Development, Professional Services Office for certification in Texas.

### **Certification for Persons with Texas Teaching Certificates Who Desire Additional Endorsements**

Those persons with elementary certificates who desire secondary certification, those with secondary certificates who desire elementary certification, and those with elementary or secondary certificates who desire additional endorsements obtain information from the Professional Services Office.

### **Professional Certificates**

Requirements for Professional Certificates are described in the Graduate Catalog.

## **Department of Professional Pedagogy**

**Department Chair:** Ravic Ringlaben

**202 Education Building, Phone 880-8673**

**Professors:** Burke, Hargrove, Haven, Karlin, Ringlaben, Sisk, Watts

**Associate Professors:** Henry, McCaskill

**Assistant Professors:** Farrow, Goulas, Griffith, Matheny, Weeks, Zhang

**Instructor:** Gober

### **Bachelor of Science Degree in Interdisciplinary Studies**

The Bachelor of Science degree in Interdisciplinary Studies is designed to meet the requirements for a Provisional Teaching Certificate in the State of Texas. Persons may receive a certificate endorsement to teach driver education by meeting the additional curriculum requirements as described in other sections of this bulletin. Students must be admitted to Teacher Education to enroll in advanced Professional Pedagogy courses (3000 or higher).

In addition to completing the required academic foundations core curriculum described on page 14, program students must fulfill the requirements in the area of specialization, professional education and the advanced interdisciplinary core. This plan may allow an overlap of six semester hours between the academic core curriculum and

the area of specialization. If the area of specialization is in a discipline other than English, mathematics, science or social science the student will be required to take 18 hours in one of the four previously stated academic disciplines. Six semester hours from the academic core curriculum may be used to meet the 18 hour requirement.

### **Academic Foundations Core Curriculum**

Described on page 14 with additional requirements in the introductory section for College of Education and Human Development.

### **Academic Specialization (36 Hours)**

#### **A. Elementary Options**

##### **Option II—18 advanced hours**

**Art**—ARTS 1316, 1311, 1303, 1304, 3371 and 3376.

**Biology**—BIOL 1406, 1407, 3460; Eight hours selected from: 3450, 4406, 4440, 4460, 4430.

**Communication**—COMM 2341, 1318, 2335, 3301, 4320 and 4390.

**Earth Science**—GEOL 1403, 1404, 2376, 3390, 4370, 4380, and PHYS 1311 or GEOL 2377.

**English**—Three hours of sophomore literature (in addition to the core requirement); and four courses from ENGL 4300, 4326, 4310, 3316, 3321, 3322, 3324, 3340, 3360, 3370, 3380, 3390, 4311, 4314, 4317, 4318, 4319, 4324, 4328, 4329, 4340, 4350, 4390 or equivalent advanced literature classes.

**Health**—HLTH 1306, 2374, 2378, 3370, 4340, 4370.

**History**—HIST 2321 or 2322, 1301, 1302, one course Advanced U.S. History, one course Advanced NON-U.S. History and one course Advanced History.

**Math**—MATH 1335, 1314, 1336, 3313, 3315, 3317.

**Music**—MUTY 1311, 1312, MUSI 3310, 3320, 3350, 3370.

**Kinesiology** (required)—KINT 3350, 3370, 3390, KINA 2271; DANC 1222; six hours selected from: KINT 2371, 3390, 4360, 4380.

**Reading**—PEDG 2374, 3360, 3370, 3390, 4310, 4390.

**Physical Science**—CHEM 1411, 1412 or 1405, 1407; PHYS 1401 or 1402, 1405, 1407, 2426 and nine hours upper division Chemistry or Physics courses.

**Social Studies**—GEOL 2376, 2377; ECON 2302, 2301; POLS (six hours-three hours advanced); HIST 2321, and three hours advanced, NON U.S. history.

##### **Option III**

**Special Education**—PEDG 2371, 2372, 3304, 3305, 4307, 4308, 4309, and 4311.

##### **Option IV—24 hours**

**Early Childhood**—PEDG 3360, 4305, 4300, 4303, 4304; FCSC 3340, 3390, KINT 3370 and a combination of subjects (12 hours).

### **Professional Development (18 semester hours)**

PEDG 3310 Introduction to American Education

PEDG 3320 Human Learning

PEDG 3340 Elementary Curriculum & Methodology

PEDG 4340 Elementary Methodology and Classroom Management

PEDG 4650 Student Teaching in the Elementary School

## Bachelor of Science Degree – Interdisciplinary Studies

### Suggested Programs of Study

The degree and certification requirements are shown in outline form below, comprising a desirable sequence of courses.

First Year	Second Year
ENGL Comp .....6	ENGL Lit .....3
Lab Sci .....8	Amer Hist .....6
Music 1306 .....3	POLS 2301, 2302 .....6
PHIL 1370 .....3	COMM 1315 or 2373 .....3
PSYC 2301 .....3	Courses from combination of subjects .....3
PEGA .....1	HLTH 1370 .....3
ARTS 3371 .....3	COSC 1371 or PEDG 4331 .....3
MATH 1335, 1314 .....6	Area of Specialization .....3
34	36
Third Year	Fourth Year
GEOL 2377 or 2376 .....3	MATH 3315 .....3
PEDG 3310 .....3	Science Adv .....6
PEDG 3320 .....3	Reading Adv .....6
PEDG 3370 .....3	ENGL Adv Lit .....3
Area of Specialization .....9	PEDG 3340 .....3
ENGL 4312 .....3	PEDG 4340 .....3
Soc Sci (Adv) .....6	PEDG 4650 or 4630 .....6
MATH 3313 .....3	Area of Specialization .....3
33	33

### Secondary – Certification

Students desiring to certify in Secondary Education must first earn a degree in a teaching discipline. For degree and certification advisement purposes, students should report to their major department. Twelve hours must be advanced (3000-4000 level).

(Certification options are listed below).

**Art (All Levels) Specialization:** See Department of Art in this bulletin.

**Biology—Opt II** (36 semester hours): General Biology 1406 & 1407, Anatomy and Physiology 2401 & 2402, Microbiology 2420, Botany 3450, Invertebrate Zoology 3460, Vertebrate Natural History 4440, Ecology 4460.

**Business Composite—Opt III** Office Administration (Plan II Composite Field), Specialization: (54 semester hours) ACCT 2301, 2302, MISY 3340, BUAL 3310, BULW 3310, FINC 3310, MGMT 3310, 3320, 4370, MKTG 3310, OAFD 1302, 2301, 3350, 3360, 3380, 4310, MISY 4360. (Academic Foundations must include ECON 2301, 2302, COMM 1315, plus three hours from a third group).

**Chemistry—Option I** Specialization (48 semester hours) CHEM 1411, 1412, 2401, 3331, 3411, 3412, 4311, 4312, 4131, 4132, 4111, 4121, 1 hour of CHEM elective, PHYS 1401, 1402, MATH 2376, 2377.

**Chemistry—Opt II** Specialization: (25 semester hours) CHEM 1411, 1412, 2401, 3331, 3411, 3412, 4111, one hour CHEM elective.

**Communication/Journalism—Opt II** Specialization: (24 semester hours) COMM 1373, 2311, 2372, 3330, 3361, 3381, 4310, 4380.

**Communication/Speech—Opt II Specialization:** (24 semester hours) COMM 2373, 2374, 2341, 1318, 2335, 3340, 3390, 4390.

**Computer Information Science—Opt I Specialization:** (27 semester hours) COSC 1373, 1374, 2371, 2372, 3304, 4302, CPSC 4340. Six hours from COSC 3308, 4307, 4309, CPSC 3320, 4330, MATH 2413, 2305, 2318, 1342.

**Computer Information Science—Opt II Specialization:** (27 semester hours) CS 1373, 1374, 2371, 2372, 3304, 3308, 3340, CPSC 4340 and COSC 4302, 4310 or CPSC 3320.

**Dance—Opt II Specialization:** (33 semester hours) DANC 1222, 1210, 2241, 2245, 2371, 1301, 3350, 3360, 4380, KINT 2371, 3370. Three hours from DANC 2370, 3301, 3310, KINT 3390.

**Drama** (See Theater).

**Earth Science—Opt I Specialization** (50 Semester hours) GEOL 1403, 1404, 2377, 2471, 3390, 3101, 3102, 4420, 4391, 4370, 4380, CHEM 1405, COSC 1371 or PHYS 1311 or GEOL 3410, 4390, PSYC 2471.

**Earth Science—Opt II Specialization:** (27 semester hours) Geo 1403, 1404, 2471, 3101, 3102, 4370, 4380. PHYS 1311 or GEOL 4390, CHEM 1405.

**Life-Earth Science—Opt II Specialization** (37-38 semester hours) BIOL 1406, 1407, 3460, 3450. PHYS 1311, GEOL 4370, 4380, BIOL 4430 or 4460, GEOL 1403 and 1404.

**Economics—Opt II Specialization:** (24 semester hours) ECON 2301, 2302, 3360, 3370, 4315, 4350, plus six semester hours from ECON 3320, 3330, 4340, 4380.

**English—Opt I and Opt II Specialization:** 36 semester hours in addition to the combined 9-hour core curriculum English composition and literature requirement, including the following: three semester hours of sophomore literature; ENGL 3321; 4300; 4310; 4326; three semester hours advanced American literature before 1865; three hours advanced British literature before 1800; three hours advanced British literature after 1800; three hours advanced world literature; three hours advanced multicultural literature; three hours advanced literature elective ( may substitute genre course for this elective only).

**French—Opt II Specialization:** (36 semester hours, 21 advanced) FREN 1311, 1312, 2311, 2312, 3300, 3370, 3380, 3390, 4330 when taught as "Special Topics: Issues in French Language and Literature," nine additional hours of advanced French courses.

**General Science—Opt IV** (Plan II Composite Field) Specialization: (54 semester hours) BIOL 1406, 1407; CHEM 1411, 1412, 3331; GEOL 1403, 1404, 2471, 3390; PHYS 1401, 1402, 2425, 2426 and 3350; eight or nine hours advanced Biology or 12 hours advanced Geology or eight or nine hours advanced Chemistry or eight or nine hours advanced Physics.

**Health—Opt II Specialization:** (27 semester hours) HLTH 1306, 1373, 2374, 2378, 3360, 3370, 4340, 4370, FCSC 1322.

**Hearing Impaired** — see advisor.

**History—Opt II Specialization:** (24 semester hours) HIST 2321, 2322, six hours advanced American History, six hours advanced NON-U.S. History plus HIST 2301 and 3390.

**Journalism**—(See Communication/Journalism)

**Vocational Home Economics Specialization:** (51 semester hours) FCSC 1315, 1328, 1375, 1377, 1322, 1320, 2371, 3300, 3340, 3380, 3390 or 4327, 4301, 4308, 4330, 4333, 4350, 4390. See Family and Consumer Sciences section of this bulletin for complete description of certification plan in this area.

**Mathematics—Opt I Specialization:** (52 semester hours) MATH 2305, 2413, 2414, 2318, 2415, 3330, 3311, 3350, 3370, 3380, 3401, 4310, 4315. At least one advanced math elective and two courses in Computer Science.

**Mathematics—Opt II Specialization:** (29 semester hours) MATH 2305, 2413, 2414, 2318, 3311, 3330, 3370, 3350, and one advanced math elective.

**Music (All Levels)** See Music Department in this bulletin.

*Note: BIOL 2401-2402 are not prerequisite to advanced Biology courses as Foundation electives.*

**Kinesiology—All Levels** See Department Health and Kinesiology in this bulletin.

**Physical Science—Opt II Specialization:** (28-30 semester hours) CHEM 1411, 1412, 3331; PHYS 1401, 1402, or PHYS 2425, 2426 and 3350; plus eight approved advanced hours.

**Physics—Opt II Specialization:** A total of 24 semester hours of Physics is required, including eight hours of General Physics (PHYS 1401, 1402 or PHYS 2425, 2426) and at least 13 hours of physics courses above 3000 level which must include modern physics and analytical mechanics.

**Political Science—Opt II Specialization:** (24 semester hours) POLS 2304, 2301, 2302, plus one course from each group bracketed: (3340, 3350, 3390, 4370, 3301, 3313), (4320, 4330), (3320, 3370, 4350), (3310, 3317, 4381, 4383), (3316, 4300, 4340).

**Psychology—Opt II Specialization:** (25 semester hours) PSYC 2301, 2308, 2471, 3320, 3330, 3360, 4320, 4360.

**Reading—Opt II Specialization:** (24 semester hours) PEDG 2374 3370, 3360, 3326, 4310, 4390; PEDG 3305, 3390.

**Social Studies—Opt IV (Plan II Composite Field) Specialization:** (57 semester hours)

A. Thirty semester hours: ECON 2302, 2301; GEOL 2376, 2377; POLS 2304, 3319, 4319; HIST 2321, 2322, 2301, 3390.

B. Twenty-four semester hours, approved advanced, selected from the following: History, Political Science, Geography, or Economics.

**Sociology—Opt II Specialization:** (24 semester hours) SOCI 1301, 1306; one course from SOCI 3306, 3380 or 3390; one course from SOCI 2301, 3310, 3350, 4320; four courses from SOCI 3320, 3330, 4340, 4350, 4380, 4390.

**Spanish—Opt II Specialization:** (36 semester hours advanced) SPAN 3300, 3310, 3320, 3330, 3340, 3350, 3380, 3390, 4330 when taught as Special Topics: Issues in Spanish Language and Literature; 9 additional hours of advanced Spanish courses.

**Special Education—Generic—Opt II Specialization:** (24 semester hours) PEDG 2371, 2372, 3304, 3305, 4307, 4308, 4309, 4310.

**Speech—**(See Communication/Speech)

**Theater (Drama)—Opt II Specialization:** (41 semester hours) THEA 1370, 1310, 1330, 2370, 2371, 2372, 2375, 1352, 3330, 3336, 3360, 4360, 4380, 4371.

### 3. Professional Development (18 semester hours)

PEDG 3310 Introduction to American Education

PEDG 3320 Human Learning

PEDG 3326 Reading Strategies for Content are Required of all Secondary Certification Programs.

PEDG 3380 Secondary Curriculum and Methodology

PEDG 4380 Secondary Methodology and Classroom Management

PEDG 4620 Student Teaching in the Secondary School

## Professional Pedagogy Courses (PEDG)

Note: To enroll in non-professional development courses, it is not necessary for students to be admitted to the Teacher Education program. Students must be admitted into Teacher Education to enroll in advanced Professional Pedagogy courses (3000 or higher).

- |      |   |       |
|------|---|-------|
| 1271 | <b>College Reading and Writing Skills</b><br>Provide procedures, practices, and individual help with reading assignments, writing papers, taking essay examinations, and taking lecture notes. Not applicable to TEA certification plans.   | 2:1:2 |
| 2371 | <b>Foundations of Special Education</b><br>An orientation to background, terminology and programs for those who are exceptional. Designed as an overview of Special Education. A first course for those planning to certify in Special Education.   | 3:3:0 |
| 2372 | <b>Behavior Modification and Management for the Exceptional</b><br>Principles of normal and abnormal child growth and development. Nature and causes of behavioral and physical characteristics and basic techniques of management.<br><i>Prerequisite: PEDG 2371 or instructor's approval.</i>   | 3:3:0 |
| 2373 | <b>Peer Advisor-Counselor Training</b><br>Designed primarily for those who will be learning about systematic helping and interpersonal relating by practicing the skills that constitute the helping process. Content based on learning theory, social-influence theory, behavior-modification principles and practice, and skills-training and problem-solving methodologies. Not applicable to TEA certification plans.<br><i>Prerequisite: Permission of the instructor.</i> | 3:2:2 |
| 2374 | <b>Foundations of Reading Instruction</b><br>An orientation to background, terminology and programs for the teaching of reading. Designed to give an overview of the history of the English language, the reading process and the psychology of reading instruction.<br><i>Prerequisite: Sophomore standing.</i>  | 3:3:0 |
| 3304 | <b>Educational Needs of the Exceptional Individual</b><br>Evaluation and application of various techniques for determining educational needs of the exceptional individual and general instructional arrangement considerations.<br><i>Prerequisite: PEDG 2371 or instructor's approval, be admitted to Teacher Education.</i>  | 3:3:0 |
| 3305 | <b>Instructional Alternatives for Teaching Reading and Language Arts to the Exceptional Learner</b><br>Identification of skill deficiencies, modification of curriculum, designing and implementation of instructional strategies for pupils evidencing disabilities in reading and language arts.<br><i>Prerequisite: PEDG 2371 or instructor's approval, be admitted to Teacher Education.</i>  | 3:3:0 |
| 3310 | <b>Introduction to American Education</b><br>(See Admission to Teacher Education Requirements)<br>Focuses on the historical, philosophical, organizational, professional and cultural-ethnic components of American education with particular emphasis on awareness and understanding of specific needs of children and youth of various cultural-ethnic components.<br><i>Prerequisite: Junior standing and meets criteria for admission to Teacher Education.</i>             | 3:3:0 |
| 3320 | <b>Human Learning</b><br>(See Admission to Teacher Education Requirements)<br>Principles and psychological problems involved in education with emphasis on learning theories and the practical application of psychological principles to teaching.<br><i>Prerequisite: Junior standing and meets criteria for admission to Teacher Education.</i>  | 3:3:0 |
| 3326 | <b>Reading Strategies for the Content Areas</b><br>This course is designed to provide the basic principles, concepts and procedures of reading and to enable prospective teachers to incorporate reading instructional techniques effectively into the content areas. Emphasis will be placed on the sound teaching practices within the confines of the content area classroom.<br><i>Prerequisite: Junior standing, be admitted to Teacher Education.</i>                     | 3:3:0 |
| 3340 | <b>Elementary Curriculum and Methodology</b><br>(See Admission to Teacher Education Requirements)<br>Methods and materials for teaching in the elementary schools. Emphasis upon methodology and curriculum.<br><i>Prerequisite: Meet criteria for admission to student teaching/professional semester.</i>   | 3:3:0 |
| 3360 | <b>Children's Literature</b><br>A study designed to provide students with information about children's books, periodicals and related media and their use with children. Techniques and materials for motivating children to develop a continuing interest in reading.<br><i>Prerequisite: Junior standing, be admitted to Teacher Education.</i>   | 3:3:0 |

- 3370 Materials and Resources for Teaching Reading** 3:3:0  
A concentration on planning, producing, selecting, organizing and evaluating instructional materials and equipment to be used in teaching reading.  
*Prerequisite: PEDG 2374, PEDG 3390 or instructor's approval.*
- 3380 Secondary Curriculum and Methodology** 3:3:0  
(See Admission to Teacher Education Requirements)  
The structure and organization of the curriculum, materials and methods used and types of evaluation in secondary schools.  
*Prerequisite: PEDG 3310, PEDG 3320.*
- 3390 Reading in the Elementary School** 3:3:0  
Methods and materials for teaching reading in the elementary school. Emphasis upon the placement of materials and lesson planning.  
*Prerequisite: PEDG 2374 or instructor's approval, be admitted to Teacher Education:*
- 4301 Institute or Workshop in Education** 1-6:1-6:0  
A number of institutes or workshops are designed to advance the professional competence of teachers. For each, a description of the particular area of study will be indicated. May be repeated for credit when nature of workshop or institute differs sufficiently from one previously taken.
- 4300 Behavioral Management & Classroom Procedures** 3:3:0  
A comprehensive study of behavioral management in early childhood/elementary school environments. A developmental perspective will be presented and related to a discipline management system.  
*Prerequisite: PEDG 3310, PEDG 3320 or instructor's approval.*
- 4302 Early Childhood Development** 3:3:0  
A study of the psychological development of children from birth to age six, with recognition given to their basic needs. Includes some of the appropriate educational experiences for the early years.  
*Prerequisite: Be admitted to Teacher Education.*
- 4303 Instructional Strategies for Early Childhood** 3:3:0  
A comprehensive study of methods and materials for preschool and kindergarten-age children. Focus on oral language experiences, science and mathematics concepts and creative expression.  
*Prerequisite: PEDG 3310, PEDG 3320 or instructor's approval.*
- 4304 Survey of the History of Early Education** 3:3:0  
A comparative study of the early childhood educational movements of the past and their impact on present and future programs.  
*Prerequisite: Be admitted to Teacher Education.*
- 4305 Seminar in Early Childhood Educational Research** 3:3:0  
A survey of research studies in learning theory and in instructional practices for young children.  
*Prerequisite: Be admitted to Teacher Education.*
- 4306 Special Topics** 3:3:0  
Significant topics in Elementary, Secondary and Special Education. The description of the particular area of study will appear on the printed semester schedule. A student may repeat for a maximum of six semester hours when the area of study is different.  
*Prerequisite: Be admitted to Teacher Education.*
- 4307 Practicum in Instructional Alternatives in Reading and Language Arts for the Exceptional Learner** 3:A:0  
Practicum experience in the identification and instruction of pupils evidencing disabilities in reading and language arts.  
*Prerequisite: PEDG 3305 or instructor's approval.*
- 4308 Appraisal Processes in Programming for the Exceptional Individual** 3:3:0  
Formal and informal methods of appraising the educational needs of the exceptional learner and the use of interpretative data to prescribe appropriate curriculum modification, instructional materials, teaching strategies and classroom management.  
*Prerequisite: Be admitted to Teacher Education.*
- 4309 Instruction of the Exceptional Learner** 3:3:0  
Classroom management, teaching strategies, instructional materials for the exceptional learner. Various approaches and rationales are presented.  
*Prerequisite: Be admitted to Teacher Education.*
- 4310 Diagnostic-Prescriptive Techniques in the Teaching of Reading** 3:3:0  
Techniques for ascertaining reading strengths and weaknesses. Planning and implementing instruction to meet individual needs.  
*Prerequisite: Junior standing and PEDG 2374, 3370, and 3390.*

- 4311 Practicum in Instructing the Exceptional Individual** 3:A:0  
Practicum experience with the exceptional learner. Includes identification, interpretation of data, development of instructional goals and implementation of instructional objectives. When experience is with emotionally disturbed it includes at least 54 contact clock hours of work.  
*Prerequisite: Be admitted to Teacher Education.*
- 4331 Microcomputer Applications** 3:3:0  
A practical course using the Macintosh Computers to master word processing, data base, and the spreadsheet. The use and evaluation of selected software along with current issues in microcomputers is included.  
*Prerequisite: Be admitted to Teacher Education.*
- 4340 Elementary Methodology and Classroom Management** 3:3:0  
(See Admission to Teacher Education Requirements)  
A study of problems relating to classroom management, curriculum and methods.  
*Prerequisite: Meet criteria for admission to student teaching/professional semester.*
- 4360 Student Teaching in the Kindergarten** 3:A:0  
Supervised observation and teaching the kindergarten. Three hours in kindergarten classrooms five days per week for eight weeks.
- 4380 Secondary Methodology and Classroom Management** 3:3:0  
(See Admission to Teacher Education Requirements)  
Organization of subject matter, lesson planning, classroom management and general methods of teaching secondary schools.  
*Prerequisite: Meet criteria for admission to student teaching/professional semester.*
- 4390 Reading Practicum** 3:3:0  
Participation in a directed field experience. The students will work with typical class, groups and individuals in the application of concepts, skills and techniques.  
*Prerequisite: Twelve semester hours of reading including PEDG 3390 and 4310.*
- 4620 Student Teaching in the Secondary School** 6:A:0  
Supervised observation and teaching in the secondary school.  
*Prerequisite: See Admission to Student Teaching in this catalogue. All day in secondary professional semester classroom, five days per week for 10 weeks.*
- 4630 Student Teaching—Special** 6:A:0  
Special student teaching situations designed for students working all-level certificates, special education, kindergarten education and speech and hearing.  
*Prerequisite: See Admission to Student Teaching in this catalogue. Class: All day in a professional classroom setting, five days per week for 10 weeks.*
- 4650 Student Teaching in the Elementary School** 6:A:0  
Supervised observation and teaching in the elementary school.  
*Prerequisite: See Admission to Student Teaching in this catalogue. Class: All day in elementary professional semester. Meet criteria for admission to student teaching/professional semester.*

## Department of Family and Consumer Sciences

**Department Chair:** Connie Elliff-Ruiz

**118 Family and Consumer Sciences Bldg.**  
**Phone 880-8663**

**Associate Professors:** Elliff-Ruiz, Pemberton

**Assistant Professors:** Wallet-Chalambaga, Droddy

**Instructors:** Dahm, Devillier, Eisen

**Clinical Instructor:** Edgerly

**Adjunct Instructor:** Duit

## Bachelor of Science in Family and Consumer Sciences

The Department of Family and Consumer Sciences offers undergraduate instruction leading to the Bachelor of Science degree in Family and Consumer Sciences. The pro-

gram is designed to prepare students for a professional career as well as for graduate study.

The Department offers a general program in Family and Consumer Sciences, as well as opportunities for specialized professional preparation in the areas of home economics teacher certification, foods/nutrition/dietetics, family studies, fashion retailing and merchandising, interior design, and hospitality management. A Master of Science degree in Family and Consumer Sciences is offered, as well as an Approved Preprofessional Practice Program in Dietetics. These programs are described in the Graduate Bulletin. Students may minor in Family and Consumer Sciences by earning 18 semester hours of credit approved by the department head.

The Bachelor of Science degree in Family and Consumer Sciences will be awarded upon the completion of the following requirements:

- A. Meet the University's degree requirements as described in the section on Academic Policies and Procedures.
- B. Complete the Family and Consumer Sciences core curriculum requirements:
  - FCSC 1377 Intimate Relationships: Marriage and the Family
  - FCSC 3300 Consumer Economics
  - FCSC 4301 Senior Seminar
- C. Attain a 2.0 grade point average in FCS courses.
- D. Complete one of the degree programs described in the following pages.

## Suggested Programs of Study

### Family and Consumer Sciences – General

**Advisor:** Kim Wallet-Chalambaga

**124 FCS Bldg.**

The general program provides a broad background of preparation for the student who wishes to work as a Family and Consumer Science Professional in one of many varied career options.

## Home Economics Teacher Certification – General

**Advisor:** Frances Drodgy

**130 FCS Bldg.**

The teacher certification program provides professional training for careers requiring technical knowledge of family and consumer sciences/ home economics, as well as expertise in instructional methods. Graduates of this curriculum meet the state requirements for Vocational Home Economics Education. Students must meet admission and certification requirements of the Lamar University Teacher Education Program outlined elsewhere in this Bulletin. Before certification, successful completion of the Examination for the Certification of Educators in Texas (ExCET) is required.

## Foods, Nutrition and Dietetics

**Advisors:** Connie Elliff-Ruiz

**118 FCS Bldg.**

Amy Pemberton

**132 FCS Bldg.**

The Foods, Nutrition, and Dietetics academic curriculum is approved by the American Dietetic Association (ADA) as a Didactic Program in Dietetics. Graduates of the program are eligible to apply for an ADA-accredited dietetic internship or an ADA-approved preprofessional practice program (AP4). After successful completion of an internship or AP4, an individual is eligible to take the Registration Examination for Dietitians and, upon passing, become a Registered Dietitian.

## Family Studies

**Advisor:** Kim Wallet-Chalambaga

**124 FCS Bldg.**

The Family Studies area prepares the student for a career in private and governmental agencies that serve children and families. Courses equip the student to aid individuals and families in solving problems related to personal and family relationships as well as consumer skills. Field experiences required by various courses utilize the Lamar University Early Childhood Development Center and various social agencies.

## Interior Design

**Advisor:** Sarajane Eisen

**126 FCS Bldg.**

The Interior Design specialization provides professional training for a wide range of design problems extending from personal to public environments. The program provides the student with a well rounded education in the needs of individuals and families in addition to an in-depth study of interior design. The program also provides the student with a minor in art. Supporting courses, such as architectural graphics and computer aided design (CAD) develop skills in areas that are essential in today's market. Lamar interior design students have an active student chapter of the American Society of Interior Design (ASID), involving members in field experiences, fund-raising activities, student design exhibitions, and design competitions.

## Hospitality Management

**Advisor:** Molly Dahm

**128 FCS Bldg.**

The Hospitality Management program is designed to provide students with the competencies they need to succeed in and contribute to an industry that continues to realize a shortage of management talent resulting from a growing travel and tourism industry. This program will qualify the student for a wide variety of careers in the hospitality industry, including management positions in hotels, motels; restaurants, resorts, private clubs, catering operations, hospital foodservice, school foodservice, rail feeding (AMTRAK), cruise ship dining, as well as, vendors supplying these activities. A number of scholarships are available from the Sabine Area Restaurant Association, as well as the national and state restaurant associations.

**Family and Consumer Sciences Courses (FCSC)**

<b>1315 Food Preparation/M meal Management</b>	<b>3:2:4</b>
Study of food science principles and their application in the preparation of foods and food products.	
<b>1320 Textiles</b>	<b>3:3:0</b>
A study of the physical and chemical properties of textiles. Emphasis production of fabrics and consumer selection of products.	
<b>1322 Nutrition/Diet</b>	<b>3:3:0</b>
Introduction to nutrition including functions, sources, characteristics, and recommended intake of nutrients; digestion; absorption, and metabolism; special needs during various phases of the life cycle; diet therapy and patient assessment, education and counseling during illness.	
<b>1328 Clothing I</b>	<b>3:2:4</b>
A study of basic construction techniques for making garments of professional quality. Students learn to custom fit commercial patterns.	
<b>1370 Social Aspects of Clothing</b>	<b>3:3:0</b>
An interdisciplinary approach to clothing emphasizing the cultural, psychological, sociological and economical aspects of wearing apparel.	
<b>1371 Public Health and Safety Management</b>	<b>3:3:0</b>
A study of sanitation and safety standards and the responsibilities of personnel in the foodservice industry. Economic aspects of providing and managing these services is addressed. May lead to NRA certification.	
<b>1372 Introduction to the Hospitality Industry</b>	<b>3:3:0</b>
Overview of the hospitality industry, historical perspectives, analysis of the industry as a profession, along with professional opportunities and future outlook. Includes insight into the critical role of understanding and working with cultural diversity.	
<b>1373 Purchasing for the Foodservice and Lodging Industry</b>	<b>3:3:0</b>
Insight into the role of the professional buyer in the commercial hospitality industry and the skills and knowledge necessary to select and procure quality goods at the appropriate time and cost for a hospitality operation.	
<b>1374 Lodging and Property Management</b>	<b>3:3:0</b>
Survey of the lodging industry including history, growth, current issues, and the manager's role with emphasis on front office procedures and audit. Related facility management and services in the private club industry.	
<b>1375 Visual Design</b>	<b>3:2:3</b>
Study of art elements with experiences in applying the principles of design. Develops an appreciation of natural and man-made designs in the daily environment including cultural influences.	
<b>1376 Architectural Graphics</b>	<b>3:2:2</b>
Introduction to graphic communication techniques for interior design: architectural lettering, mechanical drafting and multi-view projections. Interior and exterior design of the home. Complete plans for one-story residence will be drawn by each student.	
<b>1377 Intimate Relationships: Marriage and the Family</b>	<b>3:3:0</b>
A study of the individual and the family. Special emphasis on individual development, interpersonal relationships, sexuality, tasks of marriage, work and the family and parenting skills in relation to the family life cycle.	
<b>2170 Customer Relations in the Service Industry</b>	<b>1:1:0</b>
The leading determinant of success in the service industry is the ability to deliver quality customer service. This course reviews the essentials of anticipating customer needs through the study of the Service Cycle and active role play.	

