Your Future

Students graduating with a degree in Criminal Justice find careers in law, law enforcement, corrections, court staff and other positions in the criminal justice system. The mission of the Criminal Justice program at LU seeks to promote professionally and academically relevant curricula and programs and effective cooperative relationships with regional service agencies in order to prepare criminal justice practitioners at the graduate and undergraduate level.

The Bachelor of Science Degree in Criminal Justice is available as a residential or online program and designed to merge academic knowledge with applied experience. The program offers courses encompassing a variety of components that prepare you for career entry, promotion, federal employment and/or graduate study
