

FORMAT FOR TENURE AND PROMOTION FILES

1. Each promotion or tenure file may consist of no more than two volumes, the first of which must be in electronic format. If two actions are under consideration (e.g., promotion to associate professor and tenure), a single file is acceptable and both actions indicated on a copy of form F2.11. Separate appendices will not be accepted beyond the department level.

2. **VOLUME I** must be submitted in electronic format on a “jump” drive, with materials organized into virtual sections as indicated below. The applicant's name and the action (e.g., tenure, promotion to associate professor, promotion to professor) must be indicated clearly in the submission, and a copy of the home department's/college's most recent tenure and promotion guidelines document must be included in Section C.

Section A will include a current curriculum *vitae*. The candidate may include an essay highlighting special accomplishments in front of the curriculum *vitae*. There must be clear delineation in the *vitae* as to the scope (i.e., local, state, regional, national/international) and the review process (i.e., peer reviewed or not) for each publication listed. If credit for prior service is being claimed, a copy of the appointment letter and/or initial contract detailing the commitment must be included here. **NOTE:** Faculty applying early for promotion to the rank of professor (i.e., prior to the fall of the 7th year as an associate professor) must disclose that fact and include in the essay a justification based upon national/international stature in the discipline.

Section B will consist of evaluative letters originating at the various levels of review (e.g., departmental, school, college). Letters from external reviewers, if appropriate, should be included in this section as well.

Section C will consist of copies of all F2.08 forms since the candidate joined Lamar University if the action is tenure and/or promotion to the ranks of assistant or associate professor. Otherwise, include F2.08 for each year since last promotion. A scanned copy of the most recent departmental/college tenure and promotion guidelines must be included in this section.

Section D will consist of copies of the 2nd and 4th year reviews **only** if the action is tenure.

3. **VOLUME II** will be a standard size, three-ring binder with a spine of **no more than three inches**. The applicant's name and the action (e.g., tenure, promotion to associate professor, promotion to professor) must be indicated clearly on both the front cover and spine of the binder. It should contain all supporting documentation and be divided into four sections. The method of presentation of this material is left to the discretion of the candidate, but care should be taken to ensure that it can be handled easily by persons involved in the evaluation process. In addition, a copy of the form F2.11 with the heading completed (i.e., through the item, “Number of Years in Current Rank at Lamar University”) must be placed in the front pocket of the binder or with holes punched in it and included at the beginning. This form is available online at: <http://facultystaff.lamar.edu/academic-affairs/forms/index.html>

This section will include documentation of teaching effectiveness and should contain at least printed summaries of all student evaluations administered since appointed or since the last promotion. Additional student evaluations, student comments, description of and results other departmentally approved methods of teaching evaluation, course syllabi, examples of instructional materials developed, description of special contributions made to course/curriculum development, etc., may be included.
