

BS in Theatre & Dance:
2023-2024 Assessment Plan

	Student Learning Outcome #1	<p>Social Responsibility</p> <p>Students will illustrate an understanding of the cultural, social and/or historical contexts of theatre and/or dance</p>
PLAN	Assessment Method(s)	<p>Students pass rates in classes in Theatre & Dance and ability to advance in their craft will measure their results.</p> <p>Student assessment during coursework and end of year reviews will be administered from the entire faculty.</p>
	Proficiency	Eligibility to perform in productions and dance concerts.
DO	Benchmark	80% of students will be eligible to perform
	Results of Assessment	86% of students remained eligible to perform as a result of meeting pass rates in courses and end of year review by faculty.
S T U D Y	Analysis of Results	Benchmark achieved. Will continue to assess for the next academic year to see if percentages can be increased.

ACT	Improvement Plan for 2024-2025	Increase percentage of students who are eligible to perform by emphasizing pass rates and significance of end of year reviews at the beginning of and throughout the semester, as well as directly addressing at risk students proactively as early as possible.
------------	---------------------------------------	--

BS in Theatre & Dance:
2023-2024 Assessment Plan

	Student Learning Outcome #2	<p>Implementation of Content</p> <p>Students will demonstrate the development of technical, physical, vocal and/or performance skills adequate to meet the needs of undergraduate self-expression and the undergraduate level.</p>
PLAN	Assessment Method(s)	End of year review will be an evaluation by the faculty in their emphasis.
	Proficiency	Faculty will use coursework and a production report/ rubric to evaluate student performance at the end of the semester.
DO	Benchmark	90% of Theatre & Dance students will be in good academic standing with the university and be able to move forward in their craft.
	Results of Assessment	86% of Theatre & Dance students completed the year in good academic standing with the university.
S T U D Y	Analysis of Results	90% is a reasonable benchmark at this time. The percentage was negatively affected by students who were able to join the program without going through the proper process. The department is working with advising to remedy this issue.

ACT	Improvement Plan for 2024-2025	Continuation of current plan is acceptable for 2024-25. 90% is an acceptable benchmark.
------------	---------------------------------------	---

BS in Theatre & Dance:
2023-2024 Assessment Plan

	Student Learning Outcome #3	<p>Critical Thinking</p> <p>Students will analyze/ assess theatrical and/ or dance work(s) in a way that demonstrates independent and critical thought.</p>
PLAN	Assessment Method(s)	Students will be evaluated of their assessment in Theatre & Dance classes based on their written work and contribution to discussions/ feedback on each other's' work.
	Proficiency	A percentage of grade in each course will be attributed to such areas of response, discussion, and feedback.
DO	Benchmark	90% of Theatre & Dance students will show an active participation in analysis and critical thinking based on faculty assessment.
	Results of Assessment	80% of Theatre & Dance students show an active participation in analysis and critical thinking. In particular, new students to the program struggle in this area.
S T U D Y	Analysis of Results	90% of returning students showing an active participation in analysis and critical thinking is a reasonable benchmark for 24-25. Action should be taken to improve critical thinking development amongst new students in the program.

ACT	Improvement Plan for 2024-2025	Introductory courses offered in the first year (Acting I, Costume Construction, Stagecraft, Introduction to Design, Modern I, Ballet I) will all develop or revise a specific assignment that addresses basic critical thinking as part of the course.
