

Sociology B.S. - 4 Year Degree Plan

2025-2026

Lamar University's **Bachelor of Science in Sociology** provides you with scientific knowledge of the structures, forms and dynamics of human interaction within a broadly-based liberal arts education. The program emphasizes the research methods used to acquire data, test hypotheses, conduct analyses and evaluate information. This program is available as a residential or fully-online program and allows you to focus on general areas of interest that motivate you. If you're interested in organizational theory, you might gravitate toward organizational planning and training.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
