

Nursing BSN - 4 Year Degree Plan

2025-2026

Lamar University's **Bachelor of Science in Nursing** is a four-year program designed to prepare professional nurses to meet community and state needs to assume leadership in the delivery of healthcare. Graduates of this program are prepared to practice in structured, unstructured and evolving healthcare settings. The focus of care is broad. As a BSN graduate, you'll be prepared to deliver healthcare to individuals and families as clients as well as aggregates, communities and societies within the context of their environment.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
