

Management Accounting and Analytics - 4 Year Degree Plan

2025-2026

As a student in the **Bachelor of Science in Management Accounting and Analytics** online program, you will focus on a cohesive set of skills and knowledge to help you advance in your professional career and prepare you to sit for the Certified Management Accountant (CMA) examination. Gain a solid business foundation through embedded courses in management, finance, technology, marketing, business law and more in this STEM-designated program.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
