

# General Business Construction Management Track BBA - 4 Year Degree Plan

2026-2027

Lamar University's **Bachelor of Business Administration in General Business** with a concentration in **construction management** gives you a strong foundation in business while your construction management courses include hands-on training and a required internship so you graduate with real world experience. From design to completion, you will work through the entire process of turning a blueprint into reality. – Contact UAC at [advising@lamar.edu](mailto:advising@lamar.edu), 409-880-8822, [lamar.edu/findadvisor](http://lamar.edu/findadvisor)

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
