

COLLEGE OF BUSINESS
LAMAR UNIVERSITY
School of Accounting & Information Systems

The Honorable **DAVID M. WALKER**

*Former Comptroller
General of the United
States and CEO of the
U.S. Government
Accountability Office
(GAO)*

David Walker, a nationally and internationally recognized fiscal responsibility and government accountability expert, will discuss **"America's Fiscal Future and What it Means for You."** He is a non-practicing CPA with over 40 years of executive level experience in the public, private and non-profit sectors. During his career, he has headed three federal agencies and two non-profits, as well as lead a global service line for Arthur Andersen LLP. He is a author, public speaker, professor and media commentator.
