There are three required components to the bassoon audition:

1. Perform the lyrical excerpt as provided on page 2 of this packet.
2. Perform the technical excerpt as provided on page 2 of this packet.
3. Perform a very short selection (solo or etude excerpt) of your choosing. You may perform something that you studied in your lessons last year or at any time in the past. *(Choose an excerpt about which you feel very confident and that is “easy/comfortable” for you! The audition can begin with this selection in order that you might feel confident and relaxed.)*
