

Theatre and Dance B.S. Concentration in Design and Tech - 4 Year Degree Plan

2025-2026

Lamar University's **Bachelor of Science in Theatre and Dance** with a concentration in **design and tech** helps you harness particular skills, knowledge and capacities to become a professional stage designer/technician. The program is offered only on-campus and its coursework includes production, costume construction, intro to design for theatre, etc. LU Theatre's three stages serve as laboratories for hands-on training. You participate in all phases of our production program, including a wide range of theatrical works and dance concerts on-campus and throughout the state and nation.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
