

Public Health Concentration in Healthcare Administration B.S. - 4 Year Degree Plan

2025-2026

Lamar University's **Bachelor of Science in Public Health in Healthcare Administration** offers you an opportunity to impact humanity as you become highly marketable in a world that is increasingly aware of the importance of health and wellness. This degree prepares you to impact people's knowledge about their own health and the health of their communities, whether you educate students in schools or impart knowledge to members of public and corporate communities through their shared spaces and entities.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
