

Communication B.S. Concentration in Film Studies - 4 Year Degree Plan

2026-2027

Lamar University's **Bachelor of Science in Communication** with a concentration in **film studies** follows a student-centered, developmentally-oriented learning path as they move from introductory courses in film and digital video production, cinematography and editing, to courses in intermediate and advanced film and digital video production, digital special effects, advanced editing, producing, cinematography for motion picture imaging, advanced audio recording techniques and screenwriting. The program is only offered on-campus and will give you the opportunity to work with professional equipment to produce films during all four years. – Contact UAC at advising@lamar.edu, 409-880-8822, lamar.edu/findadvisor

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.

FIRST YEAR	Fall		Hours	Grade	Spring		Hours	Grade
