

Leadership Studies - 4 Year Degree Plan

2025-2026

Lamar University's **Bachelor of Science in Leadership Studies** works for those who want a degree plan that best fits their career choices in management. The courses (LEAD and MGMT) are offered in an eight-week part of term during lunch hour or in the evenings (one night per week) as hybrid courses. In this program, you will build your brand by learning individual, team and organizational leadership concepts.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
