

## Economics - 4 Year Degree Plan

2025-2026

The **Bachelor of Business Administration in Economics** at Lamar University may be a good fit for you if you are interested in government policy and political science, you are a critical thinker with a scientific mind, and/or are concerned for the welfare of the public sector. This degree will help you understand how people interact within markets to get what they want or accomplish goals. This program aims to meet the needs of students seeking a broad understanding of the economic principles that govern economic and business activity. In this program, you'll learn to think critically about social issues.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