- 2303 Commercial Baking** 3:1:4  
Practical study of the basic equipment, tools, and techniques required to prepare basic breads, pastries, and desserts for commercial food operations. Students develop an understanding of baking science and recipe conversions.  
*Prerequisite: FCSC 1315*
- 2324 Commercial Foods Production I** 3:2:3  
Concepts and hands-on skills related to food production in a commercial environment. A presentation of the primary pieces of commercial food equipment, its proper use, care, and sanitation. Students produce typical commercial hot foods including appetizers, soups and sauces, egg and farinaceous dishes, and meat and fish entrees.
- 2370 Beverage Management and Wine Appreciation** 3:2:2  
A survey of the beverage service sector of the hospitality industry including spirits, wines, and beers; purchasing, resource control, marketing, physical plant requirements, and staffing. Additional emphasis on tasting and description of wines; service and selection of wines to enhance foods.
- 2371 Quantity Foodservice Systems Management** 3:2:3  
Overview of the management functions related to quantity food production service. Lab experiences in the field and catering function required.
- 2372 Menu and Service Management** 3:3:0  
Application of foodservice management principles to the menu and the activities it generates. Analysis of menu profitability. Additional emphasis on service management.
- 2373 Food and Beverage Controls and Systems** 3:3:0  
A Study of the analytical techniques used in controlling resources in the foodservice and lodging industry.  
*Prerequisite: Completion of mathematics requirement.*
- 2374 Hospitality Practicum I** 3:A:0  
Introductory field experience in a hospitality environment; designed to provide the student with practical experience in a particular area of expertise. 150 hours.
- 2375 History of Architecture and Interior Design I** 3:3:0  
Interiors, exterior architecture, furnishings, and cultural influences of ancient times through the 17th century.
- 2376 Convention, Meeting, and Catering Management** 3:3:0  
Investigation of group markets with special needs for services, lodging, and food with beverage components. Related planning procedures with emphasis on catering services.
- 2377 Facilities Layout and Design** 3:3:0  
Overview of the planning, development, and feasibility aspects of building or renovating a foodservice facility. Application of principles of work and flow analysis, spatial relationships, and equipment selection as they relate to the overall layout and design.  
*Prerequisite: FCS 2371.*
- 2379 Visual Merchandising and Display** 3:3:0  
Techniques for visual presentation used to maximize product sales potential; focus is on display and merchandising a sales area.
- 2380 Entrepreneurship in the Hospitality Industry** 3:3:0  
Designed for those especially interested in entrepreneurship or innovation in their particular environment. Research and overview relating to ownership and development of lodging and foodservice properties.
- 2381 History of Architecture and Interior Design II** 3:3:0  
Interiors, exterior architecture, furnishings, and cultural influences from 17th century through the present.  
*Prerequisite: FCSC 2375.*
- 2383 Apparel Analysis and Evaluation** 3:3:0  
Analysis of the construction quality, aesthetic properties and design components of apparel. Evaluation skills for mass produced apparel is emphasized.
- 2385 Introduction to Fashion Retailing** 3:3:0  
An introductory study of the contemporary aspects of retailing with application to fashion merchandising & retailing.
- 2386 Independent Study in Hospitality Management** 3:3:0  
Designed to afford independent learning experiences. Under supervision, the student pursues the study of individual interests in the area of hospitality management.
- 2387 Introduction to Interior Design** 3:3:0  
Introductory lecture course for interior design majors analyzing the elements and principles of design as applied to interior environments. Fundamentals of professional requirements, space planning, human factors, structural and environmental systems, properties and application of interior materials and components of architectural and regional style.  
*Prerequisite: FCSC 1375 or approval of instructor.*

- 3300 Consumer Economics** 3:3:0  
Consumer principles and rational decision-making skills for coping with consumer issues affecting families and individuals.
- 3301 Hospitality Industry Law** 3:3:0  
A presentation of the history and development of innkeeper's laws and tort law in relation to their implications for today's hospitality industry. A review of the relevant legal issues and government agencies that affect how hospitality professionals deal with both internal and external customer.
- 3304 Travel and Tourism** 3:3:0  
Designed to recount the history of travel, explore its future, and discuss the role of the components of Tourism. An opportunity to examine the economic, social, and political impacts of Tourism as well as methods of forecasting demand. Focus is on the importance of the planner, the travel agent, and the travel-market researcher to hospitality organizations.
- 3305 Interior Design Studio II — Commercial Design** 3:2:4  
Studio experiences dealing with small to medium commercial building interiors, materials, environmental controls and interior furnishings. Emphasis on universal design and public welfare. Study of the impact of codes and regulations and the needs of special population groups upon the design of commercial spaces.  
*Prerequisites: FCSC 3350, 3327 and ARTS 3313.*
- 3306 Merchandising Products** 3:3:0  
A study of textile and non-textile products. Special emphasis on housewares, furniture, accessories, home furnishings, and appliances.
- 3307 Comprehensive Interior Design** 3:3:0  
Study of structure, building materials, construction techniques, mechanical and electrical systems, working drawings, specifications, lighting sources, installations, and energy efficiency as applied to residential and commercial interiors. In-depth study of codes and regulations required or specified by law, including the Americans with Disabilities Act.  
*Prerequisites: FCSC 1376, 2387 or approval of instructor.*
- 3315 Hospitality Industry Marketing** 3:3:0  
Basic tenets of business marketing as applied to the hospitality industry; emphasis on customer profile, targeting market segments, and advertising.
- 3316 Family Resources** 3:3:0  
A survey of private and governmental agencies that serve children and families.
- 3317 Front Office Management** 3:3:0  
Functions and activities of the lodging front office which support guest transactions and services; forms, equipment, and planning tools integral to a successful property.
- 3318 Housekeeping for Lodging Properties** 3:3:0  
Functions, activities, and responsibilities of the housekeeping manager in a lodging property; planning and forecasting tools, equipment, and staffing are addressed.
- 3320 Advanced Nutrition** 3:3:0  
The advanced study of normal nutrition including digestion, absorption, and metabolism of proteins, carbohydrates, lipids, vitamins and minerals.  
*Prerequisites: FCS 1322, BIOL 2401-2402*
- 3324 Commercial Foods Production II** 3:2:4  
Concepts and hands-on skills related to advanced preparation of foods for the commercial environment; emphasis on techniques for cold food preparation and artistic presentation of foods for dining rooms and buffets.  
*Prerequisites: FCSC 1315, 2303, 2324*
- 3327 Treatments of Interior Design** 3:2:3  
A study of materials and technology applied to interior environments. Emphasis on quality of materials, appropriate application, creative techniques, estimation and specification. Presentation techniques.  
*Prerequisites: FCS 133, 231 or approval of instructor.*
- 3330 Nutritional Biochemistry** 3:3:0  
Chemistry of carbohydrates, lipids, proteins, vitamins and minerals. Thorough coverage of the major energy-generating pathways.  
*Prerequisite: CHEM 1406, 1408*
- 3340 Child and Adolescent Development** 3:3:0  
A study of human development from the prenatal period through adolescence. Physical, cognitive, social, and emotional development are addressed. Observations are required in approved child care settings.

- 3350 Interior Design Studio I Residential Design** 3:2:4  
Studio experience involving architectural and interior aspects of residential interiors. Emphasis on human factors and needs of individuals and families within the context of universal design, taking into consideration cultural, regional, and geographic influences. Presentation analysis and techniques, estimates and specifications of home materials including floor and wall coverings, window treatments, furnishings, accessories and display.  
*Prerequisites: FCSC 1375, 1320, 1376 and 2387.*
- 3360 Public and Institutional Facilities Management** 3:3:0  
Analysis of public and recreational aspects of the hospitality industry focus on sports and entertainment. Addresses issues of staffing, customer service, concession operations, legal issues, financial administration, marketing, and promotion.
- 3370 Fashion Promotion and Advertising** 3:3:0  
Evaluation of various promotion activities relating to advertising, visual merchandising, publicity, and special events. Students review research on selected consumer groups and develop promotional campaigns to reach those groups.
- 3380 Principles of Presentation** 3:3:0  
Development of curricula and techniques for presenting to groups. Provides experiential foundation for developing sound instructional programs in varied settings.
- 3390 Seminar in Family and Human Relations** 3:3:0  
In-depth study of selected topics. The family and the larger society; family structure and function; cultural patterns and life styles; community resources; and family life education.
- 4110 Special Topics in Family and Consumer Sciences** 1:1:0  
Current topics of interest which will have the area of study printed in the schedule for Lamar University. With permission of advisor, the course may be repeated as the topic varies.
- 4300 Diet Therapy I** 3:3:0  
Diets and nutritional support for selected diseases, surgery, and trauma. Diet counseling, medical terminology, calculation of nutrient needs for specific diseases, case studies.  
*Prerequisites: FCSC 1322, BIOL 2401-2402.*
- 4301 Senior Seminar for Professional Development** 3:3:0  
Leadership, personal style, and protocol for working as a professional. Assessment of individual strengths, areas for improvement, and interpersonal relationship skills. Includes the development and nature of the profession, entry into the profession, exploration of career options, and opportunities for graduate study. Requires development of a personal portfolio.  
*Prerequisite: Senior Family and Consumer Sciences major.*
- 4305 Interior Design Studio III: Advanced Interior Design** 3:2:4  
Studio experiences analyzing, researching, developing, and evaluating complex interior environments in specialized areas of design. Individual and group creative problem solving. Application of business practices and ethics in interior design.  
*Prerequisite: FCSC 3305*
- 4307 Nutrition Throughout the Life Cycle** 3:3:0  
Physiological, biochemical and sociological factors that affect nutrient requirements and recommendations over the life cycle.  
*Prerequisites: FCSC 1322*
- 4308 The World of Work** 3:3:0  
A comprehensive study of competencies in occupational home economics. Requires participation in out-of-town field trips to observe laboratory settings of model programs.
- 4310 Special Topics** 3:3:0  
Special topics including workshops, seminars, and institutes in Family and Consumer Sciences. A description of the particular area of study will appear on the printed semester schedule. May be repeated when the area of study is different.
- 4313 Prenatal and Infant Development** 3:3:0  
Study of physical, social, emotional and cognitive development from conception to age two.
- 4315 Diet Therapy II** 3:3:0  
Continuation of FCSC 4300.  
*Prerequisites: FCSC 1322, 4300, BIOL 2401-2402.*
- 4317 Community Nutrition** 3:3:0  
Effects of social, economic, environmental, and political factors on the health and nutritional status of population groups. Students learn instructional techniques appropriate for conducting nutrition education with various groups.  
*Prerequisite: FCSC 1322 or consent of instructor.*

- 4320 Fashion History** 3:3:0  
A survey of the development of Western dress with emphasis on the interrelationship of clothing and society.
- 4324 Special Topics with Laboratory Experiences** 3:2:4  
Topics of current interest which include laboratory experiences. May be repeated for credit when topic varies.
- 4326 Family Violence** 3:3:0  
Interpersonal violence throughout the life cycle from immediate and extended family members. Physical abuse, sexual abuse, and neglect perpetuated against children, spouses, and the elderly. Includes viewpoints of law enforcement and treatment strategies.
- 4327 Parenting** 3:A:0  
A study of the importance of family relationships in the development of the child and individual behavior. Specific study of parenting skills, interaction between parent and child, interrelationships between family and larger community. Includes experience with a parent-education model.
- 4328 Single Parent Families** 3:3:0  
Formation of single parent families, divorce, widowhood, economics, and support resources. Students are exposed to the viewpoints of law enforcement, social service agencies, and financial experts.
- 4329 Family Communication** 3:3:0  
A study of the interdisciplinary nature of family communication. Theoretical approaches including systems, relational, and interaction theories; application of theoretical insight and strategies for working with individuals and groups.
- 4330 Kitchen Design and Equipment: Residential** 3:3:0  
Selection, use, and care of residential equipment; adaptation of work centers to individual needs. Design of a custom kitchen.
- 4333 Child Guidance** 3:3:0  
Participation in the development of learning environments for young children. Field experiences required in approved educational settings.  
*Prerequisite: FCSC 3340 or consent of instructor.*
- 4334 Administration of Programs for Young Children** 3:3:0  
Principles and practices of administration for daycare, pre-school and other programs for young children.
- 4340 Fashion Production and Distribution** 3:3:0  
A study of the textile and apparel industry with emphasis on the production, distribution and marketing of products. Includes off campus experiences through field trips.
- 4344 Computer Application in Design (CAD)** 3:2:4  
Creation of interior design plans through use of computers: emphasis on floor plans, furniture layouts, three-dimensional presentations.  
*Prerequisite: Senior standing.*
- 4347 Advanced Foods** 3:2:4  
Advanced study of chemical and physical factors affecting food preparation and processing. Application of analytical methods to sensory and instrumental evaluation of food quality. Laboratory experiments and introduction to food research techniques.  
*Prerequisite: FCSC 1315, CHEM 1406-1408*
- 4350 Consumer Housing** 3:3:0  
A study of the home as the environment that shapes human lives. Designed to create an awareness of the social responsibilities related to housing and to provide experiences associated with planning and selecting suitable homes. Includes public housing.
- 4357 Operational Analysis for Hospitality Managers** 3:3:0  
Use of the microcomputer and the electronic spreadsheet for hospitality industry financial record keeping and reporting. Emphasis on the practical use of spreadsheets, report analysis, and the planning and control functions of budgets. Designed to develop and/or refine those competencies needed to solve practical management problems utilizing a structured approach to decision-making.  
*Prerequisite: FCSC 2375 and ACCT 2301.*
- 4360 Organizational Behavior and Management in the Service Industry** 3:3:0  
Understanding the conceptual theories related to the management process. The impact of individual and group behavior on management decisions and actions in the service industry.
- 4367 Field Experience** 3:A:0  
Cooperative work-study arrangement between business, industry or selected governmental or private agencies and the Home Economics Department. Conferences and/or seminars with faculty coordinator are required.  
*Prerequisite: Senior standing, Family and Consumer Sciences Department; advanced approval required. May be repeated with varied experiences for a maximum of six hours credit.*

- 4370 Individual Problems in Family and Consumer Sciences** 3:A:0  
Designed to afford research opportunities and work experience for senior students. Under supervision, the students pursue individual interests in the profession.  
Advance registration required. May be repeated with varied experience.
- 4380 Classroom Strategies for Vocational Home Economics** 3:3:0  
Examination of effective strategies employed in the Vocational Home Economics classroom including classroom management, implementing and advising FHA, and integrating state standards into the educational program.  
*Prerequisites: FCSC 3380 or consent of instructor.*
- 4390 Family Resource Management** 3:3:0  
A conceptual study of philosophies and principles of the systems approach to family management. Practical applications through individual and group approaches to problem solving.  
*Prerequisite: 24 hrs in FCS or consent of instructor.*
- 4620 Student Teaching in Family and Consumer Sciences** 6:A:0  
Supervised observation and teaching in a vocational home economics classroom.  
*Prerequisite: FCSC 4380. Class: six hours in an approved vocational program five days per week for eight weeks. One year advanced registration required.*

## Department of Health and Kinesiology

**Department Chair:** E. Harold Blackwell

**101 Women's Gym,  
Phone (409) 880-2226/8724**

**Director of Academic Programs:** Doug Boatwright

**101 Women's Gym,  
Phone 880-8724**

**Coordinator of Graduate Programs:** Carol Plugge-Foust

**209 Women's Gym,  
Phone 880-8090**

**Coordinator of Health Programs:** Joel Barton

**212 Women's Gym,  
Phone 880-8341**

**Professors:** Barton, Blackwell, Boatwright, Jolly

**Assistant Professors:** Park, Payton, Plugge-Foust, Strickland, Worsham

**Instructors:** Gilligan, Moore, Wesbrooks

**Lecturers:** Barnes, Barrett, Clark, Collins, Ricklefsen

The Department of Health and Kinesiology provides several career options for students. Two teacher education certification programs are offered: health and kinesiology. One program of study, in community health, is available that does not lead to teacher certification. Undergraduate programs lead to a Bachelor of Science degree in Health or Kinesiology and the Graduate programs lead to a Master of Science degree.

All university students are required to complete a minimum of 1 credit hour of physical education general activity (PEGA) in order to satisfy the university core curriculum requirements. Students may select from a wide variety of PEGA offerings or from DANC 2172 or DANC 2272. Note: KINA classes will not satisfy the university physical education general activity program credit hour requirement. The physical education general activity program is designed to develop life-long activity skills, as well as, enhance the general education objectives of the university.

### Health

The health program of study offers two options for a career in health education. The Health Teacher Education Program leads to certification to teach health plus an approved additional teaching field at the secondary level. The Community Health program is a non-teacher certification program prepares students for a career in public, government and private health agencies. A student must have completed the English, Math, Biology, Political Science and History General Education Requirements prior to

enrolling in the 3000 and 4000 level health professional courses. A grade of "C" must be earned in each of the health professional courses.

## Kinesiology

The kinesiology program of study prepares the student for a teaching career in kinesiology. The kinesiology teaching certification program leads to All-Level (K-12) Teaching Certification.

The course of study leading to a baccalaureate degree and teacher certification in kinesiology encompasses three areas of work: (1) the required block of professional theory courses (HLTH & KINT), (2) the required block of professional development courses (PEDG) and (3) the required block of professional activity courses (DANC & KINA). A grade of "C" must be earned in each of the kinesiology professional theory courses (HLTH & KINT). A student must have completed the English, Math, Biology, Political Science, and History General Education Requirements prior to enrolling in the 3000 and 4000 level professional theory courses (KINT).

The required blocks of professional development courses are PEDG 3310, 3320, 3326, 3380, 4340 and 4630. A student must be admitted to the College of Education and Human Development's teacher education program before enrolling in professional development courses.

*\* See the Department of Health and Kinesiology for current teacher certification requirements.*

The required blocks of professional activity courses are KINA 1270 or KINA 2255, DANC 1222 and KINA 2271. Fourteen additional hours must be selected from DANC 1233, KINA 2255, 2273, 2275, 2277, 2278, 2279, 3201, 3202, 3203, 3204, 3205, 3206 and 3207. A minimum of six hours must be selected from the advanced level professional activity courses (3000 series). Of the 20 hours taken to meet the professional activity requirements, a grade of "B" or higher must be earned.

## Entrance Requirements

1. Entering Freshmen who meet the University's general entrance requirements may be admitted to the Department of Health and Kinesiology.
2. Students who wish to enter Teacher Certification programs in the Department of Health and Kinesiology must have a minimum 2.5 GPA on all work attempted.
3. Students who wish to enter the Community Health program in the Department of Health and Kinesiology must have a minimum 2.0 GPA on all work attempted.

## Health Courses (HLTH)

<b>1306 First Aid/CPR</b>	<b>3:3:0</b>
American Red cross standard first aid and personal safety course. CPR certification is included.	
<b>1373 Foundations of Health</b>	<b>3:3:0</b>
An orientation to the foundations of health and health promotion as a profession is presented. The philosophy, historical development and purposes of health promotion are investigated.	
<b>1370 Health &amp; Wellness</b>	<b>3:3:0</b>
Designed to increase student awareness of fitness, health concepts and lifestyle modification. The class includes laboratories and practical activities, which help students in their attempt to improve their quality of life and achieve well being.	
<b>2374 Public and Consumer Health</b>	<b>3:3:0</b>
Traditional and modern methods of meeting public and consumer health needs; investigation and analysis of public and consumer health problems; functions and organization of consumer services at the local, state, regional and national levels.	
<b>2376 Care and Prevention of Sports Injuries</b>	<b>3:3:0</b>
A study of the treatment and prevention of specific sport injuries. The injuries may be a result of activity in the home, recreational, intramural, or extramural settings.	
<b>2378 Human Sexuality and Sexually Transmitted Diseases</b>	<b>3:3:0</b>
This course is concerned with the basic information regarding the physical, psychological, social, and comparative cultural aspects of family health, sexual behavior, sex education, and sexually transmitted diseases. Emphasis will be placed on the relationship between personal health and human sexuality. The understanding of human sexuality through self-awareness, value clarification and decision-making will also be a concern.	

- 3360 Health Science and Epidemiology** 3:3:0  
A study of infectious and non-infectious diseases. The course treats epidemiology as a basic science of preventive medicine as well as the study of occurrence of disease in human populations.
- 3370 Contemporary Issues** 3:3:0  
The course deals with problems associated with current health issues, which are related to individual and social adjustment in society. Special emphasis will be given to substance abuse, stress management, and problems relating to aging.
- 4300 Individual Study in Health** 3:3:0  
Selected problems in health. Not to be used in lieu of a required course.  
*Prerequisite: Senior standing and consent of department head. May be repeated for credit. Class by consultation.*
- 4340 Program Planning and Evaluation** 3:3:0  
This course is designed to prepare the student to assess a population for their health needs, plan an effective program and successfully implement the program. Theory and practice in evaluation of community- and school-based programs and effective health promotion strategies will be presented.
- 4360 Practicum in Health** 3:3:0  
Observation and study of health programs and organizations.  
*Prerequisite: Approval of department head.*
- 4370 Community Organization and Development** 3:3:0  
This course will present different aspects of the community related to health: organization and function of community, systems management, analyses of community mobilization procedures, coordination of community health organizations and motivation and plans for action in the community.
- 4460 Health Internship** 4:3:2  
Supervised internship at selected community, public or private health agencies and/or organizations.  
*Prerequisite: Approval of department head.*

## Kinesiology Theory Courses (KINT)

- 1301 Introduction to Physical Education** 3:3:0  
Introduction to history, principles and philosophy of kinesiology; professional qualifications of leadership; special emphasis on theoretical and practical aspects.
- 2371 Functional Anatomy and Physiology** 3:3:0  
A study of human movement from the perspectives of anatomy, physiology and kinesiology. Emphasis on the analysis of sport-skill performance. *Prerequisite: BIOL 2401 and 2402.*
- 2372 Sport in Contemporary American Society** 3:3:0  
A study of various sociocultural factors in American society and their relationship to the sport experience.
- 2374 Psychology of Sport** 3:3:0  
Psychological perspectives of sport; personalities of sports participants and current literature related to psychological aspects of sport.
- 2376 Safety Education—Driver Education** 3:3:0  
Provides in-depth coverage of the many aspects of defensive driving. In addition it will provide insight into current federal mandates.
- 2377 Driver Program** 3:3:0  
Traffic rules and regulations and the basic facts concerning the cause and prevention of accidents. The course includes behind the wheel experiences.
- 2378 Practicum in Driver Programs** 3:3:0  
Supervised observation and, provision of actual experience in behind the wheel strategies for individuals conducting driver programs
- 3320 Management Skills** 3:3:0  
A study of the organization and administration of programs in recreation, dance, sports, and athletics.
- 3330 Exercise Physiology** 3:3:0  
A study of the functions of the physiological systems during and after exercise.  
*Prerequisite: BIOL 2401 and BIOL 2402, KINT 2371.*

- 3350 Atypical Child** 3:3:0  
A study of the classification of atypical students who require modified programs. Special emphasis on developing personalized developmental programs. Field experience required.
- 3360 Contemporary Programs in Secondary Schools** 3:3:0  
A critical and comprehensive examination of current trends and issues of programs at the secondary level.
- 3370 Motor Development** 3:3:0  
Principles of motor development in children, including developmental stages and the understanding of motoric trends in human growth and development from birth throughout life.
- 3390 Movement Experience for the Young Child** 3:3:0  
A study of movement experiences in dance, gymnastics, and games for the young child. Functional and practical application will be emphasized.
- 4300 Individual Study** 3:3:0  
Selected problems in the discipline; not to be used in lieu of a class. May be repeated for credit. Class by consultation.  
*Prerequisite: Senior standing and consent of department head.*
- 4301 Workshop** 3:A:0  
A number of workshops are designed to advance the professional competence of students. For each description, the particular area of study will be indicated. May be repeated for credit when nature of workshop differs from one previously taken. Not to be used in lieu of a class.
- 4310 Scientific Principles of Human Performance** 3:3:0  
Anatomical and physiological factors that influence optimal performance. Prerequisites: Permission of instructor.
- 4330 Motor Learning** 3:3:0  
Principles of neuromuscular control mechanisms and correlates of movement behavior and motor learning. Presentation of materials dealing with the learning process, aspects of the learner, variables influencing
- 4360 Measurement and Evaluation** 3:3:0  
A study of practical measurement and evaluation procedures used in the assessment of human performance. Includes construction of evaluation instruments, experience in test administration and the use of elementary statistical procedures in test score interpretations.
- 4380 Contemporary Issues** 3:3:0  
A study of programs and problems associated with the implementation of programs.
- 4630 Kinesiology Internship** 6:A:0  
Supervised internship at selected public or private agencies and/or institutions.

## Kinesiology Activities (KINA)

- 2270 Swimming** 2:1:2  
The introduction and development of skills and basic conditioning related to swimming with particular emphasis on acquisition of skill, appreciation of safety and skill progression.
- 2271 Gymnastics: Tumbling and Gymnastics** 2:1:2  
The introduction and development of skills, general rules, and strategy related to gymnastics with particular emphasis on acquisition of skill, appreciation of safety and skill progression.
- 2273 Golf** 2:1:2  
The introduction and development of skills, general rules, and strategy related to golf with particular emphasis on acquisition of skill, appreciation of safety and skill progression.
- 2275 Aerobic Fitness** 2:1:2  
The introduction and development of skills, understanding of body functions and basic conditioning related to aerobic fitness with particular emphasis on acquisition of skill, appreciation of safety and skill progression.
- 2255 Water Safety Instruction** 2:1:2  
The introduction and development of skills, general rules, and strategy related to water safety instruction with particular emphasis on acquisition of skill, appreciation of safety and skill progression.
- 2277 Archery/Badminton** 2:1:2  
The introduction and development of skills, general rules, and strategy related to archery and badminton with particular emphasis on skill, appreciation of safety and skill progression.

2278	<b>Strength Training</b>	2:1:2
	The introduction and development of skills and general guidelines establishing a training program related to strength training with particular emphasis on acquisition of skill, appreciation of safety and skill progression.	
2279	<b>Sports Officiating I</b>	2:1:2
	The introduction and development of skills, general rules, and strategy related to sports officiating with particular emphasis on acquisition of skill, appreciation of safety and skill progression.	
3201	<b>Baseball</b>	2:1:2
	Activities organized to focus on advanced strategies and coaching aspects of team sports.	
3202	<b>Basketball</b>	2:1:2
	Activities organized to focus on advanced strategies and coaching aspects of team sports.	
3203	<b>Football</b>	2:1:2
	Activities organized to focus on advanced strategies and coaching aspects of team sports.	
3204	<b>Tennis</b>	2:1:2
	Activities organized to focus on advanced strategies and coaching aspects of team sports.	
3206	<b>Track/Field</b>	2:1:2
	Activities organized to focus on advanced strategies and coaching aspects of team and individual sports.	
3206	<b>Volleyball</b>	2:1:2
	Activities organized to focus on advanced strategies and coaching aspects of team sports.	
3207	<b>Soccer</b>	2:1:2
	Activities organized to focus on advanced strategies and coaching aspects of team sports.	

## Physical Education General Activity (PEGA)

The PEGA program offers physical activities designed for the student to learn and develop skills in a variety of lifespan sports. PEGA courses maybe repeated for academic credit.

### Activity Courses (PEGA)

<sup>†</sup> This course also satisfies university PEGA requirement

1270	Beginning Swimming	2275	Baseball
1272	Strength Training	2276	Beginning Gymnastics
1273	Women's Strength Training	2277	Sailing
1274	Cross Training	2278	Volleyball
1275	Water Aerobics	2279	Racquetball
1276	Walking for Fitness	DANC 2272	Aerobics <sup>†</sup>
1278	Yoga Stretching	KINA 2255	Water Safety Instructor <sup>†</sup>
2270	Basketball		
2271	Intermediate Golf		
2272	Golf		
2273	Beginning Tennis		
2274	Intermediate Tennis		

### Activity Courses (PEGA)

Students enrolled in physical education activity classes may be required to wear regulation uniforms suggested by the instructor. The student may provide equipment for class.

## **Athletic Training Specialization**

Certification by the National Athletic Trainer's Association and licensure by the State of Texas as an athletic trainer is available through meeting the following requirements:

1. Admission to the Athletic Training Program at Lamar University. \*
2. Completion of a minimum of 600 clock hours per academic year for a minimum of 3 years (1800 hours total).
3. Completion of an undergraduate degree in addition to certain course requirements.
4. Successful completion of NATABOC exam for certification. (ATC)
5. Successful completion of Texas board exam for licensure.

*\* Number of students is limited. Application must be made through the head athletic trainer.*

## **Driver Certification Requirements**

Certification to teach driver education is available as a special designation on an existing Texas teaching certificate based on a baccalaureate degree. The specific course requirements are KINT 2376, 2377 and 2378.

*Achieving excellence is the norm for College of Engineering students who study with professors researching the latest advancements in the engineering and computer science fields.*

---

# College of Engineering

**Departments:** Chemical Engineering, Civil Engineering, Computer Science, Electrical Engineering, Industrial Engineering, Mathematics and Mechanical Engineering

**Dean**

**2016 Cherry Engineering Building  
Phone 880-8741**

**Myers L. Foreman, Engineering  
Advisor and Undergraduate Advisor  
for Computer Science**

**2608 Cherry Engineering Building  
Phone 880-8810**

## Degrees Offered

### Computer Science

B.S., Bachelor of Science in  
Computer Science  
Computer and Information Science

M.S., Master of Science  
Computer Science

### Engineering

B.S., Bachelor of Science in  
Chemical Engineering  
Civil Engineering  
Electrical Engineering  
Industrial Engineering  
Mechanical Engineering  
Industrial Technology

M.E.S., Master of Engineering Science  
M.S., Master of Science in  
Environmental Engineering  
Environmental Studies  
M.E., Master of Engineering  
M.E.M., Master of Engineering  
Management  
D.E., Doctor of Engineering

### Mathematics

B.A., Bachelor of Arts  
B.S., Bachelor of Science

M.S., Master of Science  
Mathematics

The departments in the College of Engineering are associated with their respective national honor societies which include: Alpha Pi Mu, Chi Epsilon, Eta Kappa Nu, Omega Chi Epsilon, Pi Mu Epsilon, Pi Tau Sigma, Tau Beta Pi and Upsilon Pi Epsilon.

## Cooperative Education Program

A Cooperative (Co-op) Education Program, in which the student spends alternate terms at work and at study, is offered to qualified students in the College of Engineering. Programs are available for computer science, engineering, industrial technology and mathematics students.

To meet the minimum qualifications for the Co-op program a student must

1. Complete all the work in the first two semesters of the degree program.
2. Maintain a 2.5 over-all grade point average for engineering and mathematics or 2.75 over-all GPA for computer science.

To remain in the program, the student must maintain a grade point average above a 2.5 and perform in a manner satisfactory to the employer and Lamar University.

A co-op is considered to be a full-time student during any work term in which the co-op is registered for Career Development. By participating in the Co-op program throughout the sophomore and junior years, a student extends the time required to obtain a degree to five years. However, in doing so, he gains the equivalent of almost two years experience in industry.

A student may apply for admission to the Co-op program through the Engineering Cooperative Education Office.

## Engineering Programs

The five undergraduate curricula in engineering are accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology. The Accreditation Board for Engineering and Technology defines engineering as "the profession in which a knowledge of the mathematical and natural sciences gained by study, experience and practice is applied with judgment to develop ways to use economically the materials and forces of nature for the benefit of mankind." Clearly, from this definition, engineers are to form the interface between science and society as they apply, in realistic terms, the findings of science.

## Entrance Requirements

Entering freshmen and new transfer students are considered provisional majors. The College of Engineering Advisement Center is responsible for the academic advisement of provisional engineering majors.

The entrance requirements from high school for engineering degree programs are

1. English .....4 units
2. Mathematics
  - Algebra.....2 units
  - Geometry .....1 unit
  - Pre-calculus or Equivalent .....1 unit
3. Natural Sciences
  - Chemistry .....1 unit
  - Physics.....1 unit
4. Foreign Language .....1 unit

Students who meet the general entrance requirements of the University, but lack in specific requirements for the engineering curricula may, upon approval of the dean, be permitted to enroll in the College of Engineering; however, all deficiencies must be removed before the end of the second academic year. Students having entrance deficiencies or weaknesses are urged to use the summer terms proceeding the Freshman year in college to remove them. Students attaining a sufficiently high grade in the CEEB Mathematics Level I exam may be eligible for advanced placement in the Calculus and Analytic Geometry sequence. These tests are administered during the freshmen orientation periods and during the regular registration periods.

Transfer students are required to have a minimum 2.0 GPA on all work attempted before entering the College of Engineering. Normally transfer credit is considered for course work with a grade of "C" or better.

## Standards

In addition to the University requirements, the College of Engineering enforces the following standards:

1. Students are required to take courses in the sequence shown in the University Bulletin for each degree program.

- Engineering students are expected to maintain a GPA of 2.25 to remain in a program. Students who drop below 2.25 GPA will be placed on probation (maximum load of 13 semester hours). Students who drop below a 2.0 GPA will be suspended from the College of Engineering for one long term. Students returning from suspension must prepare a performance contract in consultation with their academic advisor. A minimum term of the contract requires the student to remove deficiencies every semester of enrollment. Students who fail to meet the terms of their contract will be permanently suspended.
- Engineering students are expected to maintain a minimum GPA of 2.0 in their major courses (Any course with an Engineering prefix.) A performance contract with the student's department head is required for continued enrollment.
- Degree credit is normally allowed only for courses in which a grade of "C" or better is earned. A course may be repeated for additional credit toward a degree only as specified by the official course description in the University Bulletin. Excluding courses that may be taken for additional credit toward a degree, a student may not register for any course more than four times. Any student who wishes to repeat a course must do so before completing a more advanced course in the same subject matter field.
- Upon the completion of at least 51 semester hours of the Common Program with a GPA of 2.25 or more on all required courses, a student will be considered for admission to an engineering program. For all engineering programs, it is required that 45 semester hours (at least 25 semester hours in engineering at the 3000 and 4000 level) be earned after admission to the professional program.
- The student's advisor must approve all electives.

The Dean of Engineering may require students to meet the current degree requirements or program standards.

