BACHELOR OF SCIENCE ENGLISH

START WITH GALVESTON COLLEGE. FINISH AT LAMAR UNIVERSITY!

Your Future

An English or language degree opens doors to practically any career - including professional writing, editing, publishing, teaching, marketing, communications, and service of all kinds. You will graduate well-equipped to deal with the professional demands of many jobs since you will become a great communicator who is trained to think analytically and interact effectively with people.

The department seeks to develop students' literary comprehension, creative critical thinking, writing, and communicative abilities in a range of diverse intellectual and cultural traditions. The department commits to fostering a sound liberal arts academic experience and to preparing graduates to meet the educational, professional, and cultural needs of the region and beyond. The programs strive to promote the study of languages, literature, and writing; to develop the cultural awareness; and to advance the study and appreciation of the English language as a tool for scholarly analysis, criticism, creativity, and communication.
