

MED in Counseling & Development in Marriage, Couple and Family Counseling - MED-AMCD**Mission**

The Marriage, Couple, and Family Counseling program is part of the Master of Education in Counseling and Development and is designed to prepare professionals to provide clinical counseling services using a *systems approach* across various settings such as clinics, hospitals, school-based mental health programs, and private practice.

Academic Year 2025-2026

MED in Counseling & Development in Marriage, Couple and Family Counseling - MED-AMCD Learning Outcomes**Knowledge and Proficiency of Theoretical Models in Counseling**

Students will demonstrate knowledge of, and the ability to apply, a variety of models and theories related to clinical mental health counseling, including methods and principles of clinical supervision.

MEASURES	RESULTS	ACTIONS
Site Supervisor Concerns Concerns (if any) received from site supervisors regarding students' knowledge base during Practicum. Indirect - Other	MET Analysis We have received a few concerns from site supervisors. These concerns were mostly logistical concerns (e.g. student communication issues). These students were contacted by program faculty, and necessary remedial support was provided.	<i>No actions have been added.</i>
Counselor Preparation Comprehensive Examination (CPCE) Score Direct: Students' scores for the Counselor Preparation Comprehensive Examination (CPCE), a national standardized exam that constitutes the comprehensive exam for students in the CMHC program. The CPCE comprises 160 items that cover the 8 content areas. Indirect: Concerns (if any) received from site supervisors regarding students' knowledge base during Practicum. Direct - Exam (Certification or Licensure) Target Students must receive a score of 70 or higher on the CPCE. Students who fail to achieve a score of 70 or higher on the CPCE must complete a Comprehensive Self-Study Guide and continue to maintain a passing GPA within the program.	MET Analysis Of 123 students that took CPCE during Fall 2025 and Spring 2026, 28% received a satisfactory score, 64 received a proficient score, and 8% received an advanced score.	<i>No actions have been added.</i>

Demonstrate Proficiency of Counseling Skills During Fieldwork Courses

Students will demonstrate competence in utilization of counseling skills and techniques during practicum.

MEASURES	RESULTS	ACTIONS
----------	---------	---------

MED in Counseling & Development in Marriage, Couple and Family Counseling - MED-AMCD

Practicum Students passing grades during CNDV 5392 – Practicum Students must receive a grade of B or higher to be considered successful. Direct - Other <i>Internship: CNDV 5394</i> Target 100% passing rate is aimed for students enrolled in practicum.	MET Analysis 100% of the students (N=85) enrolled in the Fall 2025 and Spring 2026 practicum successfully passed.	<i>No actions have been added.</i>
Field Experience Concerns Concerns shared with the Field Experience Coordinators (if any) by practicum instructors regarding student performance in their case presentation assignments which requires students to record a counseling session	MET Analysis Only a few concerns were raised and students were provided with support.	<i>No actions have been added.</i>

Obtain Comprehensive Knowledge Necessary to Pass National License Exam

Students will possess the knowledge required to pass the NCE which is required for LPC license application.

MEASURES	RESULTS	ACTIONS
NCE Scores Students NCE scores Passing the NCE. Target NCE passing rate for Lamar University will be comparable to National passing rate.	MET Analysis Due to logistical issues, we will report CPCE scores moving forward instead of NCE scores. Student are required to take CPCE during their Internship 1. CPCE (Counselor Preparation Comprehensive Examination) is a similar test to NCE (National Counselor Examination). the questions are similar. We receive a detailed report of CPCE. Of 123 students that took CPCE during Fall 2025 and Spring 2026, 28% received a satisfactory score, 64 received a proficient score, and 8% received an advanced score.	<i>No actions have been added.</i>

MED in Counseling & Development in Marriage, Couple and Family Counseling - MED-AMCD
