

Student Affairs

The Division of Student Affairs provides services and programs to enhance the education opportunities of students and enrich student life on campus.

The Division includes the Setzer Student Center, Student Health Center, Residence Life, University Food Service, Student Publications, the Career Center, Recreational Sports, University Bookstore, the Montagne Center and the Student Government Association. The Vice President for Student Affairs, the Associate Vice President for Student Affairs and the Coordinator for New Student Programs are located in the Office of Student Affairs, 115C Wimberly Building.

Student Affairs provides leadership in the formulation and administration of policies and procedures related to student life and to the rights and responsibilities that accompany student citizenship in the University community. The Student Conduct Code as well as other important information pertaining to student life is included in the *Student Handbook*. Significant sections in the handbook and other university publications clearly describe Lamar University's policies regarding such subjects as absence, AIDS, non-discrimination, drug-free schools, the Buckley Amendments, residency, hazing, sexual harassment, student's right-to-know and campus security. It is the student's responsibility to be knowledgeable of established University policies and procedures that are contained in the *Student Handbook* and to comply with them. Copies of the *Student Handbook* are available upon request in the Setzer Student Center and the Office of Student Affairs.

Career Center

Located in 102 Galloway Business Building the Career Center's professional staff assist students with all facets of career preparation, beginning with university entrance and special placement exams, major course of study selection, career choice and planning, part-time employment, resume preparation, interviewing preparation, goal planning and full-time employment after graduation. Students have access to on-line Internet job search and computerized guidance assessment programs.

LamarWork\$, the student employment service located in the Career Center, assists students in locating part-time jobs, internships, and on-campus work-study and student assistant opportunities. All services are free to the student. Additional information is available from the LamarWork\$ desk by calling (409) 880-1853.

The center has a full-time career counselor on staff to provide personalized assistance. In order to best serve as many students as possible, problems of a long-term, therapeutic nature cannot be addressed; however, initial consultation is available and, when feasible, referral to campus and community resources.

Job fairs are organized annually for the benefit of Lamar University students. The Career Expos and Educator Fairs are held each semester. These opportunities allow students to make initial contact with recruiting firms and school districts that may result in interviews on the Lamar campus or at the recruiter's headquarters during the spring and fall. Each spring, Lamar University also participates in the Texas Job Fair. Employers recruiting with the Career Center generally plan to fill permanent entry-level jobs, summer jobs, co-ops and internships.

The Career Center's Testing Office offers a full range of testing services for aptitude, achievement and career interest. The center also coordinates testing required by the University; provides individual interest, aptitude and personality assessment; and as a national and state test center administers the following:

- SAT (Scholastic Aptitude Test) for undergraduate admission. The SAT II Subject Area Tests are also given for students who wish to receive college credit.
- ACT (American College Testing Program) may be used instead of the SAT for undergraduate admission.
- THEA (Texas Higher Education Assessment) is required of all students for advisement and registration (unless exempted)
- CLEP (College Level Examination Program) may be used to get credit by examination. See detailed description of CLEP elsewhere in this catalog.
- GRE (Graduate Record Exam) subject tests are administered.
- LSAT (Law School Admission Test)
- MCAT (Medical College Admission Test)
- MAT (Miller Analogies Test) required for admission to some graduate programs
- Correspondence Exams

Information and registration forms are available in 102 Galloway Building, (409) 880-8444. Although the GRE general test and GMAT (Graduate Management Admission Test) are administered elsewhere, registration information is available in 102 Galloway. Additional information regarding career and testing services is available at www.lamar.edu/career.

Health Center

The Student Health Center offers various medical services to currently enrolled students. A physician and/or nurse practitioner is available to treat students for minor illnesses or injuries not requiring constant supervision. Students with chronic and/or serious conditions will require treatment off campus by their own family physician. Most health center services are available on a *walk-in* basis, and most of the medications prescribed are available in the health center pharmacy at a reduced cost. Students are charged only for medications, lab tests, and supplies, not for the office visit. All charges incurred are entered on the student account, thus no payment is required at the time of service.

Gynecological services and family planning are provided by female nurse practitioners at a reduced charge. There is a lab charge for most gynecological services. A full-time health educator, in collaboration with student peer educators, offers health education to organizations, residence halls, classes, or individuals on a variety of health-related issues pertinent to the university population. The health center is also staffed with licensed counselors offering short-term psychological counseling, individual and group therapy, and mental health workshops at no charge. After hours, on weekends and when the university is not in session, healthcare becomes the individual student's responsibility. Any expenses incurred for ambulance service or off-campus medical needs are also the responsibility of the student. Students are encouraged to maintain some form of health insurance to cover these expenses, as they can be quite costly. Detailed information regarding health center services is available at <http://dept.lamar.edu/healthcenter/>.

Health Insurance

Health and accident insurance is required of all international students, residence hall occupants, and participants in intramural sports. Any registered student taking six or more credit hours (three hours during the summer sessions) is eligible for enrollment in an affordable insurance plan offered by an independent insurance company. This supplemental policy covers a portion of the costs for inpatient and outpatient medical services not available at the health center. Except in emergency situations, students are required to seek treatment at the health center first, where off-campus referrals will be issued if deemed necessary. Students enrolled in the plan may also insure their dependents; however, non-student dependents are not eligible to use the health center.

Premiums are due at the time of enrollment and are available per semester or on an annual basis. Detailed information and enrollment forms are available through the Student Health Center, the offices of Student Affairs or Residence Life, L.I.T. Student Services, or through the health center web site at <http://dept.lamar.edu/healthcenter/>.

Questions regarding the University Residency Policy may be directed to the Lamar University Housing Office, (409) 880-8550.

Room Assignments

Cardinal Village will make every effort to match residents with compatible roommates. Make sure that you fill out the personal information section in the Residence Hall/Food Service Contract accurately so that the staff can take into consideration this information when matching roommates.

Staff will make every effort to accommodate specific roommate requests; however, Cardinal Village reserves the right to make room changes at any time. Please see the Residence Hall/Food Service Contract Booklet for more details concerning room assignments and/or room changes.

Housing Fees

The Residence hall contract is for a full academic year (August through May). Specific room rates are listed in the contract booklet. Meal plans for student residents are mandatory. Any student submitting a contract to reside on campus **MUST** select a meal plan from the available options. Room and board fees are charged to the student's account each semester. Students may elect to pay these charges in a lump sum or through the university installment plan as part of their total semester charges.

Students who fail to pay their room and board fees will be subject to both disciplinary action under the Student Code of Conduct and collection agency procedures. Additionally, if a student has not paid at least 50 percent of their total semester charges by a specified date, the student will be dropped from his or her classes.

For additional information and application forms, write to Cardinal Village, Lamar University Station, P.O. Box 10040, Beaumont, Texas 77710.

A copy of the parking and traffic regulations is issued at the time of permit purchase. Strict observance of traffic and parking regulations is necessary for the safe, orderly flow of vehicles in the campus area. Parking and traffic regulations are in effect 24 hours a day.
