Event Name: Career and Testing Center – Interviewing Workshop

Date: September 28, 2010

Coordinator First Name and Last Name: Michael Waterstreet

Number of STAIRSTEP participants: 2

Names of STAIRSTEP participants:

Names not given or unreadable (Dr. Daniel’s Students)

Number of INSPIRED participants: 2

Names of INSPIRED participants:

Kathlyn Doss

Cynthia Willis

A brief description of the event (who, what, why, when, where), including:

How was participating in the event beneficial?

- Michael Waterstreet: “The Interview Workshop gave me some good ideas on how to present myself during an interview and, more importantly, how to prepare for it.”
- Dr. Daniel’s Student #2: “It provided information that will prove to be useful upon graduating from Lamar University. It also gave helpful suggestions to prepare for the first interview.”
- Cynthia Willis: “The workshop answered questions about both resumes and interviewing. They gave us advice on what to say and what not to say as well as how to prepare and dress for the interview. “

What is the most important thing you learned from the event?

- Dr. Daniel’s Student #2: “Have your resume prepared professionally.”
- Cynthia Willis: “I learned that there is a show on MTV called HIRED where people are interviewing for jobs. I think it would be a great way to prepare for interviews. You can watch the episodes and see what employers in certain areas are looking for in applicants as well as see what types of questions they might ask you in an interview.”

What can we do to improve this event?

- Dr. Daniel’s Student #1: “Great job! Nothing at all.”
- Dr. Daniel’s Student #2: “Talk about what makes a bigger impression on interviewers, specifically what organizations they favor over another.”
Cynthia Willis: “This event is not hosted by INSPIRED or StairStep; therefore, we cannot do anything to improve this event.”

Statistics:

Number, name of participating high schools: 0

Number of junior/senior high school participants: 0

Number, name of participating community colleges: 0

Number of participating CC students: 0

Number of undergraduate participants: 4

Number of graduate participants: 0
