

Education – EC-6 Core Subjects B.S. - 4 Year Degree Plan 2026-2027

Lamar University's **Bachelor of Science in Education** with a concentration in **EC-6 core subjects** prepares you for a career teaching the core subjects in early childhood education through the sixth grade. This program focuses on content knowledge, content proficiency, strategies, communication skills and analytical skills to help you become the most knowledgeable teacher possible with access to the most current educational trends, methodologies and technologies. – Contact UAC at advising@lamar.edu, 409-880-8822, lamar.edu/findadvisor

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
