

## New System for Course Evaluations

As of Summer 2024, Lamar University's course evaluations will no longer be conducted under **SmartEvals**. Instead we are now utilizing **Watermark Course Evaluations**.

- Under the new system, students will receive emails from Lamar University inviting them to take their course evaluations, with reminders being sent every 3 days. For most Parts of Term evaluations will launch 2 weeks before the last class day.

- Course Evaluations can also be accessed directly from **Blackboard**. There will be a popup inviting students to take their course evaluations upon logging in to **Blackboard**.
