The Center for General Studies assists students with enrollment and course selection and provides counseling on academic progress and academic options. The Center for General Studies provides this assistance to students who are unsure about the proper academic discipline to choose. Students without a major are restricted to 1000- and 2000-level courses and are free to enroll in other lower-level electives while taking general education subjects. Normally, a student should choose a major by the third semester of enrollment. Students without a major must abide by the Center's probation and suspension policies.

Consult the specific discipline sections of this catalog to identify advisors and advising centers for specific programs.

The Bachelor of General Studies degree can provide opportunity for an individual to construct a personal curricular plan, i.e., to take courses in more than one area of interest, resulting in a broadbased program of study. Additionally, the Bachelor of General Studies is designed for those students who have already established careers and who wish to earn credit toward a degree while learning for the pleasure of learning.

The Bachelor of General Studies will be granted upon the completion of the General Degree requirements of the University. Course selection is subject to the approval of the academic advisor. A minimum of thirty upper-division hours with at least nine hours in each of three disciplines is required. At least twelve hours of these upper-division courses will be at the 4000 level. An overall grade point average of 2.00 will be required on all upper-division courses used to meet the General Studies requirements.
