***SUBJECT: Retirement@Work® is live! Log in now.***

## **Retirement planning made simple with Retirement@Work.**

Beginning today, you will have access to the Retirement@Work® website which brings all your Texas State University System (TSUS) retirement plan account information together, regardless of investment provider. **While no action is required, please review the information below.**

### ***Not a participant yet?***

Eligible employees can enroll through Retirement@Work today and start saving for their financial future.

From one website, you can now:

- Enroll in the TSUS retirement plans
- Select an investment provider(s) and research investments for all plan(s).
- View your TSUS retirement plan balances for all plans, regardless of vendor.
- Change your TDA contribution amounts.
- Access investment tools and calculators.

### **LOG IN TODAY**

Visit [retirementatwork.org/tsus](https://retirementatwork.org/tsus) and register in order to create your unique username and password.

The attached **Quick Start Guide** will help you get started using the system.

While there's nothing you need to do, we encourage employees to log in to Retirement@Work and review your contribution amounts and vendor selections to ensure they reflect your choices for your retirement planning. **You can also meet with a financial advisor to ensure you're contributing enough to your plan to meet your retirement goals.** Contact your provider directly to schedule a session.
