**Commented [JR1]:** Regarding All SLOs - More details needed. 100% of what… 100% of students scored what over 75%? How many students?

If the indirect results take 9-12 months post graduation, should the indirect results be reported on a 1 year delay. For instance, for the upcoming 2024-2025 Academic year, should the indirect results for 2023-2024 be given for complete report?
