

Communication B.S. Concentration in Broadcasting - 4 Year Degree Plan

2025-2026

Lamar University's **Bachelor of Science in Communication** with a concentration in **broadcasting** is designed to give you a strong foundation in communication practices and useful experience. The program is offered only on-campus and its coursework includes digital editing, audio production, TV writing and performing and television field production. The program also offers valuable hands-on experience that'll help you in the broadcasting industry.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
