

# BACHELOR OF FINE ARTS STUDIO ART PHOTOGRAPHY

YOUR  
*Moment*  
IS HERE

**START WITH HOUSTON COMMUNITY COLLEGE. FINISH AT LAMAR UNIVERSITY!**

## Your Future

The photography curriculum focuses on the development of the individual student’s skill in the practice of the medium as a source for self-expression and cultural investigation. Courses include instruction in technical development, historical and contemporary issues, and the various possibilities of exploration, both chemically and digitally, within the medium. The student's visual voice is nurtured through a rigorous study of the traditions of the medium along with an exploration of the new possibilities and techniques offered by the advancements in technology.

The undergraduate photograph study experience culminates in LU’s unique senior thesis program involving a series of original works produced by each Bachelor of Fine Arts degree candidate, exhibited in the Dishman Art Museum, and defended by the student in a formal written thesis.