## Engineering Core Program

### First Semester

ENGL Comp .....	3
MATH 2413 Calculus I .....	4
CHEM 1411 Chemistry .....	4
ENGR 1174 Engineering Graphics .....	1
ENGR 1101 Engineering Orientation .....	1
PHIL 1370 Philosophy of Knowledge .....	3
PEGA .....	1
	<hr/> 17

### Third Semester

## Engineering Courses (ENGR)

<b>1101</b>	<b>Introduction to Engineering</b>	<b>1:1:0</b>
	History of engineering, philosophy of engineering practice, the electronic calculator and analysis of the problems of being an engineering student.	
<b>1174</b>	<b>Engineering Graphics I</b>	<b>1:0:3</b>
	Principles of orthographic projection combined with descriptive geometry to solve space problems graphically. Lettering and drafting techniques emphasized.	
<b>1301</b>	<b>Introduction to Computers and Programming</b>	<b>3:3:0</b>
	Flow charting, digital computers, program organization, Quick BASIC, Quick BASIC programming. <i>Prerequisite: MATH 1316 or higher.</i>	
<b>2273</b>	<b>Engineering Economics</b>	<b>2:3:0</b>
	The time value of economic resources, engineering project investment analysis, effect of taxes on engineering project decisions. <i>Prerequisite: MATH 2413.</i>	
<b>2301</b>	<b>Statics</b>	<b>3:3:0</b>
	Statics of particles and rigid bodies. Use is made of basic physics, calculus and vector algebra. <i>Prerequisite: PHYS 2426.</i>	
<b>2302</b>	<b>Dynamics</b>	<b>3:3:0</b>
	Kinematics of rigid bodies, kinetics of rigid bodies, work and energy, impulse and momentum. <i>Prerequisite: ENGR 2301 or equivalent, MATH 2415 or concurrent.</i>	
<b>2311</b>	<b>Circuits I</b>	<b>3:3:0</b>
	Linear network analysis. Fundamental network laws and methods. Transient response. Sinusoidal steady state analysis and response. <i>Prerequisite: MATH 2414, PHYS 2426, ENGR 1301.</i>	
<b>2360</b>	<b>Career Development I</b>	<b>3:3:0</b>
	Comprehensive treatment of career-related special assignments and projects. <i>Prerequisite: Approval of academic dean.</i>	
<b>2370</b>	<b>Career Development II</b>	<b>3:3:0</b>
	Comprehensive treatment of career-related special assignments and projects. <i>Prerequisite: ENGR 2360.</i>	
<b>2374</b>	<b>Thermodynamics</b>	<b>3:3:0</b>
	The fundamental laws of thermodynamics; properties of systems solids, gases and liquids and thermodynamic tables. <i>Prerequisite: ENGR 1301, PHYS 2425, MATH 2415 or concurrent.</i>	
<b>3350</b>	<b>Computer Aided Design</b>	<b>3:3:0</b>
	Course stresses two- and three-dimensional applications on the CAD system. Elementary two-dimensional geometric design; Advanced two-dimensional geometric design and application. Three-dimensional curve, surface and solid design with three-dimensional geometric analysis; Design optimization and interfacing computer aided design and computer aided manufacturing. <i>Prerequisite: Junior standing (admitted into a professional engineering program).</i>	
<b>3360</b>	<b>Career Development III</b>	<b>3:3:0</b>
	Comprehensive treatment of career-related special assignments and projects. <i>Prerequisite: ENGR 2370.</i>	
<b>3370</b>	<b>Career Development IV</b>	<b>3:3:0</b>
	Comprehensive treatment of career-related special assignments and projects. <i>Prerequisite: ENGR 3360.</i>	
<b>4101, 4201, 4301</b>	<b>Special Topics</b>	<b>1-4:A:0</b>
	An investigation into specialized areas of engineering under the guidance of a faculty member. This course may be repeated for credit when topics of investigation differ.	
<b>4360</b>	<b>Career Development V</b>	<b>3:3:0</b>
	Comprehensive treatment of career-related special assignments and projects. <i>Prerequisite: ENGR 3370.</i>	

## Department of Chemical Engineering

Program accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology.

**Department Chair:** Jack R. Hopper

**101 Lucas, Phone 880-8785**

**Professors:** Hopper, Yaws, Li, Chen, Ho

**Assistant Professor:** Gossage

**Research Professor:** Cocke

**Laboratory Technician:** Thomison

Chemical engineering is the profession in which a knowledge of mathematics, chemistry and other natural sciences gained by study, experience and practice is applied with judgment to develop economic ways of using materials and energy for the benefit of mankind. The chemical engineer enters into almost every modern industry. From petroleum to synthetic rubber, from steel to medicines, the chemical engineer engages in design, research, development, production, sales and management. Among the fields in which the chemical engineer is of prime importance are petroleum, petrochemicals, metals, plastics, paints, foods, paper, glass, dyes, synthetic fibers and a host of others.

The Department of Chemical Engineering will permit transfer of up to 78 semester hours from a junior college or a community college, if appropriate courses were taken at the junior (community) college level. The appropriate list of courses for a particular college can be made available upon request.

## Bachelor of Science – Chemical Engineering

(1) Approval of Department Head

+ Completion of ChE & Chem courses required before registration for Fourth Year ChE courses

\* Extensive Oral Communications Included

## Chemical Engineering Courses (CHEN)

- 3311 Momentum Transfer** 3:3:0  
Fluid-flow concepts are presented through the derivation of the basic equations of continuity, energy and momentum. Engineering aspects of flow measurement, pressure-drop calculations and pumping requirements are considered. Same as MEEN 3311. CHEN 3311 and MEEN 3311 may not both be counted for credit.  
*Prerequisite:* ENGR 2374, CHEN 3340.
- 3320 Heat Transfer** 3:3:0  
Principles of conduction, convection and radiation, and their application to the design of heat transfer equipment and systems.  
*Prerequisite:* CHEN 3311, CHEN 3330.
- 3330 Thermodynamics II** 3:3:0  
Application of the First and Second Laws to chemical processes. Thermodynamic properties of pure fluids and mixtures. Physical equilibrium.  
*Prerequisite:* CHEN 3340, ENGR 2374, CHEM 3411 or concurrent, CHEM 2401 or concurrent.
- 3340 Process Analysis** 3:3:0  
Application of mathematics, physics and chemistry to the solution of problems in industrial chemistry. Material and energy balance calculations on processes undergoing physical and chemical changes.  
*Prerequisite:* ENGR 2374 or concurrent.
- 4140 Seminar** 1:1:0  
Oral and written presentation of selected topics in chemical engineering from recent technical publications.  
*Prerequisite:* Senior standing in Chemical Engineering.
- 4150 Process Control Laboratory** 0:3:1  
Experiments in level, flow and temperature control; computer-based adaptive control; PID tutorial program; control valve selection and sizing; interactive process control using the Honeywell TDC-3000 keyboard with a process control simulator.
- 4310 Laboratory I** 3:1:6  
Experiments in heat transfer, mass transfer, fluid flow, reaction kinetics and thermodynamics.  
*Prerequisite:* CHEN 4420 or concurrent.
- 4330 Process Control** 3:3:0  
Selection of equipment to measure and control process variables. Analysis of process response to variations in process parameters.  
*Prerequisite:* CHEN 4370, 4410, 4420, MATH 3401.
- 4340 Plant Design II** 3:1:6  
A continuation of CHEN 4360, with emphasis on a major design project.  
*Prerequisite:* CHEN 4360.
- 4350 Advanced Analysis** 3:3:0  
Development of mathematical equations for chemical engineering applications. Solution of ordinary and partial differential equations.  
*Prerequisite:* CHEN 3330, 3311, 3320, 4570, 4410, MATH 3401.
- 4360 Plant Design I** 3:3:0  
Application of chemical engineering principles to the design of chemical processes and plants. Equipment design and specifications. Economic evaluation of processes and equipment.  
*Prerequisite:* CHEN 4410; CHEN 4420 or concurrent.
- 4370 Computer Applications** 3:3:0  
Use of the digital computer in performing process calculations. Advanced techniques of numerical programming.  
*Prerequisite:* ENGR 1301, CHEN 3340, CHEN 3330 or concurrent.
- 4410 Reaction Kinetics** 4:3:3  
Chemical equilibrium. Analysis of experimental data to determine reaction rate parameters in homogeneous, heterogeneous; catalytic and non-catalytic reactions. Development of equations for batch, stirred-tank and tubular flow reactors. Application of differential equations to process and reactor design.  
*Prerequisite:* MATH 3401, CHEM 2401, CHEN 3320 or concurrent, CHEN 3330 or concurrent, CHEM 3412 or concurrent, CHEM 4312 or concurrent.
- 4420 Mass Transfer** 4:3:3  
Principles of diffusion. Simultaneous mass, energy and momentum transfer. Analysis of absorption, extraction and distillation processes.  
*Prerequisite:* CHEN 3330, 3320, CHEM 2401, 3411, 3412, 4312.

## Department of Civil Engineering

Program accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology.

**Department Chair:** Enno Koehn

**2010 Cherry Building, Phone 880-8759**

**Professors:** Koehn, Morgan

**Assistant Professors:** Fang, Jao, Malek

**Adjunct:** Tohme

**Laboratory Technician:** McClelland

Civil Engineering is a people serving profession and as such is vital to the world's economic, political, and social well being. The many areas to which civil engineers make substantial contributions include bridges, dams and levees, harbors, waterways and irrigation facilities, buildings, airports, highways, pipelines, railroads, power lines, water supply systems and waste treatment facilities. Civil engineers engage in a wide range of activities such as research, design, development, management, and the control of engineering systems and their components. With today's fast-paced technological changes, civil engineering provides unique and unlimited career opportunities that can only be met by professionally educated people.

The civil engineering program is designed with a broad base to prepare men and women for careers in all phases of civil engineering and to enable them to perform other managerial and technical functions that require scientific and engineering backgrounds. The curriculum embraces a sound core of humanities and social studies courses in addition to those in physics, chemistry and mathematics. To this is added a substructure of engineering sciences. Areas of study include geo-technical, structural, hydraulic, environmental, surveying, and construction engineering. Electives are available to fit the individual interest of the civil engineering student.

Because of the wide scope of activities in which the civil engineer is engaged, and the broad spectrum of student interest, civil engineering graduates may choose either to enter the profession immediately after receiving their bachelor's degree or go directly to graduate school. No matter what the student chooses, the curriculum provides a firm foundation for today's world.

To encourage and assist scholars in civil engineering, the Katherine E. and William C. Mundt endowment was established in 1983. In addition, the Tony Paine Memorial Scholarship was established in 1988 and the David Bernsen Endowed Scholarship in 1997. These funds provide scholarships for qualified students. Application forms are available in the civil engineering department office.

## Bachelor of Science – Civil Engineering

### Additional Degree Requirements:

Candidates for degrees in this program are strongly encouraged to consider sitting for the National Council of Engineering Examiners Examination on "Fundamentals of Engineering" as administered by the Texas Board of Professional Engineers.

## Suggested Program of Study

### First and Second Years (See Engineering Core Program) (b)

#### Third Year

##### First Semester

CVEN 2270 Surveying .....	2
CVEN 3310 Environmental Science .....	3
CVEN 3340 Structural Mechanics .....	3
CVEN 3350 Hydraulics I .....	3
Elective: Literature .....	3
Elective: History .....	3
	<u>17</u>

##### Second Semester

CVEN 3200 Materials Engineering .....	2
CVEN 3360 Hydrology of the Environment .....	3
CVEN 3370 Environmental Engr Syst I .....	3
CVEN 3390 Geotechnical Engineering .....	3
CVEN 4390 Structural Steel Design .....	3
CVEN 3290 Civil Engineering Systems I .....	2
	<u>16</u>

#### Fourth Year

##### First Semester

CVEN 4212 Civil Engr Syst Design Project .....	2
CVEN 4320 Project Mgmt Engineering .....	3
CVEN 4340 Foundation Engineering .....	3
CVEN 4380 Reinf. Concrete Design .....	3
CVEN Elective (a) .....	3
POLS 2301 .....	3
	<u>17</u>

##### Second Semester

CVEN 4110 Seminar .....	1
CVEN 4350 Hydraulics II .....	3
CVEN Elective (a) .....	3
Elective Science (a) .....	4
Elective: Fine Arts .....	3
POLS 2302 .....	3
	<u>17</u>

#### Notes:

(a) All electives must be approved by the Chair of the C.E. Dept. CVEN Electives must include design content of an amount to satisfy ABET criteria.

(b) It is vital that CVEN 2372 and ENGR 2302 be completed before the start of the third year.

## Civil Engineering Courses (CVEN)

<b>2270</b>	<b>Surveying</b>	<b>2:1:3</b>
	Introduction to the basic principles of surveying. Use of equipment for measurement of horizontal and vertical distances and angles. Field practice and calculations associated with design and layout of highway curves including vertical and horizontal alignments. Transition spirals. Error Analysis. Computer used in calculations.	
	<i>Prerequisite:</i> ENGR 1301, 1174.	
	<i>Corequisite:</i> MATH 2312.	
<b>2372</b>	<b>Mechanics of Solids</b>	<b>3:3:0</b>
	Effect of loads on deformable bodies. Uniaxial and biaxial stress-strain relationships. Indeterminate systems. Study of stresses due to axial, torsional and bending effects. Bucking of columns. Introduction to design.	
	<i>Prerequisite:</i> ENGR 2301.	
<b>3200</b>	<b>Materials Engineering</b>	<b>2:0:6</b>
	Principles/techniques for investigating properties and behavior of engineering members and materials using experimental methods. Consideration of design parameters.	
	<i>Prerequisite:</i> CVEN 2372.	
<b>3290</b>	<b>Civil Engineering Systems I</b>	<b>2:2:0</b>
	Principles of systems analysis utilized for solving civil engineering problems. Application of probability, statistics, and regression analysis to the engineering design process. Specific examples in civil engineering taken under consideration. Course title and description may vary when taught as a CE Elective.	
	<i>Prerequisite:</i> MATH 2415.	
	<i>Corequisite:</i> CVEN 2372.	
<b>3310</b>	<b>Environmental Science</b>	<b>3:2:3</b>
	Introduction to the hydrologic cycle and the chemistry and microbiology of the natural aquatic environment. Emphasis is on the physical, chemical and biological aspects of water and waste water systems in relation to man's environment. Laboratory work is in the physical, chemical and biological analysis of water and waste water.	
	<i>Prerequisite:</i> CHEM 1411.	

- 3340 Structural Mechanics** 3:2:3  
Analysis of loading for bridges and buildings. Effects of moving loads using influence lines. Shear and bending moment diagrams. Analysis of indeterminate structures. Introduction to structural design. Investigation of frames, girders and bents.  
*Corequisite: MATH 3401.*  
*Prerequisite: CVEN 2372.*
- 3350 Hydraulics I** 3:2:3  
Basic principles of fluid flow. Friction and drag studies. Calibration and design of flow measuring devices. Flow characteristics of open and closed conduits. Presentation of oral and written design reports.  
*Prerequisite: ENGR 2302.*
- 3360 Hydrology of the Environment** 3:3:0  
Precipitation, surface water, infiltration, and sub-surface water. Analysis of rainfall and runoff data. Collection studies. Hydraulics of wells. Net storm rain; peak discharge and flood runoff.  
*Corequisite: ENGR 2302.*
- 3370 Environmental Engineering Systems I** 3:3:0  
General survey of environmental engineering covering water supply and sanitary sewerage systems. Design of water distribution and wastewater collection systems.  
*Prerequisite: CVEN 3310, CVEN 3350.*
- 3390 Geo-technical Engineering** 3:2:3  
Basic principles of soil behavior under load. Soil properties and classification. Study of hydraulics as applied to soil mechanics.  
*Prerequisite: ENGR 1174. Corequisite: CVEN 2372, ENGR 2302.*
- 4110 Seminar** 1:1:0  
Discussion of ethical, professional, and technical topics related to the practice of civil engineering. Presentation of oral and written reports.  
*Prerequisite: Senior standing.*
- 4212 Civil Engineering Systems Design Project** 2:0:6  
Planning, design, and analysis of a civil engineering system or project; an integrated and realistic group project is utilized which involves numerous major aspects of the civil engineering profession. Presentation of oral and written design reports.  
*Prerequisite: CVEN 3370, CVEN 3390. Corequisite: CVEN 4380, CVEN 4390..*
- 4290 Civil Engineering Systems II** 2:2:0  
Principles of systems analysis utilized for solving civil engineering problems. Application of probability and statistics, numerical methods, linear programming, dynamic programming, optimization, finite elements and finite differences to the engineering design process.  
*Prerequisite: CVEN 3290 or Statistics. Corequisite: CVEN 3340, CVEN 3370, CVEN 3390.*
- 4300 Structural Analysis/Graphical Design** 3:3:0  
Basic principles of structural analysis and design based upon the requirements of equilibrium and continuity. A consideration of graphical computer aided techniques to describe various systems or a study of matrix methods and the application of strain energy, slope deflection, and moment distribution procedures for the analysis of frames, trusses, and beams. May be repeated for credit when topics vary.  
*Prerequisite: CVEN 3340.*
- 4310 Building Design/Construction** 3:3:0  
Advanced topics in Building and/or Construction Systems. Topics may include the treatment of contaminated soils, and the effects of various static, dynamic, hydraulic, and wind loads on structural frames and foundations. Environmental, social, and safety requirements may be taken under consideration. Presentation of oral and written design reports. May be repeated for credit when topics vary.  
*Prerequisite: Senior standing.*
- 4320 Engineering Project Management** 3:3:0  
Principles governing the effective and efficient management of engineering projects including the application of comprehensive planning, scheduling, and cost estimation procedures. Presentation of oral and written design reports.  
*Prerequisite: Senior standing.*
- 4340 Foundation Engineering** 3:2:3  
The practice of geotechnical engineering; subsurface explorations; geotechnical analysis and design of shallow footings, deep foundations, and retaining structures; stability of earth slopes, and soil improvement.  
*Prerequisite: CVEN 3390.*  
*Corequisite: CVEN 4380.*

- 4350 Hydraulics II** 3:2:3  
Continuation of CVEN 3350-Hydraulics I emphasizing practical design applications of basic fluid mechanics principles in fluid measurement, machinery, closed conduit flow, open channel flow and hydraulic transients. Presentation of oral and written design reports.  
*Prerequisite: CVEN 3350.*
- 4355 Environmental Engineering Systems II** 3:3:0  
Advanced topics in environmental engineering. Typical topics may include the management of solid waste, flood control systems, and the hydraulic or biological design of municipal and/or industrial treatment facilities. The effects of safety during construction and operations may also be considered. Presentation of oral and written design reports. May be repeated for credit when topics vary.  
*Prerequisite: Senior standing.*
- 4370 Transportation & Urban Engineering** 3:3:0  
History and development of transportation and/or urban facilities. Drainage requirements. Fundamentals of urban systems including, the location, design, construction, and maintenance of highways and pavements. May be repeated for credit when subject matter varies.  
*Prerequisite: Senior standing.*
- 4380 Reinforced Concrete Design** 3:2:3  
The design of structural concrete members based upon working stress and strength design methods. Study of standard specifications. Introduction to pre-stressed concrete.  
*Prerequisite: CVEN 3340.*
- 4390 Structural Steel Design** 3:2:3  
The design of buildings and bridge components according to standard specifications. Application of load and resistance factor and allowable stress design methods. Introduction to plastic design of steel structures.  
*Prerequisite: CVEN 3340.*

## Department of Electrical Engineering

The Bachelor of Science – Electrical Engineering (BSEE) program is accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (ABET). This accreditation has been continuously maintained since it was first acquired in the 1950s.

**Department Chair:** Bernard J. Maxum

**2006 Cherry Building; Phone 880-8746**

**Professors:** Bean, Maxum

**Fax 409-880-8121**

**Associate Professors:** Carlin, Reddy

**e-mail [eece@hal.lamar.edu](mailto:eece@hal.lamar.edu)**

**Assistant Professor:** Micklè

**Web page: <http://hal.lamar.edu/~eece/>**

**Visiting Professors:** Crum, Watt

**Laboratory Technician:** Ingram

From the design of microprocessors smaller than the pupil of an eye to major power distribution systems, the electrical engineer plays an ever-increasing role in today's society. Career opportunities open to electrical engineers encompass diverse areas including advanced computer design, microprocessor-based instrumentation, computer-aided diagnostic and information systems, computer network engineering, automatic control systems, communications and fiber-optic systems.

Lamar University's electrical engineering program prepares graduates for a wide range of opportunities by providing a curriculum strongly based in mathematics and science. Electrical engineering content is presented through diverse coursework in all

of the major electrical engineering areas including electronics, digital logic design, power systems, control systems and communications. An alternative curriculum with a concentration in Computer Engineering has also been developed specifically to prepare the graduating engineer for a career in computer architecture and software design. The interested student can also participate in a variety of faculty research programs in the areas of communications, instrumentation and signal processing.

The Department of Electrical Engineering will permit transfer of up to 72 semester hours of appropriate courses from a junior college or a community college. If the necessary pre-engineering requirements are satisfied, transfer students may finish their degree in four or five semesters.

## Bachelor of Science – Electrical Engineering

### Suggested Program of Study – Electrical Engineering Path

#### First and Second Year (See Engineering Core Program)

#### Third Year

\* ELEN 4391, ELEN 4392, or ELEN 4304 ( provided the latter is computer-aided design based).

\*\* Total elective design content must be a minimum of three hours.

## Bachelor of Science – Electrical Engineering

### Suggested Program of Study with a Path in Computer Engineering

The student choosing this path must consult an EE advisor as early as possible in his or her program. See ENGR 1301 below.

## Electrical Engineering Courses (ELEN)

Electrical Engineering (ELEN) courses, including lower-division ENGR courses offered by the Electrical Engineering Department are numbered in accordance with the following numbering scheme: The first digit corresponds to the academic level (1 freshman, 2 sophomore, 3 junior, 4 Senior) and the second corresponds to the credit hours offered (consistent with all Lamar courses). The third digit corresponds to the subject material as follows: 0 – labs, seminars, or misc.; 1 – circuits; 2 – electronics; 3 – digital domain; 4 – machines, power systems; 5 – controls; 6 – communications, signals and systems; 7 – electromagnetics; 8 – computer architecture and methods; 9 – computer-aided electrical design.

<b>ENGR 1301 Introduction to Computers and Programming</b>	3:3:0
Flow charting, digital computers, programming organization, Quick Basic programming. EEs on the EE Path may substitute COSC 1373 and COSC 1374 for ENGR 1301. EEs on the Computer Engineering Path <u>must</u> substitute COSC 1373 and COSC 1374 for ENGR 1301.	
<b>2107 Circuits Laboratory</b>	1:0:3
Experience in the use of elementary electrical equipment and elements, including the oscilloscope. <i>Corequisite: ENGR 2311.</i>	
<b>2300 Analog/Digital Circuits and Logic</b>	3:2.5:1
For non-EE majors, this course covers a broad range of analog and digital electrical engineering topics. Although primarily intended for CS majors, may be taken by qualified students from other majors. <i>Prerequisite: MATH 2413 or equivalent.</i>	
<b>ENGR 2311 Circuits I</b>	3:3:0
Linear network analysis. Fundamental network laws and methods. Transient response. Sinusoidal steady state analysis and response. <i>Prerequisite: MATH 2414, PHYS 2426, ENGR 1301 (or COSC 1373 and COSC 1374; EEs see ENGR 1301 above).</i>	
<b>3108 Electronics Laboratory</b>	1:0:3
Design of power supplies and amplifiers using diodes, transistors, thyristors and linear integrated circuits. <i>Prerequisite: ELEN 2107. Corequisite: ELEN 3321.</i>	
<b>3109 Electric Machinery Laboratory</b>	1:0:3
Three phase circuits, DC and AC motors and generators; transformers. <i>Prerequisite: ELEN 2107. Corequisite: ELEN 3341.</i>	
<b>3201 Digital Laboratory</b>	2:1:3
Testing and design of digital circuits; introduction to small computer hardware and software. <i>Prerequisite: ELEN 2107 or ELEN 3331 and ELEN 3108.</i>	
<b>3312 Circuits II</b>	3:3:0
Power calculations, polyphase circuits. Frequency response, resonance, magnetically coupled circuits, two port networks. Fourier series, Fourier and Laplace transform application. <i>Prerequisite: ENGR 2311. Corequisite: MATH 3401.</i>	
<b>3313 Circuit Design</b>	3:3:0
Circuit design concepts using frequency domain. Pole-zero characterization of system response. Synthesis of passive and active networks. <i>Prerequisite: ELEN 3312.</i>	
<b>3321 Electronics I</b>	3:3:0
Design and analysis of circuits using diodes, transistors, and linear and digital integrated circuits. <i>Prerequisite: ENGR 2311.</i>	
<b>3322 Electronics II</b>	3:3:0
In depth study of semiconductor devices and integrated circuit characteristics, stability, feedback amplifiers and frequency response. <i>Prerequisite: ELEN 3321, 3312</i>	
<b>3331 Logical Design of Switching Systems</b>	3:3:0
Switching algebra. Formulate and manipulate switching functions. Combinational networks. Flip-flops. Sequential networks. <i>Prerequisite: Junior standing.</i>	
<b>3341 Electric Machinery/Transformers</b>	3:3:0
A study of static and quasi-static magnetic fields and circuits, inductance and mutual inductance, with applications to transformers and electric machinery. DC and AC motors and generators. Recommend taking with ELEN 3371. <i>Prerequisite: ELEN 3312.</i>	

- 3371 Electromagnetics I** 3:3:0  
Vector analysis, coordinate systems, static and quasi-static electric fields, electric potential, dielectrics, capacitance, current, conductance, magnetic vector potential, electromagnetic forces. Maxwell's Equations, plane waves, transmission lines and Smith chart analysis.  
*Prerequisite:* MATH 3401, PHYS 2426, ENGR 2311.  
*Corequisite or prerequisite:* ELEN 3341.
- 3381 Electrical Analysis** 3:3:0  
Application of the digital computer to analysis and design of electrical systems using numerical methods.  
*Prerequisite:* MATH 3401, ENGR 2311, 1301.
- 4101 Electrical Engineering Seminar I** 1:1:0  
A study of the literature of electrical and related engineering fields; preparation and presentation of papers on electrical subjects.  
*Pre or Corequisite:* ELEN 4206 or 4207.
- 4102 Electrical Engineering Seminar II** 1:1:0  
Preparation, presentation and discussion of material on the engineering profession, the interface between technology and society, and new areas of engineering involvement.  
*Pre or Corequisite:* ELEN 4206 or 4207.
- 4206 Senior Projects Design** 2:1:5  
Senior design projects with hardware implementation and testing. Preparation of project proposals, formal report and presentation.  
*Prerequisite:* ELEN 2107, 3108, 3109, 3201, 3322.
- 4207 Senior Projects Design** 2:1:5  
Senior design projects with hardware implementation and testing. Preparation of project proposals, formal report and presentation.  
*Prerequisite:* ELEN 2107, 3108, 3109, 3201, 3322.
- 4304 Advanced Topics** 3:3:0  
Topics are selected on the basis of the needs of an adequate number of students. May be repeated for credit when topics vary. Topics include artificial neural networks, digital signal processing, advanced electromagnetics, fault tolerant design, fiber optics, advanced power systems, and VLSI (very large scale integrated circuit) design.  
*Prerequisite:* ELEN 3312, 3322.
- 4323 Electronics III** 3:3:0  
Analog systems with semiconductor elements, frequency response, feedback and feed forward amplifier design, power electronic devices with regulated power supplies. Two hours design content.  
*Prerequisite:* ELEN 3322.
- 4342 Electric Power Systems** 3:3:0  
An introduction to electric power system analysis. Transmission line calculations, system operation, short circuit computations. One-hour design content.  
*Prerequisite:* ELEN 3341, 3371.
- 4351 Control Engineering** 3:3:0  
Transfer functions, stability criteria, time response, frequency response, root locus, design, and compensation.  
*Prerequisite:* ELEN 3313.
- 4361 Communications I** 3:3:0  
Principles of modulation, random signal theory and network analysis, basic information theory, analysis of noise.  
*Prerequisite:* ELEN 3312, 3321.
- 4372 Electromagnetics II Topics** 3:3:0  
Intermediate-level electromagnetics topics. May be repeated for credit when topics vary. Topics may include fiber optic wave guides and systems, communication antennas, microwave circuits and systems, radar theory and applications, etc. 1-1/2 hours design content.  
*Prerequisite:* ELEN 3371.
- 4381 Instrumentation** 3:3:0  
Unified methods for the design of signal conditioning circuits between sensors and computers. Accepted practice for sensor based microprocessor and microcomputer data acquisition and processing systems. Instrumentation amplifier circuits. Two hours design content.  
*Prerequisite:* ELEN 3321, 3331.
- 4386 Microcomputer I** 3:2.5:1  
Introduction to assembly language programming, microcomputer architecture, and operating systems. 1-1/2 hours design content.  
*Prerequisite:* ELEN 3331.
- 4387 Microcomputer II** 3:2.5:1  
Advanced assembly language, microcomputer organization, interfacing with peripheral devices and computer software development systems. 1-1/2 hours design content.  
*Prerequisite:* ELEN 4386.

- 4391 Introduction to VLSI Design** 3:2:3  
Principles of basic microchip design. Use of computer-aided software design with hands-on experience in implementing very large scale integrated (VLSI) circuits. Detailed study and computer simulation of MOS-capacitance models. 1-1/2 hours of design content.  
*Prerequisite: Junior standing in EE.*
- 4392 Fault Diagnosis and Fault Tolerant Design** 3:2:3  
Study of test generation algorithms for combinational circuits such as Boolean Difference; D, PODM, and FAN algorithms. Test generation techniques for RAMs and microprocessors. Design for testability and fault tolerance. 1-1/2 hours of design content.  
*Prerequisite: Junior standing in EE.*

## Department of Industrial Engineering

The Bachelor of Science in Industrial Engineering program is accredited by the Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology.

**Department Chair:** Victor Zaloom

**2014 Cherry Building, Phone 880-8804**

**Professors:** Zaloom, Chu

**Associate Professor:** Thomas

**Assistant Professor:** Underdown

**Adjunct Faculty:** Ashcraft, Barrington, Duffy, Gates, J. Smith, R. Smith

**Laboratory Technician:** Costa

## Degrees Offered

The Department of Industrial Engineering offers the Bachelor of Science degree in Industrial Engineering and in Industrial Technology.

## Industrial Engineering

Industrial engineering serves vital functions in today's world and provides a wide range of career opportunities. It is particularly well positioned to develop individuals who provide solutions for the fields of re-engineering and right-sizing of organizations, economic analysis and associated solutions, quality assurance management, plant operation control/design and managerial problem solving that require a knowledge of fundamental science and engineering practices including human engineering.

Industrial engineering deals not only with technology but also with people. It especially deals with managerial problems requiring knowledge of fundamental science and engineering practice for their solutions. The Department of Industrial Engineering at Lamar University is one of the leaders in integrating computer applications including computer-aided design and computer-aided manufacturing into the curriculum.

Industrial engineers combine advanced study in management systems, economics and decision-making to answer such questions as: "What products or services should we offer? What materials and methods should we use? How can we best motivate and reward people? How can we improve quality, productivity and service?"

Typical responsibilities of the industrial engineer involve design, operation and management. While manufacturing industry demands many graduates, increasing numbers are finding satisfying employment in other kinds of businesses. Airlines, banks, restaurant chains, department stores and hospitals—all use industrial engineers. Governmental agencies of all sorts are attracting graduates.

An advisory committee of successful alumni from industry supports the department's academic staff. The Lamar University Industrial Engineering Department provides a campus home and friendly team atmosphere with a focus on preparation of students for career leadership.

## Bachelor of Science – Industrial Engineering

### Suggested Program of Study

#### First and Second Year (See Engineering Core Program)

#### Third Year

First Semester	Second Semester
INEN 4340 Materials Sc. & Mfg. ....3	INEN 4310 Computer Aided Mfg. ....3
INEN 4315 Organization & Management ....3	INEN 4320 Statistical Decision Making for Engineers ....3
INEN 4350 Production & Invent. Control ....3	Lab Science Elective (b) ....4
POLS 2301 American Gov't. I ....3	POLS 2302 American Gov't. II ....3
COMM/FOREIGN LANG EL(a) ....3	HIST 2 (US History) ....3
ENGR 3350 CAD ....3	
18	16

#### Fourth Year

First Semester	Second Semester
INEN 4375 Simulation ....3	Social Science Elective (d) ....3
INEN 4300 Quality Assurance & Control ....3	INEN 4370 Operations Research ....3
INEN 3312 Systems Design ....3	ENGR 4301 Spec Top Dsgn of Prod Fac ....3
English Literature (c) ....3	INEN 4316 Industrial & Product Safety ....3
MEEN/CHEN 3311 Fluid Mechanics ....3	Fine Arts Elective (e) ....3
15	15

Total Semester Hours 133

#### Notes:

- (a) COMM 1315, 1360, 2335, 2373, 3310, 3340, or Modern Language including CMDS 2305, American Sign Language.  
 (b) CHEM 1412 or another course approved by the INEN Chair.  
 (c) Any course in Sophomore Literature (ENGL 2322-2377) will satisfy this requirement.  
 (d) ECON 1301, PSYC 2301, SOCI 1301, ANTH 2346 or (ECON 2301 and ECON 2302).  
 (e) ARTS 1301, DANC 1370, HUMA 1315, MUSI 1306 or THEA 1310.

## Industrial Technology

The Department of Industrial Engineering also offers a Bachelor of Science degree in Industrial Technology. This curriculum is especially designed to prepare two-year technology graduates to work effectively in the engineer-technologist team and to assume management responsibilities.

The first two years of this program are administered by the Lamar University Institute of Technology or Lamar University at Orange or Port Arthur. Students are also accepted from other technical two-year programs throughout the state and nation. This degree requires successful completion of an Associate of Applied Science degree—or equivalent—composed of a minimum of 36 semester hours of related and sequential courses. Technology courses beyond those specified in a major field must be approved by the Industrial Engineering Department.

Admission to the Industrial Technology Program will be granted, upon application, after completion of a minimum of 40 semester hours toward the Associate of Applied Science Degree or the Engineering common program with a grade point average of at least 2.00.

Technology students who intend to continue their education to obtain this degree should substitute six hours of Freshman English for Business Communication and MATH 1314 for Technical Math with their advisor's approval.

Any student in the Industrial Technology program considering working toward an Industrial Engineering degree at any time in the future should so inform his or her advisor.

Total Semester Hours: 126-127

#### Notes:

(a) Any of ENGL 2322-2377 will satisfy this requirement.

(b) Social Science Electives are: ECON 1301, PSYC 2301, SOCI 1301, ANTH 2346 or (ECON 2301 and ECON 2302).

(c) A 3000 or 4000 level INEN course, from approved list.

(d) Fine Arts Electives are: ARTS 1301, DANC 1370, HUMA 1315, MUSI 1306 or THEA 1310.

