

Mission

The mission of the Lamar University JoAnne Gay Dishman School of Nursing is to educate undergraduate and graduate students to become qualified, competent, professional nurses who are prepared for practice. The school provides quality nursing education relevant to a changing profession, society, and healthcare environment. Collaboration between faculty and students promotes excellence in health care delivery to diverse populations. A spirit of caring, continual inquiry, creativity and integrity is promoted through teaching, scholarship, leadership, and service.

Academic year 2024-2025

RN to BSN Articulation Track Learning Outcomes

End-of-Program Student Learning Outcome #1

Practices safe, compassionate, and effective/holistic/multidimensional patient-centered care to diverse patients/clients in multiple settings from a global perspective by incorporating theories and evidence-based findings.
