

## Accounting - 4 Year Degree Plan

2025-2026

If numbers are your second language, then the **Bachelor of Science in Accounting** from Lamar University is recommended for you. You'll be prepared to effectively address accounting issues and business-related problems in your career through courses in management, finance, technology, marketing and business law. At the conclusion of the program, you'll be prepared to effectively address accounting issues and business-related problems in your career.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
