

Finance - 4 Year Degree Plan

2025-2026

The Lamar University **Bachelor of Business Administration in Finance** provides you with the theoretical background and analytical tools to make intelligent and effective judgments in finance. Much of finance centers on determining the value of financial assets such as stocks, bonds and derivatives. You will take courses in management, international and personal finance, investments and security analysis.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
