In accordance with Sick Leave Donation as authorized by House Bill 1771, I authorize a direct donation of my accrued sick leave to the recipient indicated above. In making this decision:

- I understand donations are strictly voluntary and available only for use by the recipient once eligibility has been confirmed,
- I understand that donated sick leave will no longer be my property right and will be deducted from my sick leave balance accordingly. I further understand that this decision is irrevocable and donated sick leave will not be returned to me in the event the recipient is unable to utilize the approved donated sick leave,
- I understand State law expressly prohibits me from receiving remuneration or a gift in exchange for donating sick leave and attest
  that I have not and will not receive any financial payment or gift in exchange for this donation,
- I understand that the value of the donated sick leave *may* invoke tax consequences if the recipient's need for sick leave donation does not qualify as a medical emergency pursuant to IRS guidelines. For sick leave donation purposes, a medical emergency is defined as "a major illness or other medical condition that requires a prolonged absence from work (40 hours), including intermittent absences that are related to the same illness or condition",
- I understand that final determination of medical emergency will not be known until fully assessed by Human Resources. In recognition of the above information, I agree to proceed with my donation: (Check the applicable box and include the number of hours to be donated.