## Industrial Engineering Courses (INEN)

<b>3300 Industrial Engineering</b>	<b>3:3:0</b>
Introduction to Industrial Engineering, its tools and techniques.	
<b>3301 Survey of Industrial Engineering</b>	<b>3:3:0</b>
The origins and evolution of Industrial Engineering. The problem solving techniques available and their applications.	
<i>Not open to students majoring in engineering.</i>	
<b>3312 IE Systems Design</b>	<b>3:2:3</b>
Identification and analysis of industrial engineering problems. Design of industrial engineering systems.	
<i>Corequisite: INEN 3300 or INEN 3301, or INEN 3360</i>	
<b>3322 Introduction to Process Engineering</b>	<b>3:2:3</b>
Theory and practice of machine tool applications, safety quality and economics. Introduction to digital programming of machine tools and processes.	
<i>Prerequisite: Junior standing.</i>	
<b>3330 Engineering Economy</b>	<b>3:3:0</b>
Economics applied to the evaluation of engineering proposals. The effects of depreciation, taxation and interest rates.	
<i>Not open to students majoring in engineering.</i>	
<i>Prerequisite: MATH 1314,</i>	
<b>3360 Microcomputer Applications in Industrial Engineering</b>	
Problems in application areas such as operations research, production planning and scheduling, quality and inventory control will be presented. Microcomputer-based software packages will be used as aids to solve problems.	
<b>3380 Work Design</b>	<b>3:2:3</b>
Determination of work content, layout, methods, and times required for manufacturing tasks. Design of jobs and workplace for productivity and human value content.	
<b>3390 Manufacturing Materials and Process</b>	<b>3:3:0</b>
Functional and economic selection of materials and processes in manufacturing.	
<i>Not open to students majoring in engineering.</i>	
<i>Prerequisite: CHEM 1405 or equivalent, INEN 3322.</i>	
<b>4300 Quality Assurance and Control</b>	<b>3:3:0</b>
Assurance that products perform as intended. Reducing or eliminating defective output.	
<i>Prerequisite: INEN 4320, Senior standing in engineering.</i>	
<b>4301 Quality Control Applications</b>	<b>3:3:0</b>
Quality assurance and the application of statistics to the control of quality. Control charts, acceptance sampling reliability and the role of standards in the quality function.	
<i>Not open to students majoring in engineering.</i>	
<b>4310 Computer Aided Manufacturing</b>	<b>3:3:0</b>
Design problems in the areas of computer numerical control, robotics and computer vision are presented. Manufacturing Control Systems are discussed as they relate to a Computer Integrated Manufacturing (CIM) environment.	
<i>Prerequisite: BASIC programming, INEN 3322 or equivalent, and Junior standing.</i>	
<b>4315 Organization and Management</b>	<b>3:3:0</b>
The theory of organization and management..How the executive functions to achieve the organization's goals.	
<i>Prerequisite: Junior standing.</i>	
<b>4316 Industrial and Product Safety</b>	<b>3:3:0</b>
Loss control engineering. Mandatory and voluntary standards. Product liability.	
<i>Prerequisite: Senior standing.</i>	
<b>4320 Statistical Decision Making for Engineers</b>	<b>3:3:0</b>
Analysis of data to help the engineer/executive make decisions. Evaluations of performance claims.	
<i>Junior standing in engineering.</i>	
<b>4340 Materials Science and Manufacturing Processes</b>	<b>3:3:0</b>
Basic principles underlying the behavior of engineering materials and methods of processing these materials.	
<i>Prerequisite: INEN 3322, CHEM 1411 or equivalent.</i>	
<b>4350 Production and Inventory Control</b>	<b>3:3:0</b>
Techniques for planning and controlling production and inventories. Modern materials requirements planning.	
<i>Prerequisite: Junior standing.</i>	

- 4351 **Production and Inventory Systems** 3:3:0  
The design and operation of systems for managing production and inventories.  
*Not open to students majoring in engineering.*  
*Prerequisite: INEN 3301 or INEN 3300.*
- 4370 **Operations Research** 3:3:0  
An introduction to the construction and mathematical models of organizational systems to aid executives in making decisions.  
*Prerequisite: Senior standing.*
- 4380 **Work Measurement** 3:2:3  
Analysis of layout, methods and motion. Measurement of work content and time manual and machine tasks.  
Setting time standards.  
*Not open to students majoring in engineering.*

## Department of Mechanical Engineering

Program accredited by the Engineering Accreditation Commission of the Accreditation Board of Engineering and Technology.

**Department Chair:** Malur Srinivasan (Interim) 2008 Cherry Building, Phone 880-8769

**Professors:** Corder, Young

**Associate Professor:** Srinivasan

**Assistant Professors:** Gonthier, Cox

**Laboratory Technician:** Colville

Mechanical engineers are men and women who design, develop and manufacture machines that produce, transmit or use power. There is hardly an area in modern life that has not been influenced by a mechanical engineer at some point along the path from invention to installation. Mechanical engineering knowledge is essential to build automobiles, airplanes, ships, satellites and health care equipment, to name a few. Mechanical engineering occupies this unique position as it effectively utilizes basic sciences, mathematical sciences and engineering science and technology.

The Department of Mechanical Engineering of Lamar University prepares undergraduate students for challenging and rewarding careers in the industry or for the pursuit of graduate studies. There are three major disciplines forming the core, namely, thermal sciences, mechanical systems and design, and materials and manufacturing. Application of the sciences is initiated in the junior year. In the senior year, the students are trained and encouraged to develop skills to use such knowledge in practical mechanical engineering applications.

# Bachelor of Science – Mechanical Engineering

## Suggested Program of Study

### First and Second Year (See Engineering Core Program)

#### Third Year

##### First Semester

MEEN 3300 Mech Design I .....	3
MEEN 3311 Fluid Mech .....	3
MEEN 3380 Thermo II .....	3
MEEN 3350 CAE .....	3
ELEN 3321 Electronics I .....	3
Fine Arts .....	3
	<u>18</u>

##### Second Semester

MEEN 3210 Measurements Lab .....	2
MEEN 3310 Heat Transfer .....	3
MEEN 3320 Mech Design II .....	3
MEEN 3340 Engr Anal .....	3
ENGL Lit .....	3
POLS 2301 .....	3
	<u>17</u>

#### Fourth Year

##### First Semester

MEEN 4310 Integrated Systems Design .....	3
MEEN 4313 Thermal Sys Des .....	3
MEEN 4319 Materials Science .....	3
MEEN 4323 Mech Des III .....	3
POLS 2302 .....	3
*MEEN Elective .....	3
MEEN 4110 Seminar .....	1
	<u>19</u>

##### Second Semester

MEEN 4316 Engineering Design Project .....	3
MEEN 4317 Dyn Sys Analysis .....	3
*MEEN Elective .....	3
Soc Sci .....	3
*Comm. or Mod Lang. Elective .....	3
*Math/Science Elective .....	3
	<u>18</u>

\*At least three hours in design are required from MEEN electives.

## Mechanical Engineering Courses (MEEN)

- 3210 Measurements Laboratory** 2:1:3  
Theory and application of measurements with various instruments are treated. Topics include technical report writing, statistics, and data acquisition. Experiments involving pressure, temperature, speed, power, torque, frequency and flow measurements are conducted, documented and reported.  
*Prerequisite:* MEEN 3311 and MEEN 3380.
- 3300 Mechanical Design I** 3:3:0  
Introduction to the concepts associated with the design of machine elements. Kinematics in the analysis of mechanisms: centroids, velocities and accelerations in plane mechanisms; rolling and sliding in belts, chains and cams; gears in plane or epicyclic trains.  
*Prerequisite:* ENGR 2302 and CVEN 2372.
- 3310 Heat Transfer** 3:3:0  
Theory of conduction, convection, radiation and heat transfer with engineering techniques and applications.  
*Prerequisite:* MATH 3401. *Pre or corequisite:* MEEN 3311.
- 3311 Fluid Mechanics** 3:3:0  
Fluid-flow concepts are presented through the derivation and application of the basic equations of continuity, energy and momentum. Engineering aspects of flow measurement, pressure-drop calculations and pumping requirements are considered.  
*Prerequisites:* ENGR 2302, 2374, CVEN 2372 and MATH 3401.
- 3320 Mechanical Design II** 3:2:3  
The design of machine components considering loads, stress, deflection and stiffness, material properties; failure theories; designing for static strength and fatigue life. A written and oral presentation of the conceptual design of a machine to meet a specified societal need is required.  
*Prerequisites:* CVEN 2372, MEEN 3350.

- 3340 Engineering Analysis** 3:3:0  
Physical and mathematical aspects of mechanical, hydraulic, pneumatic, thermal, and electrical systems are introduced. Analysis techniques for modeling the dynamic performance of lumped mass systems are presented and applied using a unified state-space representation. Both formal analytical and extensive computer methods are utilized for the determination of model response.  
*Prerequisite: MATH 3401. Pre or corequisite: MEEN 3311.*
- 3350 Computer-Aided Engineering (CAE)** 3:2:3  
An overview of simulation-based design, including 3-D parametric solids models and finite element analysis, and its applications in mechanical engineering. Course focuses on the modeling aspects of mechanical systems simulation in static stress and deflection analysis.  
*Prerequisites: ENGR 2302, CVEN 2372.*
- 3380 Thermodynamics II** 3:3:0  
A continuation of ENGR 2374 including availability, vapor and gas cycles, mixtures of gases, thermodynamics of chemical systems and psychrometrics.  
*Prerequisite: MATH 3401 and ENGR 2374.*
- 4110 Seminar** 1:1:0  
Instruction in effective public speaking. Oral and written presentation and discussion of selected topics including those from current literature of fields related to mechanical engineering. Professional activities are encouraged.
- 4310 Integrated Systems Design** 3:2:3  
The techniques of integrated systems design are treated. The student is required to utilize these techniques by performing a system design. The formation of teams is facilitated. Instruction in team dynamics is provided. Presentation of intermediate and final results by each team to the class is required followed by peer response.  
*Prerequisites: MEEN courses through third year and Senior standing.*
- 4313 Thermal Systems Design** 3:3:0  
Heat transfer study with emphasis on heat exchanger design, optimization of energy exchange, economics and design feasibility. A formal oral presentation of a written report is made by the individual to the class followed by questions and answers.  
*Prerequisites: MEEN 3310, 3340, 3380*
- 4316 Engineering Design Project** 3:1:6  
Student research projects are planned, scheduled, designed and evaluated. Experience is gained in the execution of an engineering project and a formal technical report is required.  
*Prerequisite: MEEN courses through third year and senior standing.*
- 4317 Dynamic Systems Analysis** 3:3:0  
A continuation of MEEN 3340 with emphasis on simulation methods and computer techniques in solving engineering problems.  
*Prerequisite: MEEN 3340, MEEN 3350.*
- 4319 Materials Science** 3:2:3  
Atomic and crystallographic structures of materials, mechanical properties of materials, elastic and plastic behavior as well as stress and strain measurement, yield phenomena, hardness and laboratory techniques are considered. Criteria for selection of engineering materials are discussed.  
*Prerequisites: CVEN 2372.*
- 4320 Mechanical Vibrations** 3:3:0  
Topics in mechanical vibrations including an introduction to the theory of vibrations, mechanical vibration analysis methods including finite element modeling, mechanical vibration measurement and monitoring, interpretation of vibration measurements data and other mechanical vibration topics as appropriate.  
*Prerequisites: MEEN 3320, MEEN 3340.*
- 4323 Mechanical Design III** 3:2:3  
Continuation of the design of machine components including the design of threaded fasteners and power screws, welded joints, mechanical springs, lubrication and sliding bearings, rolling-element bearings, spur gears, shafts, clutches and brakes, and miscellaneous power transmission components. Completion of the conceptual design begun in MEEN 3320 to include the addition of a power source, greater design detail in the elements, economic aspects of the design, and other matters as appropriate. Both a report and a presentation are required. Team formation and the use of various engineering software packages are encouraged.  
*Prerequisites: MEEN 3320.*

- 4350 Turbomachinery** 3:3:0  
Flow problems encountered in the design of water, gas and steam turbines, centrifugal and axial-flow pumps and compressors, aerothermodynamic design of gas turbines.  
*Prerequisite: MEEN 3311 and MEEN 3380.*
- 4380 Environmental Systems Engineering** 3:2:3  
Design of refrigeration and air-conditioning systems including selection of mechanical equipment, controls, piping and duct layout.  
*Prerequisite: MEEN 3310, MEEN 3380 and MEEN 3311.*

## Department of Computer Science

**Department Chair:** Lawrence Osborne

**201 Maes Building, Phone 880-8775**

**Professors:** Koh, Read

**Associate Professors:** Doerschuk, Harvill, Osborne, Zhang

**Assistant Professor:** Foreman

### Computing Laboratories

The Department has six laboratories as well as one room of terminals remotely attached to the campus mainframe computers (two DEC Alpha machines running OPENVMS and UNIX) housed in the Cherry Building. The labs operate on Ethernet networks. Included in the equipment are 90 Pentiums, four multimedia Pentium IIs, a network of SUN workstations, three Intergraph machines for video editing and four Silicon Graphics workstations. The Pentiums are attached to two NT servers, and two switches provide 10 Megabit/second transmissions to each desktop and to the server on the campus backbone. Direct access to the Internet and the World Wide Web is available from nearly all of the machines. Equipment and facilities offer students experience using OPENVMS, UNIX and Windows NT as well as several programming languages. A rich variety of application software packages such as Maple, Matlab and Oracle are located on our servers for student use in classes and research. The labs are open to all students on campus.

### Cooperative Education Program

The Department has had long standing CO-OP programs with many companies and industries, both in southeast Texas and around the state. This has proved to be an excellent program for both the students and the companies involved. The minimum requirements to be considered for a CO-OP position are a GPA of at least 2.75, 30 hours college credit, and 9 hours credit in Computer Science.

Some cooperative employers are American Petrofina, Southwestern Bell, Dow Chemical, DuPont, Houston Lighting and Power, NASA, Texas Instruments, IBM, Texaco Research, and Digital Switch. Students should apply after their sophomore year.

## **Bachelor of Science – Computer Science**

The Computer Science program at Lamar is a broad-based program in Computer Science emphasizing the areas of programming languages, data structures, information systems, theory of programming languages, software engineering, networking, database, multimedia, applications of computer science, and computer architecture. The program requires 42 hours in computer science, 17 hours in mathematics, 12 hours in laboratory science, 6 hours in free electives, 9 hours in advanced electives as well as the general University requirements for a bachelor's degree.

The student who completes this four-year academic program is awarded a Bachelor of Science degree in Computer Science and is well prepared to pursue a professional career as a Computer Scientist, or to pursue graduate work in computer science or in an area of related specialization.

Students may also work on a dual B.S. degree in both Computer Science and Electrical Engineering. These students must take the following course list for the 12 restricted hours and the 9 elective hours: COSC 3306, COSC 4302, COSC 4307, COSC 4310, ELEN 4386, ELEN 4387, ELEN 4391 or ELEN 4392. The mathematics requirement is also slightly modified for the double degree. A complete list of courses for the double degree is described later in this document. This course list satisfies all requirements for a BS in electrical engineering, all the ABET requirements for an approved EE degree, and all the requirements for a BS in computer science. A student interested in this program must enroll in both departments.

## **Entrance Requirements and Academic Standards of the Department of Computer Science**

The entrance requirements and academic standards of the computer science department are the same as the College of Engineering with the following exceptions:

1. A student must have an overall GPA of at least 2.25 in all courses that count towards the degree to graduate.
2. A single "D" grade in a non-major course may be accepted at the discretion of the department chair. It is the department policy, however, that student must retake any course in which they earn a grade of "D." The Chair will make an exception only under exceptional circumstances.
3. Pursuant to university policy, full time students must take English Composition each long semester until the minimum requirements in those areas are satisfied. In addition, full time students must also take Mathematics each long semester until at least twelve (12) hours towards the degree are completed. Students are expected to have taken mathematics at least through Pre-calculus or equivalent in high school.

## **Requirements for a Minor in Computer Science**

COSC 1373, COSC 1374, COSC 2371, COSC 2372, COSC 3340, and 6 additional hours taken from 3000 and/or 4000 level courses.

## Bachelor of Science – Computer Science

### Suggested Program of Study: 120 total hours

#### First Year

First Semester	
COSC 1373 Principles of CS I.....	3
ENGL Comp I.....	3
MATH 2305 Discrete Structures.....	3
Fine Arts Elective .....	3
PHIL 1370 .....	3
PEGA .....	1
	<u>16</u>

Second Semester	
COSC 1374 Principles of CS II .....	3

COSC/CPSC/ELEN Elective .....	3
Advanced Elective.....	3
Advanced Elective.....	3
	<u>12</u>

#### Comments:

1. At least 6 of the 12 hours of electives must be upper level courses (COSC or CPSC 3000-4000). The student is encouraged to use these electives to specialize in a computer related area. COSC/CPSC courses may be taken as academic electives.
2. COSC/CPSC/ELEN electives must be chosen from a list of designated academic electives that is available from the Computer Science Department and the College of Engineering Office of Advisement.
3. Entering students with no computer background should begin by taking COSC 1371 as an academic elective.
4. The four hours of lab science may be chosen from the following: CHEM 1411 or 1412, BIOL 1406 or 1407, or GEOL 1403 or 1404.

5. The current Fine Arts electives are ARTS 1301, DANC 1370, HUMA 1315 and THEA 1310. The current Social Science electives are ECON 1301, PSYC 2301, SOCI 1301, ANTH 2346, or both ECON 2302 and ECON 2301.
6. The Math/Science Elective may be MATH 2415, any of the lab science courses listed in (4) above or any more advanced lab science or math course approved by the department chair.
7. The current communication electives are COMM 1315, 2373, 2335, 3310 and 3340. CMOS 1375 is also allowed.

## **Bachelor of Science – Computer Information Science Program**

The Computer Information Science program has an overall emphasis on information networking and technology. An interplay of knowledge from areas such as distributed computing, software engineering, expert systems, information retrieval and database management systems define the information technology concept. Information networks are becoming an integral and strategic component of such industries as petrochemicals, transportation, space technology, education, banking and finance, medical applications, manufacturing and retailing. Graduates of this program will possess an integrated set of skills from the fields of engineering, computer science and business.

The program requires 42 hours in computer science and computer and information sciences, 13 hours in mathematics, 18 hours in business and communications, 8 hours in laboratory science, and 9 hours of electives, as well as the general bachelor's degree requirements.

Graduates of this program will be prepared to respond to the varied and changing needs of an information society. Such positions as Database Administrator, Network Manager, and Chief Information Officer are among the careers that are open to graduates in this field.

### **Requirements for a Minor in Computer Information Science**

COSC 1373, COSC 1374, COSC 2371, COSC 2372, COSC 3340, CPSC 4340, and CPSC 4360.

### **Requirements for a Teacher's Certificate in Computer Information Science**

Computer Information Science—Opt. I Specialization: (27 semester hours) COSC 1373, COSC 1374, COSC 2371, COSC 2372, COSC 3304, COSC 4302, CPSC 4340. Six hours from COSC 3308, COSC 4307, COSC 4309, CPSC 3320, CPSC 4330, MATH 2414, MATH 2305, MATH 2318, MATH 1342.

Computer Information Science—Opt. II Specialization: (27 semester hours) COSC 1373, COSC 1374, COSC 2371, COSC 2372, COSC 3304, COSC 3308, COSC 3340, CPSC 4340, COSC 4302 or COSC 4310 or CPSC 3320

For details concerning requirements for teacher certification and information on professional education courses, consult the College of Education and Human Development section in this catalog.

### Comments:

1. Allowed courses are a) any course listed as a social science elective; b) any ACCT, BULW, FINC, or MKTG course; c) any upper level course in ECON, MGMT, PSYC, SOCI, or COMM.
2. Entering students with no computer background should begin by taking COSC 1371 as an academic elective.

## Dual Programs — Bachelor of Science in Computer Science and Bachelor of Science in Electrical Engineering

The departments of Computer Science and Electrical Engineering offer qualified highly motivated students the opportunity to earn both a Bachelor of Science degree in Computer Science and a Bachelor of Science degree in Electrical Engineering in four academic years including six summer sessions. The course list (161 total hours) and suggested course sequence follows.

### Bachelor of Science in Computer Science and Bachelor of Science in Electrical Engineering

#### First Year

##### Fall Semester

ENGR 1101 Intro to Engineering.....	1
ENGR 1174 Engineering Graphics I .....	1
COSC 1373 Principles of CS I .....	3
ENGL Comp. 1301 .....	3
MATH 2413 Calculus & Anal Geo I .....	4
Social Science Elective .....	3

Total Hours 155.

\* One of ELEN 4391, 4392, etc.

**Computer Science Courses (COSC)**

<b>1371 Microcomputers</b>	<b>3:3:0</b>
The objective of this course is to teach students to solve realistic problems using the most readily available "off-the-shelf" general applications software: word processing, spreadsheets and database systems. The course familiarizes the student with Internet resources. Students learn the basic components of computer systems and networks (This course may not be taken as a COSC/CPSC elective.)	
<b>1373 Principles of Computer Science I</b>	<b>3:3:3</b>
Major hardware components, problem solving and algorithmic development, program structures, data types, method and styles of program development, data structures and solution of significant problems using a modern object-oriented language such as C++.	
<i>Corequisite: MATH 2305.</i>	
<b>1374 Principles of Computer Science II</b>	<b>3:3:3</b>
Continuation of COSC 1373, algorithm analysis, program verification, advanced data structures and their implementations, run time behavior of programs, program efficiency, data verification and solution of complex real world problems using these concepts.	
<i>Prerequisite: COSC 1373 and MATH 2305.</i>	
<b>2370 Scientific Programming in FORTRAN</b>	<b>3:0:3</b>
Introduction to numerical methods and mathematical software for scientific computation. Floating point number systems, machine precision, cancellation error, conditioning and stability. Gaussian elimination and matrix decomposition. Numerical integration.	
<i>Prerequisite: MATH 2413, and MATH 2305.</i>	
<b>2371 Data Structures and Algorithm Analysis</b>	<b>3:3:0</b>
Data structures including several varieties of lists, trees and graphs, as well as the design and analysis of algorithms that operate on these structures. Search and sort techniques and analysis of these algorithms.	
<i>Prerequisite: COSC 1374 and MATH 2413.</i>	
<b>2372 Computer Organization/Assembly Language</b>	<b>3:2:2</b>
Basic computer architecture and assembly language programming. System software, including loaders and assemblers, input-output devices and programming.	
<i>Prerequisite: COSC 1374.</i>	
<b>2471 COBOL Programming</b>	<b>4:3:3</b>
Extensive coverage of the COBOL language and its variations. Emphasis on the management of secondary storage, large scale computing and access methods.	
<i>Prerequisite: A previous course in programming a high level block structured language.</i>	

- 3301 Special Language Topics** 3:3:0  
The study of the theory and applications of specialized computer languages and language packages. This course may be repeated for different languages and language packages. This course is an academic elective and will not be counted as a COSC/CPSC elective.  
*Prerequisite: Consent of instructor.*
- 3302 Introduction to Computation Theory** 3:3:0  
Preliminary review/introduction of the mathematics and logic for the course. Programs and computable functions, primitive recursive functions, the universal program, Turing machines and regular languages.  
*Prerequisite: COSC 1374, MATH 2414 and MATH 2318.*
- 3304 Introduction to User Interfaces and Object Oriented Design** 3:3:0  
This course will include user interfaces and elementary topics in computer-human interaction: Software such as Motif, X-Windows, and Java GUIs will be presented. In addition, interfaces in communications and alternative architectures will be discussed.  
*Prerequisites: COSC 1374, COSC 2371.*
- 3306 UNIX/C++** 3:3:0  
Programming in C++ in a UNIX environment.  
*Prerequisite: Approval of department chair.*
- 3308 Survey of Programming Languages** 3:3:0  
The organization of programming languages, especially run-time behavior of programs; the formal study of programming language specification and analysis, and the continued development of problem solution and programming skills.  
*Prerequisite: COSC 2371.*
- 3321 Advanced Microcomputer Applications** 3:3:0  
Hardware components, languages, operating systems, data file systems, utilities and software development for micro-computers.  
*Prerequisite: COSC 1371.*
- 3325 Computer Law/Ethics** 3:3:0  
Ethical considerations for computer educators and computer scientists, and computer-related security and privacy issues. Copyright, patent, trademark and trade secret issues, venture capitalists, tax issues, computer torts, deceptive trade practices, computer crime, contract issues, constitutional issues and international trade considerations.  
*Prerequisite: COSC 1373 or COSC 1371 or another programming course.*
- 3340 File Structure Design** 3:3:0  
Introduction to concepts and techniques for manipulating data on bulk storage devices. Topics include secondary storage devices, buffer and recovery management storage structures, query processing and query optimization algorithms.  
*Prerequisites: COSC 2371 and COSC 2372.*
- 4101, 4201, 4301 Special Topics** 3:3:0  
An investigation into specialized areas of computer science under the guidance of a faculty member. This course may be repeated for credit when topics of investigation differ.
- 4302 Introduction to Operating Systems** 3:3:0  
To introduce the major concept areas of operating systems principles develop an understanding of the organization and architecture of computer systems at the register-transfer and programming levels of system description and the inter-relationships between the operating system and the architecture of computer systems.  
*Prerequisite: COSC 2371, COSC 2372.*
- 4307 Compiler Construction** 3:3:0  
Formal definition of programming languages, including specifications of syntax, semantics, statements and notations used in the construction of compilers, structure of translators and compilers.  
*Prerequisite: COSC 2372, COSC 2371 and MATH 2314.*
- 4309 Introduction to Simulation Techniques** 3:3:0  
Modeling of business and scientific discrete-event processes. Random number generation techniques, Monte-Carlo simulation, discrete-event and unit time advance algorithms, queuing theory and stochastic models. Introduction to systems simulation and industrial dynamics. Programming assignments in C++ and specialized programming languages for simulation (GPSS, SIMSCRIPT, SIMULA).  
*Prerequisite: COSC 2371, MATH 2413 and MATH 1342 or MATH 3370.*

- 4310 Introduction to Computer Architecture** 3:3:0  
The macro structure and instruction set of computer systems. Survey of characteristic architectures of central processors and systems. Topics selected from mini-micro-mainframe and highly parallel computers. Micro-programmed control; I/O control; associative memories; characteristics of storage devices; paging; multi-processors; terminals.  
*Prerequisite: ELEN 3305, ELEN 2300, CPSC 3310 or permission of instructor*
- 4319 Computer Graphics** 3:3:0  
Basic principles for the design, use and understanding of graphics systems. Design and implementation of graphics software packages, applications and algorithms for creating and manipulating graphic displays.  
*Prerequisite: COSC 2371, MATH 2318 and MATH 2414.*

## Computer Information Sciences Courses (CPSC)

- 2371 Electronic Documents on the Internet** 3:3:0  
Hypermedia is the nonlinear viewing and presentation of information (text, images, sound, animation). Current hardware and software used in the electronic production of documents containing multiple fonts, mathematical equations, and hypermedia. Authoring systems, user interfaces, and navigation will be discussed.  
*Prerequisite: COSC 1373 and COSC 1374 or the equivalent.*
- 3310 Computer Architecture and System Software** 3:3:0  
A functional system level in-depth study of computing equipment, organization of components and devices into architectural configurations, the principles of system software and data flow through hardware/software configuration.  
*Prerequisite: COSC 2371, COSC 2372.*
- 3320 Data Comm./Computer Networks** 3:3:0  
Study of problems and limitations associated with interconnecting computers by communication networks. Network architecture, signals, message and packet switching networks, network topology, routing, flow control, capacity assignment, protocols, coding and multiplexing.  
*Prerequisite: COSC 2371, COSC 2372, MATH 2413*
- 4320 Advanced Topics in Networks** 3:3:0  
Topics will change to keep pace with changes in the field. The course will include topics from personal communication systems; mobile computing, gigabit network protocols, routing, optical computing, and multimedia.  
*Prerequisite: CPSC 3320.*
- 4330 Multimedia Processing** 3:3:0  
Television style viewing and sound interfacing to computer systems. Software and architectural interconnection requirements of digital interactive video and audio technology, graphical user interface. Definition, examples, application, review of major implementations, and architecture of hypertext systems. Voice technology: synthesis, recognition and response. Student projects.  
*Prerequisite: COSC 2371, and COSC 3340.*
- 4340 Database Design** 3:3:0  
Logical and physical database system organization; logical models; design issues; secondary storage considerations. Design issues emphasizing the normal decomposition theory of the n-ary relational data model, the RM/T model and an introduction to logical implementations of databases.  
*Prerequisite: COSC 3340, COSC 2371 and MATH 2318.*
- 4360 Software Engineering** 3:3:0  
Systems analysis, software requirements analysis and definition, specification techniques, software design methodologies, performance measurement, validation and verification and quality assurance techniques. Programming in Ada.  
*Prerequisite: COSC 2371 or CPSC 3320.*
- 4370 Introduction to Artificial Intelligence** 3:3:0  
Introduction to concepts and ideas in artificial intelligence. Topics include search techniques, knowledge representation, control strategies and advanced problem-solving architecture. Programming in LISP and PROLOG.  
*Prerequisite: COSC 2371.*

## Department of Mathematics

**Department Chair:** Alec L. Matheson

Lucas Building, Phone 880-8792

**Director of Mathematics Instruction:**

**Professors:** Chiou, Matheson

**Professor Emeriti:** Bell, Latimer

**Associate Professors:** Laidacker, Maesumi, Price

**Assistant Professors:** Andreev, Baker, Daniel, Dawkins, Harvill, Lauffer, Peterson, Read, Winfield

The Department of Mathematics offers courses in applied and pure mathematics, computer science, mathematics education for elementary and secondary school certification and statistics. These programs permit students to select courses suited to a variety of interests and career goals. Advising plays an integral role in achieving these objectives. Consequently each student is assigned an advisor to assist with scheduling and career planning.

The department offers the following Baccalaureate degrees:

Bachelor of Arts in Mathematics

Bachelor of Science in Mathematics

These two degree programs emphasize the traditional aspects of mathematics, both as a basic science and as the major tool in solving problems. They provide depth in analytical reasoning, abstraction and structure. Students graduating with these degrees are equipped to enter secondary teaching or to pursue graduate programs.

They also pursue careers in a variety of fields, including positions in industry, business and government. Students who choose one of the latter two programs, concentrating in applied mathematics or statistics, will have the appropriate information recorded on their transcripts.

The importance of the mathematical sciences to the scientist and engineer cannot be overemphasized. Many phenomena of nature can best be understood when translated into the language of mathematics. A student majoring in science or engineering at the university should become acquainted with the basic tools of mathematics.

Undergraduate education in mathematics has, and will continue, to undergo substantial changes during this decade. The computer is primarily responsible for this. High-speed computing machines have for many years been an important mathematical applications tool in business, industry and government. This has created new demands for professional applied mathematicians. Such people optimally have a solid background in basic mathematics, an understanding of algorithm design and analysis, a programming skill in at least one programming language, and finally, a mastery of important techniques in applied mathematics, such as operations research and statistics.

People with such qualifications may secure positions in industrial management, market forecasting, high-technology fabrication plants and other comparable positions.

Finally, those with an interest in statistics are quite valuable to firms—for example, banking and insurance who deal with a large amount of data and thus need professional mathematicians to develop and maintain the associated computer software.

## Placement

Entrance into all mathematics courses is determined by the advisor in the student's major department, consistent with course prerequisites and possible SAT and TASP (Texas Academic Skills Program - Certification Test for Entrance into College) requirements for entry level courses. Students who fail the mathematics portion of TASP must begin their mathematics with DMTH 0371. Students who have passed the mathematics portion of TASP but do not have an adequate SAT score are to initiate their mathematics with DMTH 0372 or possibly MATH 1335 depending upon the mathematics requirements in their major degree plan.

## Teacher Certification Mathematics

Those wishing to secure a provisional certificate—secondary with a teaching field in mathematics—need to consult the College of Education section in this bulletin for details concerning certification.

## Suggested Programs of Study

### Requirements Common to B.A. and B.S. Programs:

1. General requirements:  
See core curriculum, p. 15
2. Major requirements: 52 hours
  - a. MATH 2305, 2413, 2414, 2415, 2318, 3311, 3350, 3370, 3380, 3401, 4310, 4315
  - b. MATH Electives - Two advanced courses.
  - c. Two computer courses approved by the Department of Mathematics
3. Minor requirements (see B.A., B.S. programs below)
4. Electives (see B.A., B.S. programs below)
5. Degree credit for Mathematics courses is allowed only for courses in which a grade of "C" or better is earned.
6. Students graduating with a Baccalaureate Degree in Mathematics are required to take a national standardized examination. The exam presently being used is the Educational Testing Service and College Board Achievement Test. The test results should be sent directly from the testing service to the Mathematics Department of Lamar University. Students taking the exam must have completed 90 semester hours and should have credit for or be enrolled in MATH 3350.

