

## Music B.A. - 4 Year Degree Plan

2026-2027

Lamar University's **Bachelor of Arts in Music** offers you a broad-based liberal arts degree through the study of music and an applied instrument, including voice. You'll choose a minor based on your own professional goals. For example, a music major with a business minor might someday own a music retail company, and a music major with an English minor might become a music critic. The program is offered only on-campus and allows you to customize your coursework to fit your creative interests and career goals. – Contact UAC at [advising@lamar.edu](mailto:advising@lamar.edu), 409-880-8822, [lamar.edu/findadvisor](http://lamar.edu/findadvisor)

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
