

## Family Science B.S. - 4 Year Degree Plan

2026-2027

Lamar University's **Bachelor of Science in Family Science** offers you an in-depth study of the family and its interrelationships with the larger community, the socialization of the child and human interaction throughout the lifespan. The skills this program affords are high in demand in professional settings where understanding family-systems thinking is paramount, but they are also transferable to many other careers requiring analytic and critical thinking skills. – Contact UAC at [advising@lamar.edu](mailto:advising@lamar.edu), 409-880-8822, [lamar.edu/findadvisor](http://lamar.edu/findadvisor)

NOTE: Degree plans may change over a four-year period. This may not be the most current list of course requirements for your program. It is always advised that you check Degree Audit in Banner Self-Serv or your advisor for the most up-to-date degree requirements and to track your progress toward a degree.
