

Management - 4 Year Degree Plan

2025-2026

Lamar University's **Bachelor of Business Administration in Management** prepares you to have a successful career through courses in the fundamentals of management. Your courses will also include practical experience working in a business or organization. Upon graduating from the program, you will have a wide variety of career options. If you are patient, trustworthy, empathetic and adaptable, you'd make an excellent manager. This degree program is available as a residential program or fully online.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
