There are three (3) components to the bass clarinet audition. All three are required.

- **Required #1:** Lyrical Excerpt [page 2]
- **Required #2:** Technical Excerpt #1 [page 2]
- **Required #3:** Technical Excerpt #2 [page 3]

**Audition Practice tips from Dr. Iles:**

1. Practice with a metronome
   - Start at tempo where fingers and articulations are clean.
   - Bump up the tempo by two or three clicks. If your playing becomes sloppy, slow down again.

2. Play everything on the page accurately
   - Notes and rhythms
   - Articulation
   - Dynamics
   - Repeats if requested

3. Don’t always start at the beginning
   - Begin with most difficult measures and practice slowly
   - Rotate which excerpts to practice first each day

4. Keep a practice log
   - Write down specific practice and tempo goals. Keep raising the bar each day.

5. Listen to different recordings.
   - You will not sound exactly like the recording. Use them to get an idea of how you would like to play the piece.

6. Be Positive
   - Sometimes you will reach your goals and sometimes you will feel like you are moving backwards. Even on tough days, you are still making progress. Practice everyday and know that it is worth it.