## Bachelor of Arts – Mathematics Major

1. Additional General Requirements: Complete the course numbered 2312 in a foreign language.
2. Additional Major Requirements: None
3. Minor/Professional Development: 18 Hours  
Total Hours: 128

## Bachelor of Science – Mathematics Major

1. Additional General Requirements: Core lab science to be chosen from PHYS 2425 and 2426, CHEM 1411 and 1412, BIOL 1406 and 1407, or GEOL 1403 and 1404.
  2. Additional Major Requirements: None
  3. Minor/Professional Development: 24 Hours  
To be approved by the department.
  4. Electives: 9 Hours  
To be approved by the department.
- Total Hours 128

## Mathematics Courses (MATH)

- 1314 College Algebra** 3:3:0  
Linear and quadratic equations and inequalities, determinants, matrices, systems of equations, binomial theorem, exponential and logarithmic functions, theory of equations.  
*Prerequisite:* Two years of high school algebra, 480 Math SAT or DMTH 0372 and 260 TASP.
- 1316 Trigonometry** 3:3:0  
Study of trigonometric functions, graphs, identities, inverse trigonometric functions, trigonometric equations, and applications of trigonometry. Recommended for students who have not had high school trigonometry.  
*Prerequisite:* Two years of high school algebra, MATH 1314 or concurrent, and 260 TASP.
- 1324 Mathematics for Business Applications** 3:3:0  
Review of basic algebraic techniques, linear equations and inequalities, the mathematics of finance, matrices, linear programming and an introduction to probability and statistics.  
*Prerequisite:* Two years of high school algebra, 480 Math SAT or MATH 0372 and 260 TASP.
- 1325 Elements of Analysis for Business Applications** 3:3:0  
An introduction to calculus. The derivative, applications of the derivative, techniques of differentiation, exponential and natural logarithmic functions, an introduction to integral calculus.  
*Prerequisite:* MATH 1324 or 1314, or their equivalent.
- 1335 Math for Elementary Teachers I** 3:3:0  
Sets, elementary logic, the system of whole numbers, the system of integers, elementary number theory, the system of rationals and the system of real numbers.  
*Prerequisite:* Two years of high school algebra and 260 TASP or MATH 0372.
- 1336 Math for Elementary Teachers II** 3:3:0  
Equations, inequalities, graphs, functions, geometry, counting methods, probability and statistics.  
*Prerequisite:* MATH 1335.
- 1342 Elementary Statistics** 3:3:0  
Non-calculus based introduction to statistics. Statistical measures of data, statistical description of data, elementary probability, random variables, binomial and normal distribution, estimation, testing hypotheses.  
*Prerequisite:* MATH 1314 or its equivalent.
- 2305 Discrete Mathematics** 3:3:0  
An introduction to combinatorial and finite mathematics required in the study of computer science. Topics include special functions such as truncation, floor and ceiling, number theory, matrix algebra, summation notation, logic and Boolean algebra, probability, combinatorics, graph theory, difference equations and recurrence relations.  
*Prerequisite:* MATH 1314 or its equivalent.
- 2312 Precalculus Mathematics** 3:3:0  
Intensive review of algebra, trigonometry and analytic geometry. Prepares students for MATH 2413 and 2376.  
*Prerequisite:* Two years of high school algebra, trigonometry, 480 Math SAT and 260 TASP.
- 2318 Linear Algebra I** 3:3:0  
A first course in linear algebra, including vector and matrix arithmetic, solutions of linear systems and the Eigenvalue-Eigenvector problem, elementary vector spaces, and linear transformation theory.  
*Prerequisite:* MATH 2413 (MATH 2376) or current enrollment in MATH 2413 (MATH 2376).
- 2376 Calculus I** 3:3:0  
Sets, functions, limits, derivatives and applications, introduction to integral calculus. Designed for students majoring in business, social and life sciences.  
*Prerequisite:* MATH 2312 or its equivalent.
- 2377 Calculus II** 3:3:0  
Integral calculus and applications, functions of several variables, convergence and divergence of series and sequences. Designed for students majoring in business, social and life sciences.  
*Prerequisite:* MATH 2376.
- 2413 Calculus and Analytic Geometry I** 4:4:0  
Functions, limits, derivatives of algebraic, trigonometric, exponential and logarithmic functions, curve sketching, related rates, maximum and minimum problems, definite and indefinite integrals with applications.  
*Prerequisite:* MATH 2312 or its equivalent.
- 2414 Calculus and Analytic Geometry II** 4:4:0  
Methods of integration, polar co-ordinates, parametric equations, sequences and series, and vectors.  
*Prerequisite:* MATH 2413 or its equivalent.

MTS

- 2415 Calculus and Analytic Geometry III** 4:4:0  
Functions of several variables, partial derivatives, vector analysis, multiple integrals and differential equations.  
*Prerequisite:* MATH 2414 or its equivalent.
- 3300 History of Mathematics** 3:3:0  
Historical origin and development of mathematical concepts through the sixteenth century. Topics include Egyptian and Babylonian mathematics, Greek mathematics, and early European mathematics.  
*Prerequisite:* junior standing and six hours of mathematics.
- 3311 Foundations of Mathematics** 3:3:0  
Introduction to mathematical logic and set theory, cardinal and ordinal arithmetic, structure of the integers, rational number and real number systems.  
*Prerequisite:* MATH 2414.
- 3313 Elementary Geometry** 3:3:0  
The development of Euclidean geometry, concepts of measurement and co-ordinate geometry.  
*Prerequisite:* MATH 1335.
- 3315 Elementary Number Theory** 3:3:0  
A development of the elementary theory of numbers, Diophantine equations, congruences, Fibonacci numbers and magic squares.  
*Prerequisite:* MATH 1314 and MATH 1335.
- 3317 Problem Solving** 3:3:0  
Study of heuristics and strategies used in solving problems, with extensive practice in solving word problems involving skills in arithmetic, algebra, geometry, and logic.  
*Prerequisite:* 9 semester hours of Mathematics.
- 3321 Discrete Structures** 3:3:0  
Combinatorics, graphs; Boolean algebra, algebraic structures, coding theory, finite state machines, machine design and computability.  
*Prerequisite:* MATH 2414 and 2318, and COSC 1373.
- 3330 Higher Geometry** 3:3:0  
Axiomatic and set-theoretic treatment of geometry, analysis of the metric and synthetic approaches to Euclidean geometry, introduction to non-Euclidean geometries.  
*Prerequisite:* MATH 2414 or consent of the instructor.
- 3350 Modern Algebra** 3:3:0  
An introduction to algebraic structures, groups, rings, integral domains and fields.  
*Prerequisite:* MATH 3311 and MATH 2414 (or 2377).
- 3370 Introduction to the Theory of Statistical Inference** 3:3:0  
A calculus-based introduction to statistics. Probability, special probability distributions, nature of statistical methods, sampling theory, estimation, testing hypotheses.  
*Prerequisites:* MATH 2414 or 2377.
- 3380 Advanced Calculus** 3:3:0  
Sequences, series, Riemann integral, Weierstrass approximation theorem, Lebesgue integral.
- 3401 Differential Equations and Linear Algebra** 4:4:0  
Classical techniques for ordinary differential equations, linear algebra, linear systems of ordinary differential equations, series solutions and Laplace transforms.  
*Prerequisite:* MATH 2415.
- 4202 Partial Differential Equations** 2:2:0  
Boundary value problems for the heat equation, wave equation, and potential (Laplace) equation, Fourier methods.  
*Prerequisite:* MATH 2415 and MATH 3401.
- 4310 Complex Variables** 3:3:0  
Complex numbers, analytic functions, complex line integrals, Cauchy integral formula and applications.  
*Prerequisite:* MATH 2415.
- 4315 Numerical Analysis** 3:3:0  
Algorithms for solving linear and non-linear equations and systems thereof, interpolating polynomials, finite difference approximations of derivatives, techniques of numerical integration, one-step and multi-step methods for solving ordinary differential equations and systems thereof.  
*Prerequisite:* MATH 2415 and COSC 1373, or their equivalents.

- 4316 Mathematical Programming** 3:3:0  
Linear programming, unconstrained and constrained optimization, Lagrange multipliers, Newton's method, steepest descent, convex programming.  
*Prerequisite: MATH 2414, MATH 2318 or MATH 3401.*
- 4330 Linear Algebra II** 3:3:0  
Vector-spaces, linear transformations, matrices, determinants, Eigenvalues, Eigenvectors, canonical forms, bi-linear mappings and quadratic forms.  
*Prerequisite: MATH 2414 and MATH 2318.*
- 4331 Special Problems** 3:3:0  
Special advanced problems in mathematics to suit the needs of individual students. Course may be repeated for credit when the topic varies.  
*Prerequisite: Consent of instructor.*
- 4380 Theory of Statistical Inference** 3:3:0  
A formal introduction to statistical inference, sampling theory, general principles of statistical inference, goodness of fit tests, regression and correlation, analysis of variance.  
*Prerequisite: MATH 3370*

***Leading-edge creativity characterizes the fine arts and communication divisions of the College which prepare students to flourish professionally and personally.***

---

# College of Fine Arts and Communication

**Departments:** Art; Communication; Communication Disorders; and Music, Theatre and Dance

**W. Brock Brentlinger, Interim Dean**

**Art Building, Office 100, Phone 880-8137**

## Aims and Purposes

Within the context of a philosophy that suggests that art and science may improve upon nature, the College of Fine Arts and Communication provides work on a professional level in several creative and practical disciplines. The College also assumes the role of contributing to the education of the "whole" man or woman; therefore, with the possible exception of some of the upper-level courses, all of the work available in the College is open to and within the capabilities of most students enrolled in the University. It is the purpose of those courses in the fine arts to confront the unknown from a non-science oriented approach to knowledge, to encourage the development of aesthetic sensitivity and to provide for an enriching artistic experience. Several programs in Communication are available within the College. The goal of the coursework in these areas is to educate students for professional work within the fields of public speaking, the mass media, communication disorders and deaf education.

## Degrees Offered

The College of Fine Arts and Communication offers the following degree programs:

1. Department of Art
  - Bachelor of Fine Arts with emphasis in either Studio Art or Visual Design
  - Bachelor of Science in Visual Art (Leading to Teacher Certification)
2. Department of Communication
  - Bachelor of Science in Communication Studies
3. Department of Communication Disorders
  - Bachelor of Science in Communication Disorders
4. Department of Music, Theatre and Dance
  - Bachelor of Music in Performance
  - Bachelor of Music (Leading to Teacher Certification)
  - Bachelor of Science in Theatre (Leading to Teacher Certification)
  - Bachelor of Arts in Theatre

**Descriptions of graduate programs leading to the Master of Art in Visual Art (with either a Studio Art or Art History emphasis), Master of Music, Master of Music Education, Master of Science in Audiology, Master of Science in Speech-Language Pathology, Master of Science in Deaf Studies/Habilitation, and Doctor of Education in Deaf Education degrees are discussed in the Graduate Catalog.**

## Humanities Courses (HUMA)

The Departments of Art; Communication; and Music, Theatre and Dance cooperate in the offering of an interdisciplinary course in fine arts appreciation.

### 1315 Understanding the Arts

3:30

Through the study of art, music and theatre this course intends to provide a medium of learning which broadens the cultural horizon, engenders respect for man's creative potential, and encourages emotional maturity through awareness and understanding of aesthetic responses.

## Bachelor of General Studies

The Bachelor of General Studies degree offers a program of interest to those who desire a wide knowledge of the arts without the intent of becoming practicing professional artists and teachers of the arts. Thus, the program offered through this degree resists any tendency toward specialization within the arts. It does provide opportunity, however, for an individual to construct a personal curricular plan, i.e., to follow a special interest within the arts, or to complement the student's appreciation and understanding of the arts through the selection of a rather broad-based program of elective courses from the University offerings as a whole.

## Department of Art

**Department Chair:** Donna M. Meeks

**Dishman Art Gallery, Phone 880-8141**

**Professors:** Newman, Lokensgard

**Associate Professors:** Carter, Jack, Meeks

**Assistant Professors:** Hodges, Matlock, Thomas, Dyrhaug

**Wallis Chair in Visual and Performing Arts:** Carter

The Department of Art offers undergraduate instruction leading to the Bachelor of Fine Arts Degree in Visual Art with an emphasis in Visual Design or Studio Art. Students may elect courses that further professional development in the following areas: Visual Design, Illustration, Computer Graphics, Photography, Painting, Drawing, Printmaking, Sculpture, Ceramics, and Crafts. The Bachelor of Science degree is offered in visual art for students seeking all-levels certification. Art electives are available for non-majors who desire experiences in the visual arts as part of their general education.

All students entering a degree program in art must be counseled by the chair of the art department as to study options in the department and attend a freshman orientation presented by the department. Art majors are required to follow the prescribed sequence of courses. The letter grade "C" will be the minimum prerequisite grade for continuing studio courses in sequence.

Each art major will be required to submit 5 slides of his/her art projects per studio course, in order to document his/her progress.

After completing foundational studies (ARTS 1311, 1312, 1316 and 1317), all art majors must participate in Sophomore Review as conducted by the department.

All graduating art majors must be counseled by the art department chairperson during the first semester of their senior year. During either the Fall or Spring semester prior to graduation, a candidate for a Bachelor of Fine Arts degree in art will be required to take Senior Thesis and prepare an exhibition. The Department of Art reserves the right to retain a selected work from each graduate for its collection.

A non-major student may be admitted to an art course requiring prerequisites with the consent of the instructor. A minor in art is available to students in other programs or departments by earning 18 hours of credit approved by the department head.

Transfer credit of Freshman and Sophomore art courses is in compliance with the Transfer Curriculum for Visual Arts adopted by the Texas Higher Education Coordinating Board.

## Suggested Programs of Study

### Bachelor of Fine Arts – Visual Design Emphasis

Bachelor of Fine Arts in Visual Art with a visual design emphasis requires 48 hours of academic foundations with 78 credit hours of professional program.

#### First Year

## Art Courses (ARTS)

1301	<b>Art Appreciation</b>	3:3:0
	An introductory course emphasizing the understanding and appreciation of visual arts (painting, sculpture, and architecture). Open to all students.	
1303	<b>Art History Survey I</b>	3:3:0
	A survey of painting, sculpture, architecture and the minor arts from prehistoric times to the 14th Century.	
1304	<b>Art History Survey II</b>	3:3:0
	A survey of painting, sculpture, architecture and the minor arts from the 14th Century to the present.	
1311	<b>Design I</b>	3:3:3
	The study of the elements and concepts of two-dimensional design.	
1312	<b>Design II</b>	3:3:3
	Continuation of Design I with emphasis upon three-dimensional concept. <i>Prerequisite: ARTS 1311.</i>	
1316	<b>Drawing I</b>	3:3:3
	A beginning course investigating a variety of drawing media, techniques and subjects, exploring perceptual and descriptive possibilities.	
1317	<b>Drawing II</b>	3:3:3
	Continuation of Drawing I stressing the expressive and conceptual aspects of drawing. <i>Prerequisite: ARTS 1316.</i>	
2311	<b>Design III</b>	3:3:3
	An advanced investigation into historical and contemporary color theories and systems. <i>Prerequisite: ARTS 1312.</i>	
2316	<b>Painting I</b>	3:3:3
	A course exploring the potentials of painting media with emphasis on color and composition. <i>Prerequisite: ARTS 1317 and ARTS 1312.</i>	
2323	<b>Drawing III</b>	3:3:3
	A life-drawing course emphasizing structure and action of the human figure. <i>Prerequisite: ARTS 1317.</i>	
2324	<b>Drawing IV</b>	3:3:3
	A continuation of Drawing III with emphasis on individual expression. <i>Prerequisite: ARTS 2323.</i>	
2326	<b>Sculpture I</b>	3:3:3
	An exploration of the various sculptural approaches in a variety of media, including additive and subtractive techniques. <i>Prerequisite: ARTS 1317 and 1312.</i>	
2331	<b>Visual Design I</b>	3:3:3
	An introduction to typography, layout and design for print and media production.	
2356	<b>Photography I</b>	3:3:3
	An introduction to basic photographic processes and techniques used as an art medium.	
2379	<b>Photography II</b>	3:3:3
	Advanced study of black and white photography as an art medium. <i>Prerequisite: ARTS 2356.</i>	
3199	<b>Studio Seminar</b>	1:1:0
	Seminar for all junior and senior students. After passing Sophomore Review, this course must be taken three times before starting senior thesis. <i>May be repeated for credit.</i>	
3303	<b>Large Format Camera Photography</b>	3:3:3
	Introduction to the use of both medium format and view cameras. <i>Prerequisite: ARTS 2379.</i>	
3313	<b>Illustration I</b>	3:3:3
	A media course. The preparation and execution of graphic material for reproduction.	
3315	<b>Drawing V</b>	3:3:3
	Continuation of Drawing IV with emphasis on experimentation with various media for their adaptability to drawing principles. <i>Prerequisite: ARTS 2324.</i>	
3316	<b>Watercolor I</b>	3:3:3
	Study and practice in the planning and execution of paintings in transparent and opaque watercolor. <i>Prerequisite: ARTS 2311. May be repeated for credit.</i>	
3317	<b>Painting II</b>	3:3:3
	Continuation of Painting I with emphasis on individual expression. <i>Prerequisite: ARTS 2316. May be repeated for credit.</i>	

3323	<b>Illustration II</b> Experimentation with various techniques and/or media. Continuation of Art 3313. <i>Prerequisite: ARTS 3313.</i>	3:3:3
3325	<b>Drawing VI</b> Continuation of Art 3315. May be repeated for credit. <i>Prerequisite: ARTS 3315.</i>	3:3:3
3326	<b>Watercolor II</b> A continuation of 3316. May be repeated for credit. <i>Prerequisite: ARTS 3316.</i>	3:3:3
3327	<b>Painting III</b> Continuation of 3317. May be repeated for credit. <i>Prerequisite: ARTS 3317.</i>	3:3:3
3333	<b>Visual Design II</b> A survey of the principles and techniques of layout for media advertising, collateral and editorial material and the basic preparation of art for reproduction. <i>Prerequisite: ARTS 2331.</i>	3:3:3
3335	<b>Crafts</b> Basic processes of textile design, weaving and jewelry. May be repeated for credit.	3:3:3
3343	<b>Visual Design III</b> Advanced studies in layout for media advertising, collateral and editorial materials with an emphasis on portfolio development. <i>Prerequisite: ARTS 3333.</i>	3:3:3
3351	<b>Desktop Design</b> An introduction to the uses of computers in design, illustration, information and text processing and desktop publishing. Focus on developing general computer skills.	3:3:3
3355	<b>Printmaking I</b> An introduction to printmaking with an emphasis on intaglio and relief processes. <i>Prerequisite: ARTS 2323.</i>	3:3:3
3365	<b>Printmaking II</b> A continuation of ARTS 3355 with emphasis on planographic and serigraphic techniques. May be repeated for credit. <i>Prerequisite: ARTS 3355.</i>	3:3:3
3371	<b>Studies in Visual Art</b> A survey of the curricula, methods and materials for the instruction of visual art in the elementary school.	3:3:0
3375	<b>Sculpture II</b> Application of the principles of sculpture through experiment in clay, plaster and various materials. May be repeated for credit. <i>Prerequisite: ARTS 2326.</i>	3:3:3
3376	<b>Ceramics I</b> Investigation and practice in ceramic processes: forming and firing techniques. May be repeated for credit. <i>Prerequisite: ARTS 2326 or permission of instructor.</i>	3:3:3
3386	<b>Ceramics II</b> Opportunities for specialization in ceramic processes. May be repeated for credit. <i>Prerequisite: ARTS 3376.</i>	3:3:3
4303	<b>Color Photography</b> An introduction to color printing techniques. <i>Prerequisite: ARTS 2379.</i>	3:3:3
4315	<b>Drawing VII</b> Specialized problems in studio area. May be repeated for credit. <i>Prerequisite: ARTS 3325.</i>	3:3:3
4316	<b>Painting IV</b> Specialized problems in studio area. May be repeated for credit.	3:3:3
4325	<b>Drawing VIII</b> A continuation of Drawing VII. May be repeated for credit. <i>Prerequisite: ARTS 4315.</i>	3:3:3
4326	<b>Painting V</b> A continuation of Painting IV. May be repeated for credit. <i>Prerequisite: ARTS 4316.</i>	3:3:3
4328	<b>19th Century Symbolist Art</b> A study of the Symbolist Movement in European art from 1885-1910.	3:3:0

- 4331 Crafts-Paper Fabrication** 3:3:3  
Investigation of techniques of manipulating or fabricating and impressing paper. Course may be repeated for credit.
- 4336 Professional Practices** 3:3:0  
A study of the practical aspects of the art profession with emphasis on health hazards, business procedures, and art law.
- 4338 Renaissance Art** 3:3:0  
A study of Renaissance art in Europe from the 14th through the 16th centuries.
- 4341 Crafts Stained Glass and Enameling** 3:3:3  
Investigation of techniques of fabricating stained glass, both copper foil and leaded, fusing and enameling on glass and metal. Course may be repeated for credit.
- 4343 Computers in Art I** 3:3:3  
Introduction to computers as a creative tool. Language and logic. Development of image making techniques, data handling and design.
- 4348 19th Century European Art** 3:3:0  
A study of the foundation of abstractionism from Neo-Classicism through Post-Impressionism.
- 4353 Computers in Art II** 3:3:3  
Advanced topics in computer image making. Language and logic. Development of animation, sound and visual communications techniques. May be repeated for credit.  
*Prerequisite: ARTS 4343.*
- 4355 Printmaking III** 3:3:3  
Specialized problems in studio area. May be repeated for credit.  
*Prerequisite: ARTS 3365.*
- 4358 American Art** 3:3:0  
The development of painting, sculpture and architecture in the United State from Colonial times to the present.
- 4363 Computers in Art III** 3:3:3  
Advanced topics in computer-aided design. Student selected problems dealing with specific areas of computer imaging. Work done on a contract basis with specified objectives and tangible results. May be repeated for credit.  
*Prerequisite: ARTS 4353.*
- 4368 Contemporary Art** 3:3:0  
A historical and critical analysis of painting from 1900 to the present.
- 4373 Field Study in Visual Design** 3:3:3  
Familiarization with the overall art field through actual experience. Time to be arranged. Permission of the instructor required. May be repeated for credit.
- 4375 Sculpture III** 3:3:3  
Specialized problems in studio area. May be repeated for credit.  
*Prerequisite: ARTS 3375.*
- 4376 Ceramics III** 3:3:3  
Specialized problems in studio area. May be repeated for credit.  
*Prerequisite: ARTS 3386.*
- 4378 Primitive Art** 3:3:0  
A study of pre-historic and contemporary tribal art.
- 4381 Advanced Studies in Visual Art** 3:3:0  
Curricula, methods, and materials for instruction of visual art in the secondary school.
- 4388 Modern Architecture and Sculpture** 3:3:0  
The development and evolution of modern architecture and sculpture from the late 19th century to the present.
- 4391 Directed Individual Study** 3:3:0  
Research in a specialized area of art history. May be repeated for credit.  
*Prerequisite: Permission of instructor.*
- 4393 Directed Individual Study** 3:3:3  
Study of specialized area within commercial art field. May be repeated for credit.  
*Prerequisite: Permission of instructor.*
- 4395 Directed Individual Study** 3:3:3  
Study of specialized area within fine arts field. May be repeated for credit.  
*Prerequisite: Permission of instructor.*
- 4398 History of Photography** 3:3:0  
The development and evolution of photography from its invention in 1839 to the present.
- 4399 Thesis** 3:3:3  
Student-selected problem encompassing an area of emphasis with suitable research, production, written support and oral presentation to a faculty committee. This course is a degree completion requirement for those seeking a Bachelor of Fine Arts degree.

## Department of Communication

**Department Chair:** W. Patrick Harrigan

**201 Communication, Phone 880-8153**

**Professors:** Brentlinger, Harrigan

**Associate Professors:** Baker, Roth

**Assistant Professors:** Elliott, Husselbee, Michalski, Stanley

**Instructors:** Perkins

The Department of Communication offers the Bachelor of Science degree in Communication for students interested in Corporate Communication or Public Communication and in the fields of Journalism or Media.

Teacher certification plans are offered in conjunction with the major study of Public Communication (for the teaching field of Speech) and of Journalism. Students interested in details concerning requirements for teacher certification and the professional education course requirements should consult the College of Education and Human Development section of this catalog.

A new student beginning study at Lamar University must meet all admission requirements of the University (See "ADMISSIONS" on page 24) and have a minimum score of 800 on the SAT or an equivalent composite ACT score to pursue a bachelor's degree in the Department of Communication. Transfer students or students who wish to enter Department of Communication programs by change of major must meet the same requirements or hold a minimum grade point average of 2.00 or better. Grades of "D" are not accepted as course completion for required classes in departmental majors, nor are they acceptable as course completions for classes to be used as professional electives by student majors within the department.

### Programs of Study

All majors in the department must complete the basic Core Curriculum requirements of Lamar University as their academic foundation course work. The student's advisor will provide direction to the student concerning departmental requirements within the Core Curriculum when course choices are available to meet the University's Core Curriculum requirements. PSYC 2301 should be taken to meet the Social Science requirement. Other required courses are listed with the information about each major.

### Bachelor's Degree in Communication

The bachelor's degree programs in Communication prepare students for careers in corporate communication, journalism, media or public communication and require each student to complete a REQUIRED departmental core curriculum of ten courses (30 hours). In addition, students will complete advanced classes in communication for their specific career interests.

Required classes for the departmental core curriculum include COMM 1370, 1307, 1373, 1318, 4340; three of the following: COMM 4301, 4310, 4320, 4381, 4383, OR 4390; and two of the following four classes: COMM 2373, 2341, 2335, OR 3340.

Students interested in careers in public relations and/or corporate communication (human resource development, personnel management), journalism, media or public communication should consult a faculty advisor for specific professional electives. This program serves as an appropriate curriculum for those who wish a career as a communication practitioner or for those that want to enter law school, a seminary or to pursue a graduate degree.

## Communication Classes (COMM)

<b>1307 The Mediated Culture</b>	<b>3:3:0</b>
This course focuses upon the nature of electronic information processes and their impact upon the emerging global culture. Introduces the concept of psychological/mythic meaning in media and facilitates the "reading" of film and television images on both semiotic and symbolic levels.	
<b>1315 Public Speaking</b>	<b>3:3:0</b>
Principles and practice of public speaking.	
<b>1318 Interpersonal Communication</b>	<b>3:3:0</b>
Principles and practices of interpersonal communication in various settings.	
<i>Prerequisite: COMM 1370 and 1307</i>	
<b>1360 Honors Public Speaking</b>	<b>3:3:0</b>
Principles and practices of public speaking, designed especially for honors students. Satisfies communication requirement in the Core Curriculum.	
<i>Prerequisite: Membership in the Honors Program or approval of Honors Program director.</i>	

- 1370 Introduction to Communication Studies** 3:3:0  
An introductory survey of the field. Includes major methodologies and theories as well as an historical perspective. Career options also are explored. Majors should complete this course during their freshman year.
- 1373 Media Writing** 3:3:0  
Covers all styles of writing for A/V: audio, television, film documentary, advertising, news, etc.  
*Prerequisite:* COMM 1370, ENGL 1301 with "C" or better. Proficiency in typewriting is required or instructor's permission.
- 1471 Introduction to Journalism** 4:3:2  
A basic course in the history and principles of journalism and in gathering material and writing hard news stories for publication. Proficiency in typewriting is required. Scheduled lab is required.
- 2303 Audio Production** 3:1:4  
Principles and practice of professional audio recording and editing.  
*Prerequisite:* COMM 1318, 1370, 1307 and 2374, or instructor's permission.
- 2311 News Reporting** 3:2:3  
A basic course in gathering material and writing news stories for publication. Proficiency in typewriting is required.  
*Prerequisite:* COMM 1370, 1307 and 1373, or instructor's permission.
- 2335 Argumentation & Critical Thinking** 3:3:0  
A study of evidence and reasoning and a critique of them as reflected in current public affairs.
- 2341 Performance Studies** 3:3:0  
Instruction and practice in the principles of speech applied to performance in the interpretation of prose and poetry.  
*Prerequisite:* COMM 1315, three hours of sophomore English literature, or instructor's permission.
- 2372 Editing, Copyreading and Desktop Publishing** 3:3:0  
The development and use of printing, type recognition, type harmony, design, preparing editorial material, correcting copy and learning desk-top publishing.  
*Prerequisite:* COMM 1370, 1307 and 1373, or instructor's permission.
- 2373 Advanced Public Speaking** 3:3:0  
An in-depth study in the principles and practices of public presentations.
- 2374 Introduction to Broadcasting** 3:2:3  
A general introduction to the field of broadcasting including a study of station and network organization and control by law and societal forces.  
*Prerequisite:* COMM 1370, 1307 and 1373, or instructor's permission.
- 2375 TV & Film Genre** 3:3:0  
Genre presents formulaic type of entertainment (e.g., the monster film, the cop show, science fiction, etc.) recognizable to audiences by its recurring images and ideas. Course focuses on the relationship of the genre to culture, the universal human experience, and the viewer. May be repeated for different subjects.
- 3130 Communication Laboratory** 1:0:3  
Laboratory experience at the University Press, KVLU-FM, or LUTV. May be repeated for a total of three hours credit.  
*Prerequisite:* COMM 1370, 1307 and 1373 or 2374, or instructor's permission.
- 3234 Practicum** 2:0:4  
Laboratory experience under supervision of a professional in the field of student career interest. May be repeated for a total of six hours credit.  
*Prerequisite:* Junior standing with a 3.0 GPA or instructor's permission.
- 3301 Intercultural Communication** 3:3:0  
An examination of communication exchange between individuals from different cultures.  
*Prerequisite:* COMM 1318, 1370, 1307 and 1373, or instructor's permission.
- 3310 Business & Professional Speech** 3:3:0  
Application of the fundamentals of speech production to the needs of the professional person. For non-communication students.
- 3330 Advanced Journalistic Writing** 3:3:0  
Writing focused on skills required for magazine and newspaper feature writing and editorial commentary.  
*Prerequisite:* COMM 1318, 1370, 1307 and 2311, or instructor's permission.
- 3340 Interviewing** 3:3:0  
Theory and practice in the several types of interviews current in the United States including information, employment and persuasive.

- 3360 Public Relations** 3:3:0  
Theory, principles and practice of public relations.  
*Prerequisite:* COMM 1318, 1370, 1307, 3361 and sophomore standing, or instructor's permission.
- 3361 Desktop Publishing**  
Focuses on the use of computer technology to set type, design pages, and create camera-ready copy for newsletters, brochure, advertisements, and other publications.  
*Prerequisite:* COMM 1370, 1307 and 1373, or instructor's permission.
- 3370 Psychology of TV and Film** 3:3:0  
Class explores the psychological significance of media images and their relevance to individual psychological growth. While primarily utilizing the depth psychology approach of Carl Jung, the class includes lectures on neuroscience.
- 3380 Television Production** 3:1:4  
Activities in writing, acting, directing, producing, announcing and engineering various types of television production.  
*Prerequisite:* COMM 1370, 1307, 1373, 2303 and 2374, or instructor's permission.
- 3381 Photojournalism** 3:2:3  
Principles of photography applied to the specific area of photojournalism. Each student must have access to a 35mm adjustable camera.  
*Prerequisite:* COMM 1370, 1307, 1373 and 2311, or instructor's permission.
- 3383 Television Field Production** 3:1:4  
Principles and practices of editing and post production.  
*Prerequisite:* COMM 1370, 1307, 1373, 2303 and 2374, or instructor's permission.
- 3390 Conflict Management and Small Group Communication** 3:3:0  
Theory and practice of small group communication and conflict management processes. Emphasis in leadership, conflict management, group problem solving, productivity, and conference planning in corporate and public settings.  
*Prerequisite:* COMM 1370, 1307, 1318, sophomore standing, or instructor's permission.
- 4300 Problems and Projects** 3:A:A  
Problems and topics are analyzed through discussion and research. An extensive research project and report is required. Course may be repeated.  
*Prerequisite:* COMM 1370, 1307, 1318, 1373 and junior standing and instructor's permission.
- 4301 Rhetorical Theory and Criticism** 3:3:0  
Reading and detailed study of the theories of principal rhetoricians from ancient to modern times.  
*Prerequisite:* COMM 1370, 1307, 1373 and junior standing, or instructor's permission.
- 4310 Communication Law** 3:3:0  
An introduction to the legal issues surrounding and affecting communication. Focus is upon Constitutional Bill of Rights conflicts which generate such issues as libel, privacy, fair trial/free press, obscenity, copyright, etc.  
*Prerequisite:* COMM 1370, 1307, 1373 and junior standing, or instructor's permission.
- 4320 Nonverbal Communication** 3:3:0  
Theory, research, analysis and practice in nonverbal communication.  
*Prerequisite:* COMM 1370, 1307, 1318 and junior standing, or instructor's permission.
- 4340 Organizational Communication** 3:3:0  
An in-depth study of the dominant theories, principles and practices of communication within the organization through an examination of recent qualitative and quantitative research.  
*Prerequisite:* COMM 1370, 1307, 1318, 1373 and junior standing, or instructor's permission.
- 4341 Human Resource Interviewing** 3:3:0  
A study of theory, principles and practices of corporate interviewing, including employment, appraisal, correction and negotiation interviews.  
*Prerequisite:* COMM 1370, 1307, 1318, 1373, 3340, and junior standing, or instructor's permission.
- 4342 Communication Management**  
An investigation of the principles and practices employed by communication managers.
- 4350 Corporate Training and Development** 3:3:0  
A study of learning theories, instructional design, technologies and organizational development practices for application in corporate setting.  
*Prerequisite:* COMM 1370, 1307, 1318, 1373, 2373 or 3340, and junior standing, or instructor's permission.
- 4360 Senior Seminar: Research Methods in Communication** 3:3:A  
An introduction to quantitative and qualitative research methods specifically applied to communication questions.  
*Prerequisite:* Completion of at least 24 hours of COMM courses, or instructor's permission

- 4361 Communication Internship**  
Practical experience in a "real world" industry setting. May be repeated for a total of six hours credit.  
*Prerequisite:* Completion of at least 30 hours of COMM courses with a 3.0 average, or instructor's permission.
- 4370 Issues Management Seminar** 3:3:0  
An in-depth examination of current theory and practice in corporate issues management.  
*Prerequisite:* COMM 1370, 1307, 1318, 1373, 3360, 3361, 4310, 4301 or 4383 or 4390, and junior standing, or instructor's permission.
- 4380 Advertising** 3:2:3  
Advertising strategies and techniques for the total marketing mix.  
*Prerequisite:* COMM 3361 or 2373, 4310, 4301 or 4390, and junior standing, or instructor's permission.
- 4381 Political Communication** 3:3:0  
The nature of communication in politics. Particularly, political campaign management, the mediation of candidate image, and media in the American political system.  
*Prerequisite:* COMM 1370, 1307, 1318, 1373 and junior standing, or instructor's permission.
- 4383 Persuasion** 3:3:0  
The psychological and emotional principles involved in influencing individuals and groups. An analysis and practice with the speech devices and techniques in effectively motivating audience reaction.  
*Prerequisite:* COMM 1370, 1307, 1318, 1373 and junior standing, or instructor's permission.
- 4390 Communication Theory** 3:3:0  
An in-depth look at the dominant theories used in the study of human communication.  
*Prerequisite:* COMM 1370, 1307, 1318, 1373 and junior standing, or instructor's permission.
- 4395 Studies in Communication**  
Selected topics in major areas of Communication. May be repeated for a total of six hours credit when topic varies.  
*Prerequisite:* COMM 1370, 1307, 1318, 1373 and junior standing, or instructor's permission.

