

Undergraduate Advising Center

Education B.A. - 4 Year Degree Plan

2025-2026

By enrolling in Lamar University's **Bachelor of Arts in Education** program, you will gain expertise in teaching and learning, and explore a wide range of rewarding careers. Through coursework in curriculum design, assessment and classroom management, you will develop a solid foundation in education theory and instructional best practices for working with children and adults.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
