Social-Emotional Learning (SEL) seeks to promote an understanding of self-awareness, an ability to process experiences, to understand others, and make responsible decisions. When art is added to social-emotional learning practices, SEAL based instruction promotes the creative act of making and analyzing art from multiple perspectives.

SEAL
LU SUMMER ART CAMP
July 17th-21st, 2023

Preservice art education students will instruct campers in artmaking that explores themes of resiliency. Campers will create a series of artworks about personal, and community resiliency. The LU Summer Art Camp courses are designed to be concentrated and active. Each course will be taught by art and art education students from Lamar University.

ATTENDANCE IS FREE
LIMITED TO 25 PARTICIPANTS
Open to high school students including entering freshmen, ages 13 and up.

FOR MORE INFORMATION and to ENROLL:
Go to the Lamar summer camp webpage https://www.lamar.edu/summer-camps/index.html and fill out the necessary documents.

*MUDDING Provided by Center for Resiliency at Lamar University. Please contact jhyatt2@lamar.edu for more information.