## Department of Communication Disorders

**Department Chair:** Gabriel A. Martin

**120A Speech-Hearing and Deafness Center**  
**Phone 880-8175**

**Professors:** Andrews, Moulton

**Associate Professors:** Deal, Martin, M. Smith

**Assistant Professors:** Bienenstock, Lowery, Maroonroge

**Instructors:** Friend, Lunato, Norwood-Chapman, Z. Smith, Sullivan

The Department of Communication Disorders (CMDs) supports instruction, research, and service, the primary mission areas of Lamar University, through the degree programs offered. The Department offers a Bachelor of Science Degree in Communication Disorders for students interested in pursuing work in the fields of Audiology, Deaf Education, and Speech-Language Pathology. The undergraduate major is a multi-disciplinary pre-professional program that provides a foundation for a graduate specialization, state license, and/or national certification within the professional fields of Audiology, Deaf Education, and Speech-Language Pathology. This program of study is accredited by the American Speech-Language-Hearing Association and by the Council on Education of the Deaf. Completion of the Master's Degree is mandated by Texas law for professional employment in Audiology and Speech-Language Pathology and strongly advised by our departmental faculty in Deaf Education (See Graduate Catalog for requirements).

Teacher certification plans are offered in conjunction with the major study of Deaf Education. Details concerning requirements for teacher certification and the professional education course requirements should be obtained from an undergraduate advisor in Deaf Education and/or from the College of Education and Human Development section of this catalog.

A new student initiating study at Lamar University must meet all admission requirements of the University (See "Admissions" this catalog). Transfer students or students who wish to enter the Department of Communication Disorders programs by change of major must meet admission requirements or have a minimum grade point average of 2.50 or better. Grades of "D" are not acceptable as course completion for required classes in departmental majors, nor are they acceptable as course completion for classes to be used as professional electives by student majors within the department.

## Programs of Study

All majors in the department must complete the basic Core Curriculum requirements of Lamar University as their academic foundation course work. Faculty advisors will provide direction to the student concerning departmental requirements within the Core Curriculum when course choices are available to meet the University's Core Curriculum requirements. The Department of Communication Disorders **requires all transfer, freshmen-level, and senior-level students to see a faculty advisor within the department. Further, this Department strongly encourages all students to seek academic advisement from the faculty for efficient matriculation through the undergraduate program.** Advisors may be seen during the university posted time for each semester or by appointment. Required courses are listed with more information about each.

## Bachelor's Degree in Communication Disorders

The bachelor's degree program in Communication Disorders preparing students for graduate specialization in Audiology, Deaf Education, and Speech-Language Pathology requires each student to complete a REQUIRED departmental core of seven courses. In addition, each student will complete five advanced classes for the student's specific career interests for a total of 36 hours.

Required classes for the departmental core curriculum include CMDS 1374, 1375, 2371, 2372, 2373, 2374, 3302; and **five** of the following: CMDS 3301, 3304, 3305, 4301, 4302, 4303, 4304, 4305, 4306, 4326, 4350\*. A special note: CMDS 2375, American Sign Language I, is taken by all Communication Disorders majors in lieu of one English Literature course.

\* CMDS 4350 may be taken with faculty advisor and department chair approval.

## Communication Disorders (CMDS)

1371	<b>Introduction to Speech, Hearing and Language Disorders</b>	3:3:0
	An overview of the professions of audiology, deaf education, and speech-language pathology. A course for NON-MAJORS.	
1372	<b>Phonetics</b>	3:3:0
	Knowledge of American English sound system and syllable structure including proficiency in using the International Phonetic Alphabet for phonetic transcription.	
1373	<b>Theoretical Bases of Language</b>	3:3:0
	The theoretical constructs of language including the analysis of content (semantics), form (syntax), morphology and use (pragmatics of language in normal communication).	
1374	<b>Introduction to Deaf Studies</b>	3:3:0
	Historical and current trends about Deaf community, their culture, and education of deaf youth.	
1375	<b>Language Acquisition</b>	3:3:0
	The study of normal language development and its changes with maturation.	

1376	<b>Fingerspelling and Numbers in ASL</b>	3:3:0
	The study of and number concepts in American Sign Language used in the Deaf community.	
2371	<b>Hearing Anatomy</b>	3:3:0
	The anatomy and physiology of the peripheral auditory mechanism. Also included are the central auditory pathways.	
2372	<b>Hearing Science</b>	3:3:0
	Basic physics of sound, instrumentation and performance related to audiological principles. <i>Prerequisite: CMDS 2371</i>	
2373	<b>Speech Anatomy</b>	3:3:0
	The anatomy and physiology of the speech mechanism. Includes scientific variables of speech and voice and the perceptual phenomena that result.	
2374	<b>Speech Science</b>	3:3:0
	Basic physics of sound, instrumentation and performance in the speech sciences.	
2375	<b>American Sign Language I</b>	3:3:0
	Introduction to American Sign Language and Deaf Culture.	
3301	<b>Language and Phonological Disorders</b>	3:3:0
	An introduction to articulation and language disorders, their etiologies and therapy programs. <i>Prerequisites: CMDS 1372, 1373, 1375</i>	
3302	<b>Introduction to Audiology</b>	3:3:0
	An overview of the professional field of Audiology, an introduction to the terminology, testing techniques and procedures of the evaluation of the patient; interpretation of evaluation data; and application of information to the habilitation program of the patient. <i>Prerequisites: CMDS 2371, 2372</i>	
3304	<b>Voice and Fluency Disorders</b>	3:3:0
	An introduction to fluency, voice and organic disorders in speech pathology, their etiology and therapy programs. <i>Prerequisites: CMDS 2373, 2374</i>	
3305	<b>American Sign Language II</b>	3:3:0
	This is an intermediate course in American Sign Language and Deaf Culture. <i>Prerequisite: CMDS 2375 or Department Chair approval.</i>	
4301	<b>Organically Based Communication Disorders</b>	3:3:0
	An overview of speech, language, and swallowing disorders with organic etiologies. <i>Prerequisite: CMDS 3304</i>	
4302	<b>Advanced Audiology</b>	3:3:0
	Hearing evaluation procedures, clinical evaluation, techniques and instrumentation. <i>Prerequisites: CMDS 3302</i>	
4303	<b>Clinical Processes</b>	3:3:0
	An overview of clinical procedures and initial interaction with clinical patients. <i>Prerequisite: CMDS 3301, 3304</i>	
4304	<b>Neurology</b>	3:3:0
	The human nervous system with particular emphasis on neuronal structures and pathways related to communication and its disorders. <i>Prerequisites: CMDS 2371, 2372, 2373; 2374</i>	
4305	<b>American Sign Language III</b>	3:3:0
	Advanced American Sign Language. <i>Prerequisite: CMDS 3305 or Department Chair approval.</i>	
4306	<b>Literacy and Deafness</b>	3:3:0
	Theoretical acquisition of reading and writing for deaf/Hard of hearing children. <i>Prerequisite: CMDS 1374</i>	
4326	<b>Instructional Design of the Deaf Classroom</b>	3:3:0
	Cognitive, linguistic and social development of deaf individuals from infancy to adulthood and the impact on the classroom. <i>Prerequisites: CMDS 1374</i>	
4350	<b>Problems and Projects</b>	3:A:0
	Special project course taken by supervising faculty and Department Chair approval.	

## Department of Music, Theatre and Dance

**Department Chair:** Barry W. Johnson

**106 Music Building, Phone 880-8144**

**Professors:** Babin, Culbertson, Dyess, Johnson, Mathis, Ornelas, Simmons

**Associate Professors:** Ellis, Gilman, Placette

**Assistant Professors:** Draper, Lihs, Mouat, Rissman

**Instructors:** Almany, Wisor

**Lecturer:** Peirce

**Adjunct Instructors:** Arrington, Cokinos, Collier, Fitzpatrick, Graham, Griner, Hines, S. Mouat, Parks, Rose, Schwarzlose, Wadenpfuhl-Gay, Wilkinson

**Academic Advisor:** Black

The music unit is an accredited institutional member of the National Association of Schools of Music. Three undergraduate degrees offered are 1) Bachelor of Music in Performance, 2) Bachelor of Music in Composition and 3) Bachelor of Music (leading to Teacher Certification). The Bachelor of Music (leading to Teacher Certification) offers specialization in either Band, Choir, or Orchestra. Two graduate degrees offered are 1) Master of Music in Performance and 2) Master of Music Education.

The Theatre unit is an accredited member of the Texas Educational Theatre Association. Four undergraduate degrees are offered: 1) Bachelor of Arts in Theatre, 2) Bachelor of Arts in Theatre (leading to Teacher Certification), 3) Bachelor of Science in Theatre and 4) Bachelor of Science in Theatre (leading to Teacher Certification). One graduate degree is offered: Master of Science in Theatre.

The Dance unit offers three undergraduate degrees: 1) Bachelor of Science in Dance (leading to Teacher certification), 2) Bachelor of Science in Dance and 3) Bachelor of Art in Dance.

### Requirements for Music Majors

1. Meet the basic requirements for all degree programs.
2. Complete one of the programs of study listed below.
3. Complete seven semesters of MUSI 1170 (Recital Attendance) to be approved for graduation.
4. A music course with a grade of "D" will not apply toward graduation.
5. All students must continue to take secondary piano for as many consecutive long semesters as are required for the completion of the piano proficiency exam.
6. Piano majors will take secondary voice or secondary instruments, whichever applies to their intended course of study (vocal or instrumental), for as many consecutive long semesters as are required for the completion of the vocal or instrumental proficiency exam.

### Music Minor

Students who elect music as a minor must complete a minimum of 18 hours in music theory, applied music, or music literature, six of which must be advanced courses. Two semesters of Recital Attendance (MUSI 1170) will also be required. Music laboratory credit may be used at the discretion of the department chair. Music education certification is not available to students who minor in music.

## Audition Procedure

To be accepted as a music major at Lamar University, students, both new and transfer, must pass an audition in their major performance area (applied music). Audition dates may be obtained by contacting the Lamar University Department of Music, Theatre and Dance. Special audition dates can be arranged if necessary.

## Theory Placement Examination

All music major applicants will be given a Theory Placement Examination to determine their level of theoretical knowledge. The examination will include key signatures, triads, treble and bass clefs, musical terms, and ear training.

## Applied Music Requirements

### General Requirements

Music majors must be enrolled in applied music each long semester until the applied music requirement is met. The required sequence of courses includes a minimum of four semesters of lower-level (1200 series) courses in applied music.

Students in the teacher certification program must complete three additional semesters of upper-level (3200 series) applied music courses. Students in the performance program must complete four semesters of upper-level (3400 series) applied music courses.

Completion of the applied music requirement signifies the attainment of a given level of artistic performance rather than the completion of a specific number of semester hours of credit. A student may, at the discretion of the applied music faculty, be required to repeat any course in the applied music sequence; in such a case, the course may be repeated for credit. The applied music requirement is not satisfied until approval of the faculty is obtained.

Any student registered for an applied music course (except 1101, 1176 or 1181) will be required to perform a jury examination each long semester. With permission from the private instructor, a student may be exempt from jury examination in the semester during which the Senior Recital is to be performed.

## Recital Performance Requirements

**Bachelor of Music (leading to Teacher Certification):** Each Bachelor of Music (leading to Teacher Certification) major will perform a senior recital 30 minutes in length. The recital may be performed jointly with another student and will take place during the senior year. The recital can be scheduled during the regular recital period or as an afternoon recital. The student must be enrolled in applied music during the semester in which the recital is to be performed. **Bachelor of Music (in Performance):** 1) Upon completion of four semesters of lower-level applied music, the student must pass a performance jury examination to be eligible to advance to upper-level (3400 series) applied music courses; 2) during the second semester of upper-level instruction, the performance major must play a junior audition recital. This recital must be 30 minutes in length and may be given jointly with another student; however, each performer must complete his or her portion of the recital in succession. The recital can be given during the regularly scheduled recital period or as an afternoon recital. A satisfactory Junior Audition Recital is a prerequisite for proceeding to a Senior Performance Recital; 3) during the fourth semester of upper-level study, a Senior Performance Recital will be

given. This recital must be 60 minutes in length and may be scheduled during the regular recital time, at the afternoon recital time, or at an approved evening time. Recital requirements for **Bachelor of Music in Composition**: Junior year: Public presentation of at least one original composition for any medium. Minimum length: 5 minutes. The student is responsible for recruiting and rehearsing the performer(s). Senior year: Presentation of a recital of original compositions. Generally the requirement is for at least four compositions, for differing media, although if one or more compositions are unusually long, exceptions may be made. Minimum length: 25 minutes of music (excluding time between movements, set-up time between pieces, etc.). The student is responsible for recruiting and rehearsing the performers, as well as coordinating the performance. Part of the grade for the recital will be dependent on the success of these efforts. **General policies for performance major auditions and recitals:** 1) A performance major **MUST** make formal application for admission to upper-level applied music, junior audition recital and senior recital at least two weeks prior to the jury or recital. The application forms are available from the chair of the music department and should be submitted to the applied teacher; 2) to advance to upper-level applied music, the performance major must have two-thirds approval of the sophomore jury panel; 3) junior audition recitals and senior recitals will be graded on a pass/fail basis by a faculty panel of three, chosen by the chair of the music department and the private teacher. Two-thirds approval of the faculty panel is necessary to pass. The student must be enrolled in applied music during the semester in which the recital is to be performed.

### Ensemble Participation

Participation in a major ensemble is required of full-time music students each long semester, except when student teaching. Major ensembles are as follows:

- 1) For vocal and keyboard (vocal emphasis) students: MULB 1170 (A Cappella Choir) or MULB 1172 (Grand Choir) (Placement by Audition)
- 2) For wind, keyboard (instrumental emphasis) and percussion students: MULB 1271 (Marching Band) and MULB 1177 (Symphonic Band)
- 3) For string students: MULB 1173 (Orchestra)

## Music Courses (MUSI)

1170	<b>Recital</b>	1:1:0
	Attendance at scheduled recitals and concerts as prescribed by the Department of Music. Successful completion of seven semesters required for graduation. Courses may be taken seven times for credit and are offered on a pass/fail basis.	
1306	<b>Introduction to Music</b>	3:3:0
	Survey of music for non-music students. Covers the major style periods from the Renaissance to the present with emphasis on the development of basic-listening skills and critical-thinking. Requires attendance at instructor-specified recitals or concerts.	
1371	<b>Basics of Music</b>	3:3:0
	Designed to familiarize non-Music majors with basic elementary music fundamentals and skills.	
2277	<b>Marching Methods</b>	2:2:0
	Introduction to basic marching band maneuvers and marching band music. Fundamentals in drill design and charting - all styles. Introduction to computer-assisted charting. Analysis through audio-visual observation.	
3110	<b>Brass</b>	1:1:0
	Music, materials, and basic techniques for trumpet and horn.	
3120	<b>Brass</b>	1:1:0
	Music, materials, and basic techniques for trombone, baritone and tuba.	
3130	<b>Strings</b>	1:1:0
	Music, materials, and basic techniques for violin and viola.	
3140	<b>Strings</b>	1:1:0
	Music, materials, and basic techniques for cello and double bass.	
3150	<b>Percussion</b>	1:1:0
	Music, materials, and basic techniques for percussion instruments.	
3270	<b>Advanced Marching Methods</b>	2:2:0
	Advanced marching maneuvers and music. Computer assisted charting. On-campus observations. Hands-on training with campus laboratory band.	
3310	<b>Kodaly Concepts of Music</b>	3:3:0
	The study of elementary folk music, materials and techniques using the Kodaly concept. <i>Prerequisite: MUTY 1370 (or equivalent).</i>	
3320	<b>Advanced Kodaly Concepts of Music</b>	3:3:0
	The study of advanced folk Music, materials and techniques with the Kodaly concept. <i>Prerequisite: MUSI 3310 and MUTY 1370 (or equivalent).</i>	
3350	<b>Choral Music</b>	3:3:0
	A detailed study of choral music. Areas of study include history, repertoire and performance.	
3360	<b>Instrumental Music</b>	3:3:0
	A detailed study of instrumental music. Areas of study include history, repertoire and performance.	
3370	<b>Choral Conducting</b>	3:3:0
	Basic patterns and rudiments of choral conducting and rehearsal techniques. <i>Prerequisites: some vocal study, piano keyboard, one year of vocal laboratory and MUTY 2311.</i>	
3380	<b>Instrumental Conducting</b>	3:3:0
	Basic patterns and rudiments of instrumental conducting and rehearsal techniques. <i>Prerequisites: applied music, instrumental performing laboratory and MUTY 2311.</i>	
4110	<b>Woodwinds</b>	1:1:0
	Music, materials and basic techniques for flute, clarinet and saxophone.	
4120	<b>Woodwinds</b>	1:1:0
	Music, materials and basic techniques for oboe and bassoon.	
4300	<b>Problems and Projects in Music Education</b>	3:3:0
	An individual problem or project will be assigned in the music education area as necessary. <i>Prerequisite: consent of the Department Chair.</i>	
4310	<b>Problems and Projects in Music Literature</b>	3:3:0
	An individual problem or project will be assigned in the music literature area as needs arise. <i>Prerequisite: consent of the Department Chair.</i>	
4320	<b>Problems and Projects in Music Theory</b>	3:3:0
	An individual problem or project will be assigned in the music theory area as needs arise. <i>Prerequisite: consent of the Department Chair.</i>	

## Music Laboratory (MULB)\*

\* Courses in Music Laboratory may be repeated for credit—total credit not to exceed eight semesters for any one course.

- |      |  |        |
|------|--|--------|
| 1170 | <b>A Capella Choir</b>   | 1:0:6  |
|      | A course in choral singing, organized to furnish training in the more important works of choral literature. Presentation of selections in public throughout the year. Audition required. Open to qualified students from other departments.  |        |
| 1171 | <b>Cardinal Singers</b>  | 1:0:6  |
|      | Performing choral ensemble with instrumental combo accompaniment specializing in popular and folk repertoire. Audition required. Open to qualified students from other departments   |        |
| 1172 | <b>Grand Chorus</b>  | 1:0:3  |
|      | A course in choral singing, designed to acquaint the student with the larger works in choral literature. A public concert is given each semester. Open to qualified students from other departments  |        |
| 1173 | <b>Orchestra</b>   | 1:0:6  |
|      | A performing ensemble open to all University students who can qualify. Required of any student majoring in a string instrument   |        |
| 1175 | <b>Marching Band for Music Majors</b>  | 1:0:6  |
|      | A professional course limited to and designed specifically for music majors.   |        |
| 1177 | <b>Symphonic Band</b>  | 1:0:6  |
|      | Performance of symphonic wind ensemble and band repertoire. Audition required for admittance.  |        |
| 1271 | <b>Marching Band.</b>  | 2:0:6  |
|      | Two performance of march music and military drill. Open to any student who can qualify. The study and semesters completes PE activity requirement.   |        |
| 1157 | <b>Opera</b>   | 1:0:3  |
|      | A laboratory class for advanced voice students providing study of complete operatic roles, scenes and excerpts for presentation in the opera-theatre. Annual full-scale opera production. Auditions open to all qualified students.  |        |
| 1174 | <b>Repertoire and Pedagogy</b>   | 1:1:0  |
|      | A presentation and study of the literature, its performance, styles and means of presentation for a particular instrument or instruments. Eight semesters in the same instrument required (MUAP-Applied) of each major.  |        |
| 1176 | <b>Class Piano</b>   | 1:0:1. |
|      | Class piano instruction for music majors.  |        |
| 1178 | <b>Dance Band</b>  | 1:0:3  |
|      | Organized to furnish training in all styles of dance band performance. Open to any student who can qualify.  |        |
| 1179 | <b>Percussion Ensemble</b>   | 1:0:1  |
|      | The study and performance of chamber percussion literature. Designed to provide experience on all of the percussion instruments.   |        |
| 4130 | <b>Chamber Music Ensemble</b>  | 1:0:3  |
|      | String ensemble, woodwind, brass ensemble and percussion ensemble. A course designed to give the student an opportunity to study and perform music written for the smaller instrumental ensembles. These groups will participate in various recital programs throughout the year. Open to any student upon recommendation of the instructor. |        |

## Music Literature Courses (MULT)

- |      |  |       |
|------|--|-------|
| 1208 | <b>Music Literature I</b>  | 2:2:0 |
|      | An appraisal of the important events in music history with emphasis upon those aspects of music associated with style, form and performance. Familiarization of the student with music terminology and thorough briefing on score reading through the use of recordings from the significant periods of music history. |       |
| 1209 | <b>Music Literature II</b>   | 2:2:0 |
|      | A survey of the literature and advances made in music from the Medieval era to the mid-Renaissance.<br><i>Prerequisite: MUTY 1312.</i>   |       |
| 3330 | <b>Music History</b>   | 3:3:0 |
|      | A survey of the literature and advances made in music from Mid-Renaissance to the pre-Classic era to the present. Two hours of listening required per week in addition to class lecture.<br><i>Prerequisite: MULT 1208-1209 and MUTY 2311-2312.</i>  |       |
| 3340 | <b>Music History</b>   | 3:3:0 |
|      | A survey of the literature and advance made in music from the Classic era. Two hours of listening required per week in addition to class lecture.<br><i>Prerequisite: MULT 1208-1209 and MUTY 2311-2312</i>  |       |

## Music Theory Courses (MUTY)

<b>1370 Elements of Music</b>	<b>3:3:0</b>
Designed to prepare students for advanced study in music theory. A study of scales, chords, musical terminology, key signatures, sight-singing, musical notation and the harmonic, melodic and rhythmic structure of music.	
<b>1311, 1312 Theory I, II Elementary Harmony</b>	<b>3:5:0</b>
Elementary keyboard and written harmony, sight singing; ear training. <i>Prerequisite: MUTY 1370 or by advanced standing exam.</i>	
<b>2311, 2312 Theory III, IV Advanced Harmony</b>	<b>3:5:0</b>
Advanced keyboard and written harmony; sight singing; ear training. <i>Prerequisite: MUTY 1312.</i>	
<b>3210, 3220 Counterpoint</b>	<b>2:2:0</b>
16th and 18th century contrapuntal techniques through analysis and creative writing. <i>Prerequisite: MUTY 2312.</i>	
<b>4210 Form and Analysis</b>	<b>2:2:0</b>
Analytical study of musical forms and styles. <i>Prerequisite: MUTY 2312.</i>	
<b>4220 Orchestration</b>	<b>2:2:0</b>
Techniques of writing and arranging for orchestral instruments in small combinations and for full orchestra. <i>Prerequisite: MUTY 2312.</i>	

## Requirements for Theatre Majors:

This program provides a well-balanced curriculum that prepares students to enter either the professional theatre or the teaching profession on the secondary level. Students participate in all phases of scheduled theatre productions and are provided a background in both performance and technical theatre aspects.

New students and transfers should refer to the front of the catalog for admission requirements and must see the Director of Theatre immediately for purchase of a Theatre Manual of Procedures for other requirements of this field. New students and transfers must enroll in THEA 1370 for two consecutive semesters and follow that with two semesters of THEA 2370. Minors should enroll in one semester each of THEA 1370 and 2370. A theatre course with a grade of "D" or lower will not apply toward graduation.

**Theatre Courses (THEA)**

<b>1310 Introduction to Theatre</b>	<b>3:2:3</b>
A general survey of the major fields of theatre. Emphasis on the various types and styles of plays, knowledge of the functions of the personnel and other elements of theatre production.	
<b>1330 Stagecraft I</b>	<b>3:2:3</b>
Basic course on the handling and construction of scenery, the care of stage properties and theatrical terminology. Provides hands-on experience for University productions.	
<b>1351 Acting I-Fundamentals of Acting</b>	<b>3:2:3</b>
Introductory principles and practice for basic acting training.	
<b>1352 Acting II-Stage Movement</b>	<b>3:2:3</b>
A continuation of the process of acting with emphasis on movement and vocal work. <i>Prerequisite: THEA 1351.</i>	
<b>1370 Theatre Activities</b>	
Laboratory instruction for all majors, minors and non-majors in the practical application of theatre work ethics and procedures. This class is required of all theatre majors for two consecutive semesters, excluding summers, while enrolled in the University. Required of all minors for one semester.	
<b>2336 Voice and Diction</b>	<b>3:3:0</b>
Vocal development, vocabulary building and pronunciation skills through systematic drills and exercises.	
<b>2370 Production Crew</b>	
Laboratory instruction for all majors, minors and non-majors in technical production techniques. This class is required of all theatre majors for two consecutive semesters, excluding summers, while enrolled at the University. Required of all minors for one semester. <i>Prerequisite: THEA 1370.</i>	
<b>2371 Costume Construction</b>	<b>3:2:3</b>
Basic course in costuming, utilizing theatrical construction principles and techniques. Hands-on experience in University productions.	
<b>2372 Introduction to Design for the Theatre</b>	<b>3:2:3</b>
Exploration of the visual language of the theatre through projects in basic watercolor, sculpture and drafting.	
<b>2375 Stage Make-up Principles</b>	<b>3:2:3</b>
Principles and practices in the application of stage make-up and design. Exploration and experimentation in the use of three-dimensional make-up.	
<b>3310 Auditioning</b>	<b>3:2:3</b>
Principles in the selection and preparation of scenes and monologues for auditioning for theatre productions, films and television work. <i>Prerequisite: THEA 1351, 1352.</i>	
<b>3320 Scenic Design</b>	<b>3:2:3</b>
Concentration on hands-on design work with emphasis on composition, renderings, model-making and working drawings. <i>Prerequisite: THEA 2372 and/or Drafting.</i>	

- 3330 Stage Lighting** 3:2:3  
A course intended to help the student develop a sense of and a facility with light as an element in a production: Hands-on experience with University lighting equipment and control boards.
- 3361 Theatre History I** 3:3:0  
A survey of the history of theatre from the Greeks to the 18th Century.
- 3360 Children's Theatre** 3:2:3  
Participation in a theatrical production for the children of local school districts. Exploration of the principles of producing plays for children. Participation in the production is required. May be repeated once for credit.
- 3370 Acting III-Period Styles** 3:2:3  
A historical perspective of the acting styles of the major time periods of theatrical performance. Performance oriented.  
*Prerequisite: THEA 1351, 1352.*
- 3380 Fundamentals of Directing** 3:3:3  
Introductory principles and practices for directing stage productions. In-class exercises will give the director practical experience in dealing with styles and techniques.  
*Prerequisites: THEA 1330 and 1351.*
- 3390 Painting and Scenic Art** 3:2:3  
A hands-on course that teaches specific painting and detailing techniques.  
*Prerequisite: THEA 1330/2372.*
- 4300 Theatre Management**  
An in-depth study of working on the business side of managing a theatrical house. The course will follow the conception of a theatre through all of the development stages of fundraising, grant writing, publicity and everyday financial workings.
- 4310 Problems and Projects in the Theatre** 3:A:0  
Individualized instruction or supervised projects in the various areas of the theatre. May be performance or technically oriented. May be repeated up to three times for credit.
- 4340 Media Performance**  
A split course for those interested in on-camera and off-camera work. Half of the semester will focus on the off-camera technology and the other half on the on-camera performance techniques.  
*Prerequisite: THEA 1351.*
- 4350 Costume Design** 3:2:3  
Study of the costume designers role in the creative process and the principles of design through historical accuracy.  
*Prerequisite: THEA 2371.*
- 4360 Theatre History II** 3:3:0  
A survey of the history of theatre from the 18th century to the present day.  
*Prerequisite: THEA 3361.*
- 4370 Acting IV - Acting Theories** 3:3:0  
Emphasis on the acting theories of Stanislavski, Strasberg and current methods of development in the performance business.  
*Prerequisite: THEA 1351, 1352, 3370.*
- 4371 Directed Theatre Activities**  
A "how-to" course on the organization and production of a variety of theatrical activities. Covers the areas of fundraising, publicity, promotion, script and technical requirements. Recommended for anyone who will work in education on all levels, community theatres and professional theatres. Each student will be required to participate in an internship program at an assigned theatre during the semester or as arranged. This course is strongly recommended for all majors.  
*Prerequisite: THEA 4300.*
- 4380 Advanced Directing** 3:3:3  
Application of the principles and practices of play directing for the upper level theatre major. Production work is required outside of class.  
*Prerequisite: THEA 3380.*
- 4390 Summer Repertory Theatre** 3:2:3  
Participation in the summer production either on stage or technically, enabling the student to work in a variety of formats before entering the professional world. May be repeated twice for credit.

## Suggested Programs of Study Dance

The dance division offers two programs of study. A student choosing a public school teaching career should follow the certification program which leads to certification to teach dance plus an approved additional teaching field at the secondary level. A student selecting the non-certification program prepares for a career in private studio teaching, administration, choreography, professional performance and other dance-related fields. A student must have completed the English, Math, Biology, Political Science and History General Education Requirements before enrolling in the 300- and 400-level dance theory courses. A grade of "C" must be earned in each of the dance theory courses; a grade of "B" must be earned in each of the dance studio courses.

## Bachelor of Art Dance Major Non-Certification Program

Requirements are the same as detailed in the above program except for the completion of the course numbered 2312 in a foreign language.

## Dance Studio Courses (DANC)

Dance studio courses (except 2170) will fulfill the PEGA requirements.

<b>1210 Tap I</b>	<b>2:1:2</b>
Instruction and practice in beginning tap dance.	
<b>1222 Folk Dance I</b>	<b>2:1:2</b>
Instruction practice in beginning folk dance. Emphasis is placed upon the historical and cultural background of the various national dances.	
<b>1233 Country and Western I</b>	<b>2:1:2</b>
Instruction on a wide variety of country and western dances. Partial emphasis given to class organization and teaching methods.	

1241, 1242, 2241, 2242	<b>Ballet I, II, III, IV</b>	2:1:2
	Instruction and practice in ballet technique. Emphasis is placed on accurate technique and placement. May be repeated for credit.	
1245, 1246, 2245	<b>Modern Dance I, II, III</b>	2:1:2
	Instruction and practice in the techniques of modern dance and composition. May be repeated for credit.	
1247, 1248, 2247	<b>Jazz I, II, III</b>	2:1:2
	Instruction and practice in jazz dance. May be repeated for credit.	
1270	<b>Selected Dance Techniques</b>	2:1:2
	Instruction and practice in selected dance techniques. May be repeated for credit.	
2170	<b>Dance Production Workshop</b>	1:1:2
	Practical application of the technical skills utilized in dance production including lighting, scenery and costuming. May be repeated for credit.	
2270	<b>Dance Company</b>	2:1:5
	Rehearsal and Performance of a variety of dance styles. May be repeated for credit.	
2272	<b>Aerobic Dance</b>	
	Fitness Dance Class designed to improve cardiovascular endurance, strength, coordination and flexibility.	
2273	<b>Improvisation</b>	
	This course teaches improvisation as a creative dance technique for designing new movement. Stimulating and selecting movement materials as preparation for composition and choreography.	
2274	<b>Social Dance</b>	2:1:2
	An introduction to partner, line and round dance forms of the 20th century.	

## Dance Theory Courses (DANC)

1301	<b>Composition</b>	3:2:1
	The analysis of the basic elements of dance composition, with emphasis on skilled use of space, dynamics and rhythms to design original forms.	
1370	<b>Dance Appreciation</b>	
	A survey of the field of dance, with emphasis on the various styles, historical development and current issues. Requires observation of live performances and classes.	
2370	<b>Dance Production</b>	3:2:1
	The study and practical application of the various elements used in dance production including lighting, scene design, costuming and publicity.	
2371	<b>Rhythmic Analysis of Dance</b>	3:2:1
	The analysis of movement in relationship to rhythmic patterns, meter, tempo, metric pulse, accents and melodic phrasing.	
3301	<b>Theatre Dance Forms</b>	3:1:2
	The study of various dance forms used in the theater including character dance.	
3310	<b>Dance Notation</b>	3:2:1
	The study of the primary forms of dance notation, including Lab notation and Benesh notation and its application to various dance forms.	
3350	<b>Principles of Creative Dance</b>	3:3:0
	The study of creative exploration in a constructive and positive environment for children.	
3360	<b>Choreography</b>	3:2:1
	Practical experience in building total artistic compositions both solo and group. Basic music and dance forms are used as a basis for more complex choreography.	
	<i>Prerequisite: DANC 1301</i>	
4380	<b>Dance History: Primitive Through 20th Century</b>	3:3:0
	The evolution of dance from prehistoric times to current social and theatrical forms.	

*Music Department faculty members from the College of Fine Arts and Communication perform throughout Southeast Texas as well as teach.*

## College of Graduate Studies

**Robert D. Moulton, Ph.D., Associate Vice President  
for Research and Dean of Graduate Studies**

**103 Wimberly Bldg.  
Phone 880-8230**

### The Graduate College

The Dean of the College of Graduate Studies is responsible for the direction of graduate programs of the University. The Dean is assisted by the Graduate Council, an advisory body consisting of representatives from each College offering graduate degrees.

