### SECTION A: Appeal Information, Timeline, and Notifications

**APPEAL INFORMATION:**

Students must earn their degree within 150% of the credit hours that are required for that degree.

- **Attempted credit hours are used for the 150% calculation.**
- A student pursuing a double major or multiple degrees must earn his/her first bachelor's or graduate degree within the 150 percent maximum time frame standard. Students with minors also must still meet the 150% requirement.
- All transfer credit hours posted to the official transcript record (and all courses removed through the Academic Fresh Start process) will be counted as attempted credit hours, whether or not they are applicable to the student’s current degree.

Your financial aid has been suspended because you are close to or are exceeding the Maximum Time Frame allowed by the Department of Education for your financial aid. Although not required to, Lamar University permits students to appeal their suspension under certain circumstances allowable under federal regulations.

- **Injury or illness to the student. [Documentation required]** ex. Doctor/Hospital note
- **Death of an immediate relative. [Documentation required]** ex. Obituary showing relationship
- **Other circumstances beyond the control of the student. [Documentation required]** ex. Transcripts, emails, pay stubs

**TIMELINE:** Appeals are typically reviewed by the appeal committee within 10 to 12 business days after submission. You are responsible for making payment arrangements with Cashiering to ensure you are not dropped for nonpayment.

**NOTIFICATIONS:** Notifications regarding the appeal requirement, the status of your appeal, or the appeal decision are sent only to your Lamar University Student Email Account. Please ensure you check this email account regularly.
