

Scholarship Search

Links to scholarships

Lamar University

- https://lamar.academicworks.com/users/sign_in
- What a better way to start off a scholarship search than by starting with LU first.
- To start log in with your LEA username and password. Once you have logged in, you will fill out your the basic information application.
 - NOTE: You are **REQUIRED** to fill out this application before you can submit any of the applications.
- The system will then match you up with scholarships that you qualify for.

LU - External

- <https://www.lamar.edu/financial-aid/scholarships/external-scholarships.html>
- LU Also offers some external scholarships

UCLA Undergraduate Education

- <http://www.scholarshipcenter.ucla.edu/the-application-process/#application>
- This site gives a lot of application tips and information.

Federal Student Aid

- <https://studentaid.gov/understand-aid/types/scholarships#types>
- This site also gives information about scholarships.
 - Avoiding Scams
 - Federal & State Grant Sources

Scholar Snapp

- <https://www.scholarsnapp.org/students/>
- This site saves the information about you then applies it to applications so you do not have to. You will just need to make sure your information is correct of course.

Cappex

- <https://www.cappex.com/scholarships>
- This site will allow you to create an account and apply for many scholarships. This is almost like LU's scholarship page where they will match you with scholarships that you match with.

Scholarships

- <https://www.scholarships.com>
- This is a site is the same as the others. Create an account and it will match you with scholarships you qualify for.

Fastweb

- <https://www.fastweb.com>
- This is a site similar to the others. Create an account and it will match you with scholarships you qualify for.
