WHAT TO BRING TO CAMP

A. Batons, 1-3 depending on your ability level. If you do not own a baton please indicate this on your entry form so that we may provide one. A limited number of batons will be available.

B. Baton bag or some sort of bag that is easy to carry to help keep your equipment together.

C. Twirling shoes are preferred, jazz shoes can be worn but you must bring shoes to wear outside, tennis shoes can be worn if you do not have either of the other types of shoes. Shoes must be worn at all times.

D. Clothing should be fitted. If shorts do not have built in bloomers please wear spandex dance shorts underneath them. Tank tops or shirts with fitted cap sleeves are best for twirling but if you do not have those types of shirts t-shirts are expectable.

E. Water bottle or other drink to keep you hydrated. No soda.

F. Ponytail holders, students’ hair should be properly secured out of their faces at all times with a ponytail, bun or braids. If not they will be asked to step out of the class and fix it.

2. Advise the camp staff to take the child to a local health clinic or hospital. If you do not want the camp staff to follow these procedures, please provide a written statement to the Camp Coordinator ahead of the camp indicating your desires in the event of an emergency illness or accident.
