START WITH BLINN COLLEGE DISTRICT. FINISH AT LAMAR UNIVERSITY!

Your Future

The flexible Online Registered Nurse to Bachelor of Science in Nursing Degree Track is designed for you as a career-oriented registered nurse seeking a Bachelor of Science in Nursing (BSN) through the Joanne Dishman School of Nursing at Lamar University. To enroll for this track, you must be a registered nurse (RN) with an active, unencumbered nursing license.

As a practicing RN, you have already begun your career, and now you are taking the next step to become a leader among nurses. Adding the BSN to your portfolio increases your value to employers and sets up to make your own choices about the shape and scope of your nursing career. You may move into leadership, nurse education, or continue in advanced clinical practice.
