

University Studies Multidisciplinary Concentration B.S. - 4 Year Degree Plan

2025-2026

Lamar University's **Bachelor of Science in University Studies** with a concentration in **multidisciplinary** provides students with a broad-based program of study, which is tailored by the student through exploration within academic disciplines of special interest. Maximizing academic flexibility, this program allows students to choose courses to enable career and personal development and achievement. Students interested in using this degree as a foundation for graduate school should consult their advisor(s) for methods to align coursework options for specific programs of advanced study.

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
