

# BACHELOR OF FINE ARTS STUDIO ART SCULPTURE

**START WITH HOUSTON COMMUNITY COLLEGE. FINISH AT LAMAR UNIVERSITY!**

## Your Future

Students pursuing a concentration in sculpture develop an understanding of basic design principles, concepts, media and formats throughout the course of their study beginning with their foundation studies. Students are required to develop original solutions to aesthetic and design problems through the degree program. LU sculpture students have monitored access to materials, equipment and library resources related to the study of sculpture.

The undergraduate sculpture curriculum culminates in LU's distinctive senior thesis program involving a series of original works produced by each Bachelor of Fine Arts degree candidate, exhibited in the Dishman Art Museum, and defended by the student in a formal written thesis.
