
Meet the Team

Thomas Kalb
Director

Lamar University
Beaumont, Texas
(e) tkalb@lamar.edu
(m) 203-803-7677

Mr. Kalb is an oil and gas executive with 42 years in financial and operating commodity businesses. He spent 35 years serving as an oil and gas focused institutional investor and provider of corporate finance advisory services, and seven years as a petroleum engineer. He is a graduate of the University of Texas at Austin and the University of Chicago where he earned a BSc (Petroleum Engineering) in 1979 and an MBA (Finance) in 1988, respectively.

Helen H. Lou
Associate Director-Research

Lamar University
Beaumont, TX
(e) helen.lou@lamar.edu
(o) 409-880-8207

Dr. Lou is a Professor of Chemical Engineering and a Fellow of American Institute of Chemical Engineers (AIChE). In addition to her rich experience in research, development and education, Dr. Lou was a Board Member of the Gulf Coast Regional Center of Innovation and Commercialization (2009 – 2015). She is a graduate of Wayne State University where she earned a PhD (Chemical Engineering) and an MA (Computer Science) in 2001.

Grace Belaire
Program Coordinator

Lamar University
Beaumont, TX
(e) gbelaire@lamar.edu
(o) 409-880-7097
(m) 409-719-1961

Ms. Belaire is a 2020 graduate of Lamar University where she earned a Bachelor of Business Administration in Management. Grace works closely with the Midstream Center's leadership in development and execution of the center's activities and programs.