### Degrees Offered

#### **Master of Arts in**

English, History, Visual Arts (Art History)

#### **Master of Business Administration**

##### **General Emphasis**

#### **Master of Education in**

Elementary Education, Counseling and Development, Secondary Education, Special Education, Supervision, Administration

#### **Master of Engineering**

#### **Master of Engineering Management**

#### **Master of Engineering Science**

#### **Master of Music**

#### **Master of Music Education**

#### **Master of Public Administration**

#### **Master of Science in**

Applied Criminology, Audiology, Biology, Chemistry, Community Psychology, Computer Science, Deaf Studies/Habilitation, Environmental Engineering, Environmental Studies, Family and Consumer Sciences, Industrial and Organizational Psychology, Kinesiology, Mathematics, Nursing, Speech-Language Pathology, Theatre

#### **Doctor of Education in Deaf Education**

#### **Doctor of Engineering**

### The Graduate Catalog

The Graduate Catalog contains a complete listing of courses, admission requirements and other information of value to graduate students. Requests for copies should be directed to the College of Graduate Studies, Lamar University, Box 10078, Lamar University Station, Beaumont, Texas 77710.

## Admission to Graduate Programs

All students seeking admission to a degree program must first meet the minimum standards of the College of Graduate Studies. Applicants must also have the approval of the department in which the degree program is offered. **The admission standards of departments may exceed those of the College of Graduate Studies.**

1. **Application Deadlines:** Domestic students (U.S. citizens and permanent residents) must submit all application materials at least 30 days before Fall, Spring or Summer registration. Deadlines for international students are May 15 for Fall semester, October 1 for Spring, and February 15 for Summer terms.
2. **Application Submission by Domestic Students (U.S. citizens or permanent residents):** Applicants for admission to the College of Graduate Studies must submit the following to the Graduate Admissions coordinator at least 30 days before registration:

### A. Completed Application Form

B. **Transcripts.** Submit an official transcript from each college or university attended. All transcripts submitted to Lamar University become the property of the University and are not returnable.

C. **GRE and GMAT Test Scores:** With two exceptions, all prospective graduate students are required to submit scores on the Graduate Records Examination (GRE). Applicants should have the Educational Testing Service, which administers the GRE, send their test scores directly to Lamar University, Beaumont. The two exceptions to the GRE requirement are applicants for the Master of Business Administration (MBA) and deaf applicants. MBA applicants are not required to take the GRE, but must submit scores on the Graduate Management Test, GMAT. See the College of Business section of the Graduate Catalog for specific requirements. Deaf applicants may substitute performance intelligence and reading ability test scores for the GRE. **GRE and GMAT scores more than five years old will be accepted only with permission of the Graduate Dean.**

3. **Deaf applicants** who have a severe or a profound hearing loss acquired congenitally or prelingually will be considered on an individual basis and need not submit GRE or GMAT scores. In lieu of GRE/GMAT scores, deaf applicants must submit above-average performance intelligence scores (preferably the performance scale of the WAIS-R) and above-average university grades, pass an interview with an admission committee comprised of faculty from the receiving department, and demonstrate adequate literacy and communication skills for graduate training. Literacy in this case includes both the reading and writing of English, but not necessarily equivalent to hearing norms. Communication skill may be demonstrated in sign language and/or speech.
4. **Admission Standards for Domestic Students:**
  - A. **Undergraduate Degree.** A prospective student must have a bachelor's degree from an institution approved by a recognized accrediting agency.
  - B. **GRE Scores and Grade Point Average (GPA).** All applicants for full admission, except for deaf students and those seeking admission to the MBA program, must meet the institutional GRE and GPA standard according to the formula  $(GPA \times 200 + (GRE V + Q) \geq 1350$ . The GPA used in the formula may

be either the overall or the last 60 semester hours, whichever is higher. The grade point average is calculated by dividing the total number of semester hours attempted or by the last sixty semester hours). For this computation, "A" equals 4 grade points, "B" equals 3, "C" equals 2, "D" equals 1 and "F" equals 0. Individual departments may have GRE and GPA standards which exceed the institutional minimum. See the department sections of this catalog for admission standards which vary from the institutional minimum.

- C. **GMAT Scores.** Admission to the Master of Business Administration (MBA) program is based in part on a formula that considers both the undergraduate GPA and the GMAT score. See the College of Business section of the Graduate Catalog for details.
  - D. **Undergraduate Grade Point Average.** Our admission standard of  $(\text{GPA} \times 200) + (\text{GRE V} + \text{Q}) \geq 1350$  is such that lower GPAs require higher GREs. Similarly, for the College of Business, the admission formula considers the GPA in such a way that the GMAT and GPA are interdependent (the GPA minimum "floats" in relationship to the applicant's GMAT score). See the College of Business section of the Graduate Catalog for details.
  - E. **Provisional Admission.** In those departments or programs that have admission standards exceeding the institutional minimum, we allow, at departmental discretion, provisional admission. A student admitted provisionally must complete the first nine semester hours of graduate work with a GPA of at least 3.0. A student who does not meet the 3.0 GPA after nine semester hours is subject to dismissal.
  - F. **Undergraduate Work in Intended Major Field, Prerequisites and Deficiencies.** The applicant for graduate study ordinarily must have completed no fewer than 24 semester hours of undergraduate work in the intended major field, 12 of which must be at the junior and/or senior level. Applicants who do not meet this requirement may be required to make up such deficiencies as prescribed by the graduate major. A GPA of 3.0 for assigned deficiency/leveling courses must be maintained, and grades below "C" will not be accepted. Departments that wish to do so may establish more stringent requirements. MBA students with deficiencies will be required to complete first-year MBA courses as determined by the College of Business with a grade of "C" or better and an overall GPA of "B" or better in all course work taken.
5. **Admission Procedures and Standards for International Students.** International students are required to follow the procedures and meet the standards stated above. Additional requirements for international students include the following:
    - A. **Transcripts.** International students must submit official certified transcripts from all colleges and universities attended. If the transcripts are not in English, the student must provide certified translations.
    - B. **TOEFL Score.** Most international students whose first language is not English must take the Test of English as a Foreign Language (TOEFL) and score better than 525. Lamar University must receive the official TOEFL scores before admission can be granted. For information about testing dates and places, write to TOEFL, PO Box 899, Princeton, NJ 08540, USA. The TOEFL is not required of those international students who have received an

undergraduate or graduate degree from a university where English is the language of instruction (e.g., universities in the United States, Canada and England). As part of the orientation process, international students with relatively low but passing TOEFL scores will be required to take one or more additional English as a Second Language (ESL) proficiency examinations and may be required to participate in ESL coursework as part of their graduation requirements.

C. **TWE Score.** International students who are required to take the TOEFL must also submit scores for the Test of Written English (TWE). The TWE is available at the same test centers that administer the TOEFL. The minimum TWE score required by Lamar University is 5. Those scoring less than 5 may be admitted to Lamar University but will be required to enroll in English as a Second Language courses.

D. **Proof of Financial Resources.** International students must prove that they have enough financial resources to attend Lamar University. As part of the application process, international students must complete the Confirmation of Financial Resources form, which asks for personal, family, and/or sponsor financial information and a bank verification of financial holdings. All international students are required to have health and accident insurance for themselves and all their dependent family members in the United States. Insurance may be purchased at the University during the registration period.

E. Proficiency in spoken English may be required by some graduate programs.

6. **Admission Procedures and Standards for Doctoral Degrees.** Prospective Doctor of Engineering (D.E.) students must send a letter to the Dean, College of Engineering, Box 10057 L.U.S., Beaumont, TX, 77710. The letter should give information on the applicant's engineering experience, current employment and major research interests. For details on GPA, GRE, TOEFL and background requirements, see the College of Engineering section of the Graduate Catalog.

Prospective Doctor of Education in Deaf Education (Ed.D.) students must send a letter to the Chair, Department of Communication Disorders (Speech and Hearing), Box 10076, Lamar University, Beaumont, TX 77710. The letter should give information on the applicant's deaf education experience, training, employment history, current employment, and major research interests. Deaf applicants are encouraged, and experience as a teacher of the deaf is required. For details on GPA, GRE, TOEFL and background/experience requirements, see the College of Fine Arts and Communication section of the Graduate Catalog.

Nondegree students interested in Post Baccalaureate or Pre Graduate admission should refer to the Graduate Catalog for details.

# LAMAR UNIVERSITY

Trammell, Janice, *Executive Director, Public Services and Continuing Education*  
Turco, Charles P., *Director, Special Programs*  
Woodland, Rebecca, *Director, Non-Credit Programs*  
Young, Fay, *Manager, User Services*

## Faculty 1999-2000

The following list reflects the status of the Lamar University faculty as of Spring 1999. The date after each name is the academic year of first service to the University and does not necessarily imply continuous service.

- Akers, Hugh A.**, 1977, *Professor of Chemistry*  
B.S., University of California, Riverside; Ph.D., University of California-Berkeley
- Alexander, Joe L.**, 1994, *Instructor of Music*  
B.M., East Carolina University; M.M., James Madison University; D.M.A., University of North Texas
- Allen, Charles L.**, 1979, *Professor of Economics*  
B.A., East Texas State University; M.A., Ph.D., University of Arkansas
- Allen, Joel L.**, 1960, *Assistant Professor of Economics*  
B.S., Arkansas Agricultural and Mechanical College; M.S., Baylor University
- Allen, Virginia M.**, 1990, *Assistant Professor, Library Systems Coordinator*  
B.A., University of Missouri, Kansas; M.L.S., Emporia State University
- Allin, Shawn B.**, 1996, *Assistant Professor of Chemistry*  
B.Sc., University of Waterloo; Ph.D., University of Alabama System
- Almany, Travis**, 1998, *Instructor of Music*  
M.Ed., University of Illinois
- Altomose, John R., Jr.**, 1973, *Professor of Criminal Justice*  
B.A., Davidson College; M.Ed., Lamar University; M.A., Ph.D., Sam Houston State University; M.R.E., University of St. Thomas
- Anderson, Adrian N.**, 1967, *Professor of History*  
B.S., M.A., Ph.D., Texas Tech University
- Anderson, Ross S.**, 1995, *Assistant Professor of Biology*  
B.A., Austin College; M.B.S. University of Colorado; Ph.D., Baylor College of Medicine
- Andreev, Valentin V.**, 1990, *Assistant Professor of Mathematics*  
B.M., M.M., University of Sofia; Ph.D., University of Michigan
- Andrews, Jean F.**, 1988, *Associate Professor of Deaf Education*  
B.A., Catholic University of America; M.Ed., Western Maryland College; Ph.D., University of Illinois
- Asteris, Mark M.**, 1985, *Assistant Professor; Media Services Coordinator*  
B.A., King's College; M.L.S., Villanova University
- Aycock, Margaret A.**, 1996, *Instructor, Environmental Librarian*  
B.A., University of North Carolina; J.D., Emory University of Law School; M.S.L.S., Columbia University School of Library Service
- Babin, L. Randolph**, 1968, *Regents' Professor of Music, Director of Choral Activities*  
B.M.Ed., M.M.Ed., Ph.D., Louisiana State University
- Baker, B. Joanne**, 1981, *Assistant Professor of Mathematics*  
B.A., Lamar University; M.A., Ph.D., University of Texas at Austin
- Baker, Mary Alice**, 1969, *Associate Professor of Communication*  
B.S., M.A., University of Oklahoma; Ph.D., Purdue University
- Bandyopadhyay, Kakoli**, 1998, *Assistant Professor of Management Information Systems*  
B.Eng., Jadavpur University; M.A., University of Alabama; Ph.D. University of Texas at Arlington
- Bandyopadhyay, Soumava**, 1992, *Associate Professor of Marketing*  
B.S., Jadavpur University; Ph.D., University of Alabama
- Barnes, Cynthia**, 1982, *Professor of Office Administration and Management Information Systems*  
B.S., Howard Payne University; M.Ed., Texas Tech University; Ed.D., North Texas State University

- Barnes, James**, 1996, *Lecturer, Volleyball Coach*  
B.S., M.E., McNeese State University
- Barnett, Bradley A.**, 1994, *Instructor of Communication*  
B.A., Moorehead State University; M.A., Stephen F. Austin State University
- Barrett, Chad**, 1992, *Lecturer in PEGA and Health, Director of Health Programs*  
B.S., M.Ed., Lamar University-Beaumont
- Barton, Joel E. III**, 1987, *Associate Professor of Health*  
B.S., M.Ed., Ph.D., Texas A&M University
- Bean, Wendell C.**, 1968, *Professor of Electrical and Nuclear Engineering*  
B.A., B.S., Lamar University; M.S., Ph.D., University of Pittsburgh; Registered Professional Engineer
- Bienenstock, Michael**, 1994, *Assistant Professor of Communication Disorders*  
B.S., Rochester Institute of Technology; M.A., Galludet University; Ph.D., University of Maryland
- Biggers, Brian**, 1995, *Lecturer and Assistant Baseball Coach*  
B.S., Northwestern State Oklahoma
- Birdwell-Sykes, Donna**, 1984, *Professor of Anthropology*  
B.A., M.A., Ph.D., Southern Methodist University
- Blackwell, E. Harold**, 1990, *Professor of Kinesiology; Chair, Department of Health and Kinesiology*  
B.S., Delta State University; M.Ed., Memphis State University; Ed.D., University of Southern Mississippi
- Boatwright, J. Douglas**, 1986, *Associate Professor of Kinesiology; Coordinator of Academic Programs*  
B.S., University of Alabama at Birmingham; M.S., Ph.D., Louisiana State University
- Brannan, Sandra**, 1997, *Instructor of Nursing*  
B.S.N., University of Texas Medical Branch-Galveston; M.S.N., University of Texas Health Science Center at Houston; Registered Nurse
- Brentlinger, W. Brock**, 1969, *Professor of Communication; Interim Dean, College of Fine Arts and Communication; Assistant to the President*  
B.A., Greenville College; M.A., Indiana State University; Ph.D., University of Illinois
- Brunell, Mark S.**, 1997, *Assistant Professor of Biology*  
B.A., M.A., California State University, Fullerton; Ph.D., University of California, Riverside
- Brust, Melvin F.**, 1978, *Professor of Finance*  
B.S.E.E., M.S.E.E., University of Texas; Ph.D., North Texas State University; Registered Professional Engineer
- Bumpus, Donna**, 1988, *Assistant Professor of Nursing*  
B.S.N., Colorado Women's College; M.S.N., Vanderbilt University; Registered Nurse, Certified Enterostomal Therapy Specialist
- Burke, Charles M.**, 1970, *Professor of Professional Pedagogy; Director, Professional Services and Advisement, College of Education and Human Development*  
B.A., Southeastern Louisiana University; M.Ed., Louisiana State University; Ed.D., University of Southern Mississippi
- Cale, William G.**, 1994, *Executive Vice President for Academic Affairs; Professor of Biology*  
B.S., Pennsylvania State University; Ph.D., University of Georgia
- Carey, Holly Romero**, 1997, *Lecturer in English*  
B.A., Lamar University; M.A., New Mexico State University
- Carlin, Dewey R., Jr.**, 1958, *Associate Professor in the Department of Electrical Engineering*  
B.S., Lamar University; M.S., University of Texas
- Carroll, Anita**, 1986, *Assistant Professor of Nursing*  
B.S.N., M.S.N., West Texas State University; Registered Nurse

- Carroll, David J.**, 1975, *Assistant Professor; Cataloging Coordinator*  
B.A., Kansas State University; M.L.S., University of Denver
- Carroll, John M.**, 1972, *Regents' Professor of History*  
B.A., Brown University; M.A., Providence College; Ph.D., University of Kentucky
- Carter, Keith D.**, 1989, *Walles Chair Visiting Professor and Associate Professor of Art*  
B.B.A., Lamar University
- Castillon, Catalina T.**, 1991, *Instructor in Spanish*  
J.D., Universidad de Sevilla; M.A., University of Massachusetts-Amherst
- Castle, David S.**, 1985, *Professor of Political Science*  
B.A., M.A., Marshall University; Ph.D., University of Rochester
- Cavaliere, Frank J.**, 1985, *Professor of Business Law*  
B.A., Brooklyn College; B.B.A., Lamar University; J.D., University of Texas School of Law
- Chalambaga, Michael**, 1990, *Director of Infomatics and Adjunct Instructor of Nursing*  
A.S., Odessa College; B.S., B.B.A., University of Texas Permian Basin
- Chen, Daniel Hao**, 1982, *Professor of Chemical Engineering*  
B.S., National Cheng-Kung University; M.S., National Taiwan University; Ph.D., Oklahoma State University; Registered Professional Engineer
- Chen, Kuo-Lane**, 1999, *Assistant Professor of Management Information Systems*  
B.A., National Chen-Chi University; M.S., Georgia State University; Ph.D., Illinois Institute of Technology
- Chiou, Paul**, 1988, *Professor of Mathematics*  
B.S., National Chung Hsing University; M.A., Ph.D., University of Texas
- Choi, Jai-Young**, 1982, *Professor of Economics*  
B.A., Yonsei University; M.A., University of Kansas; Ph.D., University of Oklahoma
- Christensen, Ana B.**, 1999, *Assistant Professor of Biology*  
A.S., Richard Bland College; B.S., M.A., College of William and Mary; Ph.D., Clemson University
- Chu, Hsing-wei**, 1979, *Professor of Industrial Engineering*  
B.S., Tunghai University; M.S., Asian Institute of Technology; Ph.D., University of Texas; Registered Professional Engineer
- Clark, Steven C.**, 1998, *Assistant Professor of Psychology*  
B.S., Brigham Young University; M.A., Ph.D., University of New Hampshire
- Clark, Warren III**, 1994, *Lecturer in Physical Education and Assistant Track Coach*  
B.S., M.S., Lamar University
- Cocke, David, L.**, 1989, *Jack M. Gill Professor of Chemistry and Research Professor in Chemical Engineering*  
B.S., University of Texas; M.S., Lamar University; Ph.D., Texas A&M University
- Collins, Barry**, 1991, *Lecturer in Physical Education; Head Track Coach*  
B.S., M.S., Lamar University
- Commander, Emily Sue**, 1985, *Lecturer in Developmental Mathematics*  
B.S., M.S., Lamar University
- Cooper, Roger W.**, 1979, *Professor of Geology; Chair, Department of Geology*  
B.A., University of South Dakota; M.S., University of Wisconsin-Madison; Ph.D., University of Minnesota
- Corder, Paul Ray**, 1987, *Professor of Mechanical Engineering*  
B.S.M.E., M.S.M.E., Ph.D., Texas A&M University; Registered Professional Engineer
- Cox, Carey F.**, 1998, *Assistant Professor in the Department of Mechanical Engineering*  
B.S., M.S., Louisiana Tech University; Ph.D., Mississippi State University
- Crawford, Carolyn**, *Associate Professor and Chair of Educational Leadership*  
B.A., M.Ed., Lamar University; Ph.D. Texas A&M University
- Culbertson, Robert M., Jr.**, 1974, *Associate Professor of Music*  
B.M., M.M., Northern Illinois University; D.M.A., University of Texas

- Daigrepoint, Lloyd M.**, 1981, *Professor of English*  
B.A., M.A., Ph.D., Louisiana State University
- Dahm, Molly**, 1996, *Instructor of Family and Consumer Sciences*  
B.A., University of Georgia; B.S., M.S., Florida International University
- Daniel, Bobby Dale**, 1998, *Assistant Professor in the Department of Mathematics*  
B.S., M.S., Stephen F. Austin University; Ph.D., Texas A&M University
- Daskalos, Christopher T.**, 1999, *Assistant Professor of Criminology*  
B.A., University of Iowa; M.A., Western Illinois University; Ph.D., Arizona State University
- Davis, Terri B.**, 1996, *Assistant Professor of Political Science*  
B.S., M.A., University of Texas at Tyler; Ph.D., University of Texas at Austin
- Dawkins, Paul**, 1997, *Assistant Professor of Mathematics*  
B.S., M.S., Mechanical Engineering; Ph.D., Mathematics, University of Nebraska
- Deal, Randolph E.**, 1990, *Associate Professor of Communication-Disorders and Deafness, Director of Speech and Hearing Center*  
B.A., Oklahoma State University; M.C.D., University of Oklahoma Health Sciences Center, Ph.D., University of Oklahoma Health Sciences Center
- deVillier, Anita**, 1996, *Instructor in Family and Consumer Sciences*  
B.S., Northwestern State University; M.S., Texas Women's University
- Dietert, Linda R.**, 1995, *Assistant Professor, Reference Services Coordinator*  
B.A., University of Texas at Arlington; M.L.S., University of North Texas
- Dodson, Kevin**, 1991, *Associate Professor of Philosophy*  
B.A., University of Washington; Ph.D., University of Massachusetts
- Doerschuk, Peggy Israel**, 1993, *Associate Professor of Computer Science*  
B.S., University of Southwestern Louisiana; Ph.D., Tulane University
- Doiron, Jesse**, 1997, *Instructor in ESL and Director, Lamar Language Institute*  
B.A., M.A., Lamar University
- Dorris, Kenneth L.**, 1965, *Associate Professor of Chemistry*  
B.S., Ph.D., University of Texas
- Drapeau, Richard A.**, 1983, *Professor of Business Statistics*  
B.S., Arizona State University; M.B.A., Lamar University; Ph.D., Texas A&M University
- Draper, Kelly**, 1991, *Assistant Professor of Theatre*  
A.A., Howard College; B.S., M.A., Southwest Texas State University
- Droddy, Frances**, 1980, *Assistant Professor of Family and Consumer Sciences*  
B.S., Northwestern State College; M.S., Lamar-Beaumont; Ph.D., Texas Woman's University
- Drury, Bruce R.**, 1971, *Regents' Professor of Political Science*  
B.A., M.A., University of Nebraska; Ph.D., University of Florida
- DuBose, Elbert T., Jr.**, 1974, *Associate Professor of Political Science*  
B.A., Southwest Texas State University; M.A., Texas Tech University; Ph.D., University of Oklahoma
- Dugger, Linda J.**, 1970, *Associate Professor, Acquisitions Coordinator*  
B.A., M.L.S., North Texas State University
- Dunlap, Carla**, 1989, *Lecturer of Developmental Reading*  
B.A., M.Ed., Lamar University-Beaumont
- Dye, John H.**, 1996, *Assistant Professor, Reference Librarian*  
B.A., Oklahoma Baptist University; M.A., Arkansas University; M.L.I.S., South Carolina
- Dyess, J. Wayne**, 1977, *Professor of Music*  
B.M., Stephen F. Austin State University; M.M., Catholic University of America; Ed.D., University of Houston
- Dyrhaug, Kurt**, 1999, *Assistant Professor of Art*  
B.F.A., Minneapolis College of Arts and Design; M.F.A., University of Minnesota

- Dyson, Frederick C.**, 1999, *Assistant Professor, Reference Librarian*  
B.A., Eastern Connecticut State College; M.A., Virginia Polytechnic Institute and State University; M.L.S., University of Maryland at College Park
- Eisen, Sarajane**, 1996, *Instructor of Family and Consumer Sciences*  
B.S., University of Texas at Austin; M.S., Lamar University
- Elliff-Ruiz, Connie Jo**, 1976, *Professor of Family and Consumer Sciences*  
B.S., Southwest Texas State University; M.S., Kansas State University; Ph.D., Texas A&M University; Registered Dietitian
- Elliott, Larry**, 1997, *Assistant Professor of Communication*  
B.A., M.A., Texas Tech University; Ph.D., University of Florida
- Ellis, Kim B.**, 1990, *Associate Professor of Music*  
B.M.E., Illinois Wesleyan University; M.M., Bowling Green State University; D.M.A., Ohio State University
- Esperat, Christina**, 1995, *Associate Professor of Nursing*  
B.S.N., M.A.N., Silliman University; Ph.D., University of Texas at Austin; Registered Nurse
- Esser, Christine Bridges**, 1992, *Associate Professor of Spanish*  
B.A., M.A., University of Texas at El Paso; Ph.D., Vanderbilt University
- Esser, James K.**, 1976, *Professor of Psychology*  
B.S., University of Iowa; Ph.D., Indiana University
- Fang, Xing**, 1995, *Assistant Professor of Civil Engineering*  
B.S., Tsinghua University; M.S., Ph.D., University of Minnesota; Registered Professional Engineer
- Farrow, Vicky R.**, 1998, *Assistant Professor of Professional Pedagogy*  
B.A., Stephen F. Austin State University; M.B.A., Lamar University; Ph.D., Purdue University
- Fearnley, Steven P.**, 1999, *Assistant Professor of Chemistry*  
B.Sc., Sheffield City Polytechnic, UK; Ph.D., University of Salford, UK
- Fitzpatrick, Jr., Oney D.**, 1991, *Associate Professor of Psychology*  
B.A., College of Wooster; M.A., University of Dayton; Ph.D., University of Houston
- Flosi, Alicen**, 1999, *Visiting Assistant Professor of Office Administration and Management Information Systems*  
B.B.A., M.B.A., Lamar University
- Foreman, Myers L.**, 1985, *Assistant Professor of Computer Science*  
B.S., M.S., Lamar University; M.S., University of Southwestern Louisiana
- Franklin, Thomas Claiborn**, 1992, *Instructor of Audiology*  
B.A., M.A., Auburn University; Ph.D., Florida State University
- Frazier, Robert L.**, 1974, *Professor of Criminal Justice*  
B.S., M.A., Ph.D., Sam Houston State University
- Friend, Tressa J.**, 1998, *Instructor in Communication-Disorders and Deafness*  
B.S., M.A., Brigham Young University
- Frisbee, Jennifer D.**, 1998, *Assistant Professor of Criminal Justice*  
B.A., Austin College; M.A., University of Texas at Arlington; Ph.D., Sam Houston State University
- Fritze, Ronald H.**, 1984, *University Professor of History*  
B.A., Concordia College; M.A., M.L.S., Louisiana State University; Ph.D., University of Cambridge
- Fuseler, Elizabeth Avery**, 1995, *Professor, Director of Library Services*  
A.B., College of William and Mary; M.S., Drexel University
- Gilligan, James P.**, 1972, *Instructor of Physical Education, Head Baseball Coach*  
B.S., M.S., Lamar University
- Gilman, Kurt Ardee**, 1986, *Associate Professor of Music*  
B.M., Eastman School of Music; M.M., Texas Tech University; DMA, University of Texas
- Gober, Sue**, 1985, *Instructor in Professional Pedagogy*  
B.S., Auburn University; M.S., Lamar University

- Godkin, Jennie**, 1995, *Assistant Professor of Nursing*  
B.S.N., Lamar University; M.S.N., University of Texas Medical Branch-Galveston; Registered Nurse
- Godkin, Roy Lynn**, 1981, *Professor of Management; Chair, Department of Management and Marketing*  
A.B., Bethany Nazarene College; M.R.E., Nazarene Theological Seminary; M.A., The University of Illinois at Springfield; Ph.D., The University of North Texas
- Gonthier, Keith A.**, 1998, *Assistant Professor in the Department of Mechanical Engineering*  
B.S., Louisiana State University; M.S., Auburn University; Ph.D., University of Notre Dame
- Gonzales, Alicia M.**, 1999, *Assistant Professor of Sociology*  
B.S., M.A., Ph.D., Arizona State University
- Gossage, John L.**, 1998, *Assistant Professor in the Department of Chemical Engineering*  
B.S., M.S., Ph.D., Illinois Institute of Technology
- Goulas, Fara**, 1975, *Assistant Professor of Education*  
B.A., Lamar University; M.A., University of Colorado; Ed.D., McNeese State University
- Green, Alexia**, 1988, *Associate Professor of Nursing; Chair, Department of Nursing*  
B.S.N., University of Texas Medical Branch-Galveston; M.S.N., University of Texas Health Science Center at Houston; Ph.D., Texas Woman's University; Registered Nurse
- Griffith, Kimberly**, 1997, *Assistant Professor of Professional Pedagogy*  
B.S., M.Ed., Ph.D., University of Southern Mississippi
- Griffith, Paul A.**, 1997, *Assistant Professor of English*  
B.A., M. Phil., The University of the West Indies; Ph.D., The Pennsylvania State University
- Guidici, Cynthia**, 1996, *Lecturer in English*  
B.A., M.Ed., Ph.D., University of North Texas
- Guidici, Guy**, 1996, *Lecturer in English*  
B.A., Austin College; M.A., Ph.D., University of North Texas
- Gwin, Howell, H., Jr.**, 1962, *Professor of History*  
B.A., M.A., Ph.D., Mississippi State University
- Gwynn, Robert S.**, 1976, *University Professor of English*  
B.A., Davidson College; M.A., M.F.A., University of Arkansas
- Haiduk, Michael W.**, 1983, *Professor of Biology*  
B.S., M.S., Texas A&M University; Ph.D., Texas Tech University
- Haidusek, Harrabeth**, 1997, *Lecturer in English*  
B.A., M.A., Lamar University
- Hall, Iva**, 1985, *Assistant Professor of Nursing*  
B.S.N., University of Central Arkansas; M.S.N., University of Central Arkansas; Registered Nurse
- Hansen, Keith C.**, 1967, *Professor of Chemistry*  
B.S., Lamar University; Ph.D., Tulane University
- Harrel, Richard C.**, 1966, *Professor of Biology*  
B.S., East Central State College; M.S.Ed., University of Georgia; Ph.D., Oklahoma State University
- Harrigan, W. Patrick, III**, 1969, *Professor of Communication*  
B.S., Loyola University; M.F.A., Tulane University; Ph.D., Louisiana State University
- Harvill, John B.**, 1984, *Associate Professor of Computer Science*  
B.A., M.A., North Texas State University; Ph.D., Southern Methodist University
- Harvill, John F.**, 1965, *Assistant Professor of Mathematics*  
B.S., M.S., Northwestern State University of Louisiana
- Haven, Sandra L.**, 1973, *Professor of Professional Pedagogy*  
B.S., Lamar University; M.A., Central Michigan University; Ed.D., University of Houston

- Hawkins, Charla J.**, 1982, *Lecturer in Developmental Mathematics*  
B.B.A., M.S., Lamar University
- Hawkins, Charles F.**, 1966, *Regents' Professor of Economics; Chair, Department of Economics and Finance*  
B.A., Lamar University; M.A., Ph.D., Louisiana State University
- Hawkins, Emma**, 1995, *Assistant Professor of English*  
B.A., Oklahoma Baptist University; M.A., Ph.D., University of North Texas
- Henry, Lula**, 1987, *Associate Professor of Professional Pedagogy*  
B.S.E., Paul Quinn College; M.S.Ed., Arkansas State University; Ed.D., University of Missouri
- Hicks, David W.**, 1999, *Assistant Professor of Biology*  
B.S., Texas A&M University-Galveston; M.S., Texas A&M University-Corpus Christi; Ph.D., The University of Texas at Arlington
- Ho, Tho-Ching**, 1982, *Professor of Chemical Engineering*  
B.S., National Taiwan University; M.S., Ph.D., Kansas State University; Registered Professional Engineer
- Hodges, Stephen L.**, 1990, *Assistant Professor of Art*  
B.S., Lamar University; M.F.A., University of Arkansas
- Holmes, William**, 1995, *Associate Professor of Educational Leadership*  
B.A., Oklahoma Baptist University; Th.M., Baptist Theological Seminary; Ph.D., University of Southern Mississippi
- Hopper, Jack R.**, 1969, *Professor of Chemical Engineering; Chair, Department of Chemical Engineering*  
B.S., Texas A&M University; M.Ch.E., University of Delaware; Ph.D., Louisiana State University; Registered Professional Engineer
- Hunt, Madelyn D.**, 1973, *Professor of Biology; Academic Director, Center for General Studies and Central Advising*  
B.S., Lamar University; M.P.H., Dr.P.H., University of Texas School of Public Health; Registered Medical Technologist (A.S.C.P.)
- Hunter, Rebecca J.**, 1994, *Clinical Instructor of Nursing*  
B.S.N., University of Texas Medical Branch at Galveston, Registered Nurse
- Husselbee, Paul L.**, 1998, *Assistant Professor of Communication*  
B.A., Southern Utah University, M.A., Brigham Young University; Ph.D., Ohio University
- Irwin, George M.**, 1997, *Assistant Professor of Physics*  
B.S., Case Western Reserve University; M.S., Ph.D., The Ohio University
- Jack, Meredith M.**, 1977, *Associate Professor of Art*  
B.F.A., University of Kansas; M.F.A., Temple University
- Jao, Mien**, 1998, *Assistant Professor in the Department of Civil Engineering*  
B.S., Chung-Yuan University; M.Eng., Ph.D., Pennsylvania State University
- Johnson, Barry W.**, 1983, *Professor of Music; Director of Bands; Chair, Department of Music, Theatre and Dance*  
B.M.E., M.A., Sam Houston State University; Ed.D., University of Houston
- Jolly, Sonny**, 1971, *Professor of Health and Kinesiology*  
B.S., M.S., Lamar University; M.Ed., Stephen F. Austin State University; Ed.D., North Texas State University
- Jones, Richard W.**, 1975, *Professor of Accounting; Chair, Department of Accounting*  
B.S.C., Texas Christian University; M.A., University of Alabama; Ph.D., University of Arkansas; Certified Public Accountant
- Jordan, Donald L.**, 1979, *Professor of Management Information Systems*  
B.S., East Texas Baptist College; B.S., Lamar University; M.S., Air Force Institute of Technology; Ph.D., University of Houston

