

General Business Supply Chain ERP Track - 4 Year Degree Plan 2026-2027

Lamar University's **Bachelor of Business Administration in General Business** with a concentration in **supply chain and enterprise resource planning** prepares you to design, optimize and manage global logistics and procurement systems. This program gives you a solid foundation in supply-chain management proficiency combined with getting familiarized with ERP software. – Contact UAC at advising@lamar.edu, 409-880-8822, lamar.edu/findadvisor

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
