Report the number of discipline-related refereed papers/publications, juried creative/performance accomplishments, and external presentations per year for each of the 3 most recent years. If figures include duplicate entries for co-authored publications, indicate the number of duplicate entries in a note.

\*These numbers include presentations and publications based on students' dissertation and coursework even if the student graduated during the timeframe in which the publication/presentation was under review. These numbers may be under-reported as some students fail to notify our office when a publication/presentation is accepted.
