- Excursions
- Training events
- International health insurance

**About the Program**

While traveling to Liverpool, England, and Dublin, Ireland, students will participate in dementia-friendly community projects, exploring cultural commonalities and differences in community support for individuals diagnosed with dementia and their caregivers. Insight gained will provide a foundation for serving diverse communities with communication disorders related to dementia. Students will also go to Portstewart, Northern Ireland, and a stop to see Giant’s Causeway, a UNESCO World Heritage Site, as well as a Black Cab tour of Belfast to learn about the 'Troubles.'