- Jordan, Jim L.**, 1982, *Professor of Geology*  
B.S., Lamar University; Ph.D., Rice University
- Karahouni, Ismail H.**, 1989, *Lecturer of Developmental Math*  
B.S., M.S., Lamar University-Beaumont
- Karlin, Andrea**, 1981, *Professor of Professional Pedagogy*  
B.A., Hunter College; M.A., Ph.D., University of New Mexico
- Keating, Maureen T.**, 1999, *Instructor in French*  
B.A., College of St. Benedict; M.A., University of Illinois, Urbana-Champaign
- Kemble, Joe**, 1989, *Assistant Professor of Developmental Math*  
B.S., M.Ed., Lamar University-Beaumont; Ed.D., University of Houston
- Koehn, Enno**, 1984, *Professor of Civil Engineering; Chair, Department of Civil Engineering*  
B.C.E., The City University of New York; M.S., Columbia University; M.C.E., New York University; Ph.D., Wayne State University; Registered Professional Engineer
- Koh, Hikyoo**, 1985, *Professor of Computer Science*  
B.A., Young-Nam; M.S., University of Hawaii; Ph.D., University of Pittsburgh
- Laidacker, Michael A.**, 1967, *Associate Professor of Mathematics*  
B.S., M.S., Lamar University; Ph.D., University of Houston
- Laird, Gary**, 1989, *Lecturer of Developmental Reading*  
B.A., M.A., Lamar University
- Lanier, Boyd L.**, 1970, *Associate Professor of Political Science; Academic Director, Center for Adult Studies in Public Services and Continuing Education*  
B.A., M.S., Ph.D., Florida State University
- Lauffer, Charles H.**, 1962, *Assistant Professor of Mathematics*  
B.S., M.S., Auburn University
- Lee, Huei**, 1991, *Associate Professor of Management*  
B.A. Law, Fu Jen University; M.B.A., Eastern New Mexico; Ph.D., Georgia State Univ.
- LeMire, Wilma**, 1989, *Lecturer, Developmental Mathematics*  
M.S., Lamar University
- Lewis, Marvin R.**, 1996, *Barlow Professor of Accounting*  
B.S., Florida State University; M.S., University of St. Thomas
- Li, Ku-Yen**, 1978, *Professor in the Department of Chemical Engineering*  
B.S., M.S., Cheng Kung University; Ph.D., Mississippi State University
- Lihs, Harriett**, 1983, *Assistant Professor of Dance*  
B.A., M.A., University of Iowa
- Lindorfer, Joanne S.**, 1980, *Associate Professor of Psychology*  
B.S., Loyola University, Chicago; M.S., Ph.D., University of Texas
- Loges, Max**, 1991, *Associate Professor of English/Foreign Languages*  
B.A., Northwestern Oklahoma; M.Div., Southwest Baptist Theological Seminary; M.A., Ft. Hays State University; Ph.D., Oklahoma State University
- Lokensgard, Lynne L.**, 1973, *Professor of Art History*  
B.A., M.A., University of Minnesota; Ph.D., University of Kansas
- Long, Elizabeth**, 1996, *Instructor in Nursing*  
B.S.N., Baylor University; M.S.N., University of Texas Medical Branch Galveston; Registered Nurse
- Love, James J.**, 1976, *Assistant Professor of Criminal Law; Director, Criminal Justice Program*  
B.A., Lamar University; J.D., University of Texas
- Lowery, Scott D.**, 1996, *Assistant Professor of Communication-Disorders and Deafness*  
B.S., M.A., Western Illinois University; Ph.D., University Illinois
- Lumpkin, Richard S.**, 1999, *Associate Professor of Chemistry; Chair, Department of Chemistry and Physics*  
B.S., University of Texas; Ph.D., University of North Carolina

- Lunato, Kimberly**, 1998, *Instructor in Communication-Disorders and Deafness*  
B.A., Butler University; M.A., Ohio State University
- Lynch, Howell J., Jr.**, *Associate Professor of Accounting*  
B.B.A., Middle Tennessee State University; M.P.A., University of Texas at Austin; Ph.D., Texas A&M; Certified Public Accountant
- Ma, Li-Chen**, 1972, *Professor of Sociology*  
B.S., M.S., National Taiwan University; Ph.D., University of Georgia
- Maesumi, Mohsen**, 1991, *Associate Professor of Mathematics*  
B.A., Princeton; M.Sc., Yale University; Ph.D., New York University
- Malek, Amir Masour**, 1998, *Assistant Professor of Civil Engineering*  
B.S., M.S., Isfahan University of Technology; Ph.D., University of Arizona; Registered Professional Engineer
- Mann, Judith R.**, 1997, *Assistant Professor of Psychology*  
B.A., Northeast Louisiana University; M.S., Ph.D., Texas A&M University
- Marriott, Richard G.**, 1976, *Professor and Chair of Psychology*  
B.S., Weber State College; M.A., Ph.D., University of New Mexico
- Martin, Gabriel A.**, 1989, *Associate Professor of Communication-Disorders and Deafness*  
B.S., M.S., Lamar University; Ed.D., University of Southern Mississippi
- Maroonroge, Sumalai**, 1998, *Assistant Professor of Communication-Disorders and Deafness*  
B.A., West Virginia University; M.A., Michigan State University; M.A., University of Northern Iowa; Ph.D., University of Tennessee
- Mason, Ruth**, 1973, *Assistant Professor of Nursing*  
B.S.N., M.S.N., School of Nursing, University of Texas Medical Branch-Galveston; Registered Nurse
- Matheny, Sarah Sims**, 1971, *Assistant Professor of Professional Pedagogy*  
B.S., Lamar University; M.Ed., Sam Houston State University
- Matheson, Alec L.**, 1983, *Professor and Chair of Mathematics*  
B.S., University of Washington; Ph.D., University of Illinois
- Mathis, Barbara**, 1985, *Professor of Music*  
B.M., M.M., Ph.D., University of North Texas
- Matthis, Michael**, 1995, *Lecturer in Philosophy*  
B.A., University of Texas at Austin; M.A., Arizona State University; Ph.D., Fordham University
- Matlock, Ann**, 1999, *Assistant Professor of Art*  
B.F.A., University of Texas at Austin; M.F.A., University of Texas at Austin, Texas
- Maxum, Bernard J.**, 1992, *Professor and Chair of Electrical Engineering*  
B.S., University of Washington; M.S., University of Southern California; Ph.D., University of California-Berkeley; Registered Professional Engineer
- Mayer, Bradley**, 1994, *Assistant Professor of Management*  
B.B.A. B.S., University of North Dakota; M.B.A. Mankato State University; Ph.D., The University of North Texas
- McLaughlin, George**, *Professor of Educational Leadership*  
B.S., Lamar University; Ph.D., North Texas State University
- McMillian-Nelson, Sharyl A.**, 1989, *Instructor, Reference/Bibliographic Instruction Librarian*  
B.A., University of Kansas; M.A., University of Kansas; M.A., University of Missouri, Columbia
- McSwain, Marilyn**, 1998, *Instructor of Nursing, Director-Ubi Caritas Clinic*  
B.S.N., McNeese State University; M.S. in Nursing Administration, University of Texas Medical Branch at Galveston; Registered Nurse

- Meeks, Donna M.**, 1995, *Associate Professor of Art; Chair, Department of Art*  
B.A., M.A.T., University of Louisville; M.F.A., University of Wisconsin-Milwaukee
- Melvin, Cruse D.**, 1986, *Professor of Physics*  
B.S., M.S., Stephen F. Austin State University; Ph.D., Tulane University
- Michalski, Nicki Lorraine**, 1999, *Assistant Professor of Communication*  
B.S., Eastern Michigan University; M.A., Eastern Michigan University; Ph.D., Wayne State University
- Mickle, Michael Christopher**, 1999, *Assistant Professor in the Department of Electrical Engineering*  
B.S., Lamar University; M.S., Ph.D., Louisiana State University
- Molden, Coleen A.**, 1997, *Assistant Professor, Systems Librarian*  
B.S., Western Michigan University; M.L.S., Indiana University
- Monroe, Vernice M.**, 1970, *Associate Professor of Social Work; Director, Social Work Program*  
B.S., M.S.W., University of Missouri
- Montano, Carl B.**, 1981, *Professor of Economics*  
B.S., M.S., University of the Philippines; Ph.D., Michigan State University
- Moore, Bernadette B.**, 1989, *Instructor of Health and Kinesiology*  
B.S., Ling Physical Education College; M.S., Saint Thomas University
- Moore, Dorman**, 1997, *Associate Professor of Educational Leadership*  
B.S., M.Ed., Angelo State University; Ph.D., University of Texas
- Morgan, William E.**, 1972, *Professor of Civil Engineering*  
B.S., U.S. Naval Academy; B.S., U.S. Naval Post Graduate School; M.S., University of Alaska; Ph.D., University of Texas; Registered Professional Engineer
- Moss, Helen M.**, 1978, *Assistant Professor of Nursing*  
B.S., McNeese State University; M.S.N., University of Texas at Austin; Registered Nurse
- Moss, Jimmy D.**, 1986, *Professor of Finance*  
B.S.C.E., M.B.A., Ph.D., Mississippi State University
- Moss, Patti**, 1986, *Assistant Professor of Nursing*  
B.S.N., University of Southwestern Louisiana; M.S.N., University of Texas; Registered Nurse
- Mouat, William**, 1997, *Assistant Professor of Music*  
B.M.Ed., University of Wyoming; M.M., New England Conservatory; D.M., University of Washington
- Moulton, Robert D.**, 1974, *Professor of Communication; Associate Vice President for Research and Dean of Graduate Studies*  
B.S., M.S., University of Utah; Ph.D., Michigan State University; A.S.H.A. Certification in Speech Pathology
- Mulvaney, Toni**, 1989, *Associate Professor of Business Law*  
B.A., Incarnate Word College; J.D., St. Mary's University, School of Law
- Murray, M. Kathleen**, 1973, *Assistant Professor; Associate Director for Library Operations*  
B.A., Bryn Mawr College; M.L.S., University of Texas
- Nau, Melanie L.**, 1989, *Lecturer in Developmental Reading*  
B., Adams State College; M.Ed., Lamar University-Beaumont
- Needham, Keith A.**, 1994, *Instructor in English*  
B.A., M.A., Southwest Texas State University
- Nichols, Karen B.**, 1991, *Assistant Professor, Reference/Bibliographic Instruction Librarian*  
B.S., M.S., Lamar University; M.S., University of North Texas
- Nichols, Paula**, 1988, *Assistant Professor of Family and Consumer Sciences; Director, Educational Technology Center*  
B.S., Baylor University; M.Ed., Ed.D., University of Houston

- Nicoletto, Paul F.**, 1995, *Assistant Professor of Biology*  
B.S., Appalachian State University; M.S., Virginia Polytechnic Institute and State University; Ph.D., University of New Mexico-Albuquerque
- Nordgren, Joseph**, 1990, *Associate Professor of English; Director of Freshman English*  
B.A., University of Minnesota; M.A., Ph.D., Florida State University
- Norwood-Chapman, Lynn**, 1998, *Instructor in Communication Disorders and Deafness*  
B.S., Appalachian State University; M.A., University of Tennessee-Knoxville
- Olliff, Linda A.**, 1998, *Instructor in Nursing*  
B.S., Lamar University; M.S.N., University of Pennsylvania-Philadelphia
- Ornelas, Raul S.**, 1972, *Professor of Music*  
B.M., University of Texas; M.A., McNeese State University; D.M.A., University of Southern Mississippi
- Ortego, James Dale**, 1968, *Regents' Professor and Chair, Department of Chemistry*  
B.S., University of Southwestern Louisiana; Ph.D., Louisiana State University
- Osborne, Lawrence J.**, 1990, *Associate Professor and Chair, Department of Computer Science*  
B.S., Southeast Missouri State; M.S., University of Missouri; M.A., University of Missouri; M.S., (in Computer Science), University of Missouri; Ph.D., University of Missouri
- Owen, Donald E.**, 1985, *Professor of Geology*  
B.S., Lamar University; M.S., Ph.D., University of Kansas
- Park, Patricia A.**, 1969, *Assistant Professor of Physical Education*  
B.S., University of New Mexico; M.S., Lamar University
- Payton, John E.**, 1970, *Assistant Professor of Physical Education*  
B.S., M.S., A&M University-Prairie View
- Pearson, John Michael**, 1988, *Associate Professor of Management Information Systems*  
B.S., Arizona State University; M.S., Air Force Institute of Technology; Ph.D., University of California-Irvine
- Pemberton, Amy R.**, 1984, *Associate Professor of Family and Consumer Sciences*  
B.S., M.S., Lamar University; Ph.D., University of Texas School of Public Health, Houston; Registered Dietitian
- Peterson, Beth Polley**, 1998, *Assistant Professor in the Department of Mathematics*  
B.S., Cornell University; Ph.D., University of Iowa
- Pinchinat, Rose**, 1997, *Clinical Instructor in Nursing*  
B.S.N., Lamar University; Registered Nurse
- Pizzo, Joseph F., Jr.**, 1964, *Regents' Professor of Physics*  
B.A., University of Saint Thomas; Ph.D., University of Florida
- Placette, Adonia**, 1985, *Associate Professor of Theatre*  
B.S., M.S., Lamar University; Ph.D., Texas Tech University
- Plugge-Foust, Carol**, 1993, *Assistant Professor, Health*  
B.A., M.S., University of New Mexico; Ph.D., Texas A&M University
- Price, Donald I.**, 1981, *Professor of Economics*  
B.A., Hendrix College; M.A., Ph.D., University of Arkansas
- Price, Richard L.**, 1970, *Associate Professor of Mathematics*  
B.S., Prairie View A&M University; M.A., University of Texas; M.A.R., Yale University; Ph.D., Ohio State University
- Priest, Dale G.**, 1986, *Professor of English and Modern Language*  
B.A., Lamar University; M.A., Ph.D., Rice University
- Rabalais, Janice T.**, 1998, *Assistant Professor of Nursing*  
B.S.N., Northwestern State College of Louisiana; M.S.N., Texas Women's University-Houston
- Read, Billy D.**, 1965, *Assistant Professor of Mathematics*  
B.S., Lamar University; M.S., North Texas State University
- Read, David R.**, 1965, *Regents' Professor of Computer Science*  
B.S., Lamar University; M.S., North Texas State University; Ph.D., University of Houston

- Reddy, G.N.**, 1990, *Associate Professor, Department of Electrical Engineering*  
B.E., Nagarjuna Sagar Engr. College; M.Sc.Engr., PSG College of Technology, M.S., Ph.D., Indian Institute of Technology
- Rhodes, Rebecca A.**, 1998, *Instructor of Nursing, Advanced Practice Nurse/Ubi Caritas Clinic*  
B.S.N., McNeese State University; M.S.N.-Nurse Practitioner, University of Texas Medical Branch at Galveston; Registered Nurse
- Rice, Desmond V.**, 1987, *Associate Professor of Professional Pedagogy*  
B.A., Avondale College, N.S.W. Australia; M.A., San Francisco State University; Ed.D., University of Southern California
- Ricklefson, James**, 1997, *Lecturer in Kinesiology*  
B.S., McNeese State University
- Rinker, Martha**, 1999, *Assistant Professor of Psychology*  
B.S., University of Wisconsin-River Falls; Ph.D., Indiana University
- Rissman, Maurice**, 1998, *Assistant Professor of Music*  
B.M., Peabody Conservatory; M.M., University of Nevada; D.M.A., Temple University
- Rivers, Diana**, 1996, *Instructor in Nursing*  
B.S.N., Mount Marty College; M.Ph., University of Minnesota; Registered Nurse
- Rivers, Kenneth T.**, 1989, *Associate Professor of French*  
B.A., M.A., Ph.D., University of California-Berkeley
- Roberts, Kathy**, 1989, *Assistant Professor of Nursing*  
B.S.N., University of Texas at Houston; M.S.N., Texas Woman's University at Houston
- Robinson, Lee Anna**, 1994, *Instructor in Nursing*  
B.S.N., M.S.N., University of Texas Medical Branch-Galveston; Registered Nurse
- Roth, Lane**, 1978, *Associate Professor of Communication*  
B.A., New York University; M.A., Ph.D., Florida State University
- Runnels, William C.**, 1965, *Associate Professor of Biology*  
B.S., M.S., Texas A&I University; Ph.D., Texas A&M University
- Sanderson, James B.**, 1989, *Associate Professor of English*  
B.A., M.A., Southwest Texas State University; Ph.D., Oklahoma State University
- Saur, Pamela S.**, 1988, *Associate Professor of Modern Languages*  
B.A., M.A., Ph.D., University of Iowa; M.Ed., University of Massachusetts
- Saur, Stephen C.**, 1988, *Assistant Professor of Social Work*  
B.A., University of Iowa; M.S.W., Florida State University
- Schneider, Joseph A., Jr.**, 1988, *Instructor, Documents/Reference Librarian*  
B.A., University of South Carolina-Aiken; M.A., Marquette University; M.L.I.S., University of Wisconsin-Milwaukee
- Self, Rita**, 1997, *Lecturer in English*  
B.A., M.A., Lamar University
- Sen, Kabir Chandra**, 1992, *Assistant Professor of Marketing*  
B. Tech, Indian Institute of Technology; M.B.A., Cranfield School of Management; Ph.D., Washington University in St. Louis
- Serice, Janet C.**, 1992, *Instructor, Reference/Documents Librarian*  
B.A., University of Southwestern Louisiana; M.L.I.S., University of Texas at Austin
- Sexton, Owanna**, 1993, *Clinical Instructor in Nursing*  
B.S.N., University of Tulsa; Registered Nurse
- Sheppard, Sallye J.**, 1980, *Professor of English; Chair, Department of English and Foreign Languages*  
B.A., M.A., Texas Christian University; M.R.E., Brite Divinity School; Ph.D., Texas Woman's University
- Shillingburg, Miriam J.**, 1996, *Professor of English and Dean, College of Arts and Sciences*  
B.A., Mars Hill College; M.A., Ph.D., University of South Carolina; B.G.S., Mississippi State University

- Shukla, Shyam S.**, 1985, *Associate Professor of Chemistry*  
B.S., University of Lucknow; M.S., University of Saskatchewan; Ph.D., Clarkson University
- Simmons, James M.**, 1970, *Professor of Music*  
B.S., Memphis State University; M.M., Univ. of Houston; Ed.D., McNeese State University
- Sisk, Dorothy A.**, 1989, *Professor and Conn Chair of Gifted Education*  
B.S., Mount Union College; M.A., California State; Ed.D., U. of California at Los Angeles
- Skeels, Mary Frances**, 1993, *Assistant Professor of Nursing*  
B.S.N., Texas Woman's University; M.S.H.P., Southwest Texas State University; M.S.N., University of Texas Medical Branch-Galveston; Registered Nurse
- Smith, Frances J.**, 1977, *Assistant Professor of Nursing*  
B.S., Northwestern State University; M.S.N., Texas Woman's University; Registered Nurse
- Smith, Kevin B.**, 1981, *Associate Vice President for Academic Affairs; Professor of Sociology*  
B.S., Texas A&M University; M.A., Ph.D., Louisiana State University
- Smith, Marshall**, 1989, *Assistant Professor of Audiology*  
B.S., Auburn University; M.S., Penn State University; Ph.D., Florida State University
- Smith, Renee**, 1996, *Lecturer in English*  
B.A., M.A., West Chester University; M.F.A., McNeese University
- Smith, Sheila**, 1996, *Instructor in Nursing*  
B.S.N., Lamar University; M.S.N., University of Texas Medical Branch Galveston; Registered Nurse
- Smith, Zanthia Y.**, 1992, *Assistant Professor of Communication-Disorders and Deafness*  
B.S., M.S., Ed.D., Lamar University
- Smith, Zan**, 1993, *Instructor, Counselor*  
B.S., M.S., Lamar University-Beaumont
- Spradley, Larry W.**, 1972, *Regents' Professor of Business Statistics*  
B.A., Stephen F. Austin State University; M.Th., Southern Methodist University; M.S., Lamar University; Ph.D., Texas A&M University
- Srinivasan, Malur N.**, 1995, *Associate Professor In the Department of Mechanical Engineering*  
B.S., University of Mysore; M.S., Ph.D., Indian Institute of Science
- Stanley, O'Brian**, 1997, *Assistant Professor in Communication*  
B.A., Stephen F. Austin, M.F.A., Ohio University
- Staub, Nancy**, 1995, *Lecturer in English*  
A.S., Virginia Western Community College; B.A., University of Virginia; M.A., Texas Women's University
- Steffek, Marsha L.**, 1990, *Instructor of Office Administration*  
B.A., M.Ed., University of Houston
- Stevens, James B.**, 1970, *Professor of Geology*  
B.S., M.S., University of Michigan; Ph.D., University of Texas
- Stewart, Arthur**, 1990, *Associate Professor of Philosophy*  
B.A., Hanover College; M.M., M.A., University of Kansas; Ph.D., Texas Tech University
- Stiles, JoAnn K.**, 1966, *Associate Professor of History, Academic Director Gladys City Museum*  
B.A., M.A., University of Texas
- Stinson, Cynthia A.**, 1995, *Instructor in Nursing*  
B.S.N., Lamar University; M.S.N., University of Texas Medical Branch-Galveston; Registered Nurse
- Stone, Lorene Hemphill**, 1984, *Professor of Sociology; Chair, Department of Sociology, Social Work and Criminal Justice*  
B.S., Iowa State University; M.A., Ph.D., Washington State University
- Storey, John W.**, 1968, *Regents' Professor of History; Chair, Department of History*  
B.A., Lamar University; M.A., Baylor University; Ph.D., University of Kentucky
- Strickland, George**, 1995, *Assistant Professor of Health*  
B.S., University of Houston; M.S., Ph.D., Southern Illinois University

- Sullivan, Jeri**, 1998, *Clinical Supervisor in Speech-Language Pathology*  
B.S., M.S., Lamar University
- Sullivan, Laura A.**, 1991, *TASP Lecturer*  
B.A., Galveston College; B.A., M.A., Lamar University-Beaumont
- Sutton, Walter A.**, 1963, *Professor of History*  
B.A., Rice University; M.A., Ph.D., University of Texas
- Swordlow, Marleen S.**, 1984, *Professor of Business Law*  
B.S., Newcomb College of Tulane University; J.D., Bates College of Law, University of Houston
- Swordlow, Robert A.**, 1978, *Professor of Marketing; Associate Dean, College of Business*  
B.B.A., M.B.A., Lamar University; Ph.D., University of Arkansas
- Thames, Dorothy Faye**, 1957, *Assistant Professor of Mathematics and Director of Developmental Studies*  
B.A., Birmingham-Southern College; M.A., George Peabody College for Teachers
- Thomas, James L.**, 1983, *Associate Professor in the Departments of Industrial and Mechanical Engineering*  
B.S., Oklahoma State University; M.S., Ph.D., Texas Tech University
- Thomas, Prince**, 1998, *Assistant Professor of Art*  
B.A., University of Texas, M.F.A., University of Houston
- Thompson, Bob**, 1985, *Professor of Educational Leadership*  
B.S., Abilene Christian; M.Ed., Ph.D., East Texas State University
- Thompson, Jerry Lee**, 1998, *Assistant Professor of History*  
B.A., M.A., University of Houston; Ph.D., Texas A&M University
- Titus, Freddie**, 1989, *Lecturer of Developmental Math*  
B.S., Lamar University-Beaumont; M.S., McNeese State University
- Tritsch, Jon P.**, 1980, *Assistant Professor, Serials Cataloger*  
B.S., Peru State College; M.L.S., Emporia State University; M.A., Sam Houston State University
- True, James L.**, 1997, *Assistant Professor of Political Science and Jack Brooks Chair in Government and Public Service*  
B.A., McMurry University; M.S., Southern Illinois University at Edwardsville; Ph.D., Texas A&M University
- Turk, Janet**, 1996, *Lecturer in English*  
B.A., M.A., Lamar University
- Tusa, Sarah D.**, 1990, *Assistant Professor, Serials Acquisitions Librarian*  
B.A., Rice University; M.A., Trinity University; M.L.S., University of Texas-Austin
- Twiss-Brooks, Andrea B.**, 1990, *Instructor, Reference/Online Search Librarian*  
B.S., Texas Christian University; M.S., Cornell University; M.L.S., University of North Texas
- Underdown, D. Ryan**, 1998, *Assistant Professor in the Department of Industrial Engineering*  
B.S., M.S., Ph.D., University of Texas at Arlington
- Urban, Thomas**, 1995, *Lecturer in Philosophy*  
B.A., Ohio Wesleyan University; M.A., Ohio University; Ph.D., Duquesne University
- Utter, Glenn H.**, 1972, *Professor and Chair, Department of Political Science*  
B.A., State University of New York at Binghamton; M.A., University of London; M.A., Ph.D., State University of New York-Buffalo
- Valentine, Sean R.**, 1999, *Assistant Professor of Management*  
A.S., Vincennes University; B.S., Park College; M.B.A., Southwest Texas State University
- Vanderleeuw, James M.**, 1988, *Professor of Political Science*  
B.A., Ramapo College; M.A., University of Nevada-Reno; Ph.D., University of New Orleans

- Varick, Celia B.**, 1995, *Assistant Professor of Accounting*  
B.A. University of Southern Maine; M.A., University of Iowa; Ph.D., University of Arkansas;  
Certified Public Accountant
- Veuleman, Malcolm W.**, 1970, *Professor of Accounting*  
B.S., McNeese State University; M.B.A., Ph.D., University of Arkansas; Certified Public  
Accountant
- Walker, Mary**, 1995, *Instructor in Nursing*  
B.S.N., McNeese State University; M.S., Texas Woman's University; Registered Nurse
- Wallace, Faith**, 1993, *Assistant Professor of Nursing*  
B.S.N., Marian College of Nursing; M.A.N., Liceo College of Nursing; Registered Nurse
- Wallet-Chalambaga, Kimberly**, 1994, *Assistant Professor of Family and Consumer Sciences*  
B.S., Central Michigan University; M.A., Michigan State University; Ph.D., Kansas State  
University
- Warren, Michael E.**, 1966, *Professor and Chair, Department of Biology*  
B.A., M.A., Ph.D., University of Texas
- Watt, Joseph T., Jr.**, 1965, *Visiting Professor, Electrical Engineering*  
B.A., B.S., Rice University; M.S., Ph.D., University of Texas; Registered Professional  
Engineer
- Weeks, Linda Ann**, 1999, *Assistant Professor of Professional Pedagogy*  
B.A., M.A., Ed.S., Ed.D., University of West Florida
- Wesbrooks, Ronald L.**, 1969, *Instructor of Physical Education*  
B.S., Eastern New Mexico University; M.S., Lamar University
- Westerfield, R. Carl**, 1999, *Professor of Health and Kinesiology; Dean, College of Education and  
Human Development*  
B.S., Eastern Kentucky University; M.Ed., Ph.D., University of Toledo
- Westgate, James W.**, 1989, *Associate Professor of Geology*  
B.S., College of William and Mary; M.S., University of Nebraska; M.S., Southwest Missouri  
State University; Ph.D., University of Texas
- Whittle, John A.**, 1969, *Professor of Chemistry*  
B.S., University of Glasgow; Ph.D., University of London, Imperial College
- Wilsker, Donna**, 1985, *Assistant Professor of Nursing*  
B.S.N., University of Bridgeport; M.S.N., University of Maryland; Registered Nurse
- Wilson, Howard F.**, 1987, *Associate Professor of Speech Pathology*  
B.S., M.S., Florida State University; Ph.D., Ohio University; A.S.H.A., Certification in  
Speech Pathology
- Winfield, Christopher J.**, 1997, *Assistant Professor of Mathematics*  
B.S., M.S., University of West Madison; Ph.D., UCLA
- Wisor, Jeffrey**, 1995, *Instructor of Theatre*  
A.A.S., B.F.A. Kent State University; M.A., Southwest Texas State University
- Worsham, William L.**, 1972, *Assistant Professor of Kinesiology*  
B.S., M.Ed., Lamar University
- Wright, Stuart A.**, 1985, *Professor of Sociology*  
B.A., M.A., University of Houston; Ph.D., University of Connecticut
- Yaws, Carl L.**, 1975, *Professor of Chemical Engineering*  
B.S., Texas A&I University; M.S., Ph.D., University of Houston; Registered Professional  
Engineer
- Yearwood, Stephenie**, 1988, *Associate Professor of English*  
B.A., Tulane University; M.A., Ph.D., University of Texas
- Young, Fred M.**, 1978, *Professor of Mechanical Engineering*  
B.S.M.E., M.S.M.E., Ph.D.; Southern Methodist University; Registered Professional Engineer
- Zaloom, Victor A.**, 1981, *Professor and Chair, Department of Industrial Engineering*  
B.S.I.E., M.S.E., University of Florida; Ph.D., University of Houston; Registered Professional  
Engineer

**Zani, Steven James**, 1999, *Assistant Professor of English*

B.A., University of South Alabama; M.A., Ph.D., State University of New York-Binghamton

**Zeek, Paul T.**, 1971, *Associate Athletic Director*

B.S., University of Texas-El Paso

**Zhang, Zhigang**, 1999, *Assistant Professor of Professional Pedagogy*

B.A., East China Normal University; M.A., Shanghai Teachers University and Southwest Missouri State University; M.S., Kansas State University; Ph.D., University of Miami

**Zhang, Wen-Ran**, 1990, *Associate Professor of Computer Science*

B.S., Shanxi Mining Institute; M.S.; Ph.D., University of South Carolina

## Part-Time Faculty

**Adams, Marilyn T.**, 1994, *Adjunct Instructor in Political Science*

B.A., University of Texas; J.D., South Texas College of Law

**Arnold, Lloyd E.**, 1993, *Adjunct Instructor*

B.B.A., Lamar University; M.B.A., Lamar University; Certified Public Accountant

**Arrington, Lucy**, 1998, *Adjunct Instructor in Dance*

B.A., Lamar University

**Arterbury, Elvis H.**, 1990, *Professor of Educational Leadership*

B.B.A., Baylor University; M.Ed., Ph.D., East Texas State University

**Ashcraft, David L.**, 1997, *Adjunct Professor in Industrial Engineering*

B.S., M.S., North Carolina State University

**Aubey, Hez**, 1989, *Adjunct Instructor in Finance*

B.B.A., Economics, Lamar University; M.B.A., Economics, East Texas State University; Graduate School of Banking, Southern Methodist University

**Boatwright, Kandice**, 1989, *Lecturer, Developmental Reading*

B.S., M.S., Louisiana State University

**Boyd, Sandra M.**, 1979, *Assistant Professor of Nursing*

B.S.N., Wayne State University; M.S., University of Houston; Registered Nurse

**Chen, Julie J.**, 1989, *Adjunct Instructor in English*

B.M., M.M., Lamar University

**Cokinos, Bonnie**, 1998, *Adjunct Instructor in Dance*

Certified, Chicago National Dance Association of Dance

**Collier, J. N.**, 1955, *Adjunct Instructor in Music*

B.M., University of Houston; M.M., Southern Methodist University

**Creed, Virginia M.**, 1992, *Instructor in Nursing*

B.S., M.S., Armstrong State College

**Crum, Floyd M.**, *Visiting Regents' Professor of Electrical Engineering*

B.S., M.S., Louisiana State University; Registered Professional Engineer

**Duffy, M. Brendan**, 1997, *Adjunct Instructor in Industrial Engineering*

B.S., Rensselaer Polytechnic Institute; M.E., M.S., Lamar University

**Duit, Charles**, 1999, *Executive Chef*

Certified, American Culinary Federation

**Duncan, James A.**, 1985, *Adjunct Assistant Professor of Psychology*

B.S., McNeese State University; M.A., Ph.D., Louisiana State University

**Dupuis, Glenda**, 1990, *Adjunct Instructor in Family and Consumer Sciences*

M.S., Lamar University

**Edgerly, Sheryl**, 1998, *Clinical Instructor in Family and Consumer Sciences*

B.S., Lamar University; M.S., Texas Women's University; Registered Dietician

**Fitzpatrick, Nancy**, *Adjunct Instructor in Dance*

B.F.A., Boston Conservatory of Music; M.M. Florida State University

- Fraccastoro, Kathy**, 1998, *Visiting Assistant Professor, Management and Marketing*  
B.A., M.B.A., Louisiana Tech University; Ph.D., Louisiana State University
- Gates, David G.**, 1963, *Professor of Industrial Engineering*  
B.S., M.S., University of Arkansas; Ph.D., Oklahoma State University; Registered Professional Engineer
- Gibson, Penny Kinnard**, 1984, *Adjunct Instructor in Curriculum and Instruction*  
B.S., University of Texas; M.S., Lamar University
- Gilchrist, William**, 1985, *Adjunct Instructor in English*  
B.A., M.A., Lamar University
- Giordano, James**, 1996, *Assistant Professor of Nursing*  
B.S., St. Peter's College; M.Phil., M.S., Ph.D., City University of New York
- Graham, Beth**, 1983, *Adjunct Instructor in Music*  
B.S., Lamar University; M.S., University of Illinois
- Griner, Brinder**, 1998, *Adjunct Instructor in Dance*  
B.S., Lamar University
- Hargrove, W. Richard**, 1964, *Professor of Professional Pedagogy*  
B.S., M.Ed., North Texas State University; Ed.D., George Peabody College of Teachers
- Hines, Betsy**, 1985, *Adjunct Instructor in Music*  
B.M., M.M., University of Texas at Austin; Ed.D., University of Houston
- Hunter, Becky**, 1995, *Clinical Instructor in Nursing*  
B.S.N., University of Texas Medical Branch-Galveston; Registered Nurse
- Johnson, Yolanda N.**, 1991, *Adjunct Lecturer in Physical Education*  
B.S., Lamar University
