

Political Science B.A. - 4 Year Degree Plan

2025-2026

Lamar University's **Bachelor of Arts in Political Science** gives you the opportunity to study government, the most important decision-making part of society and of the social, economic and other institutions and practices that influence this decision-making process. This program provides rigorous training in social scientific methodology and equips you to study and produce empirical research about politics and its subfields: American politics, international relations, comparative politics, public administration and public policy.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
