Your Future

Being a teacher is one of the most rewarding careers available. Our program prepares you for a journey of lifelong learning that you can instill in those you’ll be educating. We focus on content knowledge, content proficiency, pedagogical strategies, communication skills and analytical skills.

The need for great teachers is as timeless as it is universal, and as a teacher, you can be confident you will always have a purpose. In Texas alone, there are more than 1,200 school districts and more than 9,200 campuses.

Secondary

To teach in secondary education, a degree in the appropriate discipline is required. For degree and certification requirements and degree plans, contact the major department, such as math, English, history or family and consumer sciences.
Scholarships and Career Development
LU offers a number of scholarships based on merit as well as academic interest and awards more than $10 million per year. The Department of Teacher Education also offers career counseling and field service opportunities throughout the duration of the degree program.

The Teacher Education Learning Community
The Teacher Education Learning Community is a future teacher’s group that brings educators together to learn more about the classroom, explore teaching practices, share ideas and more. You’ll hear from faculty, guest speakers, alumni and other students within the program to help you along your path. Space is limited to just 20 people, so you’ll want to sign up early. Reserve a spot by signing up online!

Getting involved is good for you & your future!
- Student organizations
  Take your LU experience to the next level.
- Cardinal Communities
  Engage in learning communities that empower you to thrive.
- Study Abroad
  See the world to discover new cultures and earn an academic credit.
