

## On Campus Resources/Services

- **Student Health Center** is opened for counseling. To schedule an appointment, call (409) 880-8466.
- **STARS Tutoring** will be moving online. Students can request services by submitting a request through [lamar.edu/stars](http://lamar.edu/stars). A staff member will contact you to schedule an appointment. The tutor will send a link to meet through Blackboard Collaborative Ultra. If you are a current student utilizing services, you will receive a message asking if you would like to continue meeting online and will be sent a link for the online meeting.
- **Math Shop** will not be opened. However, students may email Anita Brice at [anita.brice@lamar.edu](mailto:anita.brice@lamar.edu) with their question and it will be forwarded to an appropriate tutor.
- **Writing Center** is moving online with normal hours, and the links below walk students through scheduling and joining online sessions: [Facebook page](#), a [video for students to schedule online sessions](#), and a [video for students showing how to join the sessions](#).
- **Career & Professional Development Center** will continue their services and will be available for phone appointments, Skype or video chats. They will also be coordinating online workshops.
- **Undergraduate Advising** is still going on. Please check your email, university website, and campus announcements for more information on advising. Registration dates will remain the same – March 30 for Special Population and April 6, 2020 Open registration.
- **Smarthinking 24/7 Online Tutoring**  
Log into blackboard, click on one of your courses from the course list, click on tools on the left side, and scroll until you find smarthinking.
